***Pursuant to Executive Orders 20-04, 20-10, and 20-12, 11 CSR 70-2.010, section (5) was suspended from April 14, 2020 through December 30, 2020.*

Op. Atty. Gen. No. 132, Russell (7-18-79). Ethanol used solely as a fuel for motor vehicle purposes is not a section 311.020, RSMo "intoxicating liquor." Also, manufacturers of ethanol for fuel purposes need not be licensed under Chapter 311, RSMo if the ethanol is denatured by some means.

Op. Atty. Gen. No. 37, Mueller (1-17-79). Wines used as part of religious services are not "for beverage purposes" since they are not being consumed for the mere pleasure of drinking or for physical or mental exaltation. Therefore, these "sacramental wines" are not intoxicating liquors as defined in Chapter 311, RSMo.

11 CSR 70-2.020 Application for License

PURPOSE: This rule prescribes forms and applications and establishes procedure for the issuance of all intoxicating liquor and nonintoxicating beer licenses.

(1) Applications for licenses including payment for the correct amount of the license fee are to be submitted to the supervisor of

Alcohol and Tobacco Control at the Central Office in Jefferson City, or any operational Alcohol and Tobacco Control field office within the state. If payment is rejected for insufficient funds and the licensee has not replaced such payment within fourteen (14) days of notification with sufficient funds, then beginning with the fifteenth day, if such licensee's renewed license has been issued, such renewed license shall be suspended until the day following the day the licensee makes restitution for the insufficient funds payment, or if such licensee's renewed license has not been issued, the renewed license shall not be issued until on or after the day following the day the licensee makes restitution for the insufficient funds payment.

(2) Application is to be made on the forms prescribed by the supervisor.

(3) No agent may authorize any applicant to exercise the privileges of the license applied for pending its issuance.

(4) If application is made by a partnership, the application should set out the names and residences of all the partners, whether they be active or silent partners. All partners shall qualify under the laws of Missouri for the license. All partners are to sign the application.

(6) No license may be granted to an applicant unless s/he makes full, true, and complete answers to all questions in the application. Any false answer to any question in the application or false statement of a material matter in his/her application, may be cause for suspension or revocation of any license issued pursuant to the application.

(7) Violation of any oath taken by a licensee in connection with his/her application for a license is cause for suspension or revocation of the license where an oath is necessary, by any statute of Missouri or any regulation of the Supervisor of Alcohol and Tobacco Control, to be taken.

(8) If the supervisor of Alcohol and Tobacco Control has reason to believe that an applicant has a criminal record and is not a person of good moral character, the supervisor may

request that the applicant submit to being fingerprinted and fingerprints forwarded to the Department of Justice to ascertain if the applicant has been convicted of any crime.

(9) The surety on the bond of any licensee at any time may notify the supervisor of Alcohol and Tobacco Control and the licensee that s/he desires after a date named, which is at least thirty (30) days after the receipt of notification by the licensee and the supervisor, to be relieved of liability on the bond. Upon receipt, the privileges of the principal under the license as is supported by the bond may be terminated and cancelled on the date specified, unless supported by other sufficient bond(s), and the surety can be relieved of liability on the bond for any default of the principal accruing on and after the date named.

(10) Every applicant for a liquor license of any kind will present all applicable items listed on the checklist of requirements that corresponds to the application form as prescribed by the supervisor of Alcohol and Tobacco Control.

(11) No license may be issued to the spouse, child(ren), step-child(ren), parent(s), step-parent(s), son-in-law or daughter-in-law, employee, or other person having any interest in the business of a licensee whose license has been revoked, for the privilege of doing business at the same location or in close proximity to the location of the establishment whose license was revoked until a period of five (5) years after the date of the revocation of the license, and then at the discretion of the supervisor of Alcohol and Tobacco Control.

(12) The supervisor of Alcohol and Tobacco Control, at his/her discretion and for good cause, may issue a temporary license for up to ten days. A completed application with all required current documents and payment of license fees and any late charges must be in receipt of the Division of Alcohol and Tobacco Control before a temporary license may be considered by the supervisor of Alcohol and Tobacco Control.

