(2) Verification of the degree is required by means of an official transcript sent directly to the committee by the educational institution.

**20 CSR 2263-2.030 Supervised Licensed
Social Work Experience**

PURPOSE: This rule defines supervised licensed social work experience and sets out the supervised experience requirements for licensed clinical social workers and licensed baccalaureate social workers.

(1) Supervision of the applicant for licensure shall not begin, and will only be acceptable to the committee, after the satisfactory completion of the educational requirements as set forth in the rules promulgated by the committee.

(2) The supervisor must have met the requirements for an acceptable supervisor, as set out in 20 CSR 2263-2.031, at the time the supervision was performed.

(3) Acceptable supervised licensed social work experience has the following characteristics:

(A) Allowable supervision:

1. A minimum of two (2) hours every two (2) weeks of individual face-to-face supervision by the supervisor;

2. However, individual face-to-face supervision may be consolidated for up to four (4) weeks for a total of four (4) hours of individual face-to-face supervision per four (4)-week period. These hours shall be included in the total number of supervised hours required in subsection (3)(B). Fifty percent (50%) of supervision may be group supervision;

3. For the purpose of this rule, group supervision may consist of at least three (3), and no more than six (6) supervisees; and

4. The use of electronic communications is acceptable for meeting supervision requirements of this rule only if the ethical standards for confidentiality are maintained and communication is verbally and visually interactive between the supervisor and the supervisee;

(B) The minimum acceptable supervised experience shall be three thousand (3,000) hours obtained in no less than twenty-four (24) and no more than forty-eight (48) consecutive calendar months. The forty-eight (48)-month time frame may include periods of unemployment and/or part-time employment. The total time frame is calculated in consecutive months, not the employment within that period. Supervised experience toward the three thousand (3,000) required

hours which is not within a consecutive forty-eight (48)-month period, is not eligible for submission toward licensure; and

(C) The practice of social work by the supervisee shall be performed under the oversight, guidance, control, and full professional responsibility of the supervisor approved by the committee, in compliance with all laws and regulations relating to the practice of social work. In the event the applicant fails to pre-approve their supervisor(s), or are applying through reciprocity, the committee may review the supervision for compliance and consideration for licensure.

(4) An application for licensure must be submitted pursuant to the rules promulgated by the committee upon completion of the supervised social work experience. All applicants for licensure must remain under approved supervision until the license is approved by the committee.

**20 CSR 2263-2.031 Acceptable Supervisors
and Supervisor Responsibilities**

PURPOSE: This rule defines an acceptable supervisor and supervisor responsibilities.

(1) Acceptable Supervisors—

(A) An acceptable supervisor for a clinical or advanced macro social worker license shall—

1. Have a master's or degree from a college or university program of social work accredited by the Council on Social Work Education (CSWE) or a doctorate degree in social work;

2. Be licensed in Missouri as a clinical or advanced macro social worker or similarly licensed in another state whose licensure laws, as determined by the committee, are equivalent to Missouri;

3. If seeking approval of supervision on or after September 30, 2010, have completed a sixteen (16)-hour continuing education course in supervision approved in accordance with the rules of continuing education;

A. Approved course work and sixteen (16)-hour supervision training courses must contain components relative to—

(I) Supervisory Relationship and Process;

(II) Supervision of Supervisee's Practices;

(III) Professional Relationships;

(IV) Work Content;

(V) Evaluation and lifelong learning; and

(VI) Professional Responsibility;

4. Have five (5) years of post licensure experience; and

5. For ongoing currency, supervisors shall have completed at least three (3) hours of face-to-face continuing education in supervision each renewal cycle as part of the total hours required;

(B) A licensed clinical social worker (LCSW) may supervise LCSW, licensed advanced macro social worker (LAMSW), or licensed baccalaureate social worker (LBSW) independent practice registrants and may supervise a licensed master social worker (LMSW) who is under registered supervision pursuant to section (7) of this rule;

(C) A LAMSW may supervise LAMSW or LBSW independent practice registrants; and

(D) A Missouri LBSW independent practice or a LBSW from another state whose licensure laws, as determined by the committee, are equivalent to Missouri may supervise an LBSW registrant.

(2) The acceptable supervisor cannot be a relative of the supervisee.

(A) A relative is defined as spouse, parent, child, sibling of the whole or half-blood, grandparent, grandchild, aunt, or uncle of the supervisee or one who is or has been related by marriage or has any other dual relationship.

