(Signed) E. M. Weber, M. D.  
 (Address) Adessa Mo

N. B.—Every item of information should be carefully supplied. AGE should be stated EXACTLY. PHYSICIANS should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important.

1945

1. The first part of the report deals with the general situation in the country. It is noted that the economy is still in a state of depression, and that the government is facing a serious financial crisis. The report also mentions that the population is suffering from widespread poverty and unemployment.

2. The second part of the report discusses the political situation. It is noted that the government is still in a state of instability, and that there is a lack of confidence in the current leadership. The report also mentions that there are several political parties vying for power, and that the situation is likely to remain volatile for some time.

3. The third part of the report deals with the social situation. It is noted that there is a high level of social inequality, and that the poor are suffering from a lack of basic necessities. The report also mentions that there is a high level of illiteracy, and that the education system is in a state of disrepair.

4. The fourth part of the report discusses the economic situation. It is noted that the economy is still in a state of depression, and that there is a lack of investment in the country. The report also mentions that the government is facing a serious financial crisis, and that it is likely to continue for some time.

5. The fifth part of the report deals with the military situation. It is noted that the military is still in a state of disarray, and that there is a lack of discipline and morale. The report also mentions that there are several military units vying for power, and that the situation is likely to remain volatile for some time.

6. The sixth part of the report discusses the international situation. It is noted that the country is still in a state of isolation, and that there is a lack of international support. The report also mentions that the country is facing a serious diplomatic crisis, and that it is likely to continue for some time.

7. The seventh part of the report deals with the future prospects. It is noted that the country is facing a serious future, and that there is a need for fundamental reforms. The report also mentions that the government is likely to continue to face a serious financial crisis, and that the population is likely to continue to suffer from widespread poverty and unemployment.
