Notwithstanding any other law to the contrary, in a nonpartisan election in any political subdivision or special district except for municipal elections, if the notice provided for in subsection 5 of section 115.127 has been published in at least one newspaper of general circulation in the district, and if the number of candidates who have filed for a particular office is equal to the number of positions in that office to be filled by the election, no election shall be held for such office, and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they had been elected. Notwithstanding any other provision of law to the contrary, if at any election the number of candidates filing for a particular office exceeds the number of positions to be filled at such election, the election authority shall hold the election as scheduled, even if a sufficient number of candidates withdraw from such contest for that office so that the number of candidates remaining after the filing deadline is equal to the number of positions to be filled.

2. The election authority or political subdivision responsible for the oversight of the filing of candidates in any nonpartisan election in any political subdivision or special district shall clearly designate where candidates shall form a line to effectuate such filings and determine the order of such filings; except that, in the case of candidates who file a declaration of candidacy with the election authority or political subdivision prior to 5:00 p.m. on the first day for filing, the election authority or political subdivision may determine by random drawing the order in which such candidates' names shall appear on the ballot. If a drawing is conducted pursuant to this subsection, it shall be conducted so that each candidate may draw a number at random at the time of filing. If such drawing is conducted, the election authority or political subdivision shall record the number drawn with the candidate's declaration of candidacy. If such drawing is conducted, the names of candidates filing on the first day of filing for each office on each ballot shall be listed in ascending order of the numbers so drawn.

All election authorities shall enter voter history in their computerized registration systems and shall, not more than six months after the election, forward such data to the Missouri voter registration system established in section 115.158. In addition, election authorities shall forward registration and other data in a manner prescribed by the secretary of state to comply with the Help America Vote Act of 2002. Except as provided in subsection 2 of this section, the election authority shall also furnish, for a fee, electronic media or a printout showing the names, dates of

birth and addresses of voters, or any part thereof, within the jurisdiction of the election authority who voted in any specific election, including primary elections, by township, ward or precinct, provided that nothing in this chapter shall require such voter information to be released to the public over the Internet. The amount of fees charged for information provided in this section shall be established pursuant to chapter 610, RSMo. All revenues collected by the secretary of state pursuant to this section shall be deposited in the state treasury and credited to the secretary of state's technology trust fund account established pursuant to section 28.160, RSMo. Any person working as an undercover agent or in a witness protection program shall also submit a statement from the chief executive officer of the agency under whose direction he or she is serving. The petition to close the residential address shall be incorporated into any petition for protective order provided by circuit clerks pursuant to chapter 455, RSMo. If satisfied that the person filing the petition meets the qualifications of this subsection, the circuit court shall issue an order to the election authority to keep the residential address of the voter a closed record and the address may be used only for the purposes of administering elections pursuant to this chapter. The election authority may require the voter who has a closed residential address record to verify that his or her residential address has not changed or to file a change of address and to affirm that the reasons contained in the original petition are still accurate prior to receiving a ballot. A change of address within an election authority's jurisdiction shall not require that the voter file a new petition. Any voter who no longer qualifies pursuant to this subsection to have his or her residential address as a closed record shall notify the circuit court. Upon such notification, the circuit court shall void the order closing the residential address and so notify the election authority.

An electronic voting system may be used at any primary election if it has been approved by the secretary of state, complies with the provisions of section 115.225, and if the automatic tabulating equipment will reject each vote on which a voter has voted for candidates of more than one party.

2. An electronic voting system may be used at any other election if it has been approved by the secretary of state and complies with the provisions of section 115.225.

Testing of automatic tabulating equipment, when done, procedure.—Within fourteen days prior to an election at which an electronic voting system is to be used, the election authority shall have the automatic tabulating equipment tested to ascertain that the equipment is in compliance with the law and that it will correctly count the votes cast for all offices and on all questions. At least forty-eight hours prior to the test, notice of the time and place of the test shall be mailed to each independent and new party candidate and the chairman of the county committee of each established political party named on the ballot. The test shall be observed by at least two persons designated by the election authority, one from each major political party, and shall be open to representatives of the political parties, candidates, the news media and the public. The test shall be conducted by processing a preaudited group of ballots. In order of the date their petitions were filed, new parties shall then be placed in columns to the right of the established party receiving the smallest vote for governor. If there is no more than one independent candidate for any office, all independent candidates shall be placed in one column to the right of the new party filing the latest petition. If there is more than one independent candidate for any office, the candidate filing the earliest petition shall be placed in the column to the right of the new party filing the latest petition. The independent candidate filing the next earliest petition shall be placed in the next column to the right, and so on until all independent candidates for the office have been placed.

115.333. Determination of validity or invalidity, when made—refusal to file, procedure to have court determine validity.—1. When any petition is filed with the secretary of state or an election authority under the provisions of this subchapter, the secretary of state or the election authority shall determine whether or not it complies with the provisions of this subchapter. When any petition is filed with the secretary of state or an election authority under the provisions of

this subchapter, the secretary of state or the election authority shall, not later than the eleventh Tuesday prior to the general election, issue a statement setting forth such person's determination. When a petition for the formation of a new party or nomination of an independent candidate for a special election is filed with the secretary of state or an election authority, the secretary of state or the election authority shall issue a statement setting forth its determination as soon as possible but in no case too late to permit placement of the party or candidate on the ballot. If the secretary of state or the election authority determines that a petition does not comply with the provisions of this subchapter, such person shall state the reason for such person's determination in the statement.

2. If the secretary of state or the election authority refuses to file a petition for the formation of a new party or the nomination of an independent candidate or refuses to issue a statement setting forth such person's determination within the time prescribed, any registered voter may apply, within ten days after the refusal, to the circuit court for a writ of mandamus to compel such person to file the petition or issue the statement. Within ten days after the secretary of state or the election authority issues a statement setting forth such person's determination, any registered voter may apply to the circuit court to compel the secretary of state or the election authority to reverse such person's determination. If it is decided by the court that the petition is legally sufficient, the secretary of state or the election authority shall file it, with a certified copy of the judgment attached thereto, as of the date it was originally offered for filing in such person's office. On showing that any petition filed is not legally sufficient, the court may enjoin all election officials from certifying or printing the name of the independent candidate or new party and its candidates on the official ballot. All such suits shall be advanced on the court docket and heard and decided by the court as quickly as possible. Either party to the suit may appeal to the supreme court within ten days after a circuit court decision is rendered. 115.335. Validity of signatures, who shall determine—verification of signatures, procedures—rules authorized.—1. The secretary of state or the election authority shall have specific authority to determine the validity of signatures on petitions filed with his office and shall have authority not to count those which are, in his opinion, forged or fraudulent or the signatures of persons who are not registered voters.

2. For the purpose of verifying signatures on any new party or independent candidate petition filed with his office, the secretary of state may send copies of petition pages by certified mail to the appropriate election authorities for registration verification. Each election authority receiving a copy of petition pages shall check any signature indicated by the secretary of state against the registration records and return all such copies to the secretary of state by certified mail no later than the day designated by the secretary of state. The secretary of state shall not designate any deadline for returning copies and certifications which is less than ten or more than forty days after the copies have been received by the election authority. If the secretary of state or an election authority determines the congressional district number written after the signature of any registered voter is not the congressional district in which he resides, the secretary of state or the election authority shall correct the congressional district number on the petition page. Failure of a voter to give his correct congressional district number shall not alone be sufficient reason to disqualify his signature. Only valid signatures from the county named in the circulator's affidavit shall be counted on any petition page.

3. The secretary of state or election authority shall have authority to verify the signatures on petitions filed with his office by use of random sampling. Random sampling may be used on any petition on which five hundred or more signatures are required. Petitions requiring fewer than five hundred signatures shall have each signature checked and random sampling shall not be

used. The random sample of signatures to be verified shall be drawn in such a manner that every signature contained on the filed petition shall be given an equal opportunity to be included in the sample. Such a random sampling shall include an examination of not less than five percent of the signatures so filed.

4. If the random sample verification establishes that the number of valid signatures is less than ninety-five percent of the number of qualified voters needed to find the petition sufficient, the petition shall be deemed to have failed to qualify.

