16 CSR 20-2.045 Application for Retirement

PURPOSE: This rule sets forth the factors that will determine the date a member's application for retirement will be considered to have been filed, for purposes of determining the retirement effective date.

(1) Any vested member who has attained the minimum service retirement age, the minimum early service retirement age pursuant to section 70.670, RSMo, or, if an election has been made in accordance with section 70.646, RSMo to provide for alternate eligibility, have years of attained age and credited service in force which total eighty (80) or more, may file a written or electronic application for retirement with the system, including the date on which the member desires retirement to be effective.

(2) For purposes of section 70.645, RSMo, and this rule, the following factors shall determine the date that an application for retirement shall be deemed to have been filed with Missouri Local Government Employees' Retirement System (LAGERS):

(A) If the application is mailed to LAGERS via the U.S. Postal Service, the postmark date, or postal meter date;

(B) If the application is sent to LAGERS via private/commercial delivery service, the date the application is shipped by the commercial delivery service;

16 CSR 20-2.048 Definitive Break in Service to Determine Eligibility for Benefits

PURPOSE: This rule sets forth the factors that will determine when a member has established a definitive break in service, thereby becoming eligible to file an application for retirement or application for payments due a former member. It is imperative that all members establish such definitive break in service to be eligible to receive such benefits.

(1) When filing an "application for retirement" the member or former member shall not be reported as a full-time employee, receiving membership service in accordance with section 70.600(15), RSMo, for the month such retirement is to be effective. All credited service will be determined based upon administrative rule 16 CSR 20-2.010(2). In addition, the member or former member shall have a minimum calendar month break from employment termination date or retirement effective date, whichever is later. (Examples of how the minimum calendar month break from employment is calculated follows for a February 1 retirement effective date. In the situation where the applicable later date is the retirement effective date, then the calendar month date is satisfied on March 1. In the situation where the applicable later date is the employment termination date, and such termination date is February 10, then the minimum calendar month break is satisfied on March 10.)

(2) When filing an "application for payments due a former member" such former member shall not be reportable as a full-time employee as of the application date. In addition, the former member shall have a minimum of one

(1) month with no reported service credit following termination of employment in accordance with administrative rule 16 CSR 20-2.010(2).

AUTHORITY: sections 70.605.16 and 70.605.21, RSMo Supp. 2012. Original rule filed Sept. 17, 2012, effective Feb. 28, 2013.*

16 CSR 20-2.050 Waiting Period for Contributions on New Employees

PURPOSE: The purpose of this rule is to clarify the procedures to follow in determining when contributions are to begin for new employees.

(1) If the date of employment of a new employee is any day other than the first calendar day of a month, the six (6)-month waiting period will begin with the first calendar day of the month following the month of employment.

(2) A member is allowed only one (1) six (6)-month waiting period while participating in the system.

(3) If a member was employed in a position requiring less than the number of hours adopted by his/her employer for participation, the date of employment for system purposes would be the date of full-time employment.

AUTHORITY: section 70.605.21, RSMo 1986. Original rule filed Dec. 29, 1975, effective Jan. 8, 1976. Amended: Filed Oct. 6, 1983, effective Jan. 11, 1984.*

**Original authority: 70.605, RSMo 1967, amended 1974, 1992, 2000.*

16 CSR 20-2.055 Election of Optional Retirement Benefits

PURPOSE: This rule clarifies the circumstances under which failure to elect an optional retirement benefit will result in payment of a single lifetime benefit.

(1) Under section 70.660, RSMo 1994, after a member's application for retirement has been received by Missouri Local Government Employees' Retirement System (LAGERS), and prior to the effective date of retirement, but not thereafter, a member may elect one of several benefit options, which will provide for payment of an allowance to his/her designated beneficiary in the event of the member's death, thereby reducing the member's

allowance for life.

(2) Election of a benefit option pursuant to the provisions of section 70.660, RSMo must be made in writing on a form provided to the member by LAGERS. To be effective, the completed election form must be returned to LAGERS no later than six (6) months from the date the election form is mailed to the member.

(3) If the member fails to make an optional benefit election and/or to return the completed election form to LAGERS within six (6) months from the date the election form is mailed to the member, his or her allowance for life shall be paid as a single lifetime benefit.

(4) For purposes of determining whether an optional benefit election has been made in a timely manner, the following factors shall be determinative:

(A) If the election form is returned to LAGERS via the postal service, the postmark date;

(B) If the election form is returned to LAGERS via private/commercial delivery service, the date the form is shipped by the private/commercial delivery service;

(C) If the election form is sent to LAGERS via facsimile transmission, the date and time the fax transmission is received by LAGERS; or

(D) If the election form is personally given to a LAGERS board member or employee, the date of personal delivery.

AUTHORITY: sections 70.605.21, RSMo 1994 and 70.660, RSMo Supp. 1998. Original rule filed Feb. 16, 1999, effective July 30, 1999.*

**Original authority: 70.605, RSMo 1967, amended 1974, 1992 and 70.660, RSMo 1967, amended 1971, 1972, 1977, 1992, 1998.*

16 CSR 20-2.056 Lump-Sum Cash Payout of Retirement Allowance

PURPOSE: This rule establishes the circumstances under which a member or former member may receive a lump-sum cash payout in lieu of a monthly benefit, as provided for in section 70.660.2(4), RSMo regarding optional retirement elections.

(1) A member or former member who is entitled to a retirement allowance, as defined in section 70.655 or section 70.765, RSMo, may, in accordance with section 70.660.2(4), elect to receive a lump-sum cash payout at retirement that is the actuarial equivalent of the retirement allowance otherwise payable,

provided that the value of the reserve at the time of payment is less than twenty thousand dollars (\$20,000).

(2) The election to receive a lump-sum cash payment must be made before the first payment of a retirement allowance becomes due and payable, but not thereafter.

(3) The reserve value of the lump-sum payout shall be calculated at the time of the member or former member's retirement.

(4) A member or former member electing to receive a lump-sum cash payout pursuant to the provisions of this rule shall do so by electing payment under Option "D" on the LRS-9, "Election of Allowance Option" form.

AUTHORITY: section 70.605.21, RSMo 2016. Original rule filed Oct. 17, 2001, effective May 30, 2002. Amended: Filed May 3, 2019, effective Nov. 30, 2019.*

**Original authority: 70.605, RSMo 1967, amended 1974, 1992, 2000, 2003, 2013.*

16 CSR 20-2.057 Qualified Government Excess Benefit Arrangement (QGEBA)

PURPOSE: This rule implements section 70.655, RSMo and section 415(m) of Title 26 of the United States Code and allows for the payment of benefits in excess of the limits imposed by section 415 of Title 26 of the United States Code to which retirees and beneficiaries are otherwise entitled pursuant to Chapter 70, RSMo.

(1) Definitions.

(A) "Allowance" shall mean the total of a retiree's annuity and pension.

(B) "Annuity" shall mean a monthly amount derived from the accumulated contributions of a member and payable by the system throughout the life of one (1) or more persons or for a temporary period.

(C) "Pension" shall mean a monthly amount derived from contributions of an employer and payable by the system throughout the life of one (1) or more persons or for a temporary period.

(D) "Maximum benefit" shall mean the monthly allowance a retiree or beneficiary is entitled to receive from the retirement system, to the extent the pension component of such allowance does not exceed the annual benefit limit set forth in section 415 of Title 26 of the *United States Code*, as amended.

(E) "Retirement System" shall mean the Missouri Local Government Employees' Retirement System established pursuant to Chapter 70, RSMo.

(F) "Section 415(m) benefit plan participant" shall mean any retiree or beneficiary whose pension otherwise payable pursuant to Chapter 70, RSMo, would exceed the maximum benefit permitted under section 415 of Title 26 of the *United States Code*, as amended. Eligibility as a section 415(m) benefit plan participant shall be determined by the retirement system at the time of retirement and annually thereafter.

(G) "Section 415(m) benefit plan" shall mean the separate, unfunded qualified government excess benefit arrangement within the meaning of section 415(m) of Title 26 of the *United States Code*, as amended, and established pursuant to administrative rule, and that is separate from the retirement system.

(H) "Unrestricted benefit" shall mean the monthly pension a retiree or beneficiary would have been entitled to receive without giving effect to the limits imposed by section 415 of Title 26 of the *United States Code*.

(2) A section 415(m) benefit plan participant receiving an allowance from the retirement system pursuant to Chapter 70, RSMo, is entitled to a monthly benefit under the section 415(m) benefit plan in an amount equal to the section 415(m) benefit plan participant's unrestricted benefit less the maximum benefit. In no event shall a retiree or beneficiary receive a total monthly allowance from the retirement system and the section 415(m) benefit plan in excess of the monthly allowance he or she would have been entitled to receive from the retirement system under Chapter 70, RSMo without giving effect to the limits imposed by section 415 of Title 26 of the *United States Code*.

(3) Any benefit to which a retiree or beneficiary is entitled pursuant to this rule shall be paid at the same time and in the same manner as the benefit would have been paid from the retirement system if the payment of the benefit from the retirement system had not been subject to the limits imposed by section 415 of Title 26 of the *United States Code*.

