(Signed) Patton Mo
(Address)

WRITE PLAINLY, WITH UNFADING INK--THIS IS A PERMANENT RECORD

N. B.—Every item of information should be carefully supplied. AGE should be stated EXACTLY. PHYSICIANS should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important.

1. The first part of the document discusses the general situation of the country and the progress of the revolution. It mentions the importance of the people's participation in the process and the role of the revolutionary government.

2. The second part of the document deals with the economic situation and the measures taken to improve it. It highlights the need for a new economic policy that is based on the interests of the masses and the development of the national economy.

3. The third part of the document focuses on the political and social aspects of the revolution. It emphasizes the importance of a united front and the role of the revolutionary government in leading the people towards a better future.

4. The fourth part of the document discusses the international situation and the role of the country in the world. It mentions the need for a peaceful and democratic international order and the role of the country in promoting such an order.

5. The fifth part of the document concludes with a call to action for the people and the revolutionary government. It urges the people to continue their struggle for a better future and the revolutionary government to remain committed to the interests of the masses.
