Shall Missouri statutes be amended to prohibit the construction of most new outdoor advertising and to further restrict existing outdoor advertising along all National Highway System highways in Missouri; to increase the authority of any city, county or local zoning authority to regulate outdoor advertising; and to prohibit the removal of trees and vegetation located on public rights of way except for purposes of improving aesthetic or environmental value or of eliminating safety hazards?

The estimated fiscal impact of this proposed measure is unknown.

Proposition B

Proposed by Initiative Petition

Shall Missouri statutes be enacted establishing a campaign finance system where candidates for election to the Missouri legislature and statewide office who comply with various requirements regarding campaign contributions and finances, including limitations on campaign spending, contributions and use of personal funds, may apply and obtain certification from the Missouri Ethics Commission to receive public campaign financing, where the funds allocated to participating candidates are provided by increasing by one-hundredth of one percent the annual franchise tax levied on corporations whose outstanding shares and surplus exceed two million dollars, with such campaign finance system to include penalties for violations?

The costs of this proposal will be funded through an increase in the corporate franchise tax rate for corporations whose outstanding shares and surplus exceed \$2,000,000. This tax increase will generate approximately \$13,000,000 per year.