5. If the random sample verification establishes that the number of valid signatures total more than one hundred five percent of the number of qualified voters needed to find the petition sufficient, the petition shall be deemed to qualify in that district.

6. If the random sample verification establishes that the number of valid signatures is more than ninety-five percent but less than one hundred five percent of the number of qualified voters needed to find the petition sufficient, each signature filed shall be examined and verified.

7. The secretary of state is authorized to adopt rules to ensure uniform, complete and accurate checking of petition signatures either by actual counting or random sampling.

8. If copies of petition pages are sent to any local election authority for registration verification under the provisions of this subchapter, the secretary of state's final determination on the number of valid signatures submitted on the petition from the election authority's jurisdiction shall be based on the certification made by the election authority.

(L. 1977 H.B. 101 § 10.073, A.L. 1993 S.B. 31, A.L. 1995 S.B. 3)

When an election authority for a county and an election authority for a city have jurisdiction within the same county, the county election authority may, for the purpose of verifying signatures on any new party or independent candidate petition filed with its office, deliver copies of petition pages to the city election authority for registration verification. The city election authority receiving a copy of petition pages shall check each signature indicated by the county election authority against its registration records and return all such copies to the county election authority no later than the day designated by the county election authority. At the same time the copies are returned, the city election authority shall certify to the county election authority the page number of each page it received and the total number of valid signatures from the city on the pages. The county election authority shall not designate any deadline for returning copies and certifications which is less than six or more than twelve working days after the copies have been received by the city election authority.

2. If copies of petition pages are sent to a city election authority for registration verification under the provisions of this section, the county election authority's final determination on the number of valid signatures submitted on the petition from the city shall be based on the certification made by the city election authority.

If the department of revenue finds a positive affirmation to be false, the department shall contact the secretary of state, or the election official who accepted such candidate’s declaration of candidacy, and the potential candidate. The department shall notify the candidate of the outstanding tax owed and give the candidate thirty days to remit any such outstanding taxes owed which are not the subject of dispute between the department and the candidate. If the candidate fails to remit such amounts in full within thirty days, the candidate shall be disqualified from participating in the current election and barred from refile for an entire election cycle even if the individual pays all of the outstanding taxes that were the subject of the complaint.

2. (1) A voter claiming to be properly registered in the jurisdiction of the election authority and eligible to vote in an election, but whose eligibility at that precinct cannot be immediately established upon examination of the precinct register, shall be entitled to vote a provisional ballot after providing a form of personal identification required pursuant to section 115.427 or upon executing an affidavit under section 115.427, or may vote at a central polling place as established in section 115.115 where the voter may vote his or her appropriate ballot for his or her precinct of residence upon verification of eligibility or vote a provisional ballot if eligibility cannot be determined. The provisional ballot provided to a voter under this section shall be the ballot provided to a resident of the voter’s precinct determined by reference to the affidavit provided for in this section. If the voter declares that the voter is eligible to vote and the election authority determines that the voter is eligible to vote at another polling place, the voter shall be directed to the correct polling place or a central polling place as established by the election authority pursuant to subsection 5 of section 115.115. If the voter refuses to go to the correct polling place or a central polling place, the voter shall be permitted to vote a provisional ballot at the incorrect polling place, but such ballot shall not be counted if the voter was not eligible to vote at that polling place.

(2) The following steps shall be taken to establish a voter’s eligibility to vote at a polling place:

(a) The election judge shall examine the precinct register as provided in section 115.425. If the voter is registered and eligible to vote at the polling place, the voter shall receive a regular ballot;

(b) If the voter’s eligibility cannot be immediately established by examining the precinct register, the election judge shall contact the election authority. If the election authority cannot immediately establish that the voter is registered and eligible to vote at the polling place upon examination of the Missouri voter registration system, or if the election judge is unable to make contact with the election authority immediately, the voter shall be notified that the voter is entitled to a provisional ballot.

(3) The voter shall have the duty to appear and vote at the correct polling place. If an election judge determines that the voter is not eligible to vote at the polling place at which a voter presents himself or herself, and if the voter appears to be eligible to vote at another polling place, the voter shall be informed that he or she may cast a provisional ballot at the current polling place or may travel to the correct polling place or a central polling place, as established by the election authority under subsection 5 of section 115.115, where the voter may cast a regular ballot or provisional ballot if the voter’s eligibility still cannot be determined. Provisional ballots cast at a polling place shall be counted only if the voter was eligible to vote at such polling place as provided in subsection 5 of this section.

(4) For a voter requesting an absentee ballot in person, such voter shall be entitled to cast a provisional ballot when the voter’s eligibility cannot be immediately established upon examination of the precinct registers or the Missouri voter registration system.

(5) Prior to accepting any provisional ballot at the polling place, the election judges shall determine that the information provided on the provisional ballot envelope by the provisional voter is consistent with the identification provided by such person under section 115.427.

3. (1) No person shall be entitled to receive a provisional ballot until such person has completed a provisional ballot affidavit on the provisional ballot envelope.

(2) The secretary of state shall produce appropriate sizes of provisional ballot envelopes and distribute them to each election authority according to their tabulating system. All provisional ballot envelopes shall be printed on a distinguishable color of paper that is different from the color of the regular ballot. The provisional ballot envelope shall be in the form required by subsection 4 of this section. All provisional ballots shall be marked with a conspicuous stamp or other distinguishing mark that makes them readily distinguishable from the regular ballots.

(3) Once voted, the provisional ballot shall be placed and sealed in a provisional ballot envelope.

4. The provisional ballot in its envelope shall be deposited in the ballot box. The provisional ballot envelope shall be completed by the voter for use in determining eligibility. I further understand that knowingly providing false information is a violation of law and subjects me to possible criminal prosecution.

The voter may provide additional information to further assist the election authority in determining eligibility, including the place and date the voter registered to vote, if known.

5. (1) Prior to counting any provisional ballot, the election authority shall determine if the voter is registered and eligible to vote and if the vote was properly cast. The eligibility of provisional votes shall be determined according to the requirements for a voter to cast a ballot in the election as set forth in sections 115.133 and 115.135. A provisional voter ballot shall not be eligible to be counted until the election authority has determined that:

(a) The voter cast such provisional ballot at a polling place established for the voter or the central polling place established by the election authority under subsection 5 of section 115.115;

(b) The individual who cast the provisional ballot is an individual registered to vote in the respective election at the polling place where the ballot was cast;

(c) The voter did not otherwise vote in the same election by regular ballot, absentee ballot, or otherwise; and

(d) The information on the provisional ballot envelope is found to be correct, complete, and accurate.

(2) When the ballot boxes are delivered to the election authority from the polling places, the receiving teams shall separate the provisional ballots from the rest of the ballots and place the sealed provisional ballot envelopes in a separate container. Teams of election authority employees or teams of election judges with each team consisting of one member of each major political party shall photocopy each provisional ballot envelope, such photocopy to be used by the election authority to determine provisional voter eligibility. The sealed provisional ballot envelopes shall be placed by the team in a sealed container and shall remain therein until tabulation.

(3) To determine whether a provisional ballot is valid and entitled to be counted, the election authority shall examine its records and verify that the provisional voter is properly registered and eligible to vote in the election. If the provisional voter has provided information regarding the registration agency where the provisional voter registered to vote, the election authority shall make an inquiry of the registration agency to determine whether the provisional voter is properly registered and eligible to vote in the election.

(4) If the election authority determines that the provisional voter is registered and eligible to vote in the election, the election authority shall provide documentation verifying the voter's eligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and shall contain substantially the following information:

(a) The name of the provisional voter;

(b) The name of the reviewer;

(c) The date and time; and

(d) A description of evidence found that supports the voter's eligibility.

(5) The local election authority shall record on a provisional ballot acceptance/rejection list the provisional ballot identification number and a notation marking it as accepted.

(6) If the election authority determines that the provisional voter is not registered or eligible to vote in the election, the election authority shall provide documentation verifying the voter's ineligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and shall contain substantially the following information:

(a) The name of the provisional voter;

(b) The name of the reviewer;

(c) The date and time;

(d) A description of why the voter is ineligible.

(7) The local election authority shall record on a provisional ballot acceptance/rejection list the provisional ballot identification number and notation marking it as rejected.

