(4) Parties requesting hearings will be notified by first class mail of the date and time of the hearing. A copy of the notice will be sent to the attorneys of record and the parties involved.

(5) Parties requesting hearings will be allowed one (1) continuance at the discretion of the hearing officer, provided good cause is shown. All requests for continuances shall be made in writing, state good cause for the continuance and be signed and verified by the party making the requests or his/her attorney or authorized representative. All requests for continuance must be filed not later than six (6) days prior to the date of the scheduled hearing. The following events or conditions shall constitute good cause to continue a hearing:

(A) Death of a party, representative, or an attorney of a party, or a witness to an essential fact;

(B) Incapacitating illness of a party, or representative, or attorney of a party or witness to an essential fact. The request must contain a written statement by an attending physician reciting the nature and probable duration of the illness; and

(C) Unavailability of a party, representative or attorney or material witness due to an unavoidable emergency.

(6) Cases under section 301.119, RSMo shall be considered contested cases as that term is defined in Chapter 536, RSMo.

(7) Hearing procedures are as follows:

(A) The director of revenue or his/her representative shall state to the requesting party that the director has determined that the title service agent has failed to comply with the provisions of Chapter 301, RSMo and the basis for this decision by the director;

(B) The requesting party may present any new facts which he/she feels may show compliance with the applicable provisions of Chapter 301, RSMo;

(C) Parties may present testimony by affidavit. Affidavits may be filed at the time of hearing or after notice of setting of the hearing. Parties will submit the original and three (3) copies of affidavits;

(D) Failure to appear at the hearing at the stated time will make the decision of the director final as of that date; and

(E) The provisions of Chapter 536, RSMo shall apply to hearings held pursuant to section 301.119, RSMo.

(8) The director shall make findings of fact and conclusions of law and enter his/her decision. All parties will be mailed a copy of the findings of fact and conclusions of law. No decision will be given at the time of the hearing.

(9) The effective date of the director's decision shall be the date set out in the notice of revocation/suspension or the date set in the hearing decision letter, whichever date is later.

(10) Parties may present briefs of law at the time of the hearing.

12 CSR 10-23.160 Good Moral Character of Motor Vehicle Dealers, Manufacturers, Boat Dealers, Salvage Dealers and Title Service Agents

PURPOSE: The director of the Department of Revenue is charged with the responsibility of determining that applicants for registration as motor vehicle dealers, salvage dealers and title service agents are of good moral character. This rule establishes the guidelines which will be used to determine if the applicant is eligible for registration.

(1) Except with a showing of evidence to the contrary, the following will be considered prima facie evidence on which the registration of a motor vehicle dealer, manufacturer, boat dealer, salvage dealer or title service agent will be denied because of lack of good moral character if the applicant:

(A) Has ever been convicted in any federal or state court of a felony relating to the acquisition or transfer of motor vehicles, trailers, motor vehicle parts or boats;

(B) Within five (5) years preceding the application, has been convicted in any federal or state court of a felony, within the last three (3) years, or has been convicted in any federal or state court of a misdemeanor relating to the acquisition of or transfer of motor vehicles, trailers, motor vehicle parts or boats; and

(C) Within three (3) years preceding the application, has been convicted in any federal or state court of a misdemeanor, or has shown contempt of laws in civil or administrative proceedings; or has had a motor vehicle dealer registration, manufacturer registration, boat dealer registration, salvage dealer registration or title service agent registration revoked in this or another state and has demonstrated through conduct since the date of the occurrence that no substantial improvement in character or reliability has occurred. A determination by the director of revenue that conduct subsequent to the occurrence in question demonstrated a failure to improve character or reliability will be made only following a notice to the applicant and a subsequent hearing before the director of revenue or his/her representative.

(2) Any dealer or applicant who receives notice of denial or revocation and desires to contest the prima facie of the fact(s) recited in subsection (1)(A) or (B) may request a hearing for the purpose of showing substantial rehabilitation or improvement in character sufficient to rebut the presumption created by the cited subsections. Request for a hearing should be submitted to the Director, Motor Vehicle and Driver's Licensing Division, P.O. Box 629, Jefferson City, MO 65105.

