1. The first part of the report deals with the general situation of the country and the progress of the work during the year. It is followed by a detailed account of the work done in each of the various departments and sections. The report then goes on to discuss the results of the work and the progress made towards the completion of the various projects. Finally, the report concludes with a summary of the work done and a list of the various projects which are still in progress.

2. The second part of the report deals with the financial position of the organization. It gives a detailed account of the income and expenditure for the year and shows how the various projects have been financed. It also discusses the various sources of income and the various methods of expenditure. The report then goes on to discuss the results of the financial work and the progress made towards the completion of the various projects. Finally, the report concludes with a summary of the financial work and a list of the various projects which are still in progress.

3. The third part of the report deals with the personnel of the organization. It gives a detailed account of the various departments and sections and the work done by each of them. It also discusses the various methods of recruitment and the various methods of training. The report then goes on to discuss the results of the personnel work and the progress made towards the completion of the various projects. Finally, the report concludes with a summary of the personnel work and a list of the various projects which are still in progress.

4. The fourth part of the report deals with the general administration of the organization. It gives a detailed account of the various departments and sections and the work done by each of them. It also discusses the various methods of organization and the various methods of control. The report then goes on to discuss the results of the general administration work and the progress made towards the completion of the various projects. Finally, the report concludes with a summary of the general administration work and a list of the various projects which are still in progress.