(8) If rejected, a photocopy of the envelope shall be made and used by the election authority as a mail-in voter registration. The actual provisional ballot envelope shall be kept as ballot

material, and the copy of the envelope shall be used by the election authority for registration record keeping.

6. All provisional ballots cast by voters whose eligibility has been verified as provided in this section shall be counted in accordance with the rules governing ballot tabulation. Provisional ballots shall not be counted until all provisional ballots are determined either eligible or ineligible and all provisional ballots must be processed before the election is certified. The provisional ballot shall be counted only if the election authority determines that the voter is registered and eligible to vote. Provisional ballots voted in the wrong polling place shall not be counted. If the voter is not registered but is qualified to register for future elections, the affidavit shall be considered a mail-in application to register to vote pursuant to this chapter.

7. (1) After the election authority completes its review of the provisional voter's eligibility under subsection 5 of this section, the election authority shall deliver the provisional ballots and copies of the provisional ballot envelopes that include eligibility information to bipartisan counting teams, which may be the board of verification, for review and tabulation. The election authority shall maintain a record of such delivery. The record shall include the number of ballots delivered to each team and shall include a signed receipt from two judges, one from each major political party. The election authority shall provide each team with a ballot box and material necessary for tabulation.

(2) If the person named on the provisional ballot affidavit is found to have been properly qualified and registered to cast a ballot in the election and the provisional ballot otherwise qualifies to be counted under the provisions of this section, the envelope shall be opened, and the ballot shall be placed in a ballot box to be counted.

(3) If the person named on the provisional ballot affidavit is found not to have been properly qualified and registered to cast a ballot in the election or if the election authority is unable to determine such person's right to vote, the envelope containing the provisional ballot shall not be opened, and the person's vote shall not be counted. The members of the team shall follow the procedures set forth in subsection 5 of this section for rejected provisional ballots.

(4) The votes shall be tallied and the returns made as provided in sections 115.447 to 115.525 for paper ballots. After the vote on all ballots assigned to a team have been counted, the ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information provided by the election authority shall be enclosed in sealed containers marked "Voted provisional ballots and ballot envelopes from the election held, 20...". All rejected provisional ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information provided by the election authority shall be enclosed in sealed containers marked "Rejected provisional ballots and ballot envelopes from the election held, 20...". On the outside of each voted ballot and rejected ballot container, each member of the team shall write their name and all such containers shall be returned to the election authority. Upon receipt of the returns and ballots, the election authority shall tabulate the provisional votes.

8. Challengers and watchers, as provided by sections 115.105 and 115.107, may be present during all times that the bipartisan counting teams are reviewing or counting the provisional ballots, the provisional ballot envelopes, or copies of the provisional ballot envelopes that include eligibility information provided by the election authority. Challengers and watchers shall be permitted to observe the determination of the eligibility of all provisional ballots. The election authority shall notify the county chair of each major political party of the time and location when bipartisan counting teams will be reviewing or counting the provisional ballots, the provisional ballot envelopes, or the copies of the provisional ballot envelopes that include the eligibility information provided by the election authority.

9. The certificate of ballot cards shall:

(1) Reflect the number of provisional envelopes delivered; and

(2) Reflect the number of sealed provisional envelopes with voted ballots deposited in the ballot box.

10. In counties where the voting system does not utilize a paper ballot, the election authority shall provide the appropriate provisional ballots to each polling place.

11. The secretary of state may promulgate rules for purposes of ensuring the uniform application of this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536, RSMo.

12. The secretary of state shall design and provide to the election authorities the envelopes and forms necessary to carry out the provisions of this section.

13. Pursuant to the Help America Vote Act of 2002, the secretary of state shall ensure a free access system is established, such as a toll-free number or an Internet web site, that any individual who casts a provisional ballot may access to discover whether the vote of that individual was counted, and, if the vote was not counted, the reason that the vote was not counted. At the time an individual casts a provisional ballot, the election authority shall give the voter written information that states that any individual who casts a provisional ballot will be able to ascertain under such free access system whether the vote was counted, and if the vote was not counted, the reason that the vote was not counted.

14. In accordance with the Help America Vote Act of 2002, any individual who votes in an election as a result of a court order or any other order extending the time established for closing the polls in section 115.407 may vote only by using a provisional ballot, and such provisional ballot shall be separated and held apart from other provisional ballots cast by those not affected by the order. Such ballots shall not be counted until such time as the ballots are determined to be valid. No state court shall have jurisdiction to extend the polling hours established by law, including section 115.407.

(L. 2002 S.B. 675 § 1, A.L. 2003 H.B. 511, A.L. 2006 S.B. 1014 & 730)

115.431. Identification certificates to be initialed by judges and preserved as poll lists.—

Upon satisfactory identification of the voter, two judges of different political parties shall place their initials on the line where the voter signed the precinct register. All voters' names on the precinct register shall be numbered consecutively in the order in which they have signed, starting with the number "1". The computer precinct register shall then constitute the poll list.

(L. 1977 H.B. 101 § 11.055, A.L. 1983 S.B. 234, A.L. 2006 S.B. 1014 & 730)

115.433. Judges to initial paper ballots or ballot cards, when.—After the voter's identification certificate has been initialed, two judges of different political parties, or one judge from a major political party and one judge with no political affiliation, shall, where paper ballots or ballot cards are used, initial the voter's ballot or ballot card.

(L. 1977 H.B. 101 § 11.060, A.L. 2002 S.B. 675)

115.435. Voter to proceed to voting booth, when.—After initialing the voter's identification certificate and after completing any procedures required by section 115.433, the election judges shall allow the voter to proceed to the voting booth and vote.

(L. 1977 H.B. 101 § 11.070)

Effective 1-1-78

115.436. Physically disabled may vote at polling place, procedure.—1. In jurisdictions using paper ballots and electronic voting systems, when any physically disabled voter within two hundred feet of a polling place is unable to enter the polling place, two election judges, one of each major political party, shall take a ballot, equipment and materials necessary for voting to the voter. The voter shall mark the ballot, and the election judges shall place the ballot in an envelope, seal it and place it in the ballot box.

2. In jurisdictions using voting machines, when any physically disabled voter within two hundred feet of a polling place is unable to enter the polling place, two election judges, one of

each major political party, shall take an absentee ballot to the voter. The voter shall mark the ballot, and the election judges shall place the ballot in an envelope, seal it and place it in the ballot box.

3. Upon request to the election authority, the election authority in any jurisdiction shall designate a polling place accessible to any physically disabled voter other than the polling place to which that voter would normally be assigned to vote, provided that the candidates and issues voted on are consistent for both the designated location and the voting location for the voter's precinct. Upon request, the election authority may also assign members of the physically disabled voter's household and such voter's caregiver to the same voting location as the physically disabled voter. In no event shall a voter be assigned under this section to a designated location apart from the established voting location for the voter's precinct if the voter objects to the assignment to another location.

(L. 1979 S.B. 275, A.L. 1983 S.B. 234, A.L. 2003 H.B. 511, A.L. 2005 H.B. 280)

115.439. Procedure for voting paper ballot—rulemaking authority.—1. If paper ballots or ballot cards are used, the voter shall, immediately upon receiving his ballot, go alone to a voting booth and vote his ballot in the following manner:

(1) When a voter desires to vote for a candidate, the voter shall place a cross (X) mark in the square directly to the left of the name of the candidate for which the voter intends to vote;

(2) If the voter desires to vote for a person whose name does not appear on the ballot, the voter may cross out a name which appears on the ballot for the office and write the name of the person for whom he wishes to vote above or below the crossed-out name and place a cross (X) mark in the square directly to the left of the crossed-out name. If a write-in line appears on the ballot, the voter may write the name of the person for whom he or she wishes to vote on the line and place a cross (X) mark in the square directly to the left of the name;

(3) If the ballot is one which contains no candidates, the voter shall place a cross (X) mark in the square directly to the left of each "yes" or "no" he desires to vote.

No voter shall vote for the same person more than once for the same office at the same election.

2. For purposes of this section, a punch or sensor mark or any other mark clearly indicating that the voter intends to mark that particular square shall be equivalent to a cross (X) mark.