(Rescinded November 30, 2007)

12 CSR 10-23.180 Replacement Vehicle Identification Plates

PURPOSE: This rule clarifies the issuance of replacement vehicle identification number plates stamped with the original vehicle identification number assigned by the manufacturer of the motor vehicle or trailer by the Department of Revenue.

(1) Upon certified application, the Department of Revenue may authorize the issuance of one (1) metal replacement vehicle identification number (VIN) plate with the original VIN stamped on the plate. The plate will be designed by the department in order to distinguish the replacement plate from the original plate. Before the issuance of any replacement plate, a physical inspection of the vehicle to determine the true and complete VIN must be made by an officer of a law enforcement agency approved by the Department of Revenue for that purpose. The inspecting officer shall certify the inspection in the appropriate place on the application and may retain a copy.

(2) After the replacement VIN plate is issued, the Department of Revenue will forward a copy of the application for replacement VIN (see 12 CSR 10-23.426) plate accompanied by the replacement plate itself to the original inspecting law enforcement agency who will make contact with the vehicle owner.

(3) The attachment of the replacement plate to the vehicle must be made by or under the supervision of the original inspecting law enforcement officer. A certification attesting to the attachment of the plate shall be made on a copy of the application by the officer and the copy will then be returned by the officer to the Department of Revenue. No replacement VIN plate other than one provided by the Department of Revenue shall be affixed to any motor vehicle or trailer.

(4) The fee for the replacement VIN plate will be seven dollars and fifty cents ($7.50).

12 CSR 10-23.185 Obscene License Plates

PURPOSE: This rule establishes the guidelines for issuing personalized motor vehicle license plates.

(1) Language or symbols which are obscene or profane are not protected by the United States or Missouri Constitution. The language or symbols shall not be allowed on any personalized motor vehicle license plate issued under the provisions of section 301.144, RSMo. In determining whether or not requests for personalized motor vehicle license plates contain language or symbols which are obscene or profane, the Department of Revenue will use the standards in section (2).

(2) The following terms, as used in this rule, shall be defined as follows:

(A) Obscene—Language or symbols which represent or describe ultimate excretory functions or sexual acts in a patently offensive manner or make lewd reference to the male or female sexual organs and appeal to the prurient interests of the average person applying contemporary community standards (see Miller v. California, 415 U.S. 15, 93 S.Ct. 2607 (1973)). Prurient interests, as used in this definition, shall mean shameful or morbid interest in nudity, sex or excretion that goes substantially beyond customary limits or candor in description or representation of these matters (see Haldeman v. United States, C.A. Kan., 340 F2d 59 (10th Cir., 1965)); and

(B) Profane—Language or symbols which are irreverent or contemptuous of things regarded as sacred or that imply divine condemnation (see Baker v. State, 16 Ariz. App. 463, 494 P2d, 68 (1972) and Duncan v. United States, 48 F2d 128 (9th Cir., 1931)).

(3) No motor vehicle license plate will be issued by the Department of Revenue if the language or symbols on the plate are obscene or profane. In order to make this determina-

(Recinded September 9, 1993)

12 CSR 10-23.210 Congressional Medal of Honor License Plates

PURPOSE: This rule clarifies procedures for issuance of Congressional Medal of Honor license plates.

(1) Congressional Medal of Honor license plates are Missouri license plates containing letters or numbers or combinations of letters and numbers which may be established by the director of revenue.

(2) The license plates shall bear the words CONGRESSIONAL MEDAL OF HONOR in blue lettering on two (2) lines with letters approximately one inch (1") in height on a white background. Immediately to the left of these words shall appear a one (1) or two (2) digit number. The upper left-hand corner of the plate will bear a reproduction of the Congressional Medal of Honor in gold. On the top of the license plate shall appear the words MISSOURI and JUL.

(3) Congressional Medal of Honor license plates will be issued only to recipients of the Congressional Medal of Honor and may be issued to any motor vehicle other than a commercial motor vehicle licensed for more than twelve thousand pounds (12,000 lbs.).

(4) Congressional Medal of Honor license plates shall be issued only to motor vehicles which are owned solely or jointly by recipients of the medal.

(5) Any person desiring to obtain Congressional Medal of Honor license plates must make application for the set of two (2) plates.

