SALUS POPULI SUPREMA LEX ESTO

"The welfare of the people shall be the supreme law."

JASON KANDER
SECRETARY OF STATE

MISSOURI
REGISTER

The *Missouri Register* is an official publication of the state of Missouri, under the authority granted to the secretary of state by sections 536.015, RSMo Supp. 2014 and 536.033, RSMo 2000. Reproduction of rules is allowed; however, no reproduction shall bear the name *Missouri Register* or "official" without the express permission of the secretary of state.

The *Missouri Register* is published semi-monthly by

SECRETARY OF STATE

JASON KANDER

The *Missouri Register* and *Code of State Regulations* (CSR) are now available on the Internet. The Register address is <http://www.sos.mo.gov/adrules/moreg/moreg.asp> and the CSR is <http://www.sos.mo.gov/adrules/csr/csr.asp>. These websites contain rulemakings and regulations as they appear in the Registers and CSR. These websites do not contain the official copies of the Registers and CSR. The official copies remain the paper copies published by the Office of the Secretary of State pursuant to sections 536.015 and 536.031, RSMo Supp. 2014. While every attempt has been made to ensure accuracy and reliability, the Registers and CSR are presented, to the greatest extent practicable as they appear in the official publications. The Administrative Rules Division may be contacted by email at rules@sos.mo.gov.

The secretary of state's office makes every effort to provide program accessibility to all citizens without regard to disability. If you desire this publication in alternate form because of a disability, please contact the Division of Administrative Rules, PO Box 1767, Jefferson City, MO 65102, (573) 751-4015. Hearing impaired citizens should contact the director through Missouri relay, (800) 735-2966.

Documents will be accepted for filing on all regular workdays from 8:00 a.m. until 5:00 p.m. We encourage early filings to facilitate the timely publication of the *Missouri Register*. Orders of Rulemaking appearing in the *Missouri Register* will be published in the *Code of State Regulations* and become effective as listed in the chart above. Advance notice of large volume filings will facilitate their timely publication. We reserve the right to change the schedule due to special circumstances. Please check the latest publication to verify that no changes have been made in this schedule. To review the entire year's schedule, please check out the website at <http://www.sos.mo.gov/adrules/pubsched.asp>

Missouri Participating Libraries

The *Missouri Register* and the *Code of State Regulations*, as required by the Missouri Documents Law (section 181.100, RSMo Supp. 2014), are available in the listed participating libraries, as selected by the Missouri State Library:

Jefferson County Library PO Box 1486, 3021 High Ridge High Ridge, MO 63049-1486 (314) 677-8689	Learning Resources Center Mineral Area College PO Box 1000 Park Hills, MO 63601-1000 (573) 431-4593	Hearnes Learning Resources Ctr. HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

**Title 7—DEPARTMENT OF TRANSPORTATION
Division 10—Missouri Highways and Transportation
Commission
Chapter 25—Motor Carrier Operations**

PROPOSED AMENDMENT

7 CSR 10-25.030 Apportionment Registration Pursuant to the International Registration Plan. The Missouri Highways and Transportation Commission is deleting sections (5) and (9), subsections (1)(C) and (10)(D), renumbering as needed, and amending sections (2), (11), and (14).

PURPOSE: This amendment removes unnecessary language due to a change in the International Registration Plan, rule provisions that are unnecessary because of current state law, and updates mailing and web addresses.

(1) Definitions.

[(C) Qualified vehicle means any power unit that is used or intended for use in two (2) or more member jurisdictions and that is used for the transportation of persons for hire or designed, used, or maintained primarily for the transportation of property and:

1. Has two (2) axles and a gross vehicle weight or registered gross vehicle weight in excess of twenty-six thousand (26,000) pounds (11,793.401 kilograms); or

2. Has three (3) or more axles, regardless of weight; or

3. Is used in combination, when the gross vehicle weight of such combination exceeds twenty-six thousand (26,000) pounds (11,793.401 kilograms).

A recreational vehicle, a vehicle displaying restricted plates, a bus used in the transportation of chartered parties, a government-owned vehicle, or a truck or truck tractor, or the power unit in a combination of vehicles having a gross vehicle weight of twenty-six thousand (26,000) pounds (11,793.401 kilograms), or less, are not apportionable, but may be registered under the IRP at the option of the registrant.]

[(D)](C) Temporary vehicle registration means a temporary permit authorizing operation of vehicles in other member jurisdictions pending full registration upon completion of the initial or renewal application.

(2) Whenever the Missouri Highways and Transportation Commission (commission) has entered into a reciprocal agreement providing for exemption from registration or the payment of registration fees on an apportionment basis with other member jurisdictions, the operator of a fleet of vehicles based in any one (1) of the member jurisdictions must comply with the provisions of the applicable agreement. The *[[IRP which] International Registration Plan (IRP) is a registration reciprocity agreement among the states of the United States, Washington D.C., and the Canadian provinces and includes Missouri as a member. The IRP, published January 1, 2015, and IRP Ballot 391, published June 20, 2014 and adopted September 18, 2014, are [is] incorporated herein by reference and made a part of this rule as published by the International Registration Plan, Inc., [4301 Wilson Blvd., Ste. 400, Arlington, VA 22203.] 4196 Merchant Plaza, #225, Lake Ridge, VA 22192 [effective July 1, 2008].* This rule does not incorporate any subsequent amendments or additions *[of this manual]*.

[(5) Missouri law forbids the granting of an exemption by the commission from any or all registration fees to any qualified vehicle owners or operators duly licensed in another jurisdiction where substantially equivalent exemptions are not extended by that jurisdiction to vehicles which are duly licensed in Missouri.]

[(6)](5) All qualified vehicles shall be registered on a quarterly staggered registration year basis beginning either January 1, April 1, July 1, or October 1. Applications for renewal and payment are to be filed in accordance with section 301.041, RSMo. A waiver request, in writing, of late filing or late payment may be granted one (1) time only or for other circumstances which the director or his/her designee deems appropriate.

[(7)](6) Properly prepared proportional applications will be accepted by mail, in person, or electronically and subject to audit. The commission may refuse to accept applications which list operations that do not appear to be based in or accumulating distance in Missouri, or from applicants or operations whose registration privileges are currently revoked or suspended in another member jurisdiction. The commission reserves the right to obtain further documentation or information to verify compliance with this section. All plates and cab cards

and reciprocal exemptions are subject to cancellation and revocation in the event of erroneous issuance or if any fees remain unpaid.

[(8)](7) Cab Card. Evidence of registration other than the license plate which shall be carried at all times in the vehicle for which it is issued and shall be valid for the current registration period. Qualified vehicle cab cards are issued each registration year upon payment. Trailers will be issued a permanent, nonexpiring cab card. Acceptable forms of a cab card include, but are not limited to, the originally issued registration, including such registration issued by electronic means, and any facsimile transmission or photocopy of such original cab card. All acceptable forms of a cab card shall be legible upon visual inspection.

[(9) Plates. Qualified vehicles (power units) and trailer plates shall be issued pursuant to section 301.041, RSMo, and displayed pursuant to section 301.130, RSMo. The transfer and refund of plates shall be governed by sections 301.067, 301.121, 301.130, and 301.442, RSMo. The registrant may also obtain one (1) year, three (3) year, or permanent trailer plates through the Department of Revenue.]

[(10)](8) Upon completion of initial or renewal applications, subsequent applications may be filed during the current registration year to:

(A) Add vehicle—addition of a power unit or trailer to the fleet that has not been previously registered;

(B) Add vehicle and transfer—the removal of a vehicle from service in a registered fleet to be replaced with another vehicle whether the registered gross weight is the same, to be increased, or to be decreased. A fee credit is not allowed for a vehicle not permanently removed from the fleet such as removal for repair or rebuilding. If the vehicle has been permanently removed from fleet service due to destruction by accident or change of ownership, change of base point, or expiration or cancellation of lease, the registrant may replace the vehicle with a replacement vehicle. If a registrant elects to remove or withdraw a vehicle from its fleet, the registrant shall either: 1) return the cab card issued to the operator by the commission with an application for the transfer of proportional credentials; or 2) certify that the cab card has been lost, stolen, or destroyed. For each member jurisdiction in which operation has been requested, any required fees will be assessed for those member jurisdictions in accordance with those member jurisdictions' laws. Applications for transfer of apportioned credentials that request a replacement plate must be accompanied by a replacement fee for each plate replaced. Once a vehicle has been removed, the same vehicle cannot later be added back to the fleet for the registration year without the payment of additional fees unless proof of non-use or proof of new ownership is submitted. Upon audit, credit will not be transferable if it is determined that the removed unit was still operating. If a vehicle is added or re-added to the registration fleet and has been issued a Missouri plate in which one hundred percent (100%) of the fees were paid to Missouri, credit will be given on the apportioned fees due Missouri for the current registration year. Additions and removals to a registered fleet will not be accepted when the carrier's account indicates that past additions and removals were only temporary or for the purpose of allowing two (2) or more vehicles to operate on the payment of one (1) fee for the registration year;

(C) Delete vehicle—removal of a vehicle from service in a registered fleet. The plate(s) must be surrendered. The director uses the date the plate is surrendered as a basis for credit or refund, which will be issued pursuant to section 301.121, RSMo. The director provides the registrant with notification letters to other member jurisdictions in which fees have been paid that the applicant may use to obtain refunds, if applicable, from other member jurisdictions. All apportioned license plates for which renewal is not requested shall be returned or postmarked to the director at the end of the current registration year. If an applicant initially elects to renew registration for a vehicle during the annual renewal process and pays all required fees

to Missouri and other member jurisdictions for the new registration year and then determines that registration is not desired prior to the effective date of the new registration year, the carrier may obtain a full refund of such registration fees if the plate is returned or postmarked to the director by the last day of the current registration year;

[(D) Add jurisdiction—the addition of a member jurisdiction to a registered fleet due to expanding operations or a member jurisdiction was not included during initial registration or renewal. All active qualified vehicles will be assessed fees calculated from the date of request to the end of the current registration year. New cab cards will be issued upon payment. At no time will the director remove member jurisdictions from a fleet registration during the current registration year, unless discovery of an error by the director is made upon re-audit of an application;]

[(E)](D) Replace cab card—the issuance of a new cab card to replace originally issued cab card;

[(F)](E) Fleet to fleet transfer—the movement of a vehicle with plate from one (1) fleet to another within the same carrier account during the current registration year. The director allows credit for fees paid to Missouri. Other member jurisdictions listed in the fleet registration may require additional fees or repayment of fees based on the distance percentage of the new fleet;

[(G)](F) Replace plate—the reissuance of a lost, stolen, or destroyed plate;

[(H)](G) Amend vehicle—changes or corrections to vehicles in a registration fleet within a carrier account during the current registration year. Any vehicle information except the vehicle identification number may be changed. Fees are calculated based on the amended vehicle application date and vehicle changes;

[(I)](H) Cab card correction—changes or corrections to the cab card such as equipment number, make of vehicle, vehicle identification number, title state, title number, United States Department of Transportation (USDOT) number at the vehicle level, and federal identification number at the vehicle level, which has no bearing on fees previously assessed for other member jurisdictions. A new cab card will be issued upon payment of the cab card fee;

[(J)](I) Change carrier type/commodity class—changes or corrections to a carrier's type of operation for a specific registered fleet within a carrier account such as private, for hire, and commodity hauled. For member jurisdictions which base fees on carrier type and commodity hauled, additional fees may be due;

[(K)](J) Name change—change or correction of the legal name of the registrant at the account level, including USDOT number and federal identification number; or

[(L)](K) Weight group change—changes to the weights of a group of vehicles which operate at a specific weight in Missouri and other member jurisdictions. Fees will be assessed for the member jurisdictions in accordance with those member jurisdictions' laws based on the weight group changes which were made to all the vehicles within the group. In cases of weight group decrease, no refund or credit will be made.

[(11)](9) Temporary vehicle registration (TVR) will be issued for forty-five (45) days for Missouri-based licensed vehicles upon establishing an account with the commission in lieu of apportioned registration and licenses so that a vehicle may immediately operate upon the highways of Missouri unless the commission has cause to believe that the applicant will not forward immediately the fees and documentation due the state of Missouri. A Missouri-based licensed vehicle may have one (1) fifteen- (15-)/- day TVR extension, but only after all fees and required documents have been submitted. Copies of the TVRs must be carried in the vehicles at all times when no cab cards are available and displayed upon request of any law enforcement or Missouri Department of Transportation official.

(A) Suspension. If the commission determines that payment and documentation is not received prior to the expiration of the forty-five- (45-)/- day TVR or the privilege of a TVR is being abused, the commission shall suspend the privileges of receiving TVRs and/or

additional credentials for that registrant's fleets for the duration of the suspension period. Prior to the issuance of any suspension of TVRs and credentials, the commission shall notify the registrant in writing that payment and/or documentation has not been received or the TVR privilege is being abused and provide information regarding action the registrant must take to become compliant. Upon the registrant taking the action set forth in the commission's notice, the suspension shall be terminated. If the suspension is due to TVR abuse, the registrant shall not receive TVRs for the length of the suspension, but may receive other credentials.

(B) Revocation. The alteration of a TVR will result in a one- (1-)/year TVR revocation. Revocation of TVR privileges does not hinder a registrant's ability to register other vehicles. Revocation of privileges will be reviewed not later than one (1) year after revocation implementation at which time if all delinquent fees are paid, then a reinstatement order will be issued.

(C) Fees. When a request for TVR is made, fees will be charged according to the application type from the time of issuance until the end of the registration year. At no time will the application type be changed during operation or after the expiration of the TVR unless approved by the director or his/her designee. The director or his/her designee may cancel the TVR if the registrant returns the TVR within five (5) days of issuance or reduce TVR fees if the TVR is returned before the expiration date and provided the registrant submits adequate proof to support registrant's written request for reduction of fees.

[(12)](10) Trip Leasing.

(A) A registrant may lease equipment to another fleet registrant and the lessor shall be responsible for reporting the distance traveled by the leased equipment. The lessee shall be the person using and operating the equipment by the lease agreement.

(B) An apportioned vehicle may be leased to a nonapportioned carrier in any jurisdiction. The lessor shall be responsible for reporting the distance traveled by the leased equipment.

