*According to the terms of the lease of part of the premises to the building of Mount Zion - (Lafayette Church) - there are an amount to pay on half the taxes - they are respectively \$47.55 - \$25.45 - \$22.09*

*They are to be paid all at once & very difficult to secure payment - I described therefore not to await payment of the tax - as there are 2 pro. paying all - in the year the amount is considerable amount - the amount now due being \$47.55 - of which Mount Zion church paid \$25.45 - (when I think the only way to pay it is to pay it - 2 paid) - leaving to 2 paid \$22.09 - this amount is a charge against this mortgage -*
