ECONOMIC DEVELOPMENT

Estate Commission
Chapter 10—Continuing Education**

4 CSR 250-10.010 Requirements

PURPOSE: This rule implements the continuing education mandates.

(1) Each real estate licensee who holds an active license shall complete during the two (2)-year license period prior to renewal, as a condition precedent to license renewal, a minimum of twelve (12) hours of real estate instruction approved for continuing education credit by the Missouri Real Estate Commission. An active license is any license issued by the commission except those which have been placed on inactive status by a broker or salesperson, pursuant to 4 CSR 250-4.040(3) and 4 CSR 250-4.050(6). Failure to provide the commission evidence of course completion as set forth shall constitute grounds for not renewing a license. For purposes of 4 CSR 250-10, an hour is defined as sixty (60) minutes, at least fifty (50) minutes of which shall be devoted to actual classroom instruction and no more than ten (10) minutes of which shall be devoted to a recess. No credit will be allowed for fractional hours.

(2) At least three (3) hours of the twelve (12) hours of approved instruction shall consist of one (1) of the following core curriculum courses, each of which shall include thirty (30) minutes of instruction on current laws and regulations:

- (A) Missouri laws governing the transfer of real property;
- (B) Broker supervision and escrow account management;
- (C) Fair housing;
- (D) Cultural diversity;
- (E) Property management; or
- (F) Commercial brokerage.

(3) The balance of the twelve (12) hours of instruction shall consist of courses which have been approved for continuing education credit by the Missouri Real Estate Commission. The commission will approve those courses which are determined by it to be those through which real estate licensees can remain qualified and can become more competent to provide a higher level of public service and protection.

(4) Effective October 1, 1998, any person who has been issued an original resident, nonresident or reciprocal salesperson license

shall, prior to the date of expiration of the original salesperson license, satisfactorily complete his/her twelve (12) hours of continuing education instruction in a classroom course of study entitled Missouri Real Estate Practice; and any person who has been issued an original resident, nonresident or reciprocal broker license prior to completing the course entitled Missouri Real Estate Practice must complete his/her Missouri Real Estate Practice course prior to the date of expiration of the original broker license. No licensee shall be granted continuing education credit for completing Missouri Real Estate Practice after the expiration date of the initial license.

(5) Individual licensees may receive continuing education credit for classroom courses taken in Missouri or another state which have not been previously submitted by the sponsor for approval, provided course content, instructor qualifications and course administration are acceptable to the commission. Applications for nonpreapproved course credit must be on a form prescribed by the commission, accompanied by a nonrefundable evaluation fee of ten dollars (\$10).

(6) The commission may waive all or part of the continuing education requirements upon a showing by the licensee that it is not feasible for the licensee to satisfy the requirements prior to the renewal date. Waivers may be granted for the following causes:

- (A) Serious physical injury or illness;
- (B) Active duty in the armed services for an extended period of time;
- (C) Residence outside the United States;
- (D) Membership in the Missouri Bar;
- (E) Licensee is at least eighty (80) years of age;
- (F) Licensee has been licensed continuously since 1942;
- (G) Member of the Missouri Senate or House of Representatives at any time during the renewal period to which the waiver applies; and
- (H) Member on the Missouri Real Estate Commission during any portion of the renewal period to which the waiver applies.

(7) The following offerings will not be considered by the commission to meet Missouri continuing education requirements even though these offerings may be approved by states with which Missouri enters into continuing education reciprocity:

- (A) Training or education not applicable to Missouri real estate practice;
- (B) Training or education in office and business skills such as typing, speedreading, memory improvement, report writing, per-

sonal motivation, salesmanship, sales psychology and time management;

(C) Sales promotions or other meetings held in conjunction with general real estate brokerage activity;

(D) Meetings which are a normal part of in-house training;

(E) That portion of any offering devoted to meals or refreshments;

(F) Sales or brokerage prelicensure education; provided, however, the education will satisfy the continuing education requirement for the license period during which the license was issued to either a new, delinquent or reactivating licensee. New licensees will not receive continuing education credit for prelicense education after September 30, 1998;

(G) Any course or program that is less than three (3) hours in duration; and

(H) Taped, videotaped and similar electronically reproduced instruction, unless presented in an approved course under direct, in-person supervision of an approved instructor and unless no more than fifty percent (50%) of the course time consists of electronically reproduced instruction, except as provided under 4 CSR 250-10.075.

(8) Hours obtained in excess of the twelve (12) hours required during each license renewal period may not be carried forward to satisfy the requirements for any subsequent renewal period.

(9) Except as provided under 4 CSR 250-10.075, a licensee must be physically present in the classroom during one hundred percent (100%) of the actual classroom instruction. A school, at its discretion, may allow a student to be absent up to ten percent (10%) of the required hours but only for reasons of personal illness, illness or death in the student's immediate family or hazardous road conditions.

(10) Credit will be given to a licensee for completing a specific course only once during a license renewal period.

(11) Time spent as an instructor may be counted as classroom attendance for an approved instructor who is also a licensee. The credit may be gained by an instructor only once for each course or substantially similar course offered during any renewal period.

(12) No part of any course for continuing education shall be used to solicit memberships in organizations, recruit licensees for

affiliation with any organization or advertise the merits of any organization.