Brown-Forman Distillers Corp. v. Stewart, 520 SW2d 1 (Mo. banc 1975). Separate licenses are required for every phase of the liquor traffic and manufacturers, wholesalers and retailers are statutorily categorized as distinct separate phases thereof. The statutes indicate a legislative intent to preclude a licensee in one phase of the liquor traffic from controlling traffic in liquor in its entirety.

Pinzio v. Supervisor of Liquor Control, 334 SW2d 20 (1960). A review of the statutes makes it clear that the legislature has vested sole discretion in the supervisor (of liquor control) to issue or refuse to issue each license, whether one of original issue or a renewal and that a hearing is not an essential prerequisite to the lawful exercise of that sole discretion. Failure to hold a hearing prior to the refusal to issue a denial of due process is in violation of the pertinent provisions of the state and federal constitutions.

State ex rel. Floyd v. Philpet et al., 266 SW2d 704 (Mo. banc 1954). The exclusive authority to determine whether statutory qualifications for an applicant for a state license to sell intoxicating liquor at retail had been met and the authority to issue such licenses is vested in the state supervisor of liquor control.

11 CSR 70-2.030 Change of Facts, Posting, Transfer and Lost Licenses—Executors—Administrators

PURPOSE: This rule establishes procedure for reporting changes in status of license, transfer, death of licensee or managing officer, loss of, etc.

(1) Written notice is to be provided to the supervisor of Alcohol and Tobacco Control if any factor or information changes from what is set forth on an application during a period of licensure.

(2) A license issued pursuant to this chapter is to be displayed in a conspicuous place on the premises where the business is carried on, as well as any city license designating the premises as a place to sell intoxicating liquor. A license may only be posted at the premises where traffic in intoxicating liquor is being carried on by any person other than the licensee. A license may not be knowingly defaced, destroyed, or altered.

(3) The supervisor of Alcohol and Tobacco Control may allow a license to be transferred to any other premises or to any other part of the building containing the licensed premises, provided the premises sought to be licensed meets the requirements of the law. The supervisor first must approve in writing the transfer and the application for permission to transfer including—

(A) Name and address of licensee;

(B) Address and legal description of premises to which removal is sought, together with name and address of landlord;

(C) An affidavit by the licensee that s/he has not violated any provisions of the Liquor Control Act or any rule of the supervisor; and

(D) A consent of surety(ies), signed, and witnessed by private individuals in the same manner in which the signatures appear on the bond itself. If the bond was signed by a surety company, the consent needs to be signed by a duly authorized officer or attorney-in-fact of the company whose authority or power of attorney is on file in the Division of Alcohol and Tobacco Control.

(4) Whenever a license is lost or destroyed without fault on the part of the licensee or his/her agents or employees, a duplicate license in lieu of the lost or destroyed license may be issued by the supervisor of Alcohol and Tobacco Control without cost to the licensee.

(5) Unless licensed by the supervisor of Alcohol and Tobacco Control as such, no receiver, assignee, trustee, guardian, administrator, or executor may sell any intoxicating liquor belonging to the estate over which s/he has control, except to a licensed wholesaler or retailer except with the consent of the supervisor of Alcohol and Tobacco Control to sell the intoxicating liquor. The supervisor may consent after receiving the following documents and information:

(A) A copy of the order of the court having jurisdiction over the estate authorizing the sale; and

(B) A joint affidavit signed by the receiver, assignee, trustee, guardian, administrator, or executor and the purchaser, setting out an inventory of the stock, the price for which it is to be sold, the date of the contract of sale, and the license number of the purchaser.

(6) In the event that a licensee's license has been lost, stolen, destroyed, or a transfer to another place of business is desired, an agent or inspector, with the approval of the supervisor, may issue a special certificate which will allow the licensee to continue his/her business. In no event may the special certifi-

cate continue in effect for more than ten (10) days from the date of issuance.

(7) Corporations licensed under the provisions of section 311.060, RSMo, are to have a managing officer who is a person in the corporation's employ, either as an officer or an employee with the general control and superintendence.

(A) If a vacancy occurs in the office of the managing officer, a replacement qualified, pursuant to section 311.060, RSMo, shall be named within fifteen (15) days of the vacancy.