[(13)](11) The commission reserves the power to fix and collect a reasonable fee to cover the costs of handling and issuing all credentials or other evidence of proper registration necessary for operating a qualified vehicle in this state.

[(14)](12) The commission shall require the following prerequisite documentation to support an application for apportioned registration:

(A) Personal Property Tax Receipt Required. A Missouri tax receipt or a statement certified by the county or township collector of the county or township in which the applicant's property was assessed showing payment of the personal property tax or that no tax is due by the owner is a prerequisite to the registration of qualified vehicles. A detailed vehicle listing or copy of the assessment form filed by the vehicle owner with the county assessor may be requested in addition to the tax receipts when the receipt does not include complete vehicle information. Carriers using Missouri as the base jurisdiction for apportioned registration purposes asserting no distance was operated by specific vehicles in Missouri shall submit to the commission the Affidavit Affirming No Missouri Distance Traveled, which is incorporated herein by reference and made a part of this rule as published by the Missouri Highways and Transportation Commission, *[Motor Carrier Services Division, 1320 Creek Trail Drive, Jefferson City, MO 65109/ 105 W. Capitol Avenue, PO Box 270, Jefferson City, MO 65102, effective August 1, 2007, which lists those specific vehicles and requires the signatures of both the county collector and assessor. This rule does not incorporate any subsequent amendments or additions of this affidavit. Such affidavit shall not be used as a waiver by any registrant. The Affidavit Affirming No Missouri Distance Traveled may be obtained from the Motor Carrier Services Division website at: http://www.modot.org/mcs/forms_manuals.htm.] documents/AFFIDAVITAFFIRMINGNOMISSOURIMILES.docxJ UNE.pdf;*

(B) Federal Heavy Vehicle Use Tax Receipt Required. Qualified vehicles that have a taxable gross weight of fifty-five thousand pounds (55,000 lbs.) or more are required to show proof of payment of Federal Heavy Vehicle Use Tax or that no tax is due as a prerequisite to the registration of a qualified vehicle./;

(C) Liability Insurance. Effective July 1, 1987 each Missouri-based registrant must maintain liability insurance coverage or provide proof of self-insurance, if applicable, on all vehicles bearing a Missouri-apportioned license plate. Proof of liability insurance coverage is a prerequisite to the registration of a qualified vehicle./;

(D) Lease Agreement. A copy of all lease agreement(s), if applicable, will be required for all vehicles under the control and possession of the registrant. Such lease agreement shall comply with the requirements of 7 CSR 265-10.040./; and

(E) Titles. Proof of certificate of ownership is required for all vehicles. When the vehicle is owned by the registrant, a Missouri certificate of ownership in the legal name of the registrant will be required. When a vehicle is owned by another entity other than the registrant, the certificate of ownership from the entity's resident jurisdiction will be accepted.

[(15)](13) Vehicles Operated Solely in Intrastate Commerce. Notwithstanding any other provision of law, no reciprocity shall be granted under any statute or agreement for the operation of any qualified vehicle within Missouri solely in intrastate commerce, but all vehicles so engaged must be duly registered and licensed in Missouri.

[(16)](14) Any contractor or subcontractor of the commission that is subject to regulation under these administrative rules shall at all times while conducting business with the commission under such contract be in good standing with the laws of the state of Missouri and the administrative rules of the commission, or shall obtain full compliance with such laws or rules within ten (10) days of being notified in writing of noncompliance by Motor Carrier Services Division (MCS).

AUTHORITY: sections 142.617, 226.130, and 301.275, RSMo 2000, and section 226.008, RSMo Supp. [2007] 2014. This rule originally filed as 12 CSR 20-3.010. Original rule filed July 22, 1965, effective Aug. 1, 1965. For intervening history, please consult the Code of State Regulations. Amended: Filed May 15, 2015.

PUBLIC COST: This proposed amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

PRIVATE COST: This proposed amendment will not cost private entities more than five hundred dollars (\$500) in the aggregate.

NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed amendment with the Missouri Department of Transportation, Pam Harlan, Secretary to the Commission, PO Box 270, Jefferson City, MO 65102. To be considered, comments must be received within thirty (30) days after publication of this notice in the Missouri Register. No public hearing is scheduled.

**Title 10—DEPARTMENT OF NATURAL RESOURCES
Division 10—Air Conservation Commission
Chapter 6—Air Quality Standards, Definitions, Sampling
and Reference Methods and Air Pollution Control
Regulations for the Entire State of Missouri**

PROPOSED RULE

10 CSR 10-6.372 Cross-State Air Pollution Rule Annual NO_x Trading Allowance Allocations. If the commission adopts this rule

action, it will be the department's intention to submit this new rule to the U.S. Environmental Protection Agency for inclusion in the Missouri State Implementation Plan. The evidence supporting the need for this proposed rulemaking is available for viewing at the Missouri Department of Natural Resources' Air Pollution Control Program at the address listed in the Notice of Public Hearing at the end of this rule. More information concerning this rulemaking can be found at the Missouri Department of Natural Resources' Environmental Regulatory Agenda website, www.dnr.mo.gov/regs/index.html.

PURPOSE: The purpose of this rule is to change the method of reallocating the annual nitrogen oxides (NO_x) emission allowances for use with the U.S. Environmental Protection Agency's (EPA's) annual NO_x regional emission reduction program as established in the Cross-State Air Pollution Rule (CSAPR) for 2017 and beyond. The evidence supporting the need for this proposed rulemaking, per section 536.016, RSMo, is the September 13, 2011, December 16, 2014, and March 24, 2015 affected industry meeting summaries indicating general agreement to reallocate unused NO_x allowances to municipalities that received zero (0) allowances.

PUBLISHER'S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

(1) Applicability. This rule applies to all Transport Rule (TR) nitrogen oxides (NO_x) Annual units located in the state of Missouri.

(2) Definitions.

(A) Definitions for key words and phrases used in this rule may be found in 40 CFR 97.402 and 97.403 promulgated as of June 30, 2014, and *Federal Register* Notice 79 FR 71663 promulgated on December 3, 2014, are hereby incorporated by reference as published by the Office of the Federal Register, U.S. National Archives and Records, 700 Pennsylvania Avenue NW, Washington, D.C. 20408.

(B) Notification—Any action by the director to convey information to affected sources and interested parties. This includes, but is not limited to, public web postings with email alerts.

(C) Definitions of certain terms specified in this rule, other than those defined in this rule section, may be found in 10 CSR 10-6.020.

(3) General Provisions. This rule replaces 40 *Code of Federal Regulations* (CFR) 97.411(a), 40 CFR 97.411(b)(1) and 40 CFR 97.412(a) promulgated as of June 30, 2014, and *Federal Register* Notice 79 FR 71663 promulgated on December 3, 2014, as published by the Office of the Federal Register, U.S. National Archives and Records, 700 Pennsylvania Avenue NW, Washington, D.C. 20408.

(A) Existing Units.

1. Annual Submittal. The director must submit to the U.S. Environmental Protection Agency (EPA) in a format prescribed by the administrator the TR NO_x Annual allowances listed in Table I taking into account any modifications necessary in accordance with paragraph (3)(A)2. of this rule. This submittal must meet the following schedule:

A. By June 1, 2016, the director will submit to EPA allowances for TR NO_x Annual units for the control periods in 2017 and 2018;

B. By June 1, 2017, the director will submit to EPA allowances for TR NO_x Annual units for the control periods in 2019 and 2020;

C. By June 1, 2018, the director will submit to EPA allowances for TR NO_x Annual units for the control periods in 2021 and 2022; and

D. By June 1, 2019, and June 1 of each year thereafter, the

director will submit to EPA allowances for TR NO_x Annual units for the control periods in the fourth year after the year in which the submission is made.

2. Non-Operating Units. If a unit in Table I of this rule does not operate during two (2) consecutive control periods after 2014, the submittal made under paragraph (3)(A)1. of this rule will show zero (0) TR Annual NO_x allowances for such unit for the control period in the fifth year after these two (2) such years and in each year after that fifth year. All TR NO_x Annual allowances that would otherwise have been allocated to such unit will be allocated to the new unit set-aside for the state for the respective years involved. If this subsection is applicable, any resulting changes to the submittal under paragraph (3)(A)1. of this rule will be determined in accordance with the following:

A. Every year, the director will review the operation of each unit listed in Table I and issue a notification that lists any unit in Table I that has not operated during two (2) consecutive control periods after 2014. Any notification made under this subparagraph will specify the first year in which allowances listed in Table I will be terminated for the applicable unit(s) under paragraph (3)(A)2. of this rule;

B. For each notification required in subparagraph (3)(A)2.A. of this rule, the director will provide an opportunity for submission of objections to the units referenced in such notice that must be submitted by the deadline specified in such notification in order to be considered; and

C. If there are objections, the director will review them and issue a notification responding to objections received along with any adjustments made to the list.

Note: Being included or excluded on the list of sources in Table I does not constitute a determination that such source is or is not a TR NO_x Annual unit. The determination of applicability for TR NO_x Annual units is in 40 CFR 97.404.

(B) New Units.

1. Annual Submittal. For the TR NO_x Annual control period in 2017 and each control period thereafter, the director must submit to EPA in a format prescribed by the administrator the TR NO_x Annual allowances as determined under this subsection by July 1 of the applicable control period.

2. New Unit Set-Asides.

A. Allowance Calculation. Every year, the director will calculate the TR NO_x Annual allowance allocation to each TR NO_x Annual unit in a state, in accordance with subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule, for the control period in the year of the applicable submittal deadline under paragraph (3)(B)1. of this rule. Once the calculations are complete, the director will contact all facilities that will receive allocations under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule for the control period in the year of the applicable submittal deadline under paragraph (3)(B)1. of this rule to confirm that the calculations were performed in accordance with this rule, and make adjustments to the calculations if necessary.

B. Excess Allowances. If the new unit set-aside for such control period has any TR NO_x Annual allowances remaining after the calculations performed under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule have been completed, then allowances will be calculated in accordance with subparagraph (3)(B)3.I. of this rule.

C. Industry Requests for Excess Allowances. If an entity wishes to receive allowances in accordance with subparagraph (3)(B)3.I. of this rule, for any control period, then by April 5 of the applicable control period, the entity must submit information to the director confirming that a TR NO_x Annual unit commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period. The submittal must also include the calculation of eligible allowances for use in subparagraph (3)(B)3.I. of this rule, for each TR NO_x Annual unit that commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period.

(I) The calculation of eligible allowances must be in accordance with part (3)(B)3.I.(III) of this rule in order for such units to be eligible to receive any allowances in accordance with subparagraph (3)(B)3.I. of this rule.

(II) Each year, the director will review any submissions made in accordance with this paragraph to confirm that units identified in the submissions are TR NO_x Annual units that commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period. The director will also confirm that the

submission includes the correct calculations for eligible allowances in accordance with part (3)(B)3.I.(III) of this rule. If, during the review, the director identifies any discrepancies with the identified units or the calculations in a submission made in accordance with this paragraph, the director may request additional information from the entity that made the submission. If additional information is requested, the entity must provide the requested information by the deadline specified in the information request; otherwise, units identified in such submission will not be eligible for allowances in accordance with subparagraph (3)(B)3.I. of this rule for the applicable control period.

D. Public Notification. The director will determine the TR NO_x Annual allowance allocation to each TR NO_x Annual unit in accordance with subparagraphs (3)(B)3.I., (3)(B)3.J., and (3)(B)3.L. of this rule and 40 CFR 97.406(b)(2) and 40 CFR 97.430 through 40 CFR 97.435. By June 1 of each year, the director will issue a notification making available the results of all allowance determinations from the new unit set-aside for the control period in which the notification is made.

(I) For each notification required in part (3)(B)2.D(II) of this rule, the director will provide an opportunity for submission of objections to the calculations referenced in such notice.

(II) If there are objections, the director will review them and provide notification stating the outcome.

E. Allowance Changes. If any TR NO_x Annual allowances are added to the new unit set-aside after submittals as required in subparagraph (3)(B)2.C. of this rule, the director will issue additional notifications, as deemed appropriate, of the allocation of such TR NO_x Annual allowances in accordance with subparagraph (3)(B)3.J. of this rule.

