WRITE PLAINLY, WITH UNFADING INK---THIS IS A PERMANENT RECORD

N. B.—Every item of information should be carefully supplied. AGE should be stated EXACTLY. PHYSICIANS should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important.

1947

1. The first part of the report deals with the general situation in the country. It is noted that the economy is still in a state of depression, and that the government has been unable to carry out its program of reconstruction. The main reasons for this are the lack of funds and the corruption of the officials.

2. The second part of the report deals with the situation in the various provinces. It is noted that the situation is generally similar in all provinces, with the exception of the southern provinces, which are still in a state of anarchy.

3. The third part of the report deals with the situation in the cities. It is noted that the cities are still in a state of poverty and that the government has been unable to carry out its program of reconstruction.

4. The fourth part of the report deals with the situation in the rural areas. It is noted that the rural areas are still in a state of poverty and that the government has been unable to carry out its program of reconstruction.

5. The fifth part of the report deals with the situation in the military. It is noted that the military is still in a state of disunity and that the government has been unable to carry out its program of reconstruction.

6. The sixth part of the report deals with the situation in the education system. It is noted that the education system is still in a state of poverty and that the government has been unable to carry out its program of reconstruction.

7. The seventh part of the report deals with the situation in the health system. It is noted that the health system is still in a state of poverty and that the government has been unable to carry out its program of reconstruction.

8. The eighth part of the report deals with the situation in the social services. It is noted that the social services are still in a state of poverty and that the government has been unable to carry out its program of reconstruction.

9. The ninth part of the report deals with the situation in the labor market. It is noted that the labor market is still in a state of poverty and that the government has been unable to carry out its program of reconstruction.

10. The tenth part of the report deals with the situation in the housing market. It is noted that the housing market is still in a state of poverty and that the government has been unable to carry out its program of reconstruction.
