20 CSR 4240-120.065 Manufactured Home Dealer Setup Responsibilities

PURPOSE: This rule sets forth the extent to which manufactured home dealers are responsible for proper initial setup of new manufactured homes.

(1) Manufactured Home Dealer Setup.

(A) A dealer who sells a new manufactured home shall arrange for the proper initial setup of the manufactured home unless the dealer obtains from the purchaser or the purchaser's authorized agent a written waiver of that service as described in section 700.100.3(6), RSMo.

(B) As used in this rule, "proper initial setup" means installation and setup of the home in accordance with the installation manual provided by the manufacturer of the home and in complete compliance with 24 CFR section 3285 and with all of the provisions regarding setup in sections 700.010 to 700.115, RSMo.

(C) If a dealer fails to arrange for the proper initial setup of a manufactured home, the commission may discipline the dealer's registration by suspending, revoking, or placing the registration on probation, pursuant to the provisions of section 700.100, RSMo, if the manager provides evidence to the commission, incident to an inspection, under subsections (2)(B) or (2)(C) of this rule, of set up deficiencies.

(D) The manager, in consultation with the

commission staff director, after attempting to contact the entity involved and documenting consideration of potential mitigating factors, including, but not limited to, the number of similar non-compliance issues, circumstances beyond the entity's control, and the entity's responsiveness to commission requirements, may assess a two hundred dollar (\$200) inspection fee to dealers that fail to hire commission licensed installers to set up a home. The manager will track fees assessed or waived under this provision, along with any documented consideration of mitigating factors, and compile a quarterly report summarizing such information for review by the commission.

(2) Manufactured Home Inspections.

(A) A dealer who sells a new manufactured home shall submit to the manufactured housing and modular units program a property locator indicating the destination of the home within five (5) business days of the date the home leaves the dealer's location or the manufacturer's location if the home is shipped directly to the consumer. For multi-section homes the five (5) business days begins when the first section leaves the dealer's or manufacturer's location. The dealer shall use the property locator form provided by the commission.

1. The manager, in consultation with the commission staff director, after attempting to contact the entity involved and documenting consideration of potential mitigating factors, including, but not limited to, the number of similar non-compliance issues, circumstances beyond the entity's control, and the entity's responsiveness to commission requirements, may assess a fifty dollar (\$50) per home inspection fee to dealers who fail to submit the property locator within five (5) business days from the due date. The manager will track fees assessed or waived under this provision, along with any documented consideration of mitigating factors, and compile a quarterly report summarizing such information for review by the commission.

2. The manager may commence an action to discipline a dealer's registration for failure to timely report property locators or make payment upon property locator home inspection fees if the commission has assessed no fewer than two (2) property locator home inspection fees against the dealer within the previous twelve (12) months of the due date of the property locator at issue.

(B) The manager will have a period of no more than one (1) year from the delivery date of the home to the consumer to conduct the initial inspection of the home setup.

(C) Within two (2) years of the delivery

date of the home to the consumer, if no initial inspection was performed pursuant to subsection (2)(B) of this rule, the manager may conduct an inspection of the home for code violations upon the receipt of a formal written complaint by the consumer.

(D) A copy of an inspection report from a routine inspection of the setup of a manufactured home, which does not arise from a consumer complaint, shall be transmitted to the manufacturer, installer, or dealer, or each responsible entity, within ten (10) days from the date of the inspection. Should an inspection occur as a result of a consumer complaint, copies of the inspection report will be provided to the complainant, and shall be transmitted to the manufacturer, installer, or dealer, or each responsible entity, within ten (10) days from the date of the inspection.

(E) Should an initial inspection identify no code violations, or any re-inspection verify that corrections have been made to address code violations identified on an initial inspection report, the manager shall issue a notice of completion indicating no outstanding issues remain to be addressed. Such notice shall be issued to each responsible entity. A complainant shall also be issued a notice of completion should an initial inspection occur subsequent to a consumer complaint. Such notice shall be issued within twenty (20) days from the date of the final inspection or re-inspection. This notice is intended to notify parties when the manager has completed an inspection process, and will not serve to indemnify any responsible party from any future liability.

(F) The manager shall submit to the commission any written request for a waiver of fees identified in this subsection, and the commission may grant such a waiver for good cause shown.

(3) Manufacturers shall mail or deliver to the manager by the tenth day of each month a report that identifies, by make, model, and serial number, the new manufactured homes to which certification labels have been affixed since the previous report. Such report shall also include the certification label number for each such manufactured home.

20 CSR 4240-120.085 Re-Inspection and Re-Inspection Fee

PURPOSE: This rule outlines the procedure for the re-inspection of manufactured homes and third party requests for inspections pursuant to section 700.040, RSMo.

(1) Re-inspections subsequent to routine inspections of new manufactured homes.

(A) The manager may conduct re-inspections of new manufactured homes to verify corrections have been made to address code violations identified on the initial routine inspection report.

(B) The manager shall not assess the dealer, installer, or the manufacturer, or each entity, a fee for the first re-inspection.

(C) The manager, in consultation with the commission staff director, after attempting to contact the entity involved and documenting consideration of potential mitigating factors, including, but not limited to, the number of similar non-compliance issues, circumstances beyond the entity's control, and the entity's responsiveness to commission requirements, may assess re-inspection fee(s) of two hundred dollars (\$200) for any re-inspection subsequent to the first re-inspection. The fee is charged to the dealer, installer, or the manufacturer who was responsible for making the corrections and completing the corrections. The manager will track fees assessed or waived under this provision, along with any documented consideration of mitigating fac-

tors, and compile a quarterly report summarizing such information for review by the commission.