AUTHORITY: section 311.660, RSMo 2016. This version of rule filed Feb. 8, 1973, effective Feb. 18, 1973. Amended: Filed Oct. 10, 2018, effective May 30, 2019.

PURPOSE: This rule defines credit and advertising items allowed to be provided to retailers by manufacturers, wholesalers, and distributors.

(1) Except as provided in section 311.070, RSMo, no retail licensee, directly or indirectly, may accept any loans, equipment, money, credit, or property of any kind, except ordinary commercial credit. Except as provided in section 311.070, RSMo, no retail licensee may permit any distiller, wholesaler, wine maker, solicitor, brewer or employees, officers, or agents, under any circumstances to have any direct or indirect financial interest in his/her retail business for the sale of intoxicating liquor, and s/he shall not accept, directly or indirectly, from a distiller, wholesaler, wine maker, solicitor, brewer or its employees, officers, or agents any loan, gift, equipment, money, credit, or property of any kind except ordinary commercial credit for intoxicating liquor sold to the retailer. A retailer may accept, to properly preserve and serve draught beer and to properly preserve and serve draught wine, only equipment and services as allowed in section 311.070, RSMo.

(A) A sale by a licensed wholesaler to a licensed retailer of intoxicating liquor at a price which is less than the cost of the intoxicating liquor to the licensed wholesaler making the sale is presumed (subject to rebuttal as set out in this rule) to constitute a gift of money or property to the licensed retailer in violation of this regulation and sections 311.060 and 311.070, RSMo.

(B) The word cost as used in this regulation means the actual invoice charge for the merchandise by the supplier of the merchandise to the wholesaler, manufacturer, brewer, or solicitor, plus the cost of transportation to the wholesaler and all federal and Missouri excise taxes and custom duties allocable to the merchandise.

(C) The presumption may be rebutted by reasonable proof that the fair wholesale market value of the intoxicating liquor in question is less than the cost of intoxicating liquor to the wholesaler selling the same, and has been designated as close-out merchandise pursuant to section 311.335.3, RSMo and 11 CSR 70-2.190(2)(D). A licensed wholesaler may not use close-out pricing as an inducement for retailers to purchase other intoxicating liquors.

(2) No distiller, wholesaler, wine maker, solicitor, brewer or employees, officers, or agents of same may, directly or indirectly, pay any fee rental or other consideration to any retail licensee for the use of any part of the licensed retail premises for advertising any brand name of distilled spirits, wine, or malt liquor, or for the purpose of advertising the name, trademark, or trade name of any mark-er of the trademark.

(3) Except as provided in section 311.070, RSMo, no distiller, solicitor, wholesaler, wine maker, brewer or their employees, officers, or agents, directly or indirectly, may give or offer to give any financial assistance, gratuity, or make or offer to make any gift of their products to any retail licensee.

PURPOSE: This rule establishes guidelines for wholesalers regarding purchases, deliveries, sales, and storage of products.

(1) No wholesaler may buy, obtain, or accept any intoxicating liquors from any person who does not hold a Missouri permit as

Chilton v. Wright, 480 SW2d 1 (1972). Two agents testifying that they removed 44 bottles of liquor from licensee's premises suspected to be refills in violation of rules and regulations because some appeared to be overfilled and some had worn strip stamps on their necks, along with testimony of expert chemist, was competent substantial evidence that the licensee possessed refilled bottles in violation of rules and regulations 13(c) (now covered by 11 CSR 70-2.130(6)). But evidence of "several different brands of liquor—the bulk of it was in half-pints and pints" and the geographical location of the retail outlet and its

proximity to known “dry” states did not constitute substantial evidence that the licensees had reasonable cause to believe that their customers purchased liquor for purposes of resale in violation of rule 13(d) (now 11 CSR 70-2.130(4)).

State ex rel., Glendinning Co. v. Letz, 591 SW2d 92 (Mo. App. 1979). The Supervisor of Liquor Control may prohibit gambling on licensed premises by rule despite the general preemption language contained in the criminal code at section 572.100, RSMo.

Op. Atty. Gen. No. 178, Wilson (10-18-79). A person convicted of supplying intoxicating liquor to a minor does not necessarily violate section 311.060, RSMo (regarding licensing) or 11 CSR 70-2.140(13) (regarding employment).

