4. Any person selling fireworks shall not knowingly sell consumer fireworks to any person who is obviously under the influence of alcohol or drugs.

5. Proximate and display fireworks shall not be allowed to be sold with consumer fireworks.

(8) Permit Requirements: Discharging Display or Proximate Fireworks.

(A) Permit(s) for display or proximate fireworks may be granted to municipalities, fair associations, amusement parks, organizations, persons, firms or corporations. Such permits may be granted upon application and approval by the state fire marshal or local authority having jurisdiction where the display is proposed to be held.

1. Application for a permit to conduct a display/proximate fireworks show issued by the state fire marshal shall meet the following requirements and be on a form provided by the state fire marshal:

A. Applicant shall be at least twenty-one (21) years of age;

B. The permit shall be issued per location per calendar year, except—

(I) Any change from the original site plan relating to distances, mortar size, mortar installation, firing method, etc. shall require a new application and submission of an additional permit fee;

C. A fee of one hundred dollars (\$100) shall be paid to the state fire marshal at the time of initial application for permit;

D. Identity of state licensed display/pyrotechnic operator shall be provided;

E. Applicant shall submit proof of insurance coverage insuring the applicant with liability insurance in order to satisfy claims for damages to property or personal injuries arising out of any act or omission on the part of such person, firm or corporation or any agent or employee thereof with an occurrence limit of not less than one (1) million dollars. Additionally, insurance coverage of an employer for whom the individual is employed shall be considered to comply with the aforementioned, if the coverage provides equivalent coverage for each employee;

F. If applicant is conducting a display under the auspices of a municipality or political subdivision the applicant shall be exempt from liability insurance coverage if the

municipality or political subdivision possesses liability insurance covering the applicant with an occurrence limit of not less than one (1) million dollars;

G. Applicant shall submit a detailed site plan, to include but not be limited to distance requirements per NFPA, firing method, mortar installation and product being used along with the name of the licensed or pyrotechnic operator to the state fire marshal a minimum of ten (10) working days prior to the date of the event;

H. Upon request applicant shall provide Material Safety Data Sheets (MSDS) relating to the products being used;

I. No permit granted shall be transferable;

J. The permit shall apply to only one (1) location.

2. A copy of a display or proximate fireworks permit issued by the local authority having jurisdiction shall be submitted by the permit holder to the state fire marshal within forty-five (45) days of the display or upon request of the state fire marshal.

3. Any venue where proximate fireworks are to be discharged shall be inspected by the state fire marshal or local authority having jurisdiction for compliance with NFPA 1126.

4. Any establishment where proximate fireworks are to be discharged indoors shall be inspected by the state fire marshal or local authority having jurisdiction for compliance with NFPA 1126 and NFPA 101 *Life Safety Code* or equivalent nationally recognized code in relation to means of egress, occupancy load, and automatic sprinkler and fire alarm systems.

5. Provisions shall be made for adequate fire protection at a level determined by the jurisdiction where the display is to be conducted.

6. Safety monitors shall be required per NFPA 1123 and/or NFPA 1126.

7. This subsection shall not preclude a political subdivision, county or city from imposing by ordinance the requirement to notify local authorities of the intent to conduct such display.

(9) Licensed/Pyrotechnic Display Operator.

(A) Every fireworks display or proximate fireworks display shall be supervised, managed, or directed by a Missouri state licensed operator or pyrotechnic operator on-site.

(B) Licensed/pyrotechnic display operators shall complete and submit, on a form provided by the state fire marshal a licensed/pyrotechnic display operator application and meet the minimum requirements listed below:

1. Applicant shall be at least twenty-one (21) years of age;

2. Applicant shall not have a felony conviction or have pleaded guilty to a felony;

3. A fee of one hundred dollars (\$100) shall be paid to the state fire marshal at the time of application for licensure;

4. Applicant shall provide two (2) passport type photographs per license requested;

5. The state fire marshal will consider the following criteria in determining whether to issue a license to the applicant under the provisions of this rule:

A. Documentation that applicant has attended courses relating to pyrotechnics;

B. An applicant shall submit evidence of experience, which must include active participation as an assistant or operator in the performance of at least three (3) fireworks displays or proximate fireworks displays, at least one of which must have occurred in the current or preceding year;

C. Applicant shall complete a written examination administered by the state fire marshal and achieve a passing score of at least seventy percent (70%).

(I) Any person failing to pass the examination may retake the examination after a thirty (30)-day waiting period.

(II) Any person failing to pass the examination a second time may retake the examination after a ninety (90)-day waiting period;

D. Any licenses or certifications from other jurisdictions or licensing entities approved by the state fire marshal;

E. References from local authorities, sponsors, employers, and fireworks/pyrotechnic companies;

F. Copy of U.S. Bureau of Alcohol, Tobacco, Firearms and Explosives permit/license if applicable;

6. To obtain recertification, the applicant shall be required to meet the following criteria:

A. Provide documentation that applicant has attended a minimum of twelve (12) hours of continuing education relating to pyrotechnics within the past three (3) years.

B. Provide documentation of actively participating in at least three (3) fireworks displays or proximate fireworks displays.

C. A fee of one hundred dollars (\$100) shall be paid at the time of recertification to the state fire marshal;

7. The licensee shall carry his/her license at all times when engaging in pyrotechnic display activity;

8. Each license issued pursuant to this section shall specify the licensee's name, state issued license number, the licensee's

effective date and expiration date and photograph;

9. In any case where the state fire marshal denies, suspends or revokes a license, a written notice of the basis for the denial, suspension or revocation shall be provided to the applicant or license holder;

10. Upon notice of revocation or suspension, the license holder shall surrender the license and all copies thereof to the state fire marshal immediately. No person shall supervise a fireworks display or proximate display once their license has been revoked or suspended;

11. Upon notice of denial, suspension or revocation of a license, the decision may be appealed in writing to the state fire marshal within forty-five (45) days of the denial, suspension or revocation requesting an administrative hearing pursuant to the provisions of section 621.045, RSMo;

12. The state fire marshal may deny, suspend or revoke licensure of any applicant when it is found that the applicant or licensee:

A. Has knowingly made a material misrepresentation of any information required for licensure;

B. Has knowingly by any means of false pretense, deception, fraud, misrepresentation or cheating obtained training or licensure;

13. No person shall handle display/proximate fireworks or cause any person to handle or discharge display/proximate fireworks in this state unless such use of display/proximate fireworks are under the direct supervision and responsibility of a state licensed operator or pyrotechnic operator pursuant to this rule. Persons working under the direct supervision of a licensed operator or pyrotechnic operator at the site shall not be in violation of this rule.

(10) Violations.

(A) A permittee will receive a written warning from the state fire marshal for violation of any of the following:
