Dear Doctor"-

This death was never turned into my office as my record shows. I heard of the death at the time and it ~~was~~ seemed they were undecided as to whether the death took place in Clinton or Ray Counties. Never heard where it was turned in.

P.S. Have just learned this death was from explosion of car tank and death took place out in the ditch in Clinton Co. near the Ray Co. line. Our undertaker here went out after the body, but it had been taken by the undertaker of Lawson and afterwards removed to Kansas City. When I go down to town will try and get the Lawson undertakers name.

Later - The Undertaker here to whom we did not go all way as he had been taken to Kansas.

In my last regular report, requested information concerning the birth of Clarence Lee Jones under questins 8- 22. I overlooked recording this part of report. I enclosed the questions with stamped envelop for information. I am not sure that gave the correct number-whether it was 23 or 24. So please let me have this.