(6) Each initial application for Congressional Medal of Honor plates shall be submitted to the Department of Revenue, P.O. Box 100, Jefferson City, MO 65105 and shall be accompanied by a letter from the United States Veterans Administration verifying the person was a recipient of the Congressional Medal of Honor. Upon approval, Congressional Medal of Honor license plates will be issued from the Motor Vehicle Bureau Central Office. Subsequent annual renewal may be accomplished at any branch or fee agent office statewide.

(7) Applicants for Congressional Medal of Honor license plates shall be required to comply with all Missouri laws and rules relating to the titling and registration of motor vehicles.

(8) Applications for renewal of Congressional Medal of Honor license plates shall be filed with the Department of Revenue prior to the last regular work day of July each year.

(9) Each person qualifying for a Congressional Medal of Honor license plate may license only one (1) motor vehicle with a Congressional Medal of Honor license plate.

(10) There shall be no fee charged for a Congressional Medal of Honor license plate.

12 CSR 10-23.220 Motor Vehicle Fee and Tax Refund Requests
(Recinded November 30, 2007)

12 CSR 10-23.230 Legal Sale of Motor Vehicle or Trailer

PURPOSE: This rule clarifies that, as of August 28, 1989, the form of warranty prescribed by the director of revenue for assignments of title to motor vehicles does not require acknowledgment of the transferor’s signature by a notary public. In addition, this rule clarifies that assignments of title made on or after August 28, 1989, which do not include a notarial acknowledgment of the transferor’s signature, are not procedurally defective.

(1) Any assignment of a motor vehicle or trailer certificate of title made on or after August 28, 1989, and before February 11, 1991, is not procedurally defective by reason of the transferor’s signature not being acknowledged by a notary public.

(2) Beginning on August 28, 1989, an assignment of a certificate of title does not require an acknowledgment of the transferor’s signature by a notary public. As of that date, the form of warranty of title prescribed by the director of revenue for the proper assignment of certificate of title pursuant to section 301.210, RSMo removed any requirement that the transferor’s signature be notarized.

(Recinded July 8, 1991)

12 CSR 10-23.250 Registration and Classification of Commercial Motor Vehicles

PURPOSE: This rule sets forth the requirements for the registration and classification of commercial motor vehicles.

(1) The intended usage of a motor vehicle shall determine how a vehicle is to be registered unless the registration is otherwise defined by statute. An applicant shall designate at the time of registration the type of usage for which the vehicle shall be principally used.

(2) A commercial motor vehicle is a motor vehicle designed for or regularly used for carrying freight and merchandise or more than eight (8) persons, excepting vanpools or shuttle buses. Commercial use of the vehicle...
shall be presumed where the vehicle is regularly used for the carrying of freight or persons for more than fifty percent (50%) of the driving time or mileage of the vehicle.

(3) The registrant of a van, truck or station wagon who registers the vehicle as non-commercial shall provide the department with a notarized affidavit that the commercial use of the motor vehicle comprises less than fifty percent (50%) of the use of the vehicle.

12 CSR 10-23.255 Issuance of New and Replacement Vehicle Identification Numbers

PURPOSE: This rule clarifies the issuance of a Department of Revenue vehicle identification number to motor vehicles and trailers which were never assigned a vehicle identification number plate by their manufacturer; have had a number destroyed, removed, covered or altered; or were reconstructed with various major component parts of other motor vehicles or trailers which have conflicting or different vehicle identification numbers.

PUBLISHER’S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

(1) Upon certified application, the department may authorize the issuance of one (1) adhesive vehicle identification number (VIN) known as a DR number which shall be affixed by authorized law enforcement in an upright position to the inside facing of the driver’s door adjacent to the number it is replacing on a motor vehicle; on the front fork of a motorcycle; or in a prominent, upright position on the left side of the tongue of a trailer; which shall serve as the VIN of the motor vehicle or trailer.

