Construction Transient Employers

The following is a list of all construction contractors performing work on construction projects in Missouri who are known by the Department of Revenue to be transient employers pursuant to Section 285.230, RSMo. This list is provided as a guideline to assist public bodies with their responsibilities under this section that states, "any county, city, town, village or any other political subdivision which requires a building permit for a person to perform certain construction projects shall require a transient employer to show proof that the employer has been issued a tax clearance and has filed a financial assurance instrument as required by Section 285.230 before such entity issues a building permit to the transient employer."

Periodic Review of State Agency Rules and Non-Substantive Changes Provision

SB 469 and HB 1135 Truly Agreed To and Finally Passed by the 96th General Assembly, 2012 and signed by the governor will go into effect on August 28, 2012.

These bills require state agencies to periodically review all of their rules according to a schedule set out in statute. There are specific criteria that must be included in a report submitted to the Joint Committee on Administrative Rules and the Small Business Regulatory Fairness Board regarding the rule review. Failure to file the report shall result in the rule being void and of no further effect.

Also included in these bills is the authority for the secretary of state to make non-substantive changes in the *Code of State Regulations* per the filing of a request by a state agency with the Joint Committee on Administrative Rules and the secretary of state concurrently. A notice of the non-substantive change will be published in the *Missouri Register* after which the rule will be updated in the *Code of State Regulations*. Non-substantive changes include changes in department or division name information in response to statutory changes or executive orders, or to changes in state agency address, state agency telephone numbers, email addresses, or state agency website addresses.