3. If voting machines are used, the voter shall, immediately upon direction by the judges, go alone to a voting machine, close the curtain and vote in substantially the same manner provided in subsection 1 of this section. Rather than placing cross (X) marks on the ballot, however, the voter shall cause the designations to appear on the face of the voting machine, cast any write-in votes and register his votes as directed in the instructions for use of the machine.

4. If the voter accidentally spoils his ballot or ballot card or makes an error, he may return it to an election judge and receive another. The election judge shall mark "SPOILED" across the ballot or ballot card and place it in an envelope marked "SPOILED BALLOTS". After another ballot has been prepared in the manner provided in section 115.433, the ballot shall be given to the voter for voting.

5. The election authority may authorize the use of a sticker or other item containing a write-in candidate's name, in lieu of a handwritten name. All such stickers and items used by election authorities shall conform to rules and regulations promulgated by the secretary of state regarding the form of such stickers and items. The secretary of state shall promulgate rules and regulations to prescribe uniform specifications for the form of such stickers and items. If authorized, such sticker or item shall contain a cross (X) mark, or other mark as described in subsection 2 of this section, in the square directly left of the candidate's name and the office for which the candidate is a write-in candidate. A write-in vote that does not meet the requirements of this subsection which appears on a ballot shall not be counted pursuant to sections 115.447 to 115.525. In those jurisdictions using an electronic voting system which utilizes mark sense or optical scan technology and if the election authority authorizes the use of stickers for write-ins, such system

shall be programmed to identify and separate those ballots which contain an office in which write-in candidates are eligible to receive votes, and which contain less votes than a voter is entitled to cast. In addition, such sticker shall be considered “printed matter” as defined in subsection 8 of section 130.031, RSMo, and as such shall contain the designation required by subsection 8 of section 130.031, RSMo.

6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

(L. 1977 H.B. 101 § 11.080, A.L. 1993 S.B. 31, A.L. 2002 S.B. 675, A.L. 2006 S.B. 1014 & 730)

115.441. Delay by voter prohibited.—Each voter shall vote without undue delay.

(L. 1977 H.B. 101 § 11.085)

Effective 1-1-78

115.443. Paper ballots, how marked—ballot cards, procedure for voting—voting machines, how voted.—1. Where paper ballots are used, the voter shall, before leaving the voting booth, fold his ballot so that the cross (X) marks are concealed. The voter shall place his ballot in the ballot box and leave the polling place immediately.

2. Where ballot cards with envelopes are used, the voter shall, immediately before leaving the voting booth, place his ballot card in the ballot envelope. Where ballot cards with stubs are used, the voter shall, immediately after leaving the voting booth, hand his ballot card or envelope containing his ballot card to an election judge. The election judge shall remove the stub from the ballot card and, where ballot envelopes are used, replace the ballot card in the envelope and return the ballot card or envelope containing the ballot card to the voter. The voter shall place the ballot card or envelope containing the ballot card in the ballot box and leave the polling place immediately. Where ballot cards without stubs are used, the voter shall, immediately after leaving the voting booth, place the ballot card or ballot envelope containing the ballot card in the ballot box and leave the polling place immediately.

3. Where voting machines are used, the voter shall register his vote as directed in the instructions for use of the machine and leave the polling place immediately.

(L. 1977 H.B. 101 § 11.090)

Effective 1-1-78

115.445. No one but voter in booth, exception.—1. Except as provided in subsections 2 and 3 of this section, no one other than the voter shall be permitted in any voting booth or permitted to be in any position where he may see how a voter is voting.

2. If any voter, after entering a voting booth, asks for further instructions concerning the manner of voting, two election judges of different political parties shall give such instructions. Such judges shall not enter the voting booth unless it is impossible to give the instructions otherwise. After giving the instructions, the judges shall leave the area and take all necessary measures to insure that the voter casts his vote in secret.

3. If any voter declares under oath to the election judges that he cannot read or write, is blind or has any other physical disability and cannot vote his ballot, he may be assisted by the election judges or by any person of his own choice other than a judge. If the voter asks for the assistance of election judges, two judges of different political parties shall go to the voting booth and cast his vote as he directs. If the voter asks for the assistance of someone other than election judges,

the assistant shall go to the voting booth with the voter and cast his vote as he directs. No person, other than election judges and members of such voters' immediate families, shall assist more than one voter at one election.

4. A child under the age of eighteen shall be allowed to accompany his or her parent, grandparent, or guardian into a voting booth.

(L. 1977 H.B. 101 § 11.095, A.L. 2006 S.B. 1014 & 730)

COUNTING OF VOTES

115.447. Definitions.—1. As used in this subchapter, unless the context clearly implies otherwise, the following terms shall mean:

(1) **“Counting judges”** are the two judges, one from each major political party, who read each vote received by all candidates and each vote for and against all questions at a polling place;

(2) **“Receiving judges”** are the two judges, one from each major political party, who initial each voter's ballot at a polling place;

(3) **“Recording judges”** are the two judges, one from each major political party, who tally the votes received by each candidate and for and against each question at a polling place. These terms describe functions rather than individuals, and any election judge may perform more than one function at a polling place on election day.

2. As used in this subchapter, unless the context clearly implies otherwise, the following terms shall mean:

(1) **“Defective ballot”** is any ballot card on which the number of write-in votes and votes cast on the ballot card for any office exceed the number allowed by law, and any ballot card which is bent or damaged so that it cannot be properly counted by automatic tabulating equipment;

(2) **“Rejected ballot”** is any ballot on which no votes are counted because the ballot fails to have the initials of the proper election judges, because the number of votes for all offices and on all questions exceeds the number authorized by law, because the voter is deemed by the election judges to be unqualified, because it is an absentee ballot not accompanied by a completed and signed affidavit, or because the ballot was voted with unlawful assistance;

(3) **“Spoiled ballot”** is any ballot accidentally spoiled by a voter and replaced by election judges in the manner provided in subsection 4 of section 115.439.

(L. 1977 H.B. 101 § 12.001)

Effective 1-1-78

115.449. Ballots, when and how counted.—1. As soon as the polls close in each polling place using paper ballots, the election judges shall begin to count the votes. If earlier counting is begun pursuant to section 115.451, the election judges shall complete the count in the manner provided by this section. Once begun, no count shall be adjourned or postponed until all proper votes have been counted.

2. One counting judge, closely observed by the other counting judge, shall take the ballots out of the ballot box one at a time and, holding each ballot in such a way that the other counting judge may read it, shall read the name of each candidate properly voted for and the office sought by each. As each vote is called out, the recording judges shall each record the vote on a tally sheet. The votes for and against all questions shall likewise be read and recorded. If more than one political subdivision or special district is holding an election on the same day at the same polling place and using separate ballots, the counting judges may separate the ballots of each political subdivision and special district and first read one set, then the next and so on until all proper votes have been counted.

3. After all of the proper votes on a ballot have been counted, the ballot shall be strung on a wire or string in the order read. After all the ballots have been read and strung and after the recording judges agree on the count, the wire or string shall be tied in a firm knot, and the knot

shall be sealed so that it cannot be untied without breaking the seal. Rejected and spoiled ballots shall not be strung but shall be placed in separate containers marked “REJECTED” and “SPOILED”.

4. After the recording of all proper votes, the recording judges shall compare their tallies. When the recording judges agree on the count, they shall sign both of the tally sheets, and one of the recording judges shall announce in a loud voice the total number of votes for each candidate and for and against each question.

5. After the announcement of the vote, the election judges shall record the vote totals in the appropriate places on each statement of returns. If any tally sheet or statement of returns contains no heading for any question, the election judges shall write the necessary headings on the tally sheet or statement of returns.

(L. 1977 H.B. 101 § 12.005, A.L. 2006 S.B. 1014 & 730)

115.451. Judges may read and record votes before polls close, when— procedure to be followed.—If authorized by the election authority, the election judges may read and record votes before the close of the polls. If so authorized, the election judges shall use one ballot box for the deposit of ballots during the first hour of voting. At the end of the hour, the receiving judges shall deliver the ballot box to the counting and recording judges, who shall give the receiving judges a second empty ballot box. The second ballot box shall be shown to be empty and locked in the manner provided in section 115.423. The second ballot box shall not be opened or removed from public view from the time it is shown to be empty until the time the polls close or it is removed for counting pursuant to this section. The ballot box containing the voted ballots shall be taken to a private area within the polling place, and the ballots shall be read and recorded in the manner provided by section 115.449. In no case shall ballot boxes be switched at less than one hour intervals and then only if twenty-five or more ballots have been voted during the hour.

