Dear Sir There are two cases in which I wish to obtain Writs of Error - The one is the case of Larkin Deaver vs Alonzo Bogardus and Arthur Snowden - Samuel S Rayburn security in the Bond given to Sheriff for the Property attached. This case is in the St Louis Circuit Court - The other case is one of Samuel A. M. Shipp & Horace P. Woodbridge vs John Stocker, Jas. E. Yeatman, Jo. Woods, Robert Woods, John Bell, Thos. Crawford. This last case is pending in the St Louis Court of Common Pleas. I of course wish the Writs to the respective courts in which the causes are usually pending. As I am not very well acquainted with any gentleman in your City, I feel myself compelled to ask of you the favour of issuing the Writs without receiving your fee in advance, as I cannot forward you the amount by letter. If you will do so, I pledge myself to pay the amount to you when I shall come up to Jefferson City. If however you shall be unwilling to do so, I shall be compelled to throw myself upon some one else. And as I know of none other, to whom I may with more propriety address myself, I must get you to apply to Wm. T. Miller of your city, to do me the favour to advance you your fee, on my pledge to remit the amt to him when I shall come up to Jefferson city. But I must confess that it would be very unpleasant to have to make this application

to Mr. Miller, as there is no intimacy between us, or obligation of any kind that would justify me in asking the favour of Mr. Miller. I would I am emboldened to ask the favour of you chiefly from the fact that you are the Clerk of the Court.

With one request I am very truly your Obt. Servt