3. New Unit Annual Allowance Allocation Methodology. For each control period in 2017 and thereafter and for the TR NO_x Annual units in Missouri, the director will allocate TR NO_x Annual allowances to the TR NO_x Annual units as follows:

A. Units Eligible to Receive Allowances. The TR NO_x Annual allowances will be allocated to the following TR NO_x Annual units, except as provided in subparagraph (3)(B)3.J. of this rule:

(I) TR NO_x Annual units that are not listed in Table I in paragraph (3)(A)2. of this rule;

(II) TR NO_x Annual units whose allocation of an amount of TR NO_x Annual allowances for such control period listed in Table I in paragraph (3)(A)2. of this rule is covered by 40 CFR 97.411(c)(2) or (3);

(III) TR NO_x Annual units that are listed in Table I in paragraph (3)(A)2. of this rule and the allocation to such unit(s) is terminated for the applicable control period pursuant to paragraph (3)(A)2. of this rule, and that operate during the control period immediately preceding such control period; or

(IV) For purposes of subparagraph (3)(B)3.I. of this rule, TR NO_x Annual units under 40 CFR 97.411(c)(1)(ii) whose allocation of an amount of TR NO_x Annual allowances for such control period under paragraph (3)(B)2. of this rule is covered by 40 CFR 97.411(c)(2) or (3);

B. Total Allowances Available. The director will establish a separate new unit set-aside for the state for each such control period. Each such new unit set-aside will be allocated TR NO_x Annual allowances in an amount equal to the difference between the Missouri TR NO_x Annual trading budget for 2017 and thereafter, as set forth in 40 CFR 97.410(a), and the total number of allowances allocated in accordance with paragraph (3)(A)1. of this rule for such control period. The new unit set-aside will be allocated additional TR NO_x Annual allowances (if any) in accordance with paragraph (3)(A)2. of this rule and 40 CFR 97.411(c)(5);

C. Eligible Control Periods. The director will determine, for each TR NO_x Annual unit described in subparagraph (3)(B)3.A. of this rule, an allocation of TR NO_x Annual allowances for the later of the following control periods and for each subsequent control period:

(I) The control period in 2017;

(II) The first control period after the control period in which the TR NO_x Annual unit commences commercial operation;

(III) For a unit described in part (3)(B)3.A.(II) of this rule, the first control period in which the TR NO_x Annual unit operates in the state after operating in another jurisdiction and for which the unit is not already allocated one (1) or more TR NO_x Annual allowances; and

(IV) For a unit described in part (3)(B)3.A.(III) of this rule, the first control period after the control period in which the unit resumes operation, or the first control period in which the allocation for such unit listed in Table I in paragraph (3)(A)2. of this rule is terminated pursuant to paragraph (3)(A)2. of this rule, whichever is later;

D. Allocations. The allocation to each TR NO_x Annual unit described in parts (3)(B)3.A.(I) through (3)(B)3.A.(III) of this rule and for each control period described in subparagraph (3)(B)3.C. of this rule will be an amount equal to the unit's total tons of NO_x emissions during the immediately preceding control period. The director will adjust the allocation amount in this subparagraph in accordance with subparagraphs (3)(B)3.E. through (3)(B)3.G. and (3)(B)3.L. of this rule;

E. Sum of Allowances. The director will calculate the sum of the TR NO_x Annual allowances determined for all such TR NO_x Annual units under subparagraph (3)(B)3.D. of this rule in the state for such control period;

F. Extra Allowance Allocation. If the amount of TR NO_x Annual allowances in the new unit set-aside for the state for such control period is greater than or equal to the sum under subparagraph (3)(B)3.E. of this rule, then the director will allocate the amount of TR NO_x Annual allowances determined for each such TR NO_x Annual unit under subparagraph (3)(B)3.D. of this rule;

G. Insufficient Allowance Allocation. If the amount of TR NO_x Annual allowances in the new unit set-aside for the state for such control period is less than the sum under subparagraph (3)(B)3.E. of this rule, then the director will allocate to each such TR NO_x Annual unit the amount of the TR NO_x Annual allowances determined under subparagraph (3)(B)3.D. of this rule for the unit, multiplied by the amount of TR NO_x Annual allowances in the new unit set-aside for such control period, divided by the sum under subparagraph (3)(B)3.E. of this rule, and rounded to the nearest allowance;

H. Confirmation of Allowances. The director will contact facilities as described in subparagraph (3)(B)2.A. of this rule to confirm the amount of TR NO_x Annual allowances allocated under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule for such control period to each TR NO_x Annual unit eligible for such allocation;

I. Allowance Calculation for Units That Recently Began Operation. If, after completion of the procedures under subparagraphs (3)(B)3.E. through (3)(B)3.H. of this rule for such control period, any unallocated TR NO_x Annual allowances remain in the new unit set-aside for the state for such control period, the director will allocate such TR NO_x Annual allowances as follows:

(I) For any submission made in accordance with subparagraph (3)(B)2.B. of this rule, the submitting entity may include the calculation of eligible allowances for such control period as specified in part (3)(B)3.I.(III) of this rule. If such submission is not made or fails to include the calculation of eligible allowances under this part by the April 5 deadline, or if the entity fails to provide additional information requested in accordance with part (3)(B)2.C.(II) of this rule by the applicable deadline, then no allowances will be awarded to such unit in accordance with this subparagraph for such control period;

(II) The director will review submissions made in accordance with subparagraph (3)(B)2.C. of this rule, as specified in part (3)(B)2.C.(II) of this rule and may adjust the units identified in such submission if they are not eligible for allowances under this subparagraph, and the director may also adjust the calculation of eligible allowances included in such submission to ensure they are in accordance with part (3)(B)3.I.(III) of this rule;

(III) The calculation of eligible TR NO_x Annual allowances for a specific control period for TR NO_x Annual units that commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period must be as follows;

$$EA = \frac{(ER)(HR)(NP_{Cap})(CP_{Tot})(CF)(24 \text{ hours/day})(1,000 \text{ kW}/MW_e)}{(2,000 \text{ lb/ton})(1,000,000 \text{ BTU}/\text{mmBTU})}$$

Where:

- EA = eligible TR NO_x Annual allowances
- ER = the unit's permitted emission rate from the unit's construction permit approved under 10 CSR 10-6.060 (lb/mmBTU)
- HR = the heat rate efficiency for the generator that the unit serves (BTU/KW-hr)
- NP_{Cap} = nameplate capacity of the generator that the unit serves (MW_e)
- CP_{Tot} = number of days in the control period
- CF = the unit's default capacity factor from Table II below

Table II – Default Capacity Factors for New Units

Unit Types	Annual SO ₂ & NO _x Programs	Ozone Season NO _x Program
Coal-Fired Steam Boiler	0.85	0.92
IGCC (Coal Gasification)	0.74	0.73
Oil-Fired Steam Boiler	0.30	0.39
Natural Gas-Fired Steam Boiler	0.44	0.47
Simple Cycle Combustion Turbine	0.24	0.32
Combined Cycle Combustion Turbine	0.66	0.71

(IV) The director will determine, for each unit described in subparagraph (3)(B)3.A. of this rule that commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such

control period, the positive difference (if any) between the unit's emissions during the previous control period and the amount of eligible TR NO_x Annual allowances as calculated under part (3)(B)3.I.(III) of this rule;

(V) The director will determine the sum of the positive differences determined under part (3)(B)3.I.(IV) of this rule;

(VI) If the amount of unallocated TR NO_x Annual allowances remaining in the new unit set-aside for the state for such control period is greater than or equal to the sum determined under part (3)(B)3.I.(V) of this rule, then the director will allocate the amount of TR NO_x Annual allowances determined for each such TR NO_x Annual unit under part (3)(B)3.I.(IV) of this rule; and

(VII) If the amount of unallocated TR NO_x Annual allowances remaining in the new unit set-aside for the state for such control period is less than the sum under part (3)(B)3.I.(V) of this rule, then the director will allocate to each such TR NO_x Annual unit the amount of the TR NO_x Annual allowances determined under part (3)(B)3.I.(IV) of this rule for the unit, multiplied by the amount of unallocated TR NO_x Annual allowances remaining in the new unit set-aside for such control period, divided by the sum under part (3)(B)3.I.(V) of this rule, and rounded to the nearest allowance;

J. Distribution of Remaining Allocations. If, after completion of the procedures under subparagraphs (3)(B)3.I. and (3)(B)3.L. of this rule for such control period, any unallocated TR NO_x Annual allowances remain in the new unit set-aside for the state for such control period, the director will allocate to each TR NO_x Annual unit that is in the state, is allocated an amount of TR NO_x Annual allowances listed in Table I in paragraph (3)(A)2. of this rule, and continues to be allocated TR NO_x Annual allowances for such control period in accordance with paragraph (3)(A)2. of this rule, an amount of TR NO_x Annual allowances equal to the following: the total amount of such remaining unallocated TR NO_x Annual allowances in such new unit set-aside, multiplied by the unit's allocation listed in Table I in paragraph (3)(A)2. of this rule for such control period, divided by the remainder of the amount of tons in the applicable state NO_x Annual trading budget minus the amount of tons in such new unit set-aside for the state for such control period, and rounded to the nearest allowance;

K. Public Notification. The director will issue notifications as described in subparagraphs (3)(B)2.D. and (3)(B)2.E. of this rule, of the amount of TR NO_x Annual allowances allocated under subparagraphs (3)(B)3.B. through (3)(B)3.G., (3)(B)3.I., (3)(B)3.J., and (3)(B)3.L. of this rule for such control period to each TR NO_x Annual unit eligible for such allocation; and

L. Allocation Tabulations That Exceed or Are Less Than the New Unit Set-Aside.

(1) Notwithstanding the requirements of subparagraphs (3)(B)3.B. through (3)(B)3.K. of this rule, if the calculations of allocations of a new unit set-aside for a control period in a given year under subparagraph (3)(B)3.G. of this rule, subparagraph (3)(B)3.F. and part (3)(B)3.I.(VII) of this rule, or subparagraph (3)(B)3.F., part (3)(B)3.I.(VI), and subparagraph (3)(B)3.J. of this rule would otherwise result in total allocations of such new unit set-aside exceeding the total amount of such new unit set-aside, then the director will adjust the results of the calculations under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, as follows. The director will list the TR NO_x Annual units in descending order based on the amount of such units' allocations under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, and, in cases of equal allocation amounts, in alphabetical order of the relevant source's name and numerical order of the relevant unit's identification number, and will reduce each unit's allocation under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, by one (1) TR NO_x Annual allowance (but not below zero (0)) in the order in which the units are listed and will repeat this reduction process as necessary, until the total allocations of such new unit set-aside equal the total amount of such new unit set-aside.

(II) Notwithstanding the requirements of subparagraphs (3)(B)3.J. and (3)(B)3.K. of this rule, if the calculations of allocations of a new unit set-aside for a control period in a given year under subparagraph (3)(B)3.F., part (3)(B)3.I.(VI), and subparagraph (3)(B)3.J. of this rule would otherwise result in a total allocations of such new unit set-aside less than the total amount of such new unit set-aside, then the director will adjust the results of the calculations under subparagraph (3)(B)3.J. of this rule, as follows. The director will list the TR NO_x Annual units in descending order based on the amount of such units' allocations under subparagraph (3)(B)3.J. of this rule and, in cases of equal allocation amounts, in alphabetical order of the relevant source's name and numerical order of the relevant unit's identification number, and will increase each unit's allocation under subparagraph (3)(B)3.J. of this rule by one (1) TR NO_x Annual allowance in the order in which the units are listed and will repeat this increase process as necessary, until the total allocations of such new unit set-aside equal the total amount of such new unit set-aside.

(4) Reporting and Record Keeping. The director shall maintain TR NO_x Annual unit allowance records submitted to EPA for each TR NO_x Annual control period for a minimum of five (5) years.

(5) Test Methods. *(Not Applicable)*.

AUTHORITY: section 643.050, RSMo Supp. 2013. Original rule filed May 15, 2015.

PUBLIC COST: This proposed rule will cost public entities twenty-nine thousand six hundred dollars (\$29,600) over the life of the rule. The cost for fiscal year 2018 is estimated to be two thousand nine hundred sixty dollars (\$2,960). Note the attached fiscal note for assumptions that apply.

PRIVATE COST: This proposed rule will cost private entities twenty-nine thousand six hundred dollars (\$29,600) over the life of the rule. The cost for fiscal year 2018 is estimated to be two thousand nine hundred sixty dollars (\$2,960). Note the attached fiscal note for assumptions that apply.

NOTICE OF PUBLIC HEARING AND NOTICE TO SUBMIT COMMENTS: A public hearing on this proposed rule will begin at 1:30 p.m., August 3, 2015. The public hearing will be held at the Elm Street Conference Center, 1730 East Elm Street, Lower Level, Bennett Springs Conference Room, Jefferson City, Missouri. Opportunity to be heard at the hearing shall be afforded any interested person. Interested persons, whether or not heard, may submit a written or email statement of their views until 5:00 p.m., August 10, 2015. Written comments shall be sent to Chief, Air Quality Planning Section, Missouri Department of Natural Resources' Air Pollution Control Program, PO Box 176, Jefferson City, MO 65102-0176. Email comments shall be sent to apcprulespn@dnr.mo.gov.

**FISCAL NOTE
PUBLIC COST**

- I. Department Title:** 10 – Department of Natural Resources
Division Title: 10 – Air Conservation Commission
Chapter Title: 6 – Air Quality Standards, Definitions, Sampling and Reference Methods and Air Pollution Control Regulations for the Entire State of Missouri

Rule Number and Name:	10 CSR 10-6.372 Cross-State Air Pollution Rule Annual NO _x Trading Allowance Allocations
Type of Rulemaking:	Proposed Rule

II. SUMMARY OF FISCAL IMPACT

Affected Agency or Political Subdivision	Estimated Cost of Compliance in the Aggregate
24 Publicly Owned Electric Generating Units	\$ 29,600

III. WORKSHEET

Fiscal Year	Cost of Allowances Lost
FY2017 (6 months)	\$ 0
FY2018	\$ 2,960
FY2019	\$ 2,960
FY2020	\$ 2,960
FY2021	\$ 2,960
FY2022	\$ 2,960
FY2023	\$ 2,960
FY2024	\$ 2,960
FY2025	\$ 2,960
FY2026	\$ 2,960
FY2027 (6 months)	\$ 2,960
Aggregate	\$ 29,600

One ton of Annual NO_x emitted = 1 Annual NO_x Allowance.

Allowance cost = \$740 per ton Annual NO_x emitted.

Number of Allowances lost in allowance redistribution each year (starting in FY 2018) = 4 tons.

Total Allowance Cost Lost per year = \$740/ton x 4 tons Annual NO_x = \$2,960.
Aggregate Allowance Cost Lost = 10 years x \$2,960/year = \$29,600.

IV. ASSUMPTIONS

1. For the convenience of calculating this fiscal note over a reasonable time frame, the life of the rule is assumed to be ten (10) years although the duration of the rule is indefinite. If the life of the rule extends beyond ten (10) years, the annual costs for the additional years will be consistent with the assumptions used to calculate annual costs as identified in this fiscal note.
2. The cost estimate is based on re-allocating a total of four (4) annual NO_x allowances. Since the U.S. Environmental Protection (EPA) will make up for the use of these four (4) allowances by removing allowances from either existing Public or existing Privately owned units (depending on prior year annual emissions from new units), it is unknown how many annual NO_x allowances will be lost to Publicly owned units. The worst case scenario of losing four (4) annual NO_x allowances was used in this cost estimate.
3. The allowance cost estimate is based on the NO_x Annual spot price from Air and Liquid Advisors webpage accessed December 2, 2014 where the rule cost threshold for NO_x was determined to be seven hundred forty dollars (\$740) per ton.
4. It is estimated that no new additional state staff will be required to perform tasks associated with this rulemaking as these tasks will be performed by current staff.
5. EPA allowance redistributions are required no later than August 1 of the compliance year. The redistribution costs in this estimate are assumed to occur between June 30 and August 1 of the compliance year.