(4) Any other provision of law to the contrary notwithstanding, contributions may not be accumulated under the section 415(m) benefit plan to pay future monthly benefits to section 415(m) benefit plan participants. Instead, a portion of each payment of employer contributions made to the retirement system pursuant to the provisions of section 70.730, RSMo shall be paid to the section 415(m) benefit plan in an amount necessary to satisfy the retirement system's obligation to pay section 415(m) benefit plan participants the

amount calculated pursuant to section (2), above, as those amounts become due and payable, as well as those amounts needed to pay reasonable expenses necessary to administer the section 415(m) benefit plan.

(5) The section 415(m) benefit plan is a separate component of the retirement system plan qualified pursuant to section 401(a) of Title 26 of the *United States Code* and is maintained solely for the purpose of funding and providing benefits to retirees and beneficiaries when the retirees' or beneficiaries' unrestricted benefits would otherwise exceed the limits imposed by section 415 of Title 26 of the *United States Code*.

(6) A member, retiree, or beneficiary of the retirement system may not directly or indirectly elect to defer payment of benefits or allowances payable pursuant to this rule.

(7) The section 415(m) benefit plan shall be administered in the same manner as the retirement system, pursuant to section 70.605, RSMo.

AUTHORITY: section 70.605.21, RSMo Supp. 2004. Original rule filed Nov. 17, 2004, effective May 30, 2005.*

16 CSR 20-2.060 Correction of Errors

PURPOSE: The purpose of this rule is to make express the implied authority of the board of trustees to assure that payments in the correct amount are made to former members and their beneficiaries.

(1) Should any change in records or error result in any person receiving from the system more or less than s/he would have been entitled to receive had the records been correct or the error not been made, the executive secretary shall make corrections to the records and as far as is practicable shall adjust the amount of the benefit in such a manner that the correct amount of the benefit to which the person is entitled shall be paid.

(2) In the event that an error, oversight, or miscalculation of benefits results in an active or former member, retirant, or beneficiary being paid less than the amount which s/he was entitled to receive, the amount of retroactive benefits payable, if any, shall be calculated, and the system shall pay such amount in a lump-sum payment, in addition to adjusting the amount of the current benefit, as other-

wise provided in this section.

(3) In the event that an error, oversight, or miscalculation of benefits results in an active or former member, retirant, or beneficiary being paid more than the amount which s/he was entitled to receive, the executive secretary shall notify the individual of the amount of the overpayment, which shall be recovered by the system in accordance with the following policy:

(A) If the active or former member, retirant, or beneficiary is receiving a monthly benefit or other type of recurring payment from the system, the Missouri Local Government Employees' Retirement System (LAGERS) will recover the overpayment by making an adjustment to the recurring payment using an actuarially determined reduction over the individual's estimated lifespan to recover the full amount of the overpayment to the particular active or former member, retirant, or beneficiary who received the overpayment. Such overpayment recovery shall not exceed the actual dollar amount of the overpayment. The particular active or former member or retirant or beneficiary who received the overpayment may also opt to repay the overpayment to the system in one lump sum payment.

(B) In the event that an active or former member, retirant, or beneficiary received an overpayment of a lump sum or other type of nonrecurring payment from the system, LAGERS will take reasonable steps to have the overpayment amount returned to the system by the active or former member, retirant, or beneficiary who received the overpayment.

(4) Any correction of errors to member records concerning, but not limited to, name, remuneration, contributions, marriage, dates of employment, termination or birth, Social Security number, tax status, address or service credit adjustments must be certified to the system in writing.

PURPOSE: This rule clarifies the procedures to follow when a political subdivision is delinquent in payments to the system.

(1) The system will provide each political subdivision with a monthly employer statement of account, which will indicate the remittance due the system from the political subdivision.

(2) If any political subdivision fails to make any payment due, as indicated on the employer statement of account, by the twelfth day of the month (or the first business day thereafter if the twelfth day is not a business day), the system shall make the payment due a receivable or shortage on the employer's statement and notify the political subdivision in writing, which may be sent to the employer electronically or via U.S. Mail. If the political subdivision fails to make any payment due the retirement system for a period of sixty days (60) after the payment becomes due, as set forth above, the retirement system may consider the political subdivision delinquent and seek relief as provided in RSMo section 70.735.

(1) A member who makes a written application for disability retirement benefits pursuant to section 70.680, RSMo, or for other relief pursuant to section 70.605.16, RSMo, shall file the application within one (1) year from the date of alleged disability or within one (1) year of the date of the event from which relief is sought under section 70.605.16, RSMo.

16 CSR 20-2.105 Redetermination of Allowances During Deflation and Consumer Pricing Indices To Be Considered

PURPOSE: The purpose of this rule is to clarify how retiree allowances will be redetermined pursuant to section 70.655.7-.10 et. seq., RSMo, during periods of deflation and which Consumer Pricing Indices may be considered in making the redetermination.