(3) A licensed supervisor whose license has been subject to probation, suspension, or revocation shall not supervise without prior approval of the committee. A licensed supervisor who is currently under probation, suspension, or revocation shall not supervise.

(4) A social worker holding an equivalent

license in another state may supervise in that state but may not do so in Missouri because supervision is the practice of social work according to sections 337.600–337.689, RSMo.

(5) The practice of social work by the supervisee shall be performed under the supervisor's control, oversight, guidance, and full professional responsibility. This shall include all applicable areas of practice including but not limited to:

(A) General orientation of the setting's policies and procedures;

(B) Providing strategies for professional social work practice;

(C) Preliminary screening of all potential clients of the supervisee to determine if the supervisee is capable of successful assessment, intervention, and referral;

(D) Thorough knowledge of the supervisee's entire workload;

(E) Thorough knowledge of each assignment or case, including assessment, diagnosis, and intervention;

(F) Ongoing evaluation and modification of the supervisee's workload as necessary;

(G) Allowable Supervision.

1. A minimum of two (2) hours every two (2) weeks of individual face-to-face supervision by the supervisor.

2. However, individual face-to-face supervision may be consolidated for up to four (4) weeks for a total of four (4) hours of individual face-to-face supervision per four (4)-week period. These hours shall be included in the total number of supervised hours required as set forth in the rules promulgated by the committee.

3. Fifty percent (50%) of supervision may be group supervision. For the purpose of this rule, group supervision may consist of at least three (3), and no more than six (6), supervisees.

4. The use of electronic communications is acceptable for meeting supervision requirements of this rule only if the ethical standards for confidentiality are maintained and the communication is verbally and visually interactive between the supervisor and the supervisee;

(H) A contract shall be negotiated by supervisor and supervisee and a copy furnished to the committee within thirty (30) days of the beginning of supervision. Should the contract be terminated before completion of the minimum number of hours required, the supervisee is responsible for negotiating a new contract and obtaining all evaluation and termination forms required to document prior supervision;

(I) Acceptable safeguards shall be built

into the contract if the supervisor and supervisee have a relationship that could affect the employment or benefits of the supervisor, and the relationship could, in any way, bias or compromise the supervisor's evaluation of the supervisee;

(J) When the proposed supervisor is not a staff member of the supervisee's agency, social work ethics demand that the proposed supervisor insure that the agency administration, or its representative, is in accord with the arrangements for supervision by a qualified licensed social worker supervisor. This is essential whether these arrangements are made by the agency or the supervisee and regardless of whether the agency contributes to financial compensation of the supervisor. The supervisor is responsible for securing agreement from the agency administration as to the purpose and content of the desired supervision and the supervisor's specific role, responsibilities, and limitations. The supervisor is also responsible for learning agency functions and policies so that any supervisory suggestions are constructive and realistic within agency purposes and resources;

(K) When there is a change in the setting or supervisor, the supervisor is responsible for notifying the committee and submitting a change of status form to the committee. Such change of status form must be received by the committee within fourteen (14) days of the change;

(L) If supervision is terminated by either party, the supervisor is responsible for notifying the committee and submitting a termination form to the committee. Such termination form must be received by the committee within fourteen (14) days of termination; and

(M) The supervisor shall provide annual reports of progress to the committee. These will be due on the anniversary date of the initial approval for the twelfth, twenty-fourth, and thirty-sixth months of supervision. The annual report will provide an overview of the licensee's practice knowledge of the licensure statutes and rules, licensure scope of practice, understanding and adherence to approved standards of professional and ethical conduct, areas of continued growth and development, and accountability of supervision hours thus far in the process.

(6) Within fourteen (14) days of the termination of the supervised experience, the supervisor shall complete the committee's Attestation of Supervision Form, summarizing the supervisee's performance and level of compliance with the requirements for supervised social work experience.

(A) If the supervisor does not recommend

the supervisee for licensure or recommends licensure with reservation, the Attestation of Supervision Form shall be supplemented with a detailed statement explaining why recommendation for licensure without reservation cannot be made. Exhibits may be attached to the statement of explanation.

(B) A copy of the statement of explanation, and any exhibits, shall be delivered to the supervisee.

(C) The supervisee may respond to the statement of explanation within fourteen (14) days, in writing or by making a request for an appearance before the committee.

(D) The supervisor and the supervisee shall promptly respond to any inquiry made by the committee or at its direction regarding the Attestation of Supervision Form or the statement of explanation.

