TIMELINE CALCULATOR

The Administrative Rules Division is pleased to announce that a new tool is available on the SOS Administrative Rules web page to assist in calculating critical rulemaking dates. A timeline calculator is now available at www.sos.mo.gov/adrules/datecalc/default.aspx.

To use the timeline calculator, select the type of rulemaking you are doing using the drop-down menu—

- Proposed rulemaking;
- Order of rulemaking;
- Emergency rulemaking; or
- First day to file order with AdRules.

Use the built-in calendar to select your filing date, or type in your filing date using the mm/dd/yy format.

For proposed rulemaking, if you are having a hearing or an extended comment period, you may check the override thirty-day comment box and insert the date for the final day to submit comments or the date of the hearing, whichever is later.

For orders of rulemaking, if you have an effective date that is not the normal thirty days after publication, please check the override effective date and insert the correct effective date.

For emergency rulemaking, there are two override boxes available. The first override box is used to select an effective date that is later than ten days after the emergency rulemaking is filed. The second override box is used to choose an expiration date that is less than the one hundred eighty days or thirty legislative days.

To calculate the first day an order(s) may be filed with SOS, select the drop-down menu, then use the calendar to select the date, or manually enter the date, the order(s) was filed with JCAR.

If you have questions regarding the timeline calculator, please contact Administrative Rules at (573) 751-4015.