(1) For purposes of calculating the redetermined amount of the allowance as set forth under section 70.655.7-.10 et. seq., RSMo, during periods of deflation, if the annual Consumer Price Index (CPI) is negative, there shall be no actual reduction in the redetermined amount of the retirees' allowances. However, in the next year in which the annual Consumer Price Index (CPI) is positive, the Board of Trustees may consider the cumulative net increase or decrease in the Consumer Price Index (CPI) inclusive of the negative and positive years when redetermining any amount of the retirees' allowances.

(2) In order to continue the original intent of the use of the Consumer Price Index, as defined by section 70.655.7, RSMo, the Board of Trustees of the Retirement System may also consider the Consumer Price Index for All Urban Consumers (CPI-U), as determined by the United States Department of Labor, when redetermining any amount of the retirees' allowances.

16 CSR 20-2.110 Military Benefits Payable

PURPOSE: The purpose of this rule is to provide LAGERS' interpretation of the Uniformed Services Employment and Reemployment Rights Act (USERRA)(38 USC 4301 et seq.) and applicable LAGERS' statutes regarding LAGERS' benefits for a member serving in the United States Armed Forces.

(1) For purposes of determining the applicability of Missouri Local Government Employees Retirement System (LAGERS) benefits to members serving in the United States Armed Forces as set forth in the Uniformed Services

Employment and Reemployment Rights Act (USERRA) (38 USC 4301 et seq.), 38 USC 4318 requires the applicability of LAGERS' provided retirement benefits in such a manner that the member on qualified military service pursuant to USERRA and/or applicable Missouri statutes is treated as not having incurred a break in service by reason of such person's period or periods of service in the uniformed services. The LAGERS' Board of Trustees interprets Missouri statutes sections 70.600-70.655 et seq. and section 105.270, RSMo, to provide benefits for death or disability incurred while on such qualified military service. If the death or disability occurred in the line of duty, then benefits will be provided as if the death or disability arose out of and in the course of duty as an employee.

16 CSR 20-2.115 Administration of Prior Non-LAGERS Retirement Plans

PURPOSE: This rule further defines the procedures to be used when a political subdivision and the Missouri Local Government Employees' Retirement System (LAGERS) enter into an agreement for LAGERS to assume all duties and responsibilities for operating the political subdivision's prior retirement plan pursuant to section 70.621, RSMo.

(1) As used in this rule, the terms below shall be defined as follows:

(A) "LAGERS Plan" means a political subdivision's active retirement benefit program with LAGERS; and

(B) "Legacy Plan" means a plan similar in purpose to LAGERS for which the political subdivision and LAGERS have entered into an agreement whereby LAGERS assumes all duties and responsibilities of operating the plan pursuant to 70.621, RSMo.

(2) When calculating an employer's contribution rate pursuant to 70.730, RSMo when the employer and LAGERS have entered into an agreement for LAGERS to administer the member's Legacy Plan, the following procedures shall be applied:

(A) For purposes of computing the employer contribution rates under section 70.730, RSMo, separate employer contribution rates will be computed for the LAGERS Plan and the Legacy Plan. The contribution

rate for the Legacy Plan will be expressed as a dollar amount;

(B) For the purposes of calculating the limitation on increases to an employer's contribution provided by subsection 6 of 70.730, RSMo, the employer contribution rate will be calculated as a combined employer contribution rate expressed as a percentage of total (i.e., LAGERS Plan plus Legacy Plan) payroll, including when the Legacy Plan has active members and when the Legacy Plan does not have active members. Both the LAGERS Plan contribution rate and the combined employer contribution rate shall be subject to the limitation on increases to an employer's contribution rate;

(C) For the first year in which the Legacy Plan is operated by LAGERS, the limitation on increases in an employer's contribution provided by subsection 6 of 70.730, RSMo shall not apply to any contribution increase; and

(D) The Board of Trustees may, in its sole discretion, elect to establish a fixed payment schedule for a Legacy Plan. At such time as a fixed payment schedule is established, a combined employer contribution rate, as described above in subsection (2)(B), will no longer be calculated and the employer contribution rate will again be expressed as a percentage of total LAGERS Plan payroll. For the first year in which a fixed payment schedule is established and the combined employer contribution rate is no longer calculated, the limitation on increases in an employer's contribution provided by subsection 6 of 70.730, RSMo shall not apply to any contribution increase.

(3) An active, deferred, or retired member of a Legacy Plan shall not be eligible to hold the position of a member trustee on the LAGERS Board of Trustees, to serve as a member delegate to the LAGERS annual meeting, or to participate in the election of the member delegate to attend the LAGERS annual meeting. However, an active, deferred, or retired member of a Legacy Plan may be eligible to hold the position of an employer trustee on the LAGERS Board of Trustees or the trustee appointed by the governor, provided that he or she meets the other criteria for eligibility for those positions.
