In Supreme Court 3 District
Scire Facias to revive Judgt.

This day personally appears Walter Wilkinson before me a Justice of the Peace within and for the county of Illinois and makes oath that in the year of our Lord Eighteen hundred and eighteen, the plaintiff sued out of the Superior court of the territory of Mississippi, a writ of execution upon the judgment in the scire facias in this case mentioned, which execution was delivered to John W Thompson then sheriff of the county of Illinois to be executed, that said Thompson levied said Execution upon the property of James L Wilkinson, of which he said Thompson informed this affeant by letter, that this affeant then paid to said Thompson the amount of said Judgment and confidently expected that the execution would have been returned satisfied But since he was served with the scire facias aforesaid, he has examined the office of the Clerk of the Supreme Court for the third district and upon such examination it appears that the said execution was never returned or if returned cannot now be found And this affeant further states that he verily believes that he can prove the facts aforesaid, by one Samuel Hammond who was a witness to the notes Jacket of

said Judgment made as aforesaid, and who has lately before the suing out said Scire Facias removed from this State, and now resides as this affiant is informed and believes in the State of Georgia, and this affiant knows of no other witness by whom he can prove the same facts. This affiant verily believes that he can have the deposition of said Hammond to be read at the next term of this court, and that he cannot safely go to trial without said testimony—