State ex rel. Letz v. Riley, 559 SW2d 631 (Mo. App. 1977). Despite the issuance by the attorney general of a "no action" letter stating that certain games in theory were not violative of Chapter 563, RSMo, the doctrine of equitable estoppel was not available to support an injunction restraining the supervisor of the Division of Liquor Control from enforcing Liquor Control Regulations 15(k) (prohibiting any licensee from allowing any sort of gambling upon licensed premises) and

25 II(c)(1)(g) (restricting advertisement of intoxicating liquor and nonintoxicating beer).

Op. Atty. Gen. No. 167, Moran (7-7-66). A licensee of the Department of Liquor Control is not violating the rules and regulations of the department by having on his/her licensed premises a pinball machine of the type designated by federal statute as a gambling device per se and requiring a \$250 Coin-Operated Gaming Device Stamp but on which the machine only awards free games for replay. It is a violation of regulation 15(1) (now covered by 11 CSR 70-2.140(12)) of the rules of the Department of Liquor Control if patrons using the pinball machines are actually paid off in money or merchandise by the liquor licensee or if patrons using the pinball machines actually wager money or property among themselves on the outcome of games played and the licensee allows such gambling.

11 CSR 70-2.150 Refunds

PURPOSE: This rule establishes procedures for refund of tax on intoxicating liquor and nonintoxicating beer.

(1) Every licensee who claims a refund for Missouri tax on intoxicating liquor or a refund for Missouri tax on malt liquor shall present claims to the supervisor of Alcohol and Tobacco Control and attach to the claim a complete statement, under oath, as to the facts supporting the claim.

(2) After the claim is accepted for audit by the supervisor and the claimant has been notified of the acceptance, then an inspection can be made by the supervisor or his/her agents. The agents shall make an affidavit that they inspected the intoxicating liquors and/or malt liquors denoting in the affidavit the brand, number of the containers or cases, and the disposition to be made of the spirituous liquor, wine, or malt liquor.

(3) Under no circumstances shall refund claims be accepted by the supervisor if the sole reason for their presentation to him/her is because the claimant has purchased beyond his/her capacity to sell.

(4) The supervisor shall not accept claims for refunds for unused portions of permits.

(5) The supervisor reserves the right to refuse to accept for audit any or all claims presented.

11 CSR 70-2.170 Warehouse Receipts for Storage of Intoxicating Liquor

PURPOSE: This rule defines warehouse receipts and establishes rules governing their use in business practices.

(1) The term warehouse receipt, as used in section 311.380, RSMo, is defined to mean any warehouse receipt issued for the storage of intoxicating liquor which can be negotiated and any nonnegotiable warehouse receipt which can be assigned, transferred, or sold.

(2) Any person or entity licensed by the supervisor of Alcohol and Tobacco Control to sell intoxicating liquor may pledge any warehouse receipt(s) owned by him/her to secure the payment of any debt to any person or entity in Missouri. Any Missouri state bank or trust company which is a member of the Federal Reserve System and any national bank with its principal office in Missouri may repledge with a federal reserve bank any warehouse receipts of which it is the pledgee.

(A) In case of default in the terms of the pledge agreement, the pledgee or the assignee of the pledge agreement may not negotiate, assign, transfer, or sell any warehouse receipt(s) without first obtaining the permission of the supervisor of Alcohol and Tobacco Control to do so.

(B) Request for permission can be submitted by the pledgee to the supervisor of Alcohol and Tobacco Control in writing and include the name of the proposed purchaser and whether or not the proposed purchaser intends to take possession of the liquor under the receipt(s). Under no circumstances may permission be given to the pledgee to sell any of the warehouse receipt(s) to any person or entity which intends to take possession of intoxicating liquor described in the receipt(s) unless the proposed purchaser is duly licensed as a wholesaler or manufacturer by

the supervisor of Alcohol and Tobacco Control in Missouri.

(C) The pledgee seeking the permission to sell the warehouse receipt(s) should accompany the request by a copy of the pledge agreement and a copy of the warehouse receipt(s) which s/he desires to sell, together with an inventory of the liquor covered by the receipts, unless the inventory is contained in the receipts.

11 CSR 70-2.190 Unlawful Discrimination and Price Scheduling

PURPOSE: This rule establishes procedures for price posting, deliveries, return of merchandise and discounts.