(2) Re-inspections subsequent to a consumer complaint.

(A) The manager may conduct re-inspections of new manufactured homes to determine if the required corrections have been completed by the dealer, installer, or manufacturer within sixty (60) days of the initial inspection.

(B) The manager, in consultation with the commission staff director, after attempting to contact the entity involved and documenting consideration of potential mitigating factors, including, but not limited to, the number of similar non-compliance issues, circumstances beyond the entity's control, and the entity's responsiveness to commission requirements, may assess the dealer, installer, or the manufacturer, or each entity, a fee for the re-inspection(s) if the dealer, installer, or the manufacturer responsible for making the required corrections fails to complete the required corrections within sixty (60) days of receipt of a consumer complaint. The fee shall not be charged to the dealer, installer, or the manufacturer who is responsible for making the required corrections if, during the re-inspection, it is found that the required corrections have been corrected within sixty (60) days of the initial inspection. The manager will track fees assessed or waived under this provision, along with any documented consideration of mitigating factors, and compile a quarterly report summarizing such information for review by the commission.

(3) The re-inspection shall address all violations listed in the initial inspection report. A copy of the re-inspection report shall be forwarded to the manufacturer, installer, or dealer, or each responsible entity, and the consumer, if applicable, within ten (10) days from the date of the re-inspection, for corrective action as well as an invoice for the re-inspection fee, if applicable.

(4) The assessed fee shall be paid to the commission within twenty (20) working days from the date the re-inspection is completed. Each manufacturer, installer, and dealer shall submit, along with the fee, a written plan of action to be taken by each to correct any remaining violations identified and, unless otherwise approved by the manager, corrections shall be completed within thirty (30) days of the re-inspection.

(5) The fee for all inspections requested by third parties is four hundred dollars (\$400), except the fee for third party inspection

requests for the purpose of serial number verification is two hundred dollars (\$200). Requests for inspections by third parties must be submitted in writing to the manufactured housing and modular units program along with the associated inspection fee. Licensed manufacturers or dealers are not considered third parties.

(6) If the manufacturer, installer, or dealer has not paid the re-inspection fee within thirty (30) days of the prescribed date, the manager may file a complaint and the commission may suspend the manufacturer, installer, or dealer certificate or registration.

(7) The following situations constitute grounds for the denial, revocation, or placing on probation of a manufacturer, installer, or dealer certificate of registration:

(A) Failure to pay a re-inspection fee by the prescribed due date for two (2) consecutive months; or

(B) Failure to pay a re-inspection fee by the prescribed due date for any four (4) of the preceding twelve (12) months.

PURPOSE: The Missouri Public Service Commission is charged with the responsibility of determining that applicants for registration as manufactured home dealers are of good moral character. This rule establishes the criteria for evaluating applicants for dealer registration as to their good moral character.

(1) The manager will file a request for review of the moral character of an applicant for registration as a manufactured home dealer if—

(A) The applicant, within the ten (10) years preceding the application, has been convicted in any federal or state court of a felony relating to the acquisition or transfer of a manufactured home or any other form of property; or

(B) The applicant, within the five (5) years preceding the application, has been convicted in any federal or state court of a misdemeanor relating to the acquisition or transfer of a manufactured home or any other form of property.

(2) For the purposes of this rule, the applicants who must show good moral character include all partners of the dealership if the dealership is a partnership; all officers of the dealership if the dealership is a corporation; or all owners of the dealership if the dealership is neither a partnership nor a corporation.

(3) If the commission finds an applicant lacks good moral character as outlined in subsection (1)(A) or (1)(B) of this rule, the commission may deny the application for registration.

20 CSR 4240-120.130 Monthly Report Requirement for Registered Manufactured Home Dealers

PURPOSE: This rule outlines the information that registered manufactured home dealers

must file with the Missouri Public Service Commission and the form and manner of this filing.

(1) Each person registered as a manufactured home dealer shall file a monthly sales report with the manufactured housing and modular unit program no later than the tenth of the month following the month when the sales were made.

(2) Manufactured home dealers may only use the commission's form for monthly sales reports. This form may be obtained from the Missouri Public Service Commission, PO Box 360, Jefferson City, MO 65102, or at the website <http://psc.mo.gov>.

(3) A report must be filed for each month or part of a month for which the person is a registered manufactured home dealer. If no sales are made in a given month, the dealer must file the usual form no later than the tenth of the following month stating no sales were made.

(4) The report must be signed by an officer of the dealership if the dealership is a corporation; by a partner of the dealership if the dealership is a partnership; or by an owner of the dealership if the dealership is neither corporation nor a partnership.

(5) The manager may reject monthly sales reports that are incomplete and require dealer's to submit corrected reports.

(6) The manager, in consultation with the commission staff director, after attempting to contact the entity and documenting consideration of potential mitigating factors, including, but not limited to, the number of similar non-compliance issues, circumstances beyond the entity's control, and the entity's responsiveness to commission requirements, may assess a late submission fee of fifty dollars (\$50) against a manufactured home dealer for each monthly sales report filed sixty (60) days after the due date. The manager will track fees assessed or waived under this provision, along with any documented consideration, and compile a quarterly report summarizing such information for review by the commission.

(7) The commission may suspend the dealer's registration for any report not submitted within sixty (60) days of the due date.

(8) Failure to submit a completed monthly report within ninety (90) days of due date and/or to pay any required fees could result

in revocation of the dealer's registration under section 700.098, RSMo.
