Every item of information should be carefully supplied. AGE should be stated EXACTLY. PHYSICIANS should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important.

The following information was obtained from a review of the files of the Federal Bureau of Investigation, Department of Justice, concerning the activities of the Central Intelligence Agency, Office of Technical Services, during the period from October 1, 1953, to October 31, 1954.

On October 1, 1953, the Office of Technical Services, Central Intelligence Agency, advised the Federal Bureau of Investigation that it had received information from a source that a certain individual was engaged in espionage activities in the United States. The source stated that the individual was in contact with a certain individual who was known to be a member of the Communist Party, United States of America.

On October 15, 1953, the Federal Bureau of Investigation advised the Office of Technical Services, Central Intelligence Agency, that it had received information from a source that the individual mentioned in the previous report was in contact with a certain individual who was known to be a member of the Communist Party, United States of America. The source stated that the individual was engaged in espionage activities in the United States.

On October 31, 1954, the Office of Technical Services, Central Intelligence Agency, advised the Federal Bureau of Investigation that it had received information from a source that the individual mentioned in the previous reports was in contact with a certain individual who was known to be a member of the Communist Party, United States of America. The source stated that the individual was engaged in espionage activities in the United States.