(1) This regulation applies to spirituous liquor and wine products containing alcohol in excess of five percent (5%) by weight sold by a duly licensed wholesaler to a duly licensed retailer.

(2) Product Pricing Information.

(A) The product pricing information is to be made available to retailers five (5) days prior to the last day of the month and include the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(B) Supplemental pricing information is to be made available to retailers when a new product, new size, or new proof is added by a wholesaler during the month and not subject to change before the first of the month when regularly filed product pricing information is effective. A wholesaler is allowed to sell such items to retailers immediately upon production of such supplemental information. Supplemental pricing information includes the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(C) The wholesaler may sell at any price for any item as long as it is sold above their cost and they sell at the same price to all retailers as indicated on their product pricing information.

(D) Close out items should be identified as such on the product pricing information that is made available to retailers at prices which may be below the wholesaler's costs for not less than six (6) consecutive months during which time the wholesaler may not purchase further inventory. The wholesaler should not use close out pricing as an inducement for

retailers to purchase other intoxicating liquors.

(3) Discounts.

(A) The wholesaler may grant any discount up to one (1) per centum for quantity of liquor and wine and one (1) per centum for payment on or before a certain date.

(B) Quantity discounts. A quantity discount may be granted only for quantities of two (2) or more. If a price is listed for bottles only, then a quantity discount may be allowed on quantities of two (2) or more bottles. If a price is listed for both bottles and cases, then a quantity discount may be allowed only on quantities of two (2) or more unbroken cases. Quantity discounts may be graduated but not exceed the maximum one percent (1%).

(C) Discounts for time of payment. A discount for time of payment may be granted only for 1) payment for time of delivery, 2) payment on or before ten (10) days from the date of delivery, or 3) payment on or before fifteen (15) days from the date of delivery.

(D) The combination of discounts to be posted on the product pricing information are as follows: No discount, one percent (1%) for time of payment, one percent (1%) for quantity discounts, or one percent (1%) for time of payment and one percent (1%) for quantity.

(E) No person licensed to sell intoxicating liquor and wine at retail may accept any discount, rebate, free goods, allowances, or other inducement from any wholesalers except the discount for payment and quantity discount on or before a certain date.

(4) Case Size. For the purpose of this regulation, a case of intoxicating liquor or a case of wine is declared to be a cardboard, wooden, or other container, containing bottles of equal size filled with intoxicating liquor or wine of the same brand, age, and proof. The following table depicts the number of bottles considered to be a case of various bottle sizes for both the English and metric systems of measure, for pricing purposes:

Size of Bottle	Number of Bottles per Case
Less than 6.3 oz	48, 60, 96, 120, 144, 192 or 240
8 oz up to, but not including, 10 oz	48
10 oz up to, but not including, 21 oz	24
21 oz up to, but not including, 43 oz	12
43 oz up to, but not including, 85 oz	6
85 oz up to and including 128 oz	3, 4 or 6

(A) The Universal Coding of Alcoholic Beverages for Products by container size is to be used to code the bottle size. An item is declared to be either a bottle or a case of

intoxicating liquor or wine scheduled as required;

(B) All sizes less than one-half (1/2) pint or eight (8) ounces under the English system of measure are defined as miniatures. Under the metric system of measure, miniatures are defined as fifty (50) milliliters (1.7 ounces) for spirituous liquors and one hundred (100) milliliters (3.4 ounces) for vinous liquors. Acceptable case sizes for miniatures are 240, 192, 144, 120, 96, 60, and 48 bottles. Miniatures may be sold in only one (1) case size for each bottle size sold; and

(C) If an intoxicating liquor or wine product is packaged by the manufacturer in a bottle quantity for that bottle size exceeding one (1) but either more or less than the case quantity for the bottle size listed in section (4), a wholesaler may sell that package for a total price that reflects the same per bottle price as the per bottle price in the posted case price, if the wholesaler's invoice specifies the quantity in the package.