(L. 1977 H.B. 101 § 12.010)

Effective 1-1-78

115.453. Procedure for counting votes for candidates.—Election judges shall count votes for all candidates in the following manner:

(1) No candidate shall be counted as voted for, except a candidate before whose name a cross (X) mark appears in the square preceding the name and a cross (X) mark does not appear in the square preceding the name of any candidate for the same office in another column. Except as provided in this subdivision and subdivision (2) of this section, each candidate with a cross (X) mark in the square preceding his or her name shall be counted as voted for.

(2) If cross (X) marks appear next to the names of more candidates for an office than are entitled to fill the office, no candidate for the office shall be counted as voted for. If more than one candidate is to be nominated or elected to an office, and any voter has voted for the same candidate more than once for the same office at the same election, no votes cast by the voter for the candidate shall be counted.

(3) No vote shall be counted for any candidate that is not marked substantially in accordance with the provisions of this section. The judges shall count votes marked substantially in accordance with this section and section 115.456 when the intent of the voter seems clear. Regulations promulgated by the secretary of state shall be used by the judges to determine voter intent. No ballot containing any proper votes shall be rejected for containing fewer marks than are authorized by law.

(4) Write-in votes shall be counted only for candidates for election to office who have filed a declaration of intent to be a write-in candidate for election to office with the proper election authority, who shall then notify the proper filing officer of the write-in candidate prior to 5:00 p.m. on the second Friday immediately preceding the election day; except that, write-in votes shall be counted only for candidates for election to state or federal office who have filed a declaration of intent to be a write-in candidate for election to state or federal office with the secre-

tary of state pursuant to section 115.353 prior to 5:00 p.m. on the second Friday immediately preceding the election day. No person who filed as a party or independent candidate for nomination or election to an office may, without withdrawing as provided by law, file as a write-in candidate for election to the same office for the same term. No candidate who files for nomination to an office and is not nominated at a primary election may file a declaration of intent to be a write-in candidate for the same office at the general election. When declarations are properly filed with the secretary of state, the secretary of state shall promptly transmit copies of all such declarations to the proper election authorities for further action pursuant to this section. The election authority shall furnish a list to the election judges and counting teams prior to election day of all write-in candidates who have filed such declaration. This subdivision shall not apply to elections wherein candidates are being elected to an office for which no candidate has filed. No person shall file a declaration of intent to be a write-in candidate for election to any municipal office unless such person is qualified to be certified as a candidate under section 115.346.

(5) Write-in votes shall be cast and counted for a candidate without party designation. Write-in votes for a person cast with a party designation shall not be counted. Except for candidates for political party committees, no candidate shall be elected as a write-in candidate unless such candidate receives a separate plurality of the votes without party designation regardless of whether or not the total write-in votes for such candidate under all party and without party designations totals a majority of the votes cast.

(6) When submitted to the election authority, each declaration of intent to be a write-in candidate for the office of United States president shall include the name of a candidate for vice president and the name of nominees for presidential elector equal to the number to which the state is entitled. At least one qualified resident of each congressional district shall be nominated as presidential elector. Each such declaration of intent to be a write-in candidate shall be accompanied by a declaration of candidacy for each presidential elector in substantially the form set forth in subsection 3 of section 115.399. Each declaration of candidacy for the office of presidential elector shall be subscribed and sworn to by the candidate before the election official receiving the declaration of intent to be a write-in, notary public or other officer authorized by law to administer oaths. (*L. 1977 H.B. 101 § 12.015, A.L. 1979 S.B. 275, A.L. 1983 S.B. 234, A.L. 1997 S.B. 132, A.L. 1999 H.B. 676, A.L. 2002 S.B. 675, A.L. 2006 S.B. 1014 & 730, A.L. 2008 H.B. 1311*)

115.455. Procedure for counting votes on questions.—Election judges shall count votes on each question in the following manner:

(1) If a cross (X) mark appears in the square immediately beside or below the “YES”, the question shall be counted as voted for. If a cross (X) mark appears in the square immediately beside or below the “NO”, the question shall be counted as voted against;

(2) If a cross (X) mark appears in the square immediately beside or below the “YES” and in the square immediately beside or below the “NO”, the question shall neither be counted as voted for nor as voted against.

(*L. 1977 H.B. 101 § 12.020*)

Effective 1-1-78

115.456. Responsibilities of election authority, counting punch card ballots—counting optical scan ballots—counting paper ballots—write-in stickers—marks indicating political party preference, how construed.—1. The election authority shall be responsible for ensuring that the standards provided for in this subsection are followed when counting ballots cast using punch card voting systems.

(1) Prior to tabulating ballots, all ballot cards shall be inspected by the election authority for hanging Chad and damaged ballots. Inspection of ballot cards shall be conducted using the following guidelines:

(a) The election authority shall appoint a bipartisan team to inspect all ballots where a question exists about the condition of a ballot or existence of a hanging Chad;

(b) All ballot card inspections conducted under this section shall be conducted by examining the ballot card from the back of the card;

(c) If a ballot is determined to be damaged, the bipartisan team shall spoil the original ballot and duplicate the voter's intent on the new ballot, provided that there is an undisputed method of matching the duplicate card with its original after it has been placed with the remainder of the ballot cards from the precinct; and

(d) If a chad is determined to be hanging by two or less corners, it shall be removed prior to being tabulated.

(2) In jurisdictions using punch card systems, a valid vote for a write-in candidate shall include the following:

(a) A distinguishing mark in the square immediately preceding the name of the candidate;

(b) The name of the candidate. If the name of the candidate as written by the voter is substantially as declared by the candidate it shall be counted, or in those circumstances where the names of candidates are similar, the names of candidates as shown on voter registration records shall be counted; and

(c) The name of the office for which the candidate is to be elected.

(3) Whenever a hand recount of votes is ordered of punch card ballots, the provisions of this subsection shall be used to determine voter intent.

2. The election authority shall be responsible for ensuring that the standards provided for in this subsection are followed when counting ballots cast using optical scan voting systems.

(1) Prior to tabulating ballots, all machines shall be programmed to reject blank ballots where no votes are recorded or where an overvote is registered in any race.

(2) In jurisdictions using precinct-based tabulators, the voter who cast the ballot shall review the ballot if rejected, if the voter wishes to make any changes to the ballot, or if the voter would like to spoil the ballot and receive another ballot.

(3) In jurisdictions using centrally based tabulators, if a ballot is so rejected it shall be reviewed by a bipartisan team using the following criteria:

(a) If a ballot is determined to be damaged, the bipartisan team shall spoil the original ballot and duplicate the voter's intent on the new ballot, provided that there is an undisputed method of matching the duplicate card with its original after it has been placed with the remainder of the ballot cards from such precinct; and

(b) Voter intent shall be determined using the following criteria:

a. There is a distinguishing mark in the printed oval or divided arrow adjacent to the name of the candidate or issue preference;

b. There is a distinguishing mark adjacent to the name of the candidate or issue preference; or

c. The name of the candidate or issue preference is circled.

(4) In jurisdictions using optical scan systems, a valid vote for a write-in candidate shall include the following:

(a) A distinguishing mark in the designated location preceding the name of the candidate;

(b) The name of the candidate. If the name of the candidate as written by the voter is substantially as declared by the candidate it shall be counted, or in those circumstances where the names of candidates are similar, the names of candidates as shown on voter registration records shall be counted; and

(c) The name of the office for which the candidate is to be elected.

(5) Whenever a hand recount of votes of optical scan ballots is ordered, the provisions of this subsection shall be used to determine voter intent.

3. The election authority shall be responsible for ensuring that the standards provided for in this subsection are followed when counting ballots cast using paper ballots.

(1) Voter intent shall be determined using the following criteria:

(a) There is a distinguishing mark in the square adjacent to the name of the candidate or issue preference;

(b) There is a distinguishing mark adjacent to the name of the candidate or issue preference;
or

(c) The name of the candidate or issue preference is circled.

