Construction Transient Employers

The following is a list of all construction contractors performing work on construction projects in Missouri who are known by the Department of Revenue to be transient employers pursuant to Section 285.230, RSMo. This list is provided as a guideline to assist public bodies with their responsibilities under this section that states, "any county, city, town, village or any other political subdivision which requires a building permit for a person to perform certain construction projects shall require a transient employer to show proof that the employer has been issued a tax clearance and has filed a financial assurance instrument as required by Section 285.230 before such entity issues a building permit to the transient employer."

Rules About Rule Numbers

A rule number can only be used once. Once a rule number has been used for a rule, the same rule number cannot be used for another rule with a different subject.

Leave room in your chapters for expansion of rules. Normally rule numbers should be assigned in increments of ten (10)–15 CSR 30-997.010, 15 CSR 30-997.020, etc. This way, you should have room to add rules between numbers in the future should the need to do so arise.

For more about rule numbering please see page 5.02A of *Rulemaking 1-2-3 Drafting and Style Manual* which can be found online at <http://www.sos.mo.gov/adrules/manual/manual.asp>.