(5) The price to retailers, except retailers operating railroad cars, should include federal custom duties, internal revenue taxes, state excise tax, bottling and handling charges, and the cost of delivery to the retailer. The price to retailers operating railroad cars may be scheduled at a price "ex state excise tax," but shall include all other taxes and costs computed in prices to other retailers. No charge(s) may be made in addition to the price except that on past due accounts there may be imposed a finance (interest) charge in accord with that permitted by law. Provided, however, that if a wholesaler elects to impose a finance (interest) charge on past due account the charge shall be of uniform rate to all retailers and imposed on all retailers who have past due accounts.

(6) Delivery. Any brand of liquor or wine sold to a retailer is to be shipped to and received by the retailer at the price in effect for that calendar month in which the delivery occurs. Delayed shipment orders may be taken the last five (5) days of the month and delivered in the first five (5) days of the following month.

(7) Returns. Merchandise returns exceeding seven (7) days from delivery date may not be accepted for return from a retailer, except pursuant to a court order or with prior approval from the supervisor for any of the following reasons:

(A) The merchandise delivered does not conform to the merchandise ordered, whether an error was made at the time the order was taken or when the merchandise was deliv-

ered. Requests to return merchandise delivered in error should be submitted to the supervisor within thirty (30) days of the original invoice; or

(B) The retailer is abandoning the retail liquor business.

(8) Breakage, Samples, Expenses. As part of its regular books and records, each wholesaler licensed to sell intoxicating liquor or wine is required to keep a monthly record of all allowances for breakage containing the name, address, and license number of the customer, the amount of breakage allowance, and the date and number of the invoice of sale for which allowance is given. No allowance for breakage may be given unless the broken bottle is returned to the seller within seventy-two (72) hours after delivery. Broken bottles are to be kept available on the wholesaler's licensed premises for inspection by representatives of the supervisor and may not be removed from the licensed premises or destroyed only with permission from the supervisor.

(9) Posting of Contraband Liquors and Wines Purchased From Supervisor. Bottles or cases of liquor or wine as described in section (4) which have been declared contraband and purchased by a wholesaler from the supervisor or the officer who seized the same under the provisions of sections 311.820 and 311.840, RSMo or by a wholesaler from a wholesaler who so purchased the same, may be posted by the wholesaler at prices less than other liquors and wines of the same brand, age, and proof. When the liquors and wines are so posted, the pricing is to be accompanied by a writing on which the liquors and wines are exactly described and the quantity(ies) available for purchase set forth and upon sale of all or any part of the quantity a copy of the invoice shall be sent to the supervisor upon the day it is prepared. Only liquors and wines so purchased by a wholesaler may be sold at the posted prices.

(10) Discriminatory Agreements.

(A) No person holding a license as a manufacturer- solicitor or outstate solicitor of spirituous liquor or wine may enter into or participate in any combination or agreement with any person holding a license as a wholesaler for the sale of spirituous liquor or wine which restrict the customers to whom the wholesaler may sell merchandise which s/he owns.

(B) No person holding a license as the wholesaler for the sale of spirituous liquor or wine may enter into or participate in any combination or agreement with any person holding a license as a manufacturer-solicitor or outstate solicitor of spirituous liquor or wine, which restricts the customers to whom

the wholesaler may sell merchandise which s/he owns.

(11) Universal Numeric Codes on Invoices. The Universal Numeric Code for Alcoholic Beverages and Missouri's brand number is to be used to code all wines on all invoices written by any manufacturer, vintner, solicitor, and/or wholesaler licensed by the Division of Alcohol and Tobacco Control of Missouri; this includes invoices written by wholesalers to retail licensee. In addition, the descriptive data for liquors and wines includes the age or vintage, proof or percent of alcohol by weight, class and type, and brand name. Missouri wholesalers are to include brand name, age, and proof for spirituous liquors and vintage for wines on all invoices to retailers when the vintage creates a cost differential for the same type of wine. Any failure of any person, firm, or corporation licensed under any provisions of Chapter 311, RSMo to comply in all respects with the rules and any violation by any licensee of these rules may be deemed to be cause for the revocation or suspension of the license of the offending licensee.

State ex rel. Letz v. Riley, 559 SW2d 631 (Mo. App. 1977). Despite the issuance by the

attorney general of a “no action” letter stating that certain games in theory were not violative of Chapter 563, RSMo, the doctrine of equitable estoppel was not available to support an injunction restraining the supervisor of the Division of Liquor Control from enforcing Liquor Control Regulation 15(k) (prohibiting any licensee from allowing any sort of gambling upon licensed premises) and 25II(c)(1)(g) (restricting advertisement of intoxicating liquor and nonintoxicating beer).