(2) In jurisdictions using paper ballots, a valid vote for a write-in candidate shall include the following:

(a) A distinguishing mark in the square immediately preceding the name of the candidate;

(b) The name of the candidate. If the name of the candidate as written by the voter is substantially as declared by the candidate it shall be counted, or in those circumstances where the names of candidates are similar, the names of candidates as shown on voter registration records shall be counted; and

(c) The name of the office for which the candidate is to be elected.

(3) Whenever a hand recount of votes of paper ballots is ordered, the provisions of this subsection shall be used to determine voter intent.

4. When write-in stickers are used, the sticker shall contain the name of a candidate, the office sought, and a distinguishing mark in the square immediately preceding the name of the candidate and shall be approximately one inch by three inches in size with black print on a white background. The sticker shall be placed by the voter on the write-in line designating the office sought or the sticker shall be placed by the voter on the write-in line on the secrecy envelope.

5. Notwithstanding any other provision of law, a distinguishing mark indicating a general preference for or against the candidates of one political party shall not be considered a vote for or against any specific candidate.

(L. 2006 S.B. 1014 & 730)

115.457. Uninitialed ballots rejected, exception.—If a ballot appears without the initials of two election judges, the ballot shall be rejected, except when it appears the absence of initials is due to a mistake of the election judges and that the ballot is otherwise legal and proper.

(L. 1977 H.B. 101 § 12.025)

Effective 1-1-78

115.459. Duties of judges after polls close (paper ballots).—At each polling place using paper ballots, after the polling place is closed, the election judges shall

(1) Certify in the tally book the number of ballots cast, the number of identification certificates signed, the number of rejected and spoiled ballots and the number of ballots received at the polling place which were not cast at the election. If the number of signed identification certificates is not the same as the number of ballots cast, the judges shall make a signed statement of the fact and the reasons therefor if known and shall return the statement with the statements of returns;

(2) Certify on two statements of returns the number of votes received by each candidate and for and against each question. No returns shall be signed in blank or before the polls have closed and all proper votes cast at the polling place have been counted;

(3) Certify that each statement made in the tally book and on each statement of returns is correct. If any judge declines to certify that all such statements are correct, he shall state his reasons in writing, which shall be attached to each statement of returns and returned with the statement to the election authority.

115.463. Procedure after statements of returns signed (paper ballots).—Immediately after signing the statements of returns, the election judges shall enclose the voted ballots, tally books, tally sheets, statements of returns and other election supplies in containers designated by the election authority.

115.465. Procedure for returning voted ballots (paper ballots).—1. If the election authority directs the voted ballots to be returned in a ballot box, the box shall be locked and the key removed. Each election judge shall write his name on a strip of paper which shall be pasted over the keyhole of the ballot box and extended over the upper lid of the box and over the top for some distance. The strip shall be pasted in such a manner that the signatures extend across the keyhole and place of opening so that if the box is opened or the key inserted in the keyhole, the paper will be torn and the signatures destroyed. The paper shall be fastened with an adhesive material which will not permit removal of the strip without defacing it.

2. If the election authority directs the voted ballots to be returned in an envelope or other container, the container shall be sealed. Each election judge shall write his name on a strip of paper which shall be pasted over the opening of the container. The strip shall be pasted in such a manner that the signatures extend across the place of opening so that if the container is opened, the paper will be torn and the signatures destroyed. The paper shall be fastened with an adhesive material which will not permit removal of the strip without defacing it.

3. On the outside of the ballot box or other container in which the ballots are returned, the location of the polling place and the date of the election shall be printed.

Effective 1-1-78

115.467. Duties of judges after polls close (electronic voting).—1. As soon as the polls close in each polling place using an electronic voting system, the election judges shall secure the marking devices against further voting and begin to count the write-in votes. If earlier counting of write-in votes is begun pursuant to section 115.469, the election judges shall complete the count in the manner provided in this section. Once begun, the count shall not be adjourned or postponed until all proper write-in votes in the ballot box have been counted.

2. The election judges shall remove the ballot cards from the ballot box and separate the ballots with write-in votes from those without write-in votes. If there is a separate form for write-in votes, all forms on which write-in votes have been recorded shall be consecutively numbered, starting with the number one, and the same number shall be placed on the ballot card of the voter. Where tallying of write-in votes is to be done at the polling place, the election judges shall compare the write-in votes with the votes cast on the ballot card. If the total number of votes

including write-in votes for any office exceeds the number allowed by law, or if a voter has voted more than once for the same person for the same office at the same election, a notation of the fact shall be noted on the back of the ballot card, and it shall be returned with the write-in form, if any, to the counting location in an envelope marked “DEFECTIVE BALLOTS”.

3. All proper write-in votes shall be read, recorded and counted as provided in sections 115.449 and 115.453. No write-in vote shall be counted for any candidate for any office whose name appears on the ballot label as a candidate for the office, except when more than one person is to be nominated or elected to an office. When more than one person is to be nominated or elected to an office, the voter may write in the names of one or more persons whose names do not appear on the ballot label with or without the names of one or more persons whose names do appear.

4. If any ballot card is damaged so that it cannot properly be counted by the automatic tabulating equipment, the fact shall be noted on the back of the ballot card and it shall be returned to the counting location in the envelope marked “DEFECTIVE BALLOTS”.

(L. 1977 H.B. 101 § 12.050, A.L. 1978 S.B. 582)

115.468. Write-in votes may be tallied at counting center.—At the discretion of the election authority, the verification and tallying of write-in votes may be done at the counting center by teams of election authority employees in lieu of at the polling place.

(L. 1978 S.B. 582)

115.469. Write-in votes, when counted—procedure to follow.—1. If authorized by the election authority, the election judges at any polling place using an electronic voting system may read and record write-in votes before the close of the polls and may send other voted ballots to the counting place. If so authorized, the election judges shall use one ballot box for the deposit of ballots during the first five hours of voting. Between eleven o'clock in the morning and twelve noon, the receiving judges shall deliver the ballot box to the counting and recording judges, who shall give the receiving judges a second empty ballot box. The second ballot box shall be shown to be empty and locked in the manner provided in section 115.423. The second ballot box shall not be opened or removed from public view from the time it is shown to be empty until the time the polls close. The ballot box containing the voted ballots shall be taken to a private area within the polling place, and the write-in votes shall be read and recorded in the manner provided in section 115.467.

2. If early counting of write-in votes is begun pursuant to this section, the election judges shall, after counting and recording all proper write-in votes, separate all ballot cards, except defective ballot cards, from the write-in forms if any. The ballots which do not have write-in votes shall then be sent to the counting place in the same manner as ballots are sent upon the close of the polls. The election judges shall enclose the ballot cards, the envelope marked “DEFECTIVE BALLOTS”, and all write-in forms containing proper votes, in a container designated by the election authority. The container shall be securely sealed in such a manner that if the container is opened, the seal will be broken beyond repair. On the outside of the container, the location of the polling place and the date of the election shall be printed. After sealing, the container shall be closely watched by the election judges until it is delivered to the counting location.

3. If early counting of write-in votes is begun pursuant to this section, the election authority shall appoint a team of employees or election judges who shall, between the hours of eleven o'clock in the morning and three o'clock in the afternoon, receive the ballot container from the election judges at the polling place and immediately deliver it to the counting location. Each team appointed pursuant to this subsection shall consist of two members, one from each major political party. If any ballot container is not sealed when it is delivered to the counting location, the election official receiving the container shall make a statement of the fact which includes the

location of the polling place and the date of the election printed on the container and the reason the container is not sealed, if known.

4. After delivery to the counting location, any ballot which is damaged and cannot be properly counted by the automatic tabulating equipment may be handcounted or duplicated in the manner provided in subsection 3 of section 115.477.

5. After delivery to the counting location, the proper votes on each ballot card may be transferred to magnetic tapes. Under no circumstances shall any such tape be read or interpreted until after the time fixed by law for the close of the polls and then only in the manner provided in section 115.477.

