4 CSR 240-121.185 Pre-Owned Manufactured Home Inspection Fee

PURPOSE: This rule provides for the manner in which inspection fees assessed on pre-owned manufactured home sales are calculated by the commission and submitted by registered dealers.

(1) The commission may prior to the beginning of each fiscal year starting with the fiscal year commencing on July 1, 2000, issue an order establishing an inspection fee to be assessed on all pre-owned manufactured homes sold in the state of Missouri. Said inspection fee will be calculated as follows:

(A) The commission will determine the funding needs of the manufactured housing and modular units program;

(B) The director will determine through dealer monthly sales reports the aggregate number of new manufactured homes, pre-

owned manufactured homes, and modular units sold in the 12-month period commencing May 1 and ending April 30 immediately preceding each fiscal year;

(C) The director will estimate the funds that the program will receive through dealer and manufacturer registrations, plan approvals, and any other fees that the program receives on a yearly basis, based on prior year's receipts; and

(D) The director will subtract the amount determined in subsection (C) above from the program's legislative appropriation. That amount will then be divided by the aggregate number of new manufactured homes, pre-owned manufactured homes, and modular units sold as determined in subsection (B) above. The resulting amount will be rounded to the next nearest whole dollar amount. This amount will be presented to the commission for approval.

(2) Pre-owned manufactured home dealers shall remit fees to the director in an amount that equals the number of pre-owned manufactured homes sold, multiplied by the inspection fee as approved by the commission. Dealers shall submit said fees with the monthly sales report that is required by 4 CSR 240-121.180. Said fees shall be received no later than the tenth day following the month when the sales were made.

(3) The following situations shall constitute grounds for the denial, suspension, revocation, or placing on probation of a dealer's certificate of registration:

(A) Failure to pay fees within 30 days of their prescribed due date.

(B) Failure to pay fees by the prescribed due date for two consecutive months.

(C) Failure to pay fees by the prescribed due date for any four of the preceding 12 months.

(D) If a dealer remits the inspection fee for a pre-owned manufactured home and the sale is rescinded within 60 days of the date of the sale, the dealer has 60 days from the date of said rescission to request that the inspection fee be credited to the next month in which a dealer has a sale subject to the inspection fee.

(4) The director shall deliver copies of the commission's order establishing the pre-owned manufactured home inspection fee for the fiscal year to all existing registered dealers no later than July 15 of each fiscal year. The director shall also deliver a copy of the commission's order establishing the fee with each approved certificate of dealer registration.