(2) The Department of Revenue (department) shall require an inspection before issuing a DR number to a motor vehicle by an officer of a law enforcement agency approved by the department. The inspecting officer shall certify the inspection on a Vehicle Examination Certificate provided by the department. If the Vehicle Examination Certificate indicates conflicting VINS for the public VIN and the police VIN, and at least three (3) or more new or used major component parts have been used in reconstructing the vehicle, the department will issue a DR number for the inspecting officer to affix to the motor vehicle as described in section (1). If a DR number is required but the applicant has not rebuilt or reconstructed the vehicle, the inspection may be completed on an Application for Vehicle/Trailer Identification Number Plate or Verification. The Vehicle Examination Certificate, DOR Form 552, which have been incorporated by reference, are published by the Missouri Department of Revenue, PO Box 100, Jefferson City, MO 65105-0100. These forms do not include any amendments or additions to the revision/publication dates shown. The Vehicle Examination Certificate is available at all contract offices and the department’s central office, or by mailing a written request to the Missouri Department of Revenue, PO Box 100, Jefferson City, MO 65105-0100. The Application for Vehicle/Trailer Identification Number Plate or Verification is available at all contract offices and the department’s central office, or may be ordered at http://www.dort.mo.gov/mvd/vehicle/ or by mailing a written request to the Missouri Department of Revenue, PO Box 100, Jefferson City, MO 65105-0100.

(3) Before issuance of a DR number to the owner of a manufactured trailer, the need for a DR number must be established through inspection of the trailer by an officer of a law enforcement agency approved by the department. The inspecting officer shall certify the inspection on an Application for Vehicle/Trailer Identification Number Plate or Verification provided by the department. If the manufactured trailer does not have a VIN, the department will issue, upon certified application for title by the owner, a DR number for the trailer. The DR number shall be affixed by authorized law enforcement as described in section (1).

(4) If an inspection of a motor vehicle or trailer reveals the public number has been destroyed, removed, covered, altered, or defaced but the confidential number assigned by the manufacturer can be located, the department will issue a replacement number containing the original VIN assigned by the manufacturer.

12 CSR 10-23.260 Inspection of Foreign Motor Vehicles Prior to Titling

PURPOSE: This rule sets forth the procedures for issuance of Missouri certificates of title to foreign motor vehicles not specifically manufactured for importation into this country.

Editor’s Note: The secretary of state has determined that the publication of this rule in its entirety would be unduly cumbersome or expensive. The entire text of the material referenced has been filed with the secretary of state. This material may be found at the Office of the Secretary of State or at the headquarters of the agency and is available to any interested person at a cost established by state law.

(1) Some vehicles are not manufactured for importation into the United States. In order for a certificate of title to be issued, the department requires any motor vehicle imported by a registered Missouri motor vehicle dealer, or an individual, which vehicle is not manufactured for importation into the United States, to be inspected by a member of the Missouri State Highway Patrol. At the time of the inspection, the Missouri State Highway Patrol will complete a Vehicle Examination Certificate, DOR Form 551. This form indicates that the vehicle identification number has been verified and is correct.

(2) Some motor vehicles which are purchased by Missouri residents in another country and imported into the United States are manufactured for importation into the United States and conform to all legal standards. The
ownership document for these vehicles is usually a Manufacturer’s Statement of Origin similar to the type issued for a motor vehicle constructed by an American manufacturer.

(A) Any application for title to a motor vehicle imported into the United States which is accompanied by a Manufacturer’s Statement of Origin need not be accompanied by a DOR Form 551(B). If problems are encountered at the time the application is entered into the Department of Revenue’s computer, the central office will inform the applicant to contact the Missouri State Highway Patrol to request that they inspect the vehicle and complete a Vehicle Examination Certificate.

CODE OF STATE REGULATIONS
19
REBUILT MOTOR VEHICLE - A motor vehicle which has been repaired or restored to its original appearance and design by means of repaired sheet metal and/or by replacement of new or major parts such as the bumper, hood, fender, grille, trunk lid, and doors of the same vehicle make, model, or description excluding major component parts (see definition of major component parts below). An original Missouri certificate of title will be issued for a rebuilt motor vehicle which conforms to this definition.

RECONSTRUCTED MOTOR VEHICLE - A vehicle that is altered from its original construction by the addition or substitution of two or more new or used major component parts, excluding motor vehicles made from all new parts, and new multistage manufactured vehicles.

MOTOR CHANGE MOTOR VEHICLE - A vehicle manufactured prior to August, 1957, which receives a new, rebuilt or used engine, and which used the number stamped on the original engine as the vehicle identification number.

