

## Provided by the Missouri State Library, Library Development

### NOTE:

Each library has been provided with approval documentation from the State Library when the previous Technology Plan was approved. Information on that approval documentation is the definitive authority as to the ending date of the Technology Plan. This list is being provided for convenience, and any discrepancy should be reported to the Missouri State Library

For questions, please call the Missouri State Library, Technology Consultant at (800) 325-0131 Ext 11.