Milgram Food Stores, Inc. v. Ketchum, 384 SW2d 510, (Mo. App. 1965) cert. denied, 382 U.S. 801. Regulation 15(f)(5) (now covered by 11 CSR 70-2.240(2) and (5)(G) and (H)) prohibiting the advertisement of intoxicating liquor which offers any coupon, premium, prize, rebate as an inducement to purchase such intoxicating liquor, did have a reasonable relation to and in accord with the provisions and purposes of the Liquor Control Law; and that rule is not unreasonable, arbitrary and capricious as claimed by the respondent, as to “free” Santa Claus covers offered in advertisement with purchase of certain liquors, this fell within prohibited practices and suspension of respondent’s license for twenty-five (25) days was not unreasonable.

11 CSR 70-2.250 Salvaged Alcoholic Beverages

PURPOSE: This rule establishes licensing and procedure for disposal of salvaged alcoholic beverages.

(1) Intoxicating liquors which are damaged in this state as a result of flood, wreck, fire, or similar occurrence may be sold for salvage.

(2) Intoxicating liquors so salvaged may be sold to a Missouri licensee, upon the approval of the supervisor under the following terms and conditions:

(A) Application shall be made to the supervisor for authority to sell distressed merchandise in Missouri including the name of the person desiring to sell the merchandise, the nature of the damage, a description of the merchandise, and whether the contemplated sale is to be to a Missouri licensee;

(B) The distressed merchandise is to be examined at the scene of the occurrence, as soon as practicable, by a representative of the Department of Health and Senior Services and the sale is not to be approved by the supervisor until notified by the representative that the merchandise is fit for human consumption;

(C) Written approval and release for the sale of distressed merchandise cannot be issued until an inspection of the distressed merchandise is made by an agent of the Division of Alcohol and Tobacco Control who will determine whether the merchandise is within the meaning of this regulation and that all Missouri taxes have been paid; and

(D) No merchandise may be sold under this regulation where the original packages have been so damaged so as to render the label on the package not within the requirements under 11 CSR 70-2.060(1).

(3) Intoxicating liquors so salvaged are referred to as distressed merchandise.

(A) Each container of intoxicating liquors sold pursuant to this regulation shall bear a label, to be provided by the Division of Alcohol and Tobacco Control, certifying the merchandise as distressed merchandise.

(B) No distressed merchandise salvaged outside of the state may be imported into Missouri for sale pursuant to this regulation.

Nor may any supplier, directly or indirectly, threaten to or create an additional distributorship in retaliation against a wholesaler who refuses to evade or disobey any laws or regulations of Missouri relating to intoxicating liquor.

(4) All wholesalers are to register with the supervisor of Alcohol and Tobacco Control, the lines, brands, or both of alcoholic beverages which they handle and distribute in this state. No wholesaler may add an additional line or brand without first filing a statement under oath with the supervisor and with every other wholesaler affected. The statement shall contain the following:

(C) Prior to making any sale of any additional line or brand, each wholesaler shall comply with all other requirements relating to the posting of wholesale prices.

(5) Prior to removing a line or brand from one (1) wholesaler and/or prior to creating an additional distributorship on a line or brand, suppliers are to file with the supervisor a statement under oath containing the following:

(6) A copy of this statement shall at the same time be delivered by mail or personal service to every wholesaler affected.

Brown-Forman Distillers Corp. v. Stewart, 520 SW2d 1 (Mo. banc 1975). Regulation 28, permitting supervisor of liquor control to prohibit the transfer of a brand or the creation of a dual distributorship absent the showing of a good business reason, ("without reasonable cause, which cause must be submitted to the supervisor of liquor control in writing") the employment of "reasonable cause" in regulation 28 renders it invalid and void because the language used is so sweeping and broad that it clothes the supervisor with arbitrary power that is incompatible with the test of "reasonableness" and it is "inconsistent" with the objectives of the Liquor Control Law and the legitimate evils sought to be eliminated.