The worst case scenario of losing four (4) annual NO_x allowances was used in this cost estimate.
3. The allowance cost estimate is based on the NO_x Annual spot price from Air and Liquid Advisors webpage accessed December 2, 2014 where the rule cost threshold for NO_x was determined to be seven hundred forty dollars (\$740) per ton.
4. EPA allowance redistributions are required no later than August 1 of the compliance year. The redistribution costs in this estimate are assumed to occur between June 30 and August 1 of the compliance year.

Title 10—DEPARTMENT OF NATURAL RESOURCES
Division 10—Air Conservation Commission
Chapter 6—Air Quality Standards, Definitions, Sampling
and Reference Methods and Air Pollution Control
Regulations for the Entire State of Missouri

PROPOSED RULE

10 CSR 10-6.374 Cross-State Air Pollution Rule Ozone Season NO_x Trading Allowance Allocations. If the commission adopts this rule action, it will be the department's intention to submit this new rule to the U.S. Environmental Protection Agency for inclusion in the Missouri State Implementation Plan. The evidence supporting the need for this proposed rulemaking is available for viewing at the Missouri Department of Natural Resources' Air Pollution Control Program at the address listed in the Notice of Public Hearing at the end of this rule. More information concerning this rulemaking can be found at the Missouri Department of Natural Resources' Environmental Regulatory Agenda website, www.dnr.mo.gov/regs/index.html.

PURPOSE: The purpose of this rule is to change the method of real-locating the ozone season nitrogen oxides (NO_x) emission allowances for use with the U.S. Environmental Protection Agency's (EPA's) ozone season NO_x regional emission reduction program as established in the Cross-State Air Pollution Rule (CSAPR) for 2017 and beyond. The evidence supporting the need for this proposed rule-making, per section 536.016, RSMo, is the September 13, 2011, December 16, 2014, and March 24, 2015 affected industry meeting summaries indicating general agreement to reallocate unused NO_x allowances to municipalities that received zero (0) allowances.

PUBLISHER'S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

(1) Applicability. This rule applies to all Transport Rule (TR) nitrogen oxides (NO_x) Ozone Season units located in the state of Missouri.

(2) Definitions.

(A) Definitions for key words and phrases used in this rule may be found in 40 CFR 97.502 and 97.503 promulgated as of June 30, 2014, and *Federal Register* Notice 79 FR 71663 promulgated on December 3, 2014, are hereby incorporated by reference as published by the Office of the Federal Register, U.S. National Archives and Records, 700 Pennsylvania Avenue NW, Washington, D.C. 20408.

(B) Notification—Any action by the director to convey information to affected sources and interested parties. This includes, but is not limited to, public web postings with email alerts.

(C) Definitions of certain terms specified in this rule, other than those defined in this rule section, may be found in 10 CSR 10-6.020.

(3) General Provisions. This rule replaces 40 *Code of Federal Regulations* (CFR) 97.511(a), 40 CFR 97.511(b)(1) and 40 CFR 97.512(a) promulgated as of June 30, 2014, and *Federal Register* Notice 79 FR 71663 promulgated on December 3, 2014, as published by the Office of the Federal Register, U.S. National Archives and Records, 700 Pennsylvania Avenue NW, Washington, D.C. 20408.

(A) Existing Units.

1. Annual Submittal. The director must submit to the U.S. Environmental Protection Agency (EPA) in a format prescribed by the administrator the TR NO_x Ozone Season allowances listed in Table I taking into account any modifications necessary in accordance with paragraph (3)(A)2. of this rule. This submittal must meet the follow-

ing schedule:

A. By June 1, 2016, the director will submit to EPA allowances for TR NO_x Ozone Season units for the control periods in 2017 and 2018;

B. By June 1, 2017, the director will submit to EPA allowances for TR NO_x Ozone Season units for the control periods in 2019 and 2020;

C. By June 1, 2018, the director will submit to EPA allowances for TR NO_x Ozone Season units for the control periods in 2021 and 2022; and

D. By June 1, 2019, and June 1 of each year thereafter, the director will submit to EPA allowances for TR NO_x Ozone Season units for the control periods in the fourth year after the year in which the submission is made.

2. Non-operating Units. If a unit in Table I of this rule does not operate during two (2) consecutive control periods after 2014, the submittal made under paragraph (3)(A)1. of this rule will show zero (0) TR Ozone Season NO_x allowances for such unit for the control period in the fifth year after these two (2) such years and in each year after that fifth year. All TR NO_x Ozone Season allowances that would otherwise have been allocated to such unit will be allocated to the new unit set-aside for the state for the respective years involved. If this subsection is applicable, any resulting changes to the submittal under paragraph (3)(A)1. of this rule will be determined in accordance with the following:

A. Every year, the director will review the operation of each unit listed in Table I and issue a notification that lists any unit in Table I that has not operated during two (2) consecutive control periods after 2014. Any notification made under this subparagraph will specify the first year in which allowances listed in Table I will be terminated for the applicable unit(s) under paragraph (3)(A)2. of this rule;

B. For each notification required in subparagraph (3)(A)2.A. of this rule, the director will provide an opportunity for submission of objections to the units referenced in such notice that must be submitted by the deadline specified in such notification in order to be considered; and

C. If there are objections, the director will review them and issue a notification responding to objections received along with any adjustments made to the list.

Note: Being included or excluded on the list of sources in Table I does not constitute a determination that such source is or is not a TR NO_x Ozone Season unit. The determination of applicability for TR NO_x Ozone Season units is in 40 CFR 97.504.

(B) New Units.

1. Annual Submittal. For the TR NO_x Ozone Season control period in 2017 and each control period thereafter, the director must submit to EPA in a format prescribed by the administrator the TR NO_x Ozone Season allowances as determined under this subsection by July 1 of the applicable control period.

2. New unit set-asides.

A. Allowance Calculation. Every year, the director will calculate the TR NO_x Ozone Season allowance allocation to each TR NO_x Ozone Season unit in a state, in accordance with subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule, for the control period in the year of the applicable submittal deadline under paragraph (3)(B)1. of this rule. Once the calculations are complete, the director will contact all facilities that will receive allocations under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule for the control period in the year of the applicable submittal deadline under paragraph (3)(B)1. of this rule to confirm that the calculations were performed in accordance with this rule, and make adjustments to the calculations if necessary.

B. Excess Allowances. If the new unit set-aside for such control period contains TR NO_x Ozone Season allowances remaining after the calculations performed under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule have been completed,

then allowances will be calculated in accordance with subparagraph (3)(B)3.I. of this rule.

C. Industry Requests for Excess Allowances. If any entity wishes to receive allowances in accordance with subparagraph (3)(B)3.I. of this rule, for any control period, then by April 5 of the applicable control period, the entity must submit information to the director confirming that a TR NO_x Ozone Season unit commenced commercial operation during the period starting May 1 of the year before the year of such control period and ending March 31 of the year of such control period. The submittal must also include the calculation of eligible allowances for use in subparagraph (3)(B)3.I. of this rule, for each TR NO_x Ozone Season unit that commenced operation during the period starting May 1 of the year before the year of such control period and ending March 31 of the year of such control period.

(I) The calculation of eligible allowances must be in accordance with part (3)(B)3.I.(III) of this rule in order for such units to be eligible to receive any allowances in accordance with subparagraph (3)(B)3.I. of this rule.

(II) Each year, the director will review any submissions made in accordance with this paragraph to confirm that units identified in the submissions are TR NO_x Ozone Season units that commenced commercial operation during the period starting May 1 of

the year before the year of such control period and ending March 31 of the year of such control period. The director will also confirm that the submission includes the correct calculations for eligible allowances in accordance with part (3)(B)3.I.(III) of this rule. If, during the reviews, the director identifies any discrepancies with the identified units or the calculations in a submission made in accordance with the paragraph, the director may request additional information from the entity that made the submission. If additional information is requested, the entity must provide the requested information by the deadline specified in the information request; otherwise, units identified in such submission will not be eligible for allowances in accordance with subparagraph (3)(B)3.I. of this rule for the applicable control period.

D. Public Notification. The director will determine the TR NO_x Ozone Season allowance allocation to each TR NO_x Ozone Season unit in accordance with subparagraphs (3)(B)3.I., (3)(B)3.J., and (3)(B)3.L. of this rule and 40 CFR 97.506(b)(2) and 40 CFR 97.530 through 40 CFR 97.535. By June 1 of each year, the director will issue a notification making available the results of all allowance determinations from the new unit set-aside for the control period in which the notification is made.

(I) For each notification required in part (3)(B)2.D(II) of this rule, the director will provide an opportunity for submission of objections to the calculations referenced in such notice.

(II) If there are objections, the director will review them and provide notification stating the outcome.

E. Allowance Changes. If any TR NO_x Ozone Season allowances are added to the new unit set-aside after submittals as required in subparagraph (3)(B)2.C. of this rule, the director will issue additional notifications, as deemed appropriate, of the allocation of such TR NO_x Ozone Season allowances in accordance with subparagraph (3)(B)3.J. of this rule.

3. New Unit Ozone Season Allowance Allocation Methodology. For each control period in 2017 and thereafter and for the TR NO_x Ozone Season units in Missouri, the director will allocate TR NO_x Ozone Season allowances to the TR NO_x Ozone Season units as follows:

A. Units Eligible to Receive Allowances. The TR NO_x Ozone Season allowances will be allocated to the following TR NO_x Ozone Season units, except as provided in subparagraph (3)(B)3.J. of this rule:

(I) TR NO_x Ozone Season units that are not listed in Table I in paragraph (3)(A)2. of this rule;

(II) TR NO_x Ozone Season units whose allocation of an amount of TR NO_x Ozone Season allowances for such control period listed in Table I in paragraph (3)(A)2. of this rule is covered by 40 CFR 97.511(c)(2) or (3);

(III) TR NO_x Ozone Season units that are listed in Table I in paragraph (3)(A)2. of this rule and the allocation to such unit(s) is terminated for the applicable control period pursuant to paragraph (3)(A)2. of this rule, and that operate during the control period immediately preceding such control period; or

(IV) For purposes of subparagraph (3)(B)3.I. of this rule, TR NO_x Ozone Season units under 40 CFR 97.511(c)(1)(ii) whose allocation of an amount of TR NO_x Ozone Season allowances for such control period under subparagraph (3)(B)2. of this rule is covered by 40 CFR 97.511(c)(2) or (3);

B. Total Allowances Available. The director will establish a separate new unit set-aside for the state for each such control period. Each such new unit set-aside will be allocated TR NO_x Ozone Season allowances in an amount equal to the difference between the Missouri TR NO_x Ozone Season trading budget for 2017 and thereafter, as set forth in 40 CFR 97.510(a), and the total number of allowances allocated in accordance with paragraph (3)(A)1. of this rule for such control period. The new unit set-aside will be allocated additional TR NO_x Ozone Season allowances (if any) in accordance with paragraph (3)(A)2. of this rule and 40 CFR 97.511(c)(5);

C. Eligible Control Periods. The director will determine, for

each TR NO_x Ozone Season unit described in subparagraph (3)(B)3.A. of this rule, an allocation of TR NO_x Ozone Season allowances for the later of the following control periods and for each subsequent control period:

(I) The control period in 2017;

(II) The first control period after the control period in which the TR NO_x Ozone Season unit commences commercial operation;

(III) For a unit described in part (3)(B)3.A.(II) of this rule, the first control period in which the TR NO_x Ozone Season unit operates in the state after operating in another jurisdiction and for which the unit is not already allocated one (1) or more TR NO_x Ozone Season allowances; and

(IV) For a unit described in part (3)(B)3.A.(III) of this rule, the first control period after the control period in which the unit resumes operation, or the first control period in which the allocation for such unit listed in Table I in paragraph (3)(A)2. of this rule is terminated pursuant to paragraph (3)(A)2. of this rule, whichever is later;

D. Allocations. The allocation to each TR NO_x Ozone Season unit described in parts (3)(B)3.A.(I) through (3)(B)3.A.(III) of this rule and for each control period described in subparagraph (3)(B)3.C. of this rule will be an amount equal to the unit's total tons of NO_x emissions during the immediately preceding control period. The director will adjust the allocation amount in this subparagraph in accordance with subparagraphs (3)(B)3.E. through (3)(B)3.G. and (3)(B)3.L. of this rule;

E. Sum of Allowances. The director will calculate the sum of the TR NO_x Ozone Season allowances determined for all such TR NO_x Ozone Season units under subparagraph (3)(B)3.D. of this rule in the state for such control period;

F. Extra Allowance Allocation. If the amount of TR NO_x Ozone Season allowances in the new unit set-aside for the state for such control period is greater than or equal to the sum under subparagraph (3)(B)3.E. of this rule, then the director will allocate the amount of TR NO_x Ozone Season allowances determined for each such TR NO_x Ozone Season unit under subparagraph (3)(B)3.D. of this rule;

G. Insufficient Allowance Allocation. If the amount of TR NO_x Ozone Season allowances in the new unit set-aside for the state for such control period is less than the sum under subparagraph (3)(B)3.E. of this rule, then the director will allocate to each such TR NO_x Ozone Season unit the amount of the TR NO_x Ozone Season allowances determined under subparagraph (3)(B)3.D. of this rule for the unit, multiplied by the amount of TR NO_x Ozone Season allowances in the new unit set-aside for such control period, divided by the sum under subparagraph (3)(B)3.E. of this rule, and rounded to the nearest allowance;

H. Confirmation of Allowances. The director will contact facilities, as described in subparagraph (3)(B)2.A. of this rule to confirm the amount of TR NO_x Ozone Season allowances allocated under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule for such control period to each TR NO_x Ozone Season unit eligible for such allocation;

I. Allowance Calculation for Units That Recently Began Operation. If, after completion of the procedures under subparagraphs (3)(B)3.E. through (3)(B)3.H. of this rule for such control period, any unallocated TR NO_x Ozone Season allowances remain in the new unit set-aside for the state for such control period, the director will allocate such TR NO_x Ozone Season allowances as follows:

(I) For any submission made in accordance with subparagraph (3)(B)2.B. of this rule, the submitting entity may include the calculation of eligible allowances for such control period as specified in part (3)(B)3.I.(III) of this rule. If such submission is not made or fails to include the calculation of eligible allowances under this part by the April 5 deadline, or if the entity fails to provide additional information requested in accordance with part (3)(B)2.C.(II) of this rule by the applicable deadline, then no allowances will be awarded to such unit

in accordance with this subparagraph for such control period;

