**12 CSR 10-25.020 Procedures for Obtain-
ing Securities When a Judgment is Ren-
dered**

PURPOSE: This rule sets forth the procedures to be followed in order to obtain securities which have been posted with the director of revenue in compliance with Chapter 303, RSMo in satisfaction of a judgment for damages arising out of the ownership and use of a motor vehicle.

(1) Petitions for recovery of damages shall be sent to the Department of Revenue, Drivers License Bureau. The petition copy shall carry the official filing stamp of the court within which it is filed. The drivers license number of the defendant shall be provided by the attorney who submits the petition.

(2) The bureau, upon receipt of the petition, shall mark the file of the defendant subject "Litigation Pending." If the filing stamp on the petition indicates it was filed within one (1) year of the accident, a letter confirming this is sent to the plaintiff's attorney.

(3) Upon rendition of a judgment for plaintiff and after the time for appeal has expired, the plaintiff or the plaintiff's attorney may submit a certified copy of the judgment to the bureau. The bureau, in the case of cash deposits, shall submit a check to the plaintiff or plaintiff's attorney made payable to the plaintiff. When other forms of security are posted, that is, real estate bonds or security bonds, the bond shall be sent to the clerk of the court. The attorney for the plaintiff shall be notified in each case of the submission of the security to the clerk. It shall be the attorney's responsibility to receive the security and make partial or full satisfaction and release of the judgment.

(4) The bureau shall notify the person who posted the security of its submission to the plaintiff or plaintiff's attorney.

(5) Whenever the words plaintiff and defendant are used in this procedure, plaintiff shall mean the person in whose favor the judgment is rendered, defendant shall mean the judgment debtor who has posted security with the Drivers License Bureau, regardless of the fact that the judgment may have been rendered upon a counterclaim or upon a third-party pleading.

**12 CSR 10-25.030 Hearings Held Pursuant
to Section 303.290.1, RSMo**

PURPOSE: This rule sets forth the procedures used by the director in holding hearings as required by statute and the United States Supreme Court ruling of Bell v. Burson prior to the time any action is taken for compliance with the Safety Responsibility Law.

(1) Parties must request a hearing by the compliance date as established by the Department of Revenue. Failure to request a hearing by the date will be considered a waiver of the right to an administrative hearing and will make final for the purposes of review of the director's decision.

(2) If any request for a hearing required to be filed on or before a prescribed date is delivered after that date by United States mail to the director of revenue, or the office or person in that office with which or with whom the request is required to be filed, the date of the United States postmark stamped on the envelope shall be deemed to be the date of filing. This shall apply only if the postmarked date falls on or before the compliance date as established by the Department of Revenue. If any date for performing any act falls on a Saturday, Sunday or legal holiday in this state, the performance of the act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday or legal holiday.

(3) Failure to request a hearing by the compliance date with the Department of Revenue, Drivers License Bureau, or failure to appear

at a hearing in person, by affidavit or by telephone, will preclude that party from obtaining judicial review in the circuit court of the county of the residence of the licensee. The filing of a petition for review under section 303.290.2, RSMo automatically will stay any decision of the director pending the decision of the court; provided, a copy of the petition is filed with the director.

(4) Hearings for mandatory insurance sampling cases will be scheduled and conducted by telephone unless a request for an in-person hearing is made. All other hearings under Chapter 303, RSMo will be held in Jefferson City, Missouri.

(5) Parties requesting hearings will be notified of the date and the time of the hearing by first class mail at least ten (10) days prior to the hearing date. Copies of the notices will go to the attorneys of record and the parties involved.

(6) Parties requesting hearings will be allowed one (1) continuance at the discretion of the hearing officer provided good cause be shown. All requests for continuances shall be made in writing, shall state good cause for the continuance, shall be signed and verified by the party making the request or his/her attorney or authorized representative. All requests for continuance must be filed not later than six (6) days prior to the date of the scheduled hearing. The following events or conditions shall constitute good cause to continue a hearing:

(A) Death of a party, representative or attorney of a party, or witness to an essential fact;

(B) Incapacitating illness of a party or representative, or attorney of a party, or witness to an essential fact. The request must contain a written statement by an attending physician reciting the nature and probable duration of the illness; and

(C) Unavailability of a party, representative or attorney, or material witness due to an unavoidable emergency.

(7) Cases under section 303.290.1, RSMo shall be considered contested cases as that term is defined in Chapter 536, RSMo.

(8) Hearing Procedures.

(A) The director or his/her representative shall state to the requesting party that the request for hearing for the Notice of Suspension has been received. Other uninsured parties involved in the case, if any, shall be notified that the Department of Revenue has made a preliminary determination that a party was an uninsured motorist and subject

to the Motor Vehicle Financial Responsibility Law, and a request for an administrative hearing has been received. All other insured parties involved in the case, if any, shall be notified that the Department of Revenue has determined the uninsured parties driving and/or registration privileges may be suspended as required by the Motor Vehicle Financial Responsibility Law, and a request for an administrative hearing has been received.

(B) The requesting party may present any new facts which s/he feels may show that there is no reasonable possibility of a money judgment being rendered or that the percent of liability or amount of security required should be reduced. The party may also present any new facts that s/he feels may show why s/he should not be suspended for violation of the Motor Vehicle Financial Responsibility Law.

(C) Parties may present testimony by affidavit. Affidavits may be filed at time of hearing or after notice of setting of hearing.

(D) Failure to appear at the hearing in person, by affidavit or by telephone at the stated time will make final the decision of the director as of that date.

(E) The provisions of Chapter 536, RSMo shall apply to hearings held pursuant to section 303.290.1, RSMo.

(9) The director shall make Findings of Fact and Conclusions of Law and enter his/her decision. All parties will be mailed a copy of the Findings of Fact and Conclusions of Law when they become final. No decision will be given at the time of the hearing.

(10) The effective date of the director's decision shall be the compliance date established by the Department of Revenue or the date set out in the hearing decision letter, whichever date is later.

(11) A properly received request for a hearing will automatically stay the order of suspension of the director until the effective date of the director's decision.

There is no statutory requirement that the injury giving rise to the claim must either occur in this state or on the public highways and streets of this state.

(4) Whenever any real estate bond posted as security for an accident under the Motor Vehicle Safety Responsibility Law no longer fulfills the purpose for which it was posted in the opinion of the director, the director may require the filing of security in a different form and shall suspend the license and registration or the nonresident operating privilege pending the filing of other proof.
