The tax imposed by this section shall be in addition to other taxes imposed by law on the sale of cigarette packages and shall be collected in the same manner and at the same time as the taxes imposed by law upon the sale of packages of cigarettes.

2. The Childhood Cancer Treatment and Prevention Fund is hereby created within the state treasury which shall consist of funds from the taxes established in subsection 1 of this section, appropriated moneys, gifts, contributions, grants, or bequests.

3. Beginning January 1, 2017, the state treasurer without legislative action shall credit to and place in the Childhood Cancer Treatment and Prevention Fund all moneys collected as a result of the tax imposed by subsection 1 of this section as said moneys are received. All of the moneys from the tax imposed by this section shall be kept separate from the general revenue fund as well as any other funds or accounts in the state treasury and shall be credited to and placed only in the Childhood Cancer Treatment and Prevention Fund and the accounts created within the Childhood Cancer Treatment and Prevention Fund. Any moneys credited to and placed in the Childhood Cancer Treatment and Prevention Fund and any account created by this section shall be appropriated and used only for a purpose authorized by this section and shall not be subject to the provisions of section 33.080, RSMo. If an estimated reduction in the amount of moneys collected and deposited into any of those funds pursuant to chapter 149, RSMo has been caused by the tax imposed by this section, an amount equal to the estimated amount of moneys that were not collected and deposited into that fund or funds because of the tax imposed by this section shall be transferred from the Childhood Cancer Treatment and Prevention Fund to the appropriate fund or funds. The aggregate amount transferred to the fair share fund, the health initiatives fund, and the state school moneys fund from the Childhood Cancer Treatment and Prevention Fund for any fiscal year shall not exceed three percent of the total moneys collected pursuant to this section during that same fiscal year.

7. The state auditor shall perform an annual audit of the funds and initiatives undertaken pursuant to this section, which shall include an evaluation of whether pre-existing funding for programs or initiatives has been reduced because of the new funding for such purposes provided through the Childhood Cancer Treatment and Prevention Fund or any of its accounts. Such audit shall be performed on a fiscal year basis. The state auditor shall make copies of each audit available to the public. Every three years the state auditor shall prepare a comprehensive report assessing the

work and progress of initiatives undertaken pursuant to this section. Such assessment report shall analyze the impact of the programs, grants, and contracts performed, shall be provided to the governor and the general assembly, and shall be available to the public.

8. The tax imposed by this section shall be imposed on all cigarettes in the possession or under the control of any dealer or distributor on and after 12:01 a.m. on January 1, 2017, as determined by department of revenue rule. The initiatives and programs authorized under this section shall be implemented as soon as reasonably practicable, but at least by July 1, 2017.

10. The net proceeds from the tax imposed by this section shall constitute new and additional funding for the initiatives and programs described in this section and shall not be used to replace existing funding as of July 1, 2016 for the same or similar initiatives and programs.

11. All of the provisions of this section shall be self-enforcing. All of the provisions of this section are severable.
