1. The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is facing a serious financial crisis. The report also mentions that the population is suffering from widespread poverty and unemployment.

2. The second part of the report discusses the political situation. It is noted that the government is weak and that there is a lack of unity among the political parties. The report also mentions that the military is becoming increasingly influential in the country.

3. The third part of the report deals with the social situation. It is noted that there is a high level of illiteracy and that the health care system is in a state of collapse. The report also mentions that there is a widespread feeling of hopelessness and despair among the population.

4. The fourth part of the report discusses the international situation. It is noted that the country is isolated and that it is being treated as a pariah state. The report also mentions that the country is being exploited by foreign powers.

5. The fifth part of the report deals with the future of the country. It is noted that the country needs a strong and unified government and that it needs to be able to attract foreign investment. The report also mentions that the country needs to be able to provide basic social services to its population.