6. Write-in ballots may also be counted as provided in section 115.451.

115.471. Certification of tally book and statements of returns as to write-in votes (electronic voting).—At each polling place using an electronic voting system, after the polling place is closed, the election judges shall

(1) Certify in the tally book: the number of ballots cast by reconciling the ballot stubs against the number of identification certificates signed, the number of defective and spoiled ballots, the number of ballots with write-in votes, and the number of ballots received at the polling place which were not cast at the election. If the number of signed identification certificates is not the same as the number of ballots cast, the judges shall make a signed statement of the fact and the reasons therefor, if known, and shall return the statement with the statements of returns;

(2) Where tallying of write-in votes is to be done at the polling place, certify on two statements of returns the number of write-in votes received by each candidate. No returns shall be signed in blank or before the polls have closed and all proper write-in votes cast at the polling place have been counted;

(3) Certify that each statement made in the tally book and on each statement of returns is correct. If any judge declines to certify that all such statements are correct, he shall state his reasons in writing, which shall be attached to each statement of returns and returned with the statement to the election authority.

As soon as possible after signing the statements of returns, the election judges shall enclose the ballot cards, the envelope marked “DEFECTIVE BALLOTS”, all write-in forms containing proper votes, and the tally book, tally sheets and statements of returns in a container designated by the election authority. The container shall be securely sealed in such a manner that if the container is opened, the seal will be broken beyond repair. On the outside of the container, the location of the polling place and date of the election shall be printed.

2. As soon as possible after signing the statements of returns, the election judges shall enclose the write-in forms containing no votes, the unused ballots and other election supplies in containers designated by the election authority.

3. Immediately after the ballot cards and other election materials have been placed in the proper containers, the two supervisory judges shall together deliver the containers to the counting location or other place designated by the election authority. If any ballot card container is not sealed when it is delivered to the counting location or other place designated by the election authority, the election official receiving the container shall make a statement of the fact which includes the location of the polling place and the date of the election printed on the container and the reason the container is not sealed, if known.

4. If the election authority has directed the supervisory judges to deliver election materials to a place other than the counting location, the election authority shall appoint at least one team of election judges who shall receive the ballot containers from the supervisory judges and immediately deliver them to the counting location. Each team appointed pursuant to this subsection shall consist of two election judges or employees of the election authority, one from each major political party.

5. The election authority may authorize the delivery of ballots voted prior to 11:00 a.m. to the counting location prior to the closing of the polls.

115.477. Ballot cards, procedure for counting (electronic voting).—1. In each jurisdiction using an electronic voting system, all proceedings at the counting location shall be under the direction of the election authority. The election authority shall appoint two judges, one from each major political party, to be present and observe the count. The counting shall be open to the

public, but no persons, except those employed and authorized for the purpose, shall touch any ballot, ballot container or return.

2. All ballot cards shall be counted in order by polling place. The automatic tabulating equipment shall produce a return showing the total number of votes cast for each candidate and on each question at each polling place and in the jurisdiction as a whole.

3. If any ballot is damaged and cannot be properly counted by the automatic tabulating equipment, it may be handcounted in the manner provided for absentee ballots, or a true duplicate copy may be made of the defective ballot. If any ballot contains a number of votes and write-in votes for any office which exceeds the number allowed by law, it may be handcounted in the manner provided for absentee ballots, a true duplicate copy be made which does not include the invalid votes or, at the discretion of the election judges, a self-adhesive removable label, sensitized, may be placed over any mark to allow the ballot to be processed through the automatic tabulating equipment. The duplication of each ballot shall be closely observed by two election judges or employees of the election authority, one from each major political party. Each duplicate ballot shall be clearly labeled "duplicate", shall bear a serial number which shall be recorded on the defective ballot, and shall be counted in lieu of the defective ballot.

115.479. Tabulating equipment to be tested, when (electronic voting).—In each jurisdiction using an electronic voting system, the election authority shall, after the count has been completed and the results received, have the automatic tabulating equipment tested to ascertain that the equipment has correctly counted the votes for all offices and on all questions. The test shall be observed by at least two persons designated by the election authority, one from each major political party, and shall be open to the public. The test shall be conducted by processing the same preaudited group of ballot cards used in the preelection test provided for in section 115.233. If any error is detected, the cause shall be ascertained and corrected, and an errorless count shall be made before the final results are announced. After the completion of an errorless count, the programs and the ballot cards shall be sealed, retained and disposed of as provided for paper ballots.

As soon as the polls close in each polling place using voting machines, the election judges shall lock and seal each voting machine against further voting and proceed to count the votes. Once begun, the count shall not be adjourned or postponed until all proper votes have been counted.

2. The election judges shall open the counting compartment on each voting machine or, if a machine is equipped with a device for printing, embossing or photographing the registering counters, the judges shall operate the machine to produce a record of the counters. One counting judge shall read the total vote cast for each candidate and for and against each question on each machine. The other counting judge shall watch and verify each total as it is being read from the recording counters or from the record of the counters. The two recording judges shall each record the votes cast for each candidate and for and against each question as they are called out and verified by the counting judges.

When more than one person is to be nominated or elected to an office, the voter may write in the names of one or more persons whose names do not appear on the ballot label with or without the names of one or more persons whose names do appear. No write-in vote shall be counted unless it is cast in the appropriate place on the machine.

4. If more than one voting machine is used in a polling place, the election judges shall read, verify and record all the totals from the first machine before proceeding to the second, and so on, until all of the totals on each machine in the polling place have been read, verified and recorded. The total number of votes from each machine shall be added to the write-in votes to determine the total vote for each candidate and for and against each question.

During the time that voted ballots, ballot cards, processed ballot materials in electronic form and write-in forms are kept by the election authority, it shall not open or inspect them or allow anyone else to do so, except upon order of a legislative body trying an election contest, a court or a grand jury. Upon completion of any duties prescribed by the court, the persons appointed to assist with the recount shall make a written and signed report of their findings to the court. The findings of the persons appointed to assist with the recount shall be prima facie evidence of the facts stated therein, but any person present at the examination of the votes may be a witness to contradict the findings. 115.583. Recount of votes ordered, when.—If the court or legislative body hearing a contest finds there is a prima facie showing of irregularities which place the result of any contested election in doubt, the court or legislative body shall order a recount of all votes brought in question by the petition or its answer. The court or legislative body may order a recount of all votes brought in question by the petition or its answer at any time if it finds that the election result is placed in doubt. All materials and records relating to the contested election may be subpoenaed, and all information contained therein shall be subject to the rules of discovery in civil cases. Whenever a recount is ordered pursuant to section 115.583 or 115.601, the court or legislative body trying the contest shall issue a writ to each election authority responsible for conducting the election in any area in which an alleged irregularity occurred, commanding the election authority to prepare its office and all records and materials relating to the contested election for the recount. Such writ shall be served immediately on the election authority by the sheriff of the county. The notice shall set forth the day selected by the election authority for the recount.

2. Whenever a recount is ordered pursuant to section 115.583, the court or legislative body shall have authority to pass upon the form and determine the legality of the votes brought into question and to determine the qualifications of any voter whose vote is brought into question, provided that the name of a voter upon a precinct register for the polling place shall be prima facie evidence of the proper qualifications of the voter. A comparison may be made between the signatures on the identification certificates and those which appear in the precinct registers, and no votes shall be counted except the votes of registered voters and those entitled to vote as provided in subsection 2 of section 115.137 and section 115.277 without being registered. No votes of any person found by the court to be unqualified to vote at the election shall be counted.

3. Whenever a recount of votes cast on paper ballots is ordered pursuant to section 115.583 or 115.601, the court or legislative body shall proceed to open and count the votes and, after the count has been completed, shall tabulate by voting district the votes cast for the contestant and the contestee.

In its discretion, the court or legislative body may order a new computer program to be made, which shall be tested in the manner provided in section 115.233 before the votes in question are recounted automatically.

