little cause for discrimination in the dis-
position of them. ~~The~~ discharge on taking

may be well to send for help to ~~the~~ ~~the~~

Washington D.C. Dec. 10th 1863

Capt. H. B. Todd

Provost Marshall

The Prize Com. have
concluded the examination of the following
gentlemen of the Schooner S. W. Johnson now
in your custody - to wit - Capt. W. H. Thompson -
L. M. Emery, John W. Kinnear, S. M.
Ranney, and A. Ranney - and their further
attendance upon this board will not be
required - Their testimony seems to clear
them from any imputation of any intent
or design to violate any Law of the U.S.

Yours very Respectfully

Fred. H. Boston

P. S.

I further understood by the representations of the gentlemen examined that the others, of said saloons now in your custody are loyal in sentiment and had no intent to act in any manner derogatory to the character of good citizens - The Paris Commissioners do not wish you to detain them if you see fit to release them - as their testimony is not believed to be necessary to the determination of the case -

Frederick M. Barton

Respectfully refered to
Capt Todd P. Mear

the matter concerned

To Gen. Martindale

The schooner J W Johnson which was captured near Alexandria on a charge of violation of the Revenue Laws, it seems, has since been labelled as prize of war, and the Master and several persons found on board have been committed to the Old Capitol and are there now detained.

In the case of the Union I decided that a mere violation of the Revenue Laws was not good ground for capture and condemnation of a vessel or cargo as prize of war; and of the correctness of this opinion I have no doubt.

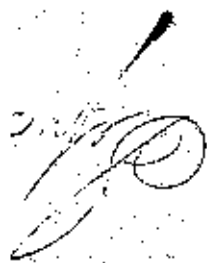

Besides in the case of the Johnson I understand the Master & the other persons arrested & committed have already been examined by the Prize Commissioners. If that be so, and there be no military charge against them in addition to that arising out of their connection with the schooner, they ought to be at once restored to their liberty.

Very respectfully,

Andrew Myler

We are happy to have the liberty to submit
your petition our case will be taken into
consideration we have taken the oath of
allegiance and cannot but wish the
satisfaction of going in the army in some
manner like the Recruiting Camp
of the U. S. A. We are 7 weeks at this
place and have the recruiting officer
told us there was no chance of forming
a company in short time and that
unless the company was made we
could not have been sent over to the
Protest Marshals and have been
debarred to prison in case of this
party have been not over the month
a man would not be in a getting away
we need a little more money we will
not be persons and we mean to return
more we hope we will see you with
the time before we are long past

papers and letters I hope see
that we should be sent away
immediately since then we must have
nothing more about going in this season
and if it would not be asking to
much we would think you see for
a pass to go North where we can
either get employment or a ship

Genl Burns
Norfolk Sept 29/64

Dear Sir

There is at Point Lookout
A Gangman named Alexander W Lovetts
brother to my son-in-law. and a man named
Malachi Rainy who has a wife and
four children in Norfolk. both were
deserted in the army. they wish to take
the Oath and come home being within
the military lines. I can see no objection
to let them come. If it is allowable I
shal deem it a favor which I shal
highly appreciate. if you have them
returned home.

I hope the Rebellion will be put down
and Slavery extinguished before another
Year.

Should you ever pass this way
you must not fail to give me a
Call. you have many warm friends
in Norfolk

Very Respectfully
P. H. Whitehurst