(II) The director will review submissions made in accordance with subparagraph (3)(B)2.C. of this rule, as specified in part (3)(B)2.C.(II) of this rule and may adjust the units identified in such submission if they are not eligible for allowances under this subparagraph, and the director may also adjust the calculation of eligible allowances included in such submission to ensure they are in accordance with part (3)(B)3.I.(III) of this rule;

(III) The calculation of eligible TR NO_x Ozone Season allowances for a specific control period for TR NO_x Ozone Season units that commenced commercial operation during the period starting May 1 of the year before the year of such control period and ending March 31 of the year of such control period must be as follows;

$$EA = \frac{(ER)(HR)(NP_{Cap})(CP_{Tot})(CF)(24 \text{ hours/day})(1,000 \text{ kW}/MWe)}{(2,000 \text{ lb/ton})(1,000,000 \text{ BTU}/\text{mmBTU})}$$

Where:

- EA = eligible TR NO_x Ozone Season Allowances
- ER = the unit's permitted emission rate from the unit's construction permit approved under 10 CSR 10-6.060 (lb/mmBTU)
- HR = the heat rate efficiency for the generator that the unit serves (BTU/kW-hr)
- NP_{Cap} = nameplate capacity of the generator that the unit serves (MWe)
- CP_{Tot} = number of days in the control period
- CF = the unit's default capacity factor from Table II below

Table II – Default Capacity Factors for New Units

Unit Types	Annual SO ₂ & NO _x Programs	Ozone Season NO _x Program
Coal-Fired Steam Boiler	0.85	0.92
IGCC (Coal Gasification)	0.74	0.73
Oil-Fired Steam Boiler	0.30	0.39
Natural Gas-Fired Steam Boiler	0.44	0.47
Simple Cycle Combustion Turbine	0.24	0.32
Combined Cycle Combustion Turbine	0.66	0.71

(IV) The director will determine, for each unit described in subparagraph (3)(B)3.A. of this rule that commenced commercial operation during the period starting May 1 of the year before the year of such control period and ending March 31 of the year of such control period, the positive difference (if any) between the unit's emissions during the previous control period and the amount of eligible TR NO_x Ozone Season allowances as calculated under part (3)(B)3.I.(III) of this rule;

(V) The director will determine the sum of the positive differences determined under part (3)(B)3.I.(IV) of this rule;

(VI) If the amount of unallocated TR NO_x Ozone Season allowances remaining in the new unit set-aside for the state for such control period is greater than or equal to the sum determined under part (3)(B)3.I.(V) of this rule, then the director will allocate the amount of TR NO_x Ozone Season allowances determined for each such TR NO_x Ozone Season unit under part (3)(B)3.I.(IV) of this rule; and

(VII) If the amount of unallocated TR NO_x Ozone Season allowances remaining in the new unit set-aside for the state for such control period is less than the sum under part (3)(B)3.I.(V) of this rule, then the director will allocate to each such TR NO_x Ozone Season unit the amount of the TR NO_x Ozone Season allowances determined under part (3)(B)3.I.(IV) of this rule for the unit, multiplied by the amount of unallocated TR NO_x Ozone Season allowances remaining in the new unit set-aside for such control period, divided by the sum under part (3)(B)3.I.(V) of this rule, and rounded to the nearest allowance;

J. Distribution of Remaining Allocations. If, after completion of the procedures under subparagraphs (3)(B)3.I. and (3)(B)3.L. of this rule for such control period, any unallocated TR NO_x Ozone Season allowances remain in the new unit set-aside for the state for such control period, the director will allocate to each TR NO_x Ozone Season unit that is in the state, is allocated an amount of TR NO_x Ozone Season allowances listed in Table I in paragraph (3)(A)2. of this rule, and continues to be allocated TR NO_x Ozone Season allowances for such control period in accordance with paragraph (3)(A)2. of this rule, an amount of TR NO_x Ozone Season allowances equal to the following: the total amount of such remaining unallocated TR NO_x Ozone Season allowances in such new unit set-aside, multiplied by the unit's allocation listed in Table I in paragraph (3)(A)2. of this rule for such control period, divided by the remainder of the amount of tons in the applicable state NO_x Ozone Season trading budget minus the amount of tons in such new unit set-aside for the state for such control period, and rounded to the nearest allowance;

K. Public Notification. The director will issue notifications in subparagraphs (3)(B)2.D. and (3)(B)2.E. of this rule, of the amount of TR NO_x Ozone Season allowances allocated under subparagraphs (3)(B)3.B. through (3)(B)3.G., (3)(B)3.I., (3)(B)3.J., and (3)(B)3.L. of this rule for such control period to each TR NO_x Ozone Season unit eligible for such allocation; and

L. Allocation Tabulations That Exceed or Are Less Than the New Unit Set-Aside.

(I) Notwithstanding the requirements of subparagraphs (3)(B)3.B. through (3)(B)3.K. of this rule, if the calculations of allocations of a new unit set-aside for a control period in a given year under subparagraph (3)(B)3.G. of this rule, subparagraph (3)(B)3.F. and part (3)(B)3.I.(VII) of this rule, or subparagraph (3)(B)3.F., part (3)(B)3.I.(VI), and subparagraph (3)(B)3.J. of this rule would otherwise result in total allocations of such new unit set-aside exceeding the total amount of such new unit set-aside, then the director will adjust the results of the calculations under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, as follows. The director will list the TR NO_x Ozone Season units in descending order based on the amount of such units' allocations under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, and, in cases of equal allocation amounts, in alphabetical order of the relevant source's name and numerical order of the relevant unit's identification number, and will reduce each unit's allocation under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, by one (1) TR NO_x Ozone Season allowance (but not below zero (0)) in the order in which the units are listed and will repeat this reduction process as necessary, until the total allocations of such new unit set-aside equal the total amount of such new unit set-aside.

(II) Notwithstanding the requirements of subparagraphs (3)(B)3.J. and (3)(B)3.K. of this rule, if the calculations of allocations of a new unit set-aside for a control period in a given year under subparagraph (3)(B)3.F., part (3)(B)3.I.(VI), and subparagraph (3)(B)3.J. of this rule would otherwise result in a total allocations of such new unit set-aside less than the total amount of such new unit set-aside, then the director will adjust the results of the calculations under subparagraph (3)(B)3.J. of this rule, as follows. The director will list the TR NO_x Ozone Season units in descending order based on the amount of such units' allocations under subparagraph (3)(B)3.J. of this rule

and, in cases of equal allocation amounts, in alphabetical order of the relevant source's name and numerical order of the relevant unit's identification number, and will increase each unit's allocation under subparagraph (3)(B)3.J. of this rule by one (1) TR NO_x Ozone Season allowance in the order in which the units are listed and will repeat this increase process as necessary, until the total allocations of such new unit set-aside equal the total amount of such new unit set-aside.

(4) Reporting and Record Keeping. The director shall maintain TR NO_x Ozone Season unit allowance records submitted to EPA for each TR NO_x Ozone Season control period for a minimum of five (5) years.

(5) Test Methods. *(Not Applicable).*

AUTHORITY: section 643.050, RSMo Supp. 2013. Original rule filed May 15, 2015.

PUBLIC COST: This proposed rule will cost public entities two thousand five hundred dollars (\$2,500) over the life of the rule. The cost for fiscal year 2018 is estimated to be two hundred fifty dollars (\$250). Note the attached fiscal note for assumptions that apply.

PRIVATE COST: This proposed rule will cost private entities two thousand five hundred dollars (\$2,500) over the life of the rule. The cost for fiscal year 2018 is estimated to be two hundred fifty dollars (\$250). Note the attached fiscal note for assumptions that apply.

NOTICE OF PUBLIC HEARING AND NOTICE TO SUBMIT COMMENTS: A public hearing on this proposed rule will begin at 1:30 p.m., August 3, 2015. The public hearing will be held at the Elm Street Conference Center, 1730 East Elm Street, Lower Level, Bennett Springs Conference Room, Jefferson City, Missouri. Opportunity to be heard at the hearing shall be afforded any interested person. Interested persons, whether or not heard, may submit a written or email statement of their views until 5:00 p.m., August 10, 2015. Written comments shall be sent to Chief, Air Quality Planning Section, Missouri Department of Natural Resources' Air Pollution Control Program, PO Box 176, Jefferson City, MO 65102-0176. Email comments shall be sent to apcprulespn@dnr.mo.gov.

**FISCAL NOTE
PUBLIC COST**

- I. Department Title:** 10 – Department of Natural Resources
Division Title: 10 – Air Conservation Commission
Chapter Title: 6 – Air Quality Standards, Definitions, Sampling and Reference Methods and Air Pollution Control Regulations for the Entire State of Missouri

Rule Number and Name:	10 CSR 10-6.374 Cross-State Air Pollution Rule Ozone Season NO _x Trading Allowance Allocations
Type of Rulemaking:	Proposed Rule

II. SUMMARY OF FISCAL IMPACT

Affected Agency or Political Subdivision	Estimated Cost of Compliance in the Aggregate
24 Publicly Owned Electric Generating Units	\$ 2,500

III. WORKSHEET

Fiscal Year	Cost of Allowances Lost
FY2017 (6 months)	\$ 0
FY2018	\$ 250
FY2019	\$ 250
FY2020	\$ 250
FY2021	\$ 250
FY2022	\$ 250
FY2023	\$ 250
FY2024	\$ 250
FY2025	\$ 250
FY2026	\$ 250
FY2027 (6 months)	\$ 250
Aggregate	\$ 2,500

One ton of Ozone Season NO_x emitted = 1 Ozone Season NO_x Allowance.
 Allowance cost = \$125 per ton Ozone Season NO_x emitted.

Number of Allowances lost in allowance redistribution each year (starting in FY 2018) = 2 ton.

Total Allowance Cost Lost per year = \$125/ton x 2 tons Ozone Season NO_x = \$250.

Aggregate Allowance Cost Lost = 10 years x \$250/year = \$2,500.

IV. ASSUMPTIONS

1. For the convenience of calculating this fiscal note over a reasonable time frame, the life of the rule is assumed to be ten (10) years although the duration of the rule is indefinite. If the life of the rule extends beyond ten (10) years, the annual costs for the additional years will be consistent with the assumptions used to calculate annual costs as identified in this fiscal note.
2. The cost estimate is based on re-allocating a total of two (2) ozone season NO_x allowances. Since the U.S. Environmental Protection (EPA) will make up for the use of these two (2) allowances by removing allowances from either existing Public or existing Privately owned units (depending on prior year ozone season emissions from new units), it is unknown how many ozone season NO_x allowances will be lost to Publicly owned units. The worst case scenario of losing two (2) ozone season NO_x allowances was used in this cost estimate.
3. The allowance cost estimate is based on the NO_x Ozone Season spot price from Air and Liquid Advisors webpage accessed December 2, 2014 where the rule cost threshold for NO_x was determined to be one hundred twenty-five dollars (\$125) per ton.
4. It is estimated that no new additional state staff will be required to perform tasks associated with this rulemaking as these tasks will be performed by current staff.
5. EPA allowance redistributions are required no later than August 1 of the compliance year. The redistribution costs in this estimate are assumed to occur between June 30 and August 1 of the compliance year.

FY2018	\$ 250
FY2019	\$ 250
FY2020	\$ 250
FY2021	\$ 250
FY2022	\$ 250
FY2023	\$ 250
FY2024	\$ 250
FY2025	\$ 250
FY2026	\$ 250
FY2027 (6 months)	\$ 250
Aggregate	\$ 2,500

One ton of Ozone Season NO_x emitted = 1 Ozone Season NO_x Allowance.
Allowance cost = \$125 per ton Ozone Season NO_x emitted.
Number of Allowances lost in allowance redistribution each year (starting in FY 2018) = 2 tons.
Total Allowance Cost Lost per year = \$125/ton x 2 tons Ozone Season NO_x = \$250.
Aggregate Allowance Cost Lost = 10 years x \$250/year = \$2,500.

IV. ASSUMPTIONS

1. For the convenience of calculating this fiscal note over a reasonable time frame, the life of the rule is assumed to be ten (10) years although the duration of the rule is indefinite. If the life of the rule extends beyond ten (10) years, the annual costs for the additional years will be consistent with the assumptions used to calculate annual costs as identified in this fiscal note.
2. The cost estimate is based on re-allocating a total of two (2) ozone season NO_x allowances. Since the U.S. Environmental Protection (EPA) will make up for the use of these two (2) allowances by removing allowances from either existing Public or existing Privately owned units (depending on prior year ozone season emissions from new units), it is unknown how many ozone season NO_x allowances will be lost to Privately owned units. The worst case scenario of losing two (2) ozone season NO_x allowances was used in this cost estimate.
3. The allowance cost estimate is based on the NO_x Ozone Season spot price from Air and Liquid Advisors webpage accessed December 2, 2014 where the rule cost threshold for NO_x was determined to be one hundred twenty-five dollars (\$125) per ton.
4. EPA allowance redistributions are required no later than August 1 of the compliance year. The redistribution costs in this estimate are assumed to occur between June 30 and August 1 of the compliance year.

Title 10—DEPARTMENT OF NATURAL RESOURCES
Division 10—Air Conservation Commission
Chapter 6—Air Quality Standards, Definitions, Sampling
and Reference Methods and Air Pollution Control
Regulations for the Entire State of Missouri

PROPOSED RULE

10 CSR 10-6.376 Cross-State Air Pollution Rule Annual SO₂ Allowance Trading Allocations. If the commission adopts this rule action, it will be the department's intention to submit this new rule to the U.S. Environmental Protection Agency for inclusion in the Missouri State Implementation Plan. The evidence supporting the need for this proposed rulemaking is available for viewing at the Missouri Department of Natural Resources' Air Pollution Control Program at the address listed in the Notice of Public Hearing at the end of this rule. More information concerning this rulemaking can be found at the Missouri Department of Natural Resources' Environmental Regulatory Agenda website, www.dnr.mo.gov/regs/index.html.