115.587. Persons conducting recount, how selected.—Whenever a recount is ordered pursuant to section 115.583 or 115.601, the court or legislative body shall determine the number of persons necessary to assist with the recount and shall appoint such persons equally from lists submitted to the court or legislative body by the contestant and the contestee. Each person appointed pursuant to this section shall be a disinterested person and a registered voter of the area in which the contested election was held. Each person so appointed shall take the oath prescribed for and receive the same pay as an election judge in the jurisdiction where he is registered. After being sworn not to disclose any facts uncovered by the recount, except those which are contained in the court or legislative report, the contestant and the contestee shall be permitted to be present in person or represented by an attorney at the recount and to observe the recount. Each recount shall be completed under the supervision of the court or legislative body, and the persons appointed to assist with the recount shall perform such duties as the court or legislative body shall direct. Upon completion of any duties prescribed by the court or legislative body, the persons appointed to assist with the recount shall make a written and signed report of their findings to the court or legislative body. The findings of the persons appointed to assist with the recount shall be prima facie evidence of the facts stated therein, but any person present at the examination of the votes may be heard as a witness to contradict the findings. No one other than the election authority, representatives of the court or legislative body, the contestant and contestee, their attorneys, and those specifically appointed by the court or legislative body to assist with the recount shall be present during any recount ordered pursuant to the provisions of section 115.583 or 115.601.

115.589. Records to be corrected to reflect judgment.—Each court or legislative body authorized to determine contested elections shall hear and determine each contest at the earliest opportunity after the official announcement of the results of the election has been made. Upon completion of the procedures provided for in this subchapter, the court or legislative body shall render its judgment based upon the issues of law and fact and cause a certified copy of its judgment to be transmitted to each affected election authority and to the secretary of state. Each election authority to which a copy of the judgment is sent and the secretary of state shall correct their records to conform to the judgment.

(L. 1977 H.B. 101 § 13.420)

(L. 1977 H.B. 101 § 13.425, A.L. 1988 H.B. 933, et al.)

115.593. New election ordered, when.—If the court or legislative body trying a contested election determines there were irregularities of sufficient magnitude to cast doubt on the validity of the initial election, it may order a new election for the contested office or on the contested question. The order shall set the date of the election and shall be sent by the clerk of the court or the secretary of the senate or the chief clerk of the house of representatives, as the case may be,

to each election authority responsible for conducting the special election. In its order, the court or legislative body shall specify the name of each candidate for the office to be voted on at the special election, or the ballot title of the question to be voted on at the special election, and the election shall be conducted and the votes counted as in other elections. Notice of the election shall be given in such manner as the court or legislative body directs. The person receiving the highest number of votes at the special election shall be deemed elected and entitled to assume office, or the question submitted at the special election shall be deemed approved if a majority of the votes at the special election are cast in favor of the question.

(L. 1977 H.B. 101 § 13.430)

Effective 1-1-78

(1989) Because voting by unqualified voters is an irregularity examined by the court in conducting a recount, it follows that such an irregularity may be considered in determining whether a new election should be ordered. When a number of voters are found to be disqualified and that number equals or exceeds the margin of the apparent victor, there are "irregularities of sufficient magnitude to cast doubt on the validity of the initial election." (Mo. banc) Marre v. Reed, 775 S.W.2d 951.

115.595. Person holding certificate of election to hold office pending outcome—question shall be deemed decided as shown by returns pending outcome.—

1. In each case of a pending election contest for an office, the person holding the certificate of election may qualify and take the office at the time specified by law and exercise the duties of the office until the contest has been decided. If the contest is decided against the contestee, the court or legislative body trying the contest shall make an order for him to give up the office to the person determined to be entitled to the office and to deliver to such person all books, records, papers, property and effects pertaining to the office. The court or legislative body trying the contest may enforce the order by attachment or other proper process. If for any reason the person determined to be entitled to the office does not or cannot take office, a vacancy shall exist to be filled in the manner provided by law.

2. In each case of a pending election contest on a question, the question shall be deemed approved or disapproved as shown by the official returns of the election until the contest is decided. When the contest is decided, the question shall be deemed approved or disapproved in accordance with the decision as of the day the contest is decided, or as of the day it would otherwise have been deemed approved or disapproved, whichever is later.

(L. 1977 H.B. 101 § 13.435)

Effective 1-1-78

115.597. Appeal from circuit court decisions allowed, procedure for.—

In all cases of contested elections, except contested elections heard by the supreme court or the state senate or house of representatives, the right of appeal shall exist, and appeals may be taken in the same time or manner and to the same courts as is provided by law for appeals in cases in equity. The practice and procedure prescribed in civil actions shall be followed in all respects not inconsistent with the provisions of sections 115.553 to 115.583. Upon the filing of any such appeal, the court shall give the case preference in the order of hearing to all other cases and modify its rules to the extent necessary to conclude the appeal as quickly as possible. In every case of such appeal, a bond with sufficient sureties conditioned for the payment of the costs accrued and to accrue in the cause may be required by any court in which the case is pending.

(L. 1977 H.B. 101 § 13.440)

Recount or new election, procedure—petition by election authority.—The election authority, if convinced that errors of omission or commission have occurred on the part of the election authority, election judges, or any election personnel in the conduct of an election, may petition the circuit court for a recount or a new election and the court is authorized to order a new election if the evidence provided demonstrates that the irregularities were sufficient to cast doubt on the outcome of the election.

(L. 1983 S.B. 234, A.L. 1997 S.B. 132)

(1990) Remedies available to the Board are limited to filing a petition for a recount. Circuit court was without jurisdiction to order a new election. (Mo. banc) Board of Election Commissioners of St. Louis County v. Knipp, 784 S.W.2d 797.

115.601. Recount authorized when less than one percent difference in vote—recount, defined.—1. Any contestant in a primary or other election contest who was defeated by less than one percent of the votes cast for the office and any contestant who received the second highest number of votes cast for that office if two or more are to be elected and who was defeated by less than one percent of the votes cast, or any person whose position on a question was defeated by less than one percent of the votes cast on the question, shall have the right to a recount of the votes cast for the office or on the question.

2. In cases where the candidate filed or the ballot question was originally filed with an election authority as defined in section 115.015, such recount shall be requested in accordance with the provisions of section 115.531 or 115.577 and conducted under the direction of the court or the commissioner representing the court trying the contest according to the provisions of this subchapter.

3. In cases where the candidate filed or the ballot question was originally filed with the secretary of state, the defeated candidate or the person whose position on a question was defeated by less than one percent of the votes cast on the question shall be allowed a recount pursuant to this section by filing with the secretary of state a request for a recount stating that the person or the person's position on a question was defeated by less than one percent of the votes cast. Such request shall be filed not later than seven days after certification of the election. The secretary of state shall notify all concerned parties of the filing of the request for a recount. The secretary of state shall authorize the election authorities to conduct a recount pursuant to this section if the requesting party or his position on a question was defeated by less than one percent of the votes cast. The secretary of state shall conduct and certify the results of the recount as the official results in the election within twenty days of receipt of the aforementioned notice of recount.

4. Whenever a recount is requested pursuant to subsection 3 of this section, the secretary of state shall determine the number of persons necessary to assist with the recount and shall appoint such persons equally from lists submitted by the contestant and the opponent who received more votes or a person whose position on a question received more votes than the contestant's position on that question. Each person appointed pursuant to this section shall be a disinterested person and a registered voter of the area in which the contested election was held. Each person so appointed shall take the oath prescribed for and receive the same pay as an election judge in the jurisdiction where the person is registered. After being sworn not to disclose any facts uncovered by the recount, except those which are contained in the report, the contestant and the opponent who received more votes or a person whose position on a question received more votes than the contestant's position on that question shall be permitted to be present in person or represented by an attorney at the recount and to observe the recount. Each recount shall be completed under the supervision of the secretary of state with the assistance of the election authorities involved, and the persons appointed to assist with the recount shall perform such duties as the secretary of state directs. Upon completion of any duties prescribed by the secretary of state the persons appointed to assist with the recount shall make a written and signed report of their findings. The findings of the persons appointed to assist with the recount shall be prima facie evidence of the facts stated therein, but any person present at the examination of the votes may be

a witness to contradict the findings. No one other than the secretary of state, the election authorities involved, the contestant and the other witnesses described in this subsection, their attorneys, and those specifically appointed by the secretary of state to assist with the recount shall be present during any recount conducted pursuant to this section.

5. For purposes of this section, “**recount**” means one additional counting of all votes counted for the office or on the question with respect to which the recount is requested.