SPECIALY CONSTRUCTED MOTOR VEHICLE - A motor vehicle which has not been originally constructed under a distinctive name, make, model, or type by a manufacturer of motor vehicles (EXAMPLE - DUNE BUGGY). The term "specially constructed motor vehicle" includes kit vehicles. The Missouri Certificate of Title issued will be stamped "Specially Constructed".

KIT MOTOR VEHICLE - A motor vehicle assembled by a person other than a generally recognized manufacturer of motor vehicles by the use of a "glider kit" or replica purchased from an authorized manufacturer and accompanied by a manufacturer's statement of origin. The "kit" may include the cab, drive train, etc. The Missouri Certificate of Title issued will be stamped "Specially Constructed."

NON-USA-STD MOTOR VEHICLE - A motor vehicle not originally manufactured in compliance with United States emissions or safety standards.

MAJOR COMPONENT PARTS - Include the following parts of a motor vehicle: rear clip, cowl, frame, front end assembly, front clip, body and cab.

MAJOR COMPONENT PARTS

I. FRONT-END ASSEMBLY - An entire unit consisting of that portion of the body from the firewall forward, i.e., hood, both fenders, inner skirt of fenders, radiator or core support, and grille.

II. FRONT CLIP - All parts of the front-end assembly plus complete cowl. It may include instrumentation and steering column. It requires cutting of vehicle floor and windshield post.

III. CAB - The passenger compartment of a common truck. It is a one-piece sheet metal construction which may or may not include glass, instrumentation, steering column, and seat.

IV. REAR CLIP - The complete rear sheet metal assembly formed by severing the vehicle across the floor and either through the windshield post or through the rear window post.

V. COWL - The sheet metal formed by severing the vehicle across the floor in the vicinity of the front seat and severing the windshield posts. It does not include parts forward of the firewall. If a cowl is included as an integrated part of a front clip, front-end assembly, or rear clip, it will not be considered a major component part for the purpose of determining the number of such parts used in reconstructing a vehicle.

VI. FRAME - The steel basic structure which runs the entire length of some vehicles and onto which the suspension parts are bolted to the lower side and the body is bolted to the top side. Unibody vehicles do not have this type frame.

VII. BODY - The shell, either of a unibody or frame-type passenger vehicle, which consists of a one-piece, integrated sheet metal construction extending from the firewall back. The body includes a cowl but not a front-end assembly. It may or may not include an interior, doors, and deck lid.

These definitions are provided for general reference only. They are subject to change. The Department of Revenue's current Administrative Rule on this subject shall control.
12 CSR 10-23.265 Statements of Non-Interest

PURPOSE: This rule sets forth the requirements to retitle when an assignment of title is erroneously completed.

(1) Whenever an assignment of title is erroneously completed or the sale of the vehicle is not consummated within sixty (60) days after the assignment of title, the seller of the vehicle must comply with one (1) of the requirements outlined as follows:

(A) If the seller of the vehicle is not a Missouri registered motor vehicle dealer, the seller of the vehicle must obtain a duplicate certificate of title from this department before the ownership of the vehicle may be transferred to another individual. The seller will be required to submit the following documents in order to obtain the duplicate title:
   1. Application for Duplicate Title, DOR-108;
   2. The mutilated certificate of title;
   3. A statement signed by the seller and the individual (purchaser) to whom the vehicle was assigned stating the date and reason the sale was not completed;
   4. A statement from any lienholder which may have been recorded in the assignment of title; and
   5. Required duplicate title fee;

(B) If the seller of the vehicle is a Missouri registered motor vehicle dealer, the dealership will not be required to obtain a duplicate certificate of title from the previous owner’s name but will be required to obtain an original title in the name of the dealership before the ownership of the vehicle may be transferred to another individual or dealership. The dealership will be required to submit the following documents in order to obtain the original title:
   1. Application for Title, DOR-108;
   2. The mutilated certificate of title;
   3. A statement signed by a representative of the dealership and the individual (purchaser) to whom the vehicle was assigned stating the date and reason the sale was not completed;
   4. A statement from any lienholder which may have been recorded in the assignment of title; and
   5. Required title fee; and