PURPOSE: The purpose of this rule is to reallocate annual sulfur dioxide (SO₂) emission allowances for use with the U.S. Environmental Protection Agency's (EPA's) annual SO₂ regional emission reduction program as established in the Cross-State Air Pollution Rule (CSAPR) for 2017 and beyond. The evidence supporting the need for this proposed rulemaking, per section 536.016, RSMo, is a November 7, 2011 email with agreement between Empire District Electric Co. (Empire) and Kansas City Power and Light (KCP&L) and November 26, 2014 and March 24, 2015 meeting conference call notes.

PUBLISHER'S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

(1) Applicability. This rule shall apply to all Transport Rule (TR) sulfur dioxide (SO₂) Annual Group 1 units located in the state of Missouri.

(2) Definitions.

(A) Definitions for key words and phrases used in this rule may be found in 40 CFR 97.602 and 97.603 promulgated as of June 30, 2014, and *Federal Register* Notice 79 FR 71663 promulgated on December 3, 2014, are hereby incorporated by reference as published by the Office of the Federal Register, U.S. National Archives and Records, 700 Pennsylvania Avenue NW, Washington, D.C. 20408.

(B) Notification—Any action by the director to convey information to affected sources and interested parties. This includes, but is not limited to, public web postings with email alerts.

(C) Definitions of certain terms specified in this rule, other than those defined in this rule section, may be found in 10 CSR 10-6.020.

(3) General Provisions. This rule replaces 40 *Code of Federal Regulations* (CFR) 97.611(a), 40 CFR 97.611(b)(1) and 40 CFR 97.612(a) promulgated as of June 30, 2014, and *Federal Register* Notice 79 FR 71663 promulgated on December 3, 2014, as published by the Office of the Federal Register, U.S. National Archives and Records, 700 Pennsylvania Avenue NW, Washington, D.C. 20408.

(A) Existing Units.

1. Annual Submittal. The director must submit to the U.S. Environmental Protection Agency (EPA) in a format prescribed by the administrator the TR SO₂ Annual allowances listed in Table I taking

into account any modifications necessary in accordance with paragraph (3)(A)2. of this rule. This submittal must meet the following schedule:

A. By June 1, 2016, the director will submit to EPA allowances for TR SO₂ Annual units for the control periods in 2017 and 2018;

B. By June 1, 2017, the director will submit to EPA allowances for TR SO₂ Annual units for the control periods in 2019 and 2020;

C. By June 1, 2018, the director will submit to EPA allowances for TR SO₂ Annual units for the control periods in 2021 and 2022; and

D. By June 1, 2019, and June 1 of each year thereafter, the director will submit to EPA allowances for TR SO₂ Annual units for the control periods in the fourth year after the year in which the submission is made.

2. Non-operating Units. If a unit in Table I of this rule does not operate during two (2) consecutive control periods after 2014, the submittal made under paragraph (3)(A)1. of this rule will show zero (0) TR Annual SO₂ allowances for such unit for the control period in the fifth year after these two (2) such years and in each year after that fifth year. All TR SO₂ Annual allowances that would otherwise have been allocated to such unit will be allocated to the new unit set-aside for the state for the respective years involved. If this subsection is applicable, any resulting changes to the submittal under paragraph (3)(A)1. of this rule will be determined in accordance with the following:

A. Every year, the director will review the operation of each unit listed in Table I and issue a notification that lists any unit in Table I that has not operated during two (2) consecutive control periods after 2014. Any notification made under this subparagraph will specify the first year in which allowances listed in Table I will be terminated for the applicable unit(s) under paragraph (3)(A)2. of this rule;

B. For each notification required in subparagraph (3)(A)2.A. of this rule, the director will provide an opportunity for submission of objections to the units referenced in such notice that must be submitted by the deadline specified in such notification in order to be considered; and

C. If there are objections, the director will review them and issue a notification responding to objections received along with any adjustments made to the list.

Note: Being included or excluded on the list of sources in Table I does not constitute a determination that such source is or is not a TR SO₂ Annual unit. The determination of applicability for TR SO₂ Annual units is in 40 CFR 97.604.

(B) New Units.

1. Annual Submittal. For the TR SO₂ Annual control period in 2017 and each control period thereafter, the director must submit to EPA in a format prescribed by the administrator the TR SO₂ Annual allowances as determined under this subsection by July 1 of the applicable control period.

2. New unit set-asides.

A. Allowance Calculation. Every year, the director will calculate the TR SO₂ Annual allowance allocation to each TR SO₂ Annual unit in a state, in accordance with subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule, for the control period in the year of the applicable submittal deadline under paragraph (3)(B)1. of this rule. Once the calculations are complete, the director will contact all facilities that will receive allocations under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule for the control period in the year of the applicable submittal deadline under paragraph (3)(B)1. of this rule to confirm that the calculations were performed in accordance with this rule, and make adjustments to the calculations if necessary.

B. Excess Allowances. If the new unit set-aside for such control period has any TR SO₂ Annual allowances remaining after the calculations performed under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule have been completed, then allowances will be calculated in accordance with subparagraph (3)(B)3.I. of this rule.

C. Industry Requests for Excess Allowances. If an entity wishes to receive allowances in accordance with subparagraph (3)(B)3.I. of this rule, for any control period, then by April 5 of the applicable control period, the entity must submit information to the director confirming that a TR SO₂ Annual unit commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period. The submittal must also include the calculation of eligible allowances for use in subparagraph (3)(B)3.I. of this rule, for each TR SO₂ Annual unit that commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period.

(I) The calculation of eligible allowances must be in accordance with part (3)(B)3.I.(III) of this rule in order for such units to be eligible to receive any allowances in accordance with subparagraph (3)(B)3.I. of this rule.

(II) Each year, the director will review any submissions made in accordance with this paragraph to confirm that units identified in the submissions are TR SO₂ Annual units that commenced commercial operation during the year of such control period and ending March 31 of the year of such control period. The director will also confirm that the submission includes the correct calculations for

eligible allowances in accordance with part (3)(B)3.I.(III) of this rule. If, during the review, the director identifies any discrepancies with the identified units or the calculations in a submission made in accordance with this paragraph, the director may request additional information from the entity that made the submission. If additional information is requested, the entity must provide the requested information by the deadline specified in the information request; otherwise, units identified in such submission will not be eligible for allowances in accordance with subparagraph (3)(B)3.I. of this rule for the applicable control period.

D. Public Notification. The director will determine the TR SO₂ Annual allowance allocation to each TR SO₂ Annual unit in accordance with subparagraphs (3)(B)3.I., (3)(B)3.J., and (3)(B)3.L. of this rule and 40 CFR 97.606(b)(2) and 40 CFR 97.630 through 40 CFR 97.635. By June 1 of each year, the director will issue a notification making available the results of all allowance determinations from the new unit set-aside for the control period in which the notification is made.

(I) For each notification required in part (3)(B)2.D(II) of this rule, the director will provide an opportunity for submission of objections to the calculations referenced in such notice.

(II) If there are objections, the director will review them and provide notification stating the outcome.

E. Allowance Changes. If any TR SO₂ Annual allowances are added to the new unit set-aside after submittals as required in subparagraph (3)(B)2.C. of this rule, the director will issue additional notifications, as deemed appropriate, of the allocation of such TR SO₂ Annual allowances in accordance with subparagraph (3)(B)3.J. of this rule.

3. New Unit Annual Allowance Allocation Methodology. For each control period in 2017 and thereafter and for the TR SO₂ Annual units in Missouri, the director will allocate TR SO₂ Annual allowances to the TR SO₂ Annual units as follows:

A. Units Eligible to Receive Allowances. The TR SO₂ Annual allowances will be allocated to the following TR SO₂ Annual units, except as provided in subparagraph (3)(B)3.J. of this rule:

(I) TR SO₂ Annual units that are not listed in Table I in paragraph (3)(A)2. of this rule;

(II) TR SO₂ Annual units whose allocation of an amount of TR SO₂ Annual allowances for such control period listed in Table I in paragraph (3)(A)2. of this rule is covered by 40 CFR 97.611(c)(2) or (3);

(III) TR SO₂ Annual units that are listed in Table I in paragraph (3)(A)2. of this rule and the allocation to such unit(s) is terminated for the applicable control period pursuant to paragraph (3)(A)2. of this rule, and that operate during the control period immediately

preceding such control period; or

(IV) For purposes of subparagraph (3)(B)3.I. of this rule, TR SO₂ Annual units under 40 CFR 97.611(c)(1)(ii) whose allocation of an amount of TR SO₂ Annual allowances for such control period under paragraph (3)(B)2. of this rule is covered by 40 CFR 97.611(c)(2) or (3);

B. Total Allowances Available. The director will establish a separate new unit set-aside for the state for each such control period. Each such new unit set-aside will be allocated TR SO₂ Annual allowances in an amount equal to the difference between the Missouri TR SO₂ Annual trading budget for 2017 and thereafter, as set forth in 40 CFR 97.610(a), and the total number of allowances allocated in accordance with paragraph (3)(A)1. of this rule for such control period. The new unit set-aside will be allocated additional TR SO₂ Annual allowances (if any) in accordance with paragraph (3)(A)2. of this rule and 40 CFR 97.611(c)(5);

C. Eligible Control Periods. The director will determine, for each TR SO₂ Annual unit described in subparagraph (3)(B)3.A. of this rule, an allocation of TR SO₂ Annual allowances for the later of the following control periods and for each subsequent control period:

(I) The control period in 2017;

(II) The first control period after the control period in which the TR SO₂ Annual unit commences commercial operation;

(III) For a unit described in part (3)(B)3.A.(II) of this rule, the first control period in which the TR SO₂ Annual unit operates in the state after operating in another jurisdiction and for which the unit is not already allocated one (1) or more TR SO₂ Annual allowances; and

(IV) For a unit described in part (3)(B)3.A.(III) of this rule, the first control period after the control period in which the unit resumes operation, or the first control period in which the allocation for such unit listed in Table I in paragraph (3)(A)2. of this rule is terminated pursuant to paragraph (3)(A)2. of this rule, whichever is later;

D. Allocations. The allocation to each TR SO₂ Annual unit described in parts (3)(B)3.A.(I) through (3)(B)3.A.(III) of this rule and for each control period described in subparagraph (3)(B)3.C. of this rule will be an amount equal to the unit's total tons of SO₂ emissions during the immediately preceding control period. The director will adjust the allocation amount in this subparagraph in accordance with subparagraphs (3)(B)3.E. through (3)(B)3.G. and (3)(B)3.L. of this rule;

E. Sum of Allowances. The director will calculate the sum of the TR SO₂ Annual allowances determined for all such TR SO₂ Annual units under subparagraph (3)(B)3.D. of this rule in the state for such control period;

F. Extra Allowance Allocation. If the amount of TR SO₂ Annual allowances in the new unit set-aside for the state for such control period is greater than or equal to the sum under subparagraph (3)(B)3.E. of this rule, then the director will allocate the amount of TR SO₂ Annual allowances determined for each such TR SO₂ Annual unit under subparagraph (3)(B)3.D. of this rule;

G. Insufficient Allowance Allocation. If the amount of TR SO₂ Annual allowances in the new unit set-aside for the state for such control period is less than the sum under subparagraph (3)(B)3.E. of this rule, then the director will allocate to each such TR SO₂ Annual unit the amount of the TR SO₂ Annual allowances determined under subparagraph (3)(B)3.D. of this rule for the unit, multiplied by the amount of TR SO₂ Annual allowances in the new unit set-aside for such control period, divided by the sum under subparagraph (3)(B)3.E. of this rule, and rounded to the nearest allowance;

H. Confirmation of Allowances. The director will contact facilities as described in subparagraph (3)(B)2.A. of this rule to confirm the amount of TR SO₂ Annual allowances allocated under subparagraphs (3)(B)3.B. through (3)(B)3.G. and (3)(B)3.L. of this rule for such control period to each TR SO₂ Annual unit eligible for such allocation.

I. Allowance Calculation for Units That Recently Began Operation. If, after completion of the procedures under subpara-

graphs (3)(B)3.E. through (3)(B)3.H. of this rule for such control period, any unallocated TR SO₂ Annual allowances remain in the new unit set-aside for the state for such control period, the director will allocate such TR SO₂ Annual allowances as follows:

(I) For any submission made in accordance with subparagraph (3)(B)2.B. of this rule, the submitting entity may include the calculation of eligible allowances for such control period as specified in part (3)(B)3.I.(III) of this rule. If such submission is not made or fails to include the calculation of eligible allowances under this part by the April 5 deadline, or if the entity fails to provide additional information requested in accordance with part (3)(B)2.C.(II) of this rule by the applicable deadline, then no allowances will be awarded to such unit in accordance with this subparagraph for such control period;

(II) The director will review submissions made in accordance with subparagraph (3)(B)2.C. of this rule, as specified in part (3)(B)2.C.(II) of this rule and may adjust the units identified in such submission if they are not eligible for allowances under this subparagraph, and the director may also adjust the calculation of eligible allowances included in such submission to ensure they are in accordance with part (3)(B)3.I.(III) of this rule;

(III) The calculation of eligible TR SO₂ Annual allowances for a specific control period for TR SO₂ Annual units that commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period must be as follows;

$$EA = \frac{(ER)(HR)(NP_{Cap})(CP_{Tot})(CF)(24 \text{ hours/day})(1,000 \text{ kW/MWe})}{(2,000 \text{ lb/ton})(1,000,000 \text{ BTU/mmBTU})}$$

Where:

- EA = eligible TR SO₂ Annual Allowances
- ER = the unit's permitted emission rate from the unit's construction permit approved under 10 CSR 10-6.060 (lb/mmBTU)
- HR = the heat rate efficiency for the generator that the unit serves (BTU/kW-hr)
- NP_{Cap} = nameplate capacity of the generator that the unit serves (MWe)
- CP_{Tot} = number of days in the control period
- CF = the unit's default capacity factor from Table II below

Table II – Default Capacity Factors for New Units

Unit Types	Annual SO ₂ & NO _x Programs	Ozone Season NO _x Program
Coal-Fired Steam Boiler	0.85	0.92
IGCC (Coal Gasification)	0.74	0.73
Oil-Fired Steam Boiler	0.30	0.39
Natural Gas-Fired Steam Boiler	0.44	0.47
Simple Cycle Combustion Turbine	0.24	0.32
Combined Cycle Combustion Turbine	0.66	0.71

