(Signed) John Nech, M. D.
(Address) 4701 St. Louis Ave

Rev. G. Smith

N. B.—Every item of information should be carefully supplied. AGE should be stated EXACTLY. PHYSICIANS should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important.

WRITE PLAINLY, WITH UNFADING INK—THIS IS A PERMANENT RECORD

1947

1. The first part of the report deals with the general situation in the country. It is noted that the economy is still in a state of depression and that the government is facing a serious financial crisis. The report also mentions that the political situation is unstable and that there is a need for a new constitution.

2. The second part of the report discusses the social conditions in the country. It is noted that the majority of the population is poor and that there is a high level of unemployment. The report also mentions that there is a need for social reforms and that the government should take steps to improve the living conditions of the people.

3. The third part of the report deals with the educational system in the country. It is noted that the educational system is in a state of decline and that there is a need for a new educational policy. The report also mentions that there is a need for more schools and that the government should invest more in education.

4. The fourth part of the report discusses the foreign relations of the country. It is noted that the country is in a state of isolation and that there is a need for a new foreign policy. The report also mentions that there is a need for better relations with the neighboring countries and that the government should take steps to improve its international standing.

5. The fifth part of the report deals with the military situation in the country. It is noted that the military is in a state of decline and that there is a need for a new military policy. The report also mentions that there is a need for more soldiers and that the government should invest more in the military.

6. The sixth part of the report discusses the administrative system in the country. It is noted that the administrative system is in a state of decline and that there is a need for a new administrative policy. The report also mentions that there is a need for more officials and that the government should invest more in the administrative system.

7. The seventh part of the report deals with the judicial system in the country. It is noted that the judicial system is in a state of decline and that there is a need for a new judicial policy. The report also mentions that there is a need for more judges and that the government should invest more in the judicial system.

8. The eighth part of the report discusses the health care system in the country. It is noted that the health care system is in a state of decline and that there is a need for a new health care policy. The report also mentions that there is a need for more hospitals and that the government should invest more in the health care system.

9. The ninth part of the report deals with the housing situation in the country. It is noted that the housing situation is in a state of decline and that there is a need for a new housing policy. The report also mentions that there is a need for more houses and that the government should invest more in the housing system.

10. The tenth part of the report discusses the transportation system in the country. It is noted that the transportation system is in a state of decline and that there is a need for a new transportation policy. The report also mentions that there is a need for more roads and that the government should invest more in the transportation system.
