(Signed) [Signature], M. D.(Address) K Gen Hosp KC Mo

Registrar.

N. B.—Every item of information should be carefully supplied. AGE should be stated EXACTLY. PHYSICIANS should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important.

The first part of the report deals with the general situation in the country. It is noted that the economy is still in a state of depression, and that the government is facing a serious financial crisis. The report then goes on to discuss the various measures that have been taken by the government to deal with the crisis, and the results of these measures. It is concluded that the government's policy is based on a sound economic principle, and that it is likely to lead to a recovery of the economy in the near future.

The second part of the report deals with the social situation in the country. It is noted that the standard of living is still very low, and that there is a high level of unemployment. The report then goes on to discuss the various measures that have been taken by the government to deal with the social crisis, and the results of these measures. It is concluded that the government's policy is based on a sound social principle, and that it is likely to lead to an improvement in the standard of living in the near future.

The third part of the report deals with the political situation in the country. It is noted that the government is still a coalition government, and that there is a high level of political instability. The report then goes on to discuss the various measures that have been taken by the government to deal with the political crisis, and the results of these measures. It is concluded that the government's policy is based on a sound political principle, and that it is likely to lead to a more stable government in the near future.

The fourth part of the report deals with the international situation in the country. It is noted that the country is still a member of the United Nations, and that it is facing a high level of international isolation. The report then goes on to discuss the various measures that have been taken by the government to deal with the international crisis, and the results of these measures. It is concluded that the government's policy is based on a sound international principle, and that it is likely to lead to a more active role in the international community in the near future.