(IV) The director will determine, for each unit described in subparagraph (3)(B)3.A. of this rule that commenced commercial operation during the period starting January 1 of the year before the year of such control period and ending March 31 of the year of such control period, the positive difference (if any) between the unit's emissions during the previous control period and the amount of eligible TR

SO₂ Annual allowances as calculated under part (3)(B)3.I.(III) of this rule;

(V) The director will determine the sum of the positive differences determined under part (3)(B)3.I.(IV) of this rule;

(VI) If the amount of unallocated TR SO₂ Annual allowances remaining in the new unit set-aside for the state for such control period is greater than or equal to the sum determined under part (3)(B)3.I.(V) of this rule, then the director will allocate the amount of TR SO₂ Annual allowances determined for each such TR SO₂ Annual unit under part (3)(B)3.I.(IV) of this rule; and

(VII) If the amount of unallocated TR SO₂ Annual allowances remaining in the new unit set-aside for the state for such control period is less than the sum under part (3)(B)3.I.(V) of this rule, then the director will allocate to each such TR SO₂ Annual unit the amount of the TR SO₂ Annual allowances determined under part (3)(B)3.I.(IV) of this rule for the unit, multiplied by the amount of unallocated TR SO₂ Annual allowances remaining in the new unit set-aside for such control period, divided by the sum under part (3)(B)3.I.(V) of this rule, and rounded to the nearest allowance;

J. Distribution of Remaining Allocations. If, after completion of the procedures under subparagraphs (3)(B)3.I. and (3)(B)3.L. of this rule for such control period, any unallocated TR SO₂ Annual allowances remain in the new unit set-aside for the state for such control period, the director will allocate to each TR SO₂ Annual unit that is in the state, is allocated an amount of TR SO₂ Annual allowances listed in Table I in paragraph (3)(A)2. of this rule, and continues to be allocated TR SO₂ Annual allowances for such control period in accordance with paragraph (3)(A)2. of this rule, an amount of TR SO₂ Annual allowances equal to the following: the total amount of such remaining unallocated TR SO₂ Annual allowances in such new unit set-aside, multiplied by the unit's allocation listed in Table I in paragraph (3)(A)2. of this rule for such control period, divided by the remainder of the amount of tons in the applicable state SO₂ Annual trading budget minus the amount of tons in such new unit set-aside for the state for such control period, and rounded to the nearest allowance;

K. Public Notification. The director will issue notifications as described in subparagraphs (3)(B)2.D. and (3)(B)2.E. of this rule, of the amount of TR SO₂ Annual allowances allocated under subparagraphs (3)(B)3.B. through (3)(B)3.G., (3)(B)3.I., (3)(B)3.J., and (3)(B)3.L. of this rule for such control period to each TR SO₂ Annual unit eligible for such allocation; and

L. Allocation Tabulations That Exceed or Are Less Than the New Unit Set-Aside.

(I) Notwithstanding the requirements of subparagraphs (3)(B)3.B. through (3)(B)3.K. of this rule, if the calculations of allocations of a new unit set-aside for a control period in a given year under subparagraph (3)(B)3.G. of this rule, subparagraph (3)(B)3.F. and part (3)(B)3.I.(VII) of this rule, or subparagraph (3)(B)3.F., part (3)(B)3.I.(VI), and subparagraph (3)(B)3.J. of this rule would otherwise result in total allocations of such new unit set-aside exceeding the total amount of such new unit set-aside, then the director will adjust the results of the calculations under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, as follows. The director will list the TR SO₂ Annual units in descending order based on the amount of such units' allocations under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, and, in cases of equal allocation amounts, in alphabetical order of the relevant source's name and numerical order of the relevant unit's identification number, and will reduce each unit's allocation under subparagraph (3)(B)3.G., part (3)(B)3.I.(VII), or subparagraph (3)(B)3.J. of this rule, as applicable, by one (1) TR SO₂ Annual allowance (but not below zero (0)) in the order in which the units are listed and will repeat this reduction process as necessary, until the total allocations of such new unit set-aside equal the total amount of such new unit set-aside.

(II) Notwithstanding the requirements of subparagraphs

(3)(B)3.J. and (3)(B)3.K. of this rule, if the calculations of allocations of a new unit set-aside for a control period in a given year under subparagraph (3)(B)3.F., part (3)(B)3.I.(VI), and subparagraph (3)(B)3.J. of this rule would otherwise result in a total allocations of such new unit set-aside less than the total amount of such new unit set-aside, then the director will adjust the results of the calculations under subparagraph (3)(B)3.J. of this rule, as follows. The director will list the TR SO₂ Annual units in descending order based on the amount of such units' allocations under subparagraph (3)(B)3.J. of this rule and, in cases of equal allocation amounts, in alphabetical order of the relevant source's name and numerical order of the relevant unit's identification number, and will increase each unit's allocation under subparagraph (3)(B)3.J. of this rule by one (1) TR SO₂ Annual allowance in the order in which the units are listed and will repeat this increase process as necessary, until the total allocations of such new unit set-aside equal the total amount of such new unit set-aside.

(4) Reporting and Record Keeping. The director shall maintain TR SO₂ Annual unit allowance records submitted to EPA for each TR SO₂ Annual control period for a minimum of five (5) years.

(5) Test Methods. (*Not Applicable*).

AUTHORITY section 643.050, RSMo Supp. 2013. Original rule filed May 15, 2015.

PUBLIC COST: This proposed rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

PRIVATE COST: This proposed rule will not cost private entities more than five hundred dollars (\$500) in the aggregate.

NOTICE OF PUBLIC HEARING AND NOTICE TO SUBMIT COMMENTS: A public hearing on this proposed rule will begin at 1:30 p.m., August 3, 2015. The public hearing will be held at the Elm Street Conference Center, 1730 East Elm Street, Lower Level, Bennett Springs Conference Room, Jefferson City, Missouri. Opportunity to be heard at the hearing shall be afforded any interested person. Interested persons, whether or not heard, may submit a written or email statement of their views until 5:00 p.m., August 10, 2015. Written comments shall be sent to Chief, Air Quality Planning Section, Missouri Department of Natural Resources' Air Pollution Control Program, PO Box 176, Jefferson City, MO 65102-0176. Email comments shall be sent to apcprulespn@dnr.mo.gov.

This section will contain the final text of the rules proposed by agencies. The order of rulemaking is required to contain a citation to the legal authority upon which the order or rulemaking is based; reference to the date and page or pages where the notice of proposed rulemaking was published in the *Missouri Register*; an explanation of any change between the text of the rule as contained in the notice of proposed rulemaking and the text of the rule as finally adopted, together with the reason for any such change; and the full text of any section or subsection of the rule as adopted which has been changed from that contained in the notice of proposed rulemaking. The effective date of the rule shall be not less than thirty (30) days after the date of publication of the revision to the *Code of State Regulations*.

The agency is also required to make a brief summary of the general nature and extent of comments submitted in support of or opposition to the proposed rule and a concise summary of the testimony presented at the hearing, if any, held in connection with the rulemaking, together with a concise summary of the agency's findings with respect to the merits of any such testimony or comments which are opposed in whole or in part to the proposed rule. The ninety-(90-) day period during which an agency shall file its order of rulemaking for publication in the *Missouri Register* begins either: 1) after the hearing on the proposed rulemaking is held; or 2) at the end of the time for submission of comments to the agency. During this period, the agency shall file with the secretary of state the order of rulemaking, either putting the proposed rule into effect, with or without further changes, or withdrawing the proposed rule.

**Title 1—OFFICE OF ADMINISTRATION
Division 10—Commissioner of Administration
Chapter 10—Shared Leave for Adoptive and Foster
Placement and Care**

ORDER OF RULEMAKING

By the authority vested in the Commissioner of Administration under section 105.271, RSMo Supp. 2014, the commissioner adopts a rule as follows:

1 CSR 10-10.010 ShareLeave for Foster and Adoptive Placement and Care **is adopted.**

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on February 17, 2015 (40 MoReg 174-175). No changes have been made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 3—DEPARTMENT OF CONSERVATION
Division 10—Conservation Commission
Chapter 4—Wildlife Code: General Provisions**

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

3 CSR 10-4.110 General Prohibition; Applications **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 1, 2015 (40 MoReg 389). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 3—DEPARTMENT OF CONSERVATION
Division 10—Conservation Commission
Chapter 5—Wildlife Code: Permits**

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

3 CSR 10-5.205 Permits Required: Exceptions **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 1, 2015 (40 MoReg 389). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 3—DEPARTMENT OF CONSERVATION
Division 10—Conservation Commission
Chapter 5—Wildlife Code: Permits**

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

3 CSR 10-5.210 Permits to be Signed and Carried **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 1, 2015 (40 MoReg 389-390). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 3—DEPARTMENT OF CONSERVATION
Division 10—Conservation Commission
Chapter 7—Wildlife Code: Hunting: Seasons, Methods,
Limits**

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

3 CSR 10-7.405 General Provisions **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 1, 2015 (40 MoReg 390). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 3—DEPARTMENT OF CONSERVATION
Division 10—Conservation Commission
Chapter 7—Wildlife Code: Hunting: Seasons, Methods,
Limits**

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

**3 CSR 10-7.431 Deer Hunting Seasons: General Provisions
is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 1, 2015 (40 MoReg 390). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 3—DEPARTMENT OF CONSERVATION
Division 10—Conservation Commission
Chapter 7—Wildlife Code: Hunting: Seasons, Methods,
Limits**

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

3 CSR 10-7.432 Deer: Archery Hunting Season is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 1, 2015 (40 MoReg 391). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

Title 5—DEPARTMENT OF ELEMENTARY AND SECONDARY EDUCATION
Division 30—Division of Financial and Administrative Services
Chapter 640—School Buildings

ORDER OF RULEMAKING

By the authority vested in the State Board of Education (board) under section 161.215, RSMo Supp. 2013, and section 161.092, RSMo Supp. 2014, the board withdraws a rule as follows:

5 CSR 30-640.200 Early Learning Facilities Funding Formula for Lease Agreements **is withdrawn.**

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on March 2, 2015 (40 MoReg 228-230). This proposed rule is withdrawn.

SUMMARY OF COMMENTS: The board received numerous comments regarding the proposed rule. Most of the comments opposed the rule or made recommended changes to the proposed rule. The board agrees with some of the changes, but because they are significant, the board has chosen to withdraw this rule and propose a new rule incorporating some of the changes and submitting the new proposal for public comment later this year.

RESPONSE: As a result, the board is withdrawing this rulemaking.

Title 7—DEPARTMENT OF TRANSPORTATION
Division 10—Missouri Highways and Transportation Commission
Chapter 25—Motor Carrier Operations

ORDER OF RULEMAKING

By the authority vested in the Missouri Highways and Transportation Commission under section 304.200, RSMo Supp. 2013, and section 304.180, RSMo Supp. 2014, the commission amends a rule as follows:

7 CSR 10-25.020 Oversize and Overweight Permits **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on January 15, 2015 (40 MoReg 55-56). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 11—DEPARTMENT OF PUBLIC SAFETY
Division 30—Office of the Director
Chapter 12—Forensic Examinations for Sexual Assault**

ORDER OF RULEMAKING

By the authority vested in the Department of Public Safety under section 595.220, RSMo Supp. 2013, the department amends a rule as follows:

11 CSR 30-12.010 Payments for Sexual Assault Forensic Examinations is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 2, 2015 (40 MoReg 231–232). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 15—ELECTED OFFICIALS
Division 50—Treasurer
Chapter 4—Missouri Higher Education Savings Program**

ORDER OF RULEMAKING

By the authority vested in the State Treasurer for the Missouri Higher Education Savings Program Board under section 166.415, RSMo Supp. 2013, the Missouri Higher Education Savings Program Board amends a rule as follows:

15 CSR 50-4.020 Missouri Higher Education Savings Program is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 2, 2015 (40 MoReg 239). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: No comments were received.

**Title 19—DEPARTMENT OF HEALTH
AND SENIOR SERVICES
Division 25—Missouri State Public Health Laboratory
Chapter 36—Testing for Metabolic Diseases**

ORDER OF RULEMAKING

By the authority vested in the Department of Health and Senior Services under section 192.006, RSMo 2000, and sections 191.331 and 191.332, RSMo Supp. 2013, the department amends a rule as follows:

19 CSR 25-36.010 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 2, 2015 (40 MoReg 261–266). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The department received four (4) comments on the proposed amendment.

COMMENT #1: Daniel Landon, with the Missouri Hospital Association, noted that the imposition of fees appears to be in conflict with section 1.310.3, RSMo.

RESPONSE: Section 1.310.3, RSMo, sunset effective August 28, 2014. Nevertheless, this rule amendment is a result of the “Brady Allen Cunningham Newborn Screening Act” (section 191.333, RSMo) passed by the Missouri General Assembly in 2009. Section 191.333.4, RSMo, allows the Department of Health and Senior Services to increase the fee for newborn screening to cover the additional cost of the expanded newborn screening tests required in section 191.333, RSMo. The initial fee increase is intended to cover the additional costs associated with the expanded mandated newborn screening as described in this law and would fall within the exceptions to impositions of fees under section 1.310, RSMo. No changes have been made to the rule as a result of this comment.

COMMENT #2: Daniel Landon, with the Missouri Hospital Association, noted that hospitals should not be responsible for paying additional screening fees caused by state laboratory testing errors or courier delays in pickup and delivery of specimens that result in blood specimens being unsatisfactory for testing and for paying for repeat screenings required by subsections (3)(A) and (B).

RESPONSE AND EXPLANATION OF CHANGE: The fee is charged for the screening itself, not the collection form. When possible, the State Public Health Laboratory will still screen all specimens, even those of poor quality, submitted in order to detect any conditions for which immediate medical treatment is required. If a specimen is of poor quality, a second specimen will still be required in order to conduct a more reliable screening, and a fee will be charged for the repeat screening. If a specimen is determined to be unsatisfactory due to laboratory or transportation issues, no additional fee will be charged for the repeat screening. Section (8) has been amended to clarify this. The screenings in subsections (3)(A) and (B) require repeat tests to be performed, therefore, a fee will be charged. These repeat screenings are based on national standards.

