I, Sam. A. Wales Clerk

Probate Court, New Madrid County, Missouri, do hereby certify that the within Settlement is duly recorded in General Record Book F at page 117.

Sam. A. Wales Clerk

In the Matter of the Estate of James S. Warren —

Admr d.b.n
Samuel J Davis, Moves the Court to reject the final Settlement presented by Elizabeth A Warren and the Supplement to her final Settlement of her Administration for the following reasons —

1st Said Administratrix in her annual Set Claims Credit for two hundred and thirty dollars of Confederate Money as worthless, when it is well known that said Money at the time it came into the hands of said Administratrix was not worthless, and said administratrix does not produce or account for the absence of said Confederate Money to shew that She never used it

2 Said Administratrix in her Settlement Made July 1871 Claims Credit for $2.662 ¹⁶ of accounts which She alleges to be worthless without designating the persons against whom the accounts were

3 4 Said Administratrix Claims Credit for a Note signed by Welton O'Bannon and Charles D Graham which She might have collected by ordinary diligence but now said O'Bannon & Graham are dead, the Estate of the One entirely Settled and this Claim is barred by limitation as to the Estate of the Other (Graham)

4 Said Administratrix waived notice on, and permitted to be allowed, a claim presented by Robert Lafont, which claim was barred by the Statute of Limitation, and said Administratrix should have plead said Statute in bar of said Claim

5 Said Claim was allowed against the Estate of said James Y Warren in the 7th Class of allowances and was paid by said administratrix when she well knew that she had not paid the allowances in the 5th Class and she did not know that there would be sufficient assets to pay the 5th Class Claims

6 Said Administratrix claims credit for an allowance paid to Robert Lafont of $44.75 which was an allowance in the 6th Class of demands

7 8 Also a 6th Class allowance in favor of Jos Walker for $95.40 paid by said Administratrix

8 In first Annual Settlement said Administratrix claims Credit for a Note of Thos Givins given up when there is no such note charged to her in her Inventory

9 Said Administratrix in her last Settlement claims Credit for Worthless notes, to the Amount of $836.11 when such notes are not produced with said Settlement or accounted for

10 Said Administratrix in her Settlement of July Claim Credit for note of Joel T Nicholas Twenty dollars when there is no such note charged to her in her inventory or elsewhere

11th Said Administratrix Charges herself with no interest received on any demand

12 Said Administratrix has failed to Charge herself with the value of a house she Sold off of the farm of Said James Y Warren to one Wm E Evans

13 Said Administratrix Sold a Mill-Shed belonging to Said Estate for which She has failed to account in any Settlement

14 Said Administratrix Sold one Payne a Pre-emtion right which said James Y. Warren had in a Certain Peice of Swamp land, and for the proceeds of which She has failed to account in any Settlement Said Samuel I Davis therefore as administrator de bonis non of the Estate of said James y Warren, and Successor of Said Elizabeth A Warren in the administration, for the reasons above assigned asks that said Elizabeth A Warren may be ~~made~~ required to make a Settlement as the law requires, and exhibit a Statement of the account of her administration with proper vouchers to this Court — and Said administrator de bonis Non reserves the right to Exhibit other reasons for this motion Should any other come to his Knowledge

hand the identical Money - The accounts ~~made~~
inventoried were never taken off the books -
Those who made out the Inventory never told me
why they did not take the accounts off the
Books, I gave them to Mr Lesieur, Freman

and Some of them are yet in Mr Lafont's hands
for Collection, Of the Money Mr Lesieur paid me
I paid Some of it to Mr Conran, to Mr Scott

amount from Mr Scott - I got about Nine
Hundred dollars from Mr Scott for the Mill -

Came to my hands whether it was for prin-

he had against the Estate of James Warren
The note was given for property purchased by
Wellon O'Bannon at the Administratrix

Rott Lafont Another in favor of Joseph Wells
I paid them off by a credit on what the Es-
