Music Journalism Worksheet

A music journalist reviews albums and concerts, reports on music news, and interviews musicians. They can work online, through print news resources, or broadcast on television, radio, or podcasts. Try your hand at being a music journalist: answer these questions about an album or artist and post your review to our display!

- Album and/or artist's name: _____
- What genre of music is this? _____
- How would you describe the music? _____

  _____

  _____

  _____
- What do you enjoy about this album/artist? _____

  _____

  _____

  _____
- If people are going to listen to just one song from this album/artist, what should it be? _____

  _____
- If you like this album/artist, you might also enjoy: _____

  _____

  _____