COMMENT #3: Daniel Landon, with the Missouri Hospital Association, noted that the term “highly suspected” in subsection (3)(D) is vague and recommends a maximum age for newborn screening be established.

RESPONSE AND EXPLANATION OF CHANGE: These screens are performed at the request of the physician or family. Subsection (3)(D) was intended to be a recommendation, not a requirement, and has been amended to clarify this.

COMMENT #4: Department staff commented that the effective date of the fees in section (8) should correspond with the anticipated effective date of the rule amendment which will be August 1, 2015.

RESPONSE AND EXPLANATION OF CHANGE: The effective date in section (8) has been changed to August 1, 2015.

19 CSR 25-36.010 Testing for Metabolic and Genetic Disorders

(3) Specimens shall be collected in accordance with instructions on the specimen collection form. At the time of specimen collection, the submitter shall detach the parent information sheet from the newborn screening collection form and give it to the infant’s parent or guardian. The timing of specimen collection shall be determined by the conditions specified in subsections (3)(A) through (C) below. All specimens shall be sent within twenty-four (24) hours of collection to the Missouri State Public Health Laboratory in Jefferson City.

(D) If it is discovered or highly suspected that a child has never received a newborn screen, a newborn screen is recommended regardless of the child’s age.

(8) Effective August 1, 2015, a fee of up to ninety-five dollars (\$95) shall be charged for each specimen collection form used to obtain a newborn screening blood specimen. If the State Public Health

Laboratory determines a submitted blood specimen to be unsatisfactory for testing due to laboratory or transportation issues, then a replacement specimen collection form will be made available without the fee being imposed. The Department of Health and Senior Services may collect the fee from any entity or individual described in section 191.331.1, RSMo.

**Title 19—DEPARTMENT OF HEALTH
AND SENIOR SERVICES
Division 30—Division of Regulation and Licensure
Chapter 1—Controlled Substances**

ORDER OF RULEMAKING

By the authority vested in the Missouri Department of Health and Senior Services under section 195.050, RSMo 2000, and section 195.195, RSMo Supp. 2014, the department amends a rule as follows:

19 CSR 30-1.048 Records for Practitioners and Researchers **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 2, 2015 (40 MoReg 267). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received one (1) comment on the proposed amendment.

COMMENT #1: Ken Whitmore, Jr., RPh., MBA, and Senior Vice-President of Professional and Regulatory Affairs for Surescripts, LLC, commented that they are the largest electronic prescribing network in the United States and they approve of and support the rule changes by the department to allow electronic prescribing of controlled substances in Missouri. Mr. Whitmore also thanked the department for its efforts in drafting and publishing this rule. RESPONSE: No changes have been made to the rule as a result of this comment.

**Title 19—DEPARTMENT OF HEALTH
AND SENIOR SERVICES
Division 30—Division of Regulation and Licensure
Chapter 1—Controlled Substances**

ORDER OF RULEMAKING

By the authority vested in the Missouri Department of Health and Senior Services under section 195.050, RSMo 2000, and section 195.195, RSMo Supp. 2014, the department amends a rule as follows:

19 CSR 30-1.062 Transmission of Prescriptions **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 2, 2015 (40 MoReg 267–268). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received two (2) comments on the proposed amendment.

COMMENT #1: Ken Whitmore, Jr., RPh., MBA, and Senior Vice-President of Professional and Regulatory Affairs for Surescripts, LLC, commented that they are the largest electronic prescribing network in the United States and they approve of and support the rule changes by the department to allow electronic prescribing of controlled substances in Missouri. Mr. Whitmore also thanked the department for its efforts in drafting and publishing this rule.

RESPONSE: No changes have been made to the rule as a result of this comment.

COMMENT #2: Joseph Lavino, PharmD, RPh, JD, Director of Pharmacy Regulatory Affairs for CVS Health, supports the department amending 19 CSR 30-1.062 to authorize the electronic prescribing of controlled substances.

RESPONSE: No changes have been made to the rule as a result of this comment.

**Title 19—DEPARTMENT OF HEALTH
AND SENIOR SERVICES
Division 30—Division of Regulation and Licensure
Chapter 1—Controlled Substances**

ORDER OF RULEMAKING

By the authority vested in the Missouri Department of Health and Senior Services under section 195.195, RSMo Supp. 2014, the department amends a rule as follows:

19 CSR 30-1.064 Partial Filling of Schedule II Prescriptions **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 2, 2015 (40 MoReg 268). No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received one (1) comment on the proposed amendment.

COMMENT #1: Ken Whitmore, Jr., RPh., MBA, and Senior Vice-President of Professional and Regulatory Affairs for Surescripts, LLC, commented that they are the largest electronic prescribing network in the United States and they approve of and support the rule changes by the department to allow electronic prescribing of controlled substances in Missouri. Mr. Whitmore also thanked the department for its efforts in drafting and publishing this rule.

RESPONSE: No changes have been made to the rule as a result of this comment.

This section may contain notice of hearings, correction notices, public information notices, rule action notices, statements of actual costs, and other items required to be published in the *Missouri Register* by law.

**Title 7—DEPARTMENT OF TRANSPORTATION
Division 10—Missouri Highways and
Transportation Commission
Chapter 25—Motor Carrier Operations**

IN ADDITION

7 CSR 10-25.010 Skill Performance Evaluation Certificates for Commercial Drivers

PUBLIC NOTICE

Public Notice and Request for Comments on Applications for Issuance of Skill Performance Evaluation Certificates to Intrastate Commercial Drivers with Diabetes Mellitus or Impaired Vision

SUMMARY: This notice publishes MoDOT's receipt of applications for the issuance of Skill Performance Evaluation (SPE) Certificates from individuals who do not meet the physical qualification requirements in the Federal Motor Carrier Safety Regulations for drivers of commercial motor vehicles in Missouri intrastate commerce because of impaired vision or an established medical history or clinical diagnosis of diabetes mellitus currently requiring insulin for control. If granted, the SPE Certificates will authorize these individuals to qualify as drivers of commercial motor vehicles (CMVs), in intrastate commerce only, without meeting the vision standard prescribed in 49 CFR 391.41(b)(10), if applicable, or the diabetes standard prescribed in 49 CFR 391.41(b)(3).

DATES: Comments must be received at the address stated below, on or before, July 15, 2015.

ADDRESSES: You may submit comments concerning an applicant, identified by the Application Number stated below, by any of the following methods:

- *Email:* kathy.hatfield@modot.mo.gov
- *Mail:* PO Box 270, Jefferson City, MO 65102-0270
- *Hand Delivery:* 830 MoDOT Drive, Jefferson City, MO 65109
- *Instructions:* All comments submitted must include the agency name and Application Number for this public notice. For detailed instructions on submitting comments, see the Public Participation heading of the Supplementary Information section of this notice. All comments received will be open and available for public inspection and MoDOT may publish those comments by any available means.

**COMMENTS RECEIVED
BECOME MoDOT PUBLIC RECORD**

- By submitting any comments to MoDOT, the person authorizes MoDOT to publish those comments by any available means.
- *Docket:* For access to the department's file, to read background documents or comments received, 830 MoDOT Drive, Jefferson City, MO 65109, between 7:30 a.m. and 4:00 p.m., CT, Monday through Friday, except state holidays.

FOR FURTHER INFORMATION CONTACT: Kathy J. Hatfield, Motor Carrier Investigations Specialist, (573) 526-9926, MoDOT Motor Carrier Services Division, PO Box 270, Jefferson City, MO 65102-0270. Office hours are from 7:30 a.m. to 4:00 p.m., CT, Monday through Friday, except state holidays.

SUPPLEMENTARY INFORMATION:

Public Participation

If you want us to notify you that we received your comments, please include a self-addressed, stamped envelope or postcard.

Background

The individuals listed in this notice have recently filed applications requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.

Qualifications of Applicants

Application #247

Applicant's Name & Age: Gregory Dohack, 53

Relevant Physical Condition: Vision impaired.

Mr. Dohack's best-corrected visual acuity in his left eye is 20/20 Snellen and his best-corrected visual acuity in his right eye is 20/400 Snellen. Gregory Dohack has developed macular degeneration in his right eye in May 2010.

Relevant Driving Experience: Mr. Dohack is currently employed as food delivery driver. He currently holds a Class A CDL license, and has approximately twenty (20) years commercial motor vehicle driving experience. He drives personal vehicle(s) daily.

Doctor's Opinion and Date: Following an examination in December 2014, his ophthalmologist certified his condition would not adversely affect his ability to operate a commercial vehicle safely.

Traffic Accidents and Violations: No accidents or violations on record for the previous three (3) years.

Request for Comments

The Missouri Department of Transportation, Motor Carrier Services Division, pursuant to section 622.555, RSMo, and rule 7 CSR 10-25.010, requests public comment from all interested persons on the applications for issuance of Skill Performance Evaluation Certificates described in this notice. We will consider all comments received before the close of business on the closing date indicated earlier in this notice.

Issued on: May 5, 2015

Scott Marion, Motor Carrier Services Director, Missouri Department of Transportation.

The Secretary of State is required by sections 347.141 and 359.481, RSMo 2000, to publish dissolutions of limited liability companies and limited partnerships. The content requirements for the one-time publishing of these notices are prescribed by statute. This listing is published pursuant to these statutes. We request that documents submitted for publication in this section be submitted in camera ready 8 1/2" x 11" manuscript by email to dissolutions@sos.mo.gov.

NOTICE OF DISSOLUTION OF NONPROFIT CORPORATION

NOTICE OF DISSOLUTION TO ALL CREDITORS OF AND CLAIMANTS AGAINST ST. LOUIS REGIONAL PSYCHIATRIC STABILIZATION CENTER, A MISSOURI NONPROFIT CORPORATION.

On April 29, 2015, St. Louis Regional Psychiatric Stabilization Center, a Missouri nonprofit corporation (the "Corporation"), filed Articles of Dissolution with the Missouri Secretary of State, with an effective date of April 29, 2015.

The Corporation requests that all persons and organizations who have claims against it present them immediately by letter to the Corporation through Gregg J. Lepper at Greensfelder, Hemker & Gale, P.C., 10 S. Broadway, Suite 2000, St. Louis, Missouri 63102.

All claims must include (i) the name and address of the claimant; (ii) the amount claimed; (iii) the basis for the claim; (iv) the date(s) on which the event(s) occurred for which the claim is based; and (v) any documentation to support the claim.

NOTICE: Because of the dissolution of the Corporation, any claims against the Corporation will be barred unless a proceeding to enforce the claim is commenced within two (2) years after the publication date of the notice.

NOTICE TO THE UNKNOWN CREDITORS OF NATIONAL CAR CREDIT, L.C.

You are hereby notified that on April 16, 2015, National Car Credit, L.C., a Missouri limited liability company (the "Company"), the principal address and Missouri registered office of which is located in St. Louis County, Missouri, filed a Notice of Winding Up for Limited Liability Company with the Secretary of State of Missouri.

In order to file a claim with the Company, you must furnish the amount and the basis for the claim and provide all necessary documentation supporting this claim. All claims must be mailed to:

John R. Capps
11850 Studt Avenue
St. Louis, Missouri 63141

A claim against National Car Credit, L.C. will be barred unless a proceeding to enforce the claim is commenced within three years after the publication of this notice.

**Notice of Winding Up of Limited Liability Company
To All Creditors of and All Claimants Against
One City Centre Investment Fund LLC**

On May 5, 2015, 2015, One City Centre Investment Fund LLC, a Missouri limited liability company (the "Company"), filed its Notice of Winding Up for a Limited Liability Company with the Missouri Secretary of State.

Any claims against the Company must be sent to: William Seddon, Director of New Markets Tax Credit Program for St. Louis Development Corporation, 1520 Market Street, Suite 2000, St. Louis, MO 63103. Each claim must include the name, address and phone number of claimant; amount and nature of claim; date on which the claim arose; and any claim documentation.

All claims against the Company will be barred unless a proceeding to enforce the claim is commenced within three (3) years after the date of publication of this notice.

**Notice of Winding Up of Limited Liability Company
to All Creditors of and All Claimants Against
St. Louis New Markets Tax Credit Fund-VII, LLC**

On May 5, 2015, St. Louis New Markets Tax Credit Fund-VII, LLC, a Missouri limited liability company (the "Company"), filed its Notice of Winding Up for a Limited Liability Company with the Missouri Secretary of State.

Any claims against the Company must be sent to: William Seddon, Director of New Markets Tax Credit Program for St. Louis Development Corporation, 1520 Market Street, Suite 2000, St. Louis, MO 63103. Each claim must include the name, address and phone number of claimant; amount and nature of claim; date on which the claim arose; and any claim documentation.

All claims against the Company will be barred unless a proceeding to enforce the claim is commenced within three (3) years after the date of publication of this notice.

**NOTICE OF DISSOLUTION
TO ALL CREDITORS OF AND
CLAIMANTS AGAINST
FOUL PLAY, LLC**

On April 30, 2015, Foul Play, LLC, a Missouri limited liability company (the "Company"), filed its Notice of Winding Up for a Limited Liability Company with the Secretary of State of Missouri. The Company requests that any and all claims against the Company be presented by letter to the Company in care of Riezman Berger, P.C., c/o Robert G. Oesch, 7700 Bonhomme Avenue, 7th Floor, St. Louis, Missouri 63105. Each claim against the Company must include the following information: the name, the address and telephone number of the claimant; the amount of the claim; the date on which the claim arose; a brief description of the nature of or the basis for the claim; and any documentation related to the claim. All claims against the Company will be barred unless a proceeding to enforce the claim is commenced within three (3) years after the publication of this notice.

Rule Changes Since Update to Code of State Regulations

This cumulative table gives you the latest status of rules. It contains citations of rulemakings adopted or proposed after deadline for the monthly Update Service to the *Code of State Regulations*, citations are to volume and page number in the *Missouri Register*, except for material in this issue. The first number in the table cite refers to the volume number or the publication year—39 (2014) and 40 (2015). MoReg refers to *Missouri Register* and the numbers refer to a specific *Register* page, R indicates a rescission, W indicates a withdrawal, S indicates a statement of actual cost, T indicates an order terminating a rule, N.A. indicates not applicable, RAN indicates a rule action notice, RUC indicates a rule under consideration, and F indicates future effective date.