(7) A licensed master social worker under registered supervision may be employed in the supervisor's private practice setting or in the private practice of another. In those instances, the supervisor may bill clients for services rendered by the licensed master social worker but under no circumstances shall the licensed master social worker bill the clients directly for services rendered. The only exception to this section shall be when reimbursement for services is provided under Title XIX (Medicaid) through the Missouri Department of Social Services, MO Health-Net Division. A licensed master social worker under registered supervision may accept a Medicaid reimbursement number and services may be billed through that number, provided such reimbursement is administered through the professional setting employing the licensed master social worker, and not directly paid to the licensed master social worker. The professional setting shall not include private practice in which the licensed master social worker operates, manages, or has an ownership interest in the private practice.

20 CSR 2263-2.032 Registration of Supervised Social Work Experience

PURPOSE: This rule outlines the requirements for registering clinical social work experience.

(1) Supervised social work experience shall be registered for approval by the committee prior to the beginning of supervision. This will ensure that the supervision is acceptable to the committee prior to applying for licensure. In the event the applicant fails to pre-approve their supervisor(s), or is applying through reciprocity, the committee at its discretion may review the supervision for compliance and consideration of licensure.

(2) Registration of supervision for social workers beginning the practice of social work under supervision in another state and intending to apply for licensure in Missouri is acceptable to the committee if the supervisor holds a license in the other state, determined by the committee to be substantially similar to Missouri's.

(3) The applicant for registration of supervision shall—

(A) Have one (1) of the following licenses:

1. Licensed master social worker (LMSW) for clinical or advanced macro path; or

2. Licensed baccalaureate social worker (LBSW) if seeking independent practice on a baccalaureate level;

(B) Submit a completed registration of supervision form provided by the committee;

(C) Submit a copy of a contract negotiated between the applicant and the proposed supervisor. However, should the contract be terminated before the completion of the minimum hours required, the supervisee is responsible for negotiating a new contract and obtaining all evaluation and termination forms required to document prior supervision. Such a contract shall not be valid if the

supervisor and supervisee have a relationship that could affect the employment or benefits of the supervisor, and the relationship could, in any way, bias or compromise the supervisor's evaluation of the supervisee; and

(D) Pay the one (1)-time registration of supervision fee as prescribed by the committee.

(4) The applicant for registration of supervision shall practice social work under the order, control, oversight, guidance, and full professional responsibility of the approved registered supervisor at the setting(s) approved by the committee.

(5) Whenever a supervisee changes a supervisor or adds a supervisor or new setting, a change of status form, provided by the committee, shall be submitted to the committee by the supervisee. There is no fee for updating a change of supervision and/or setting, but must be submitted in writing within fourteen (14) days. Failure to submit a change will result in supervision hours not calculated towards the three thousand (3,000) hours of supervised licensed social work experience.

(6) A supervisee may be employed in the supervisor's private practice setting or in the private practice of another. The professional setting shall not include private practice in which the supervisee operates, manages, or has an ownership interest in the private practice.

(7) The committee shall notify both the supervisee and registered supervisor, in writing, of the committee's approval or refusal of the registration of supervision. A registration of supervision will not be reviewed until all items required by section (3) of this rule are received.

(8) Supervised social work experience of the supervisee in an exempt setting (any agency or department of Missouri) shall meet the requirements as set forth in the rules promulgated by the committee.

(9) Approval of the proposed social work experience and/or the proposed supervisor shall be withdrawn if circumstances change so that the experience, supervisor, or both, do not qualify as supervised social work experience as that term is defined in the rules promulgated by the committee.

(10) Because the difficulties in confirming or verifying supervision increase dramatically over time, supervision will not be recognized if it occurred more than sixty (60) calendar

months prior to the application for licensure being filed.

(11) Any termination of supervision or change of supervision site must be reported by the supervisor to the committee in writing within fourteen (14) days.

(12) The supervisor shall provide annual reports of progress to the committee. These will be due on the anniversary date of the initial approval for the twelfth, twenty-fourth, and thirty-sixth months of supervision. The annual report will provide an overview of the licensee's practice knowledge of the licensure statutes and rules, licensure scope of practice, understanding and adherence to approved standards of professional and ethical conduct, areas of continued growth and development, and accountability of supervision hours thus far in the process.

(13) If the required hours of supervision are not completed within forty-eight (48) months of the beginning of supervision, the supervisee shall submit a detailed written plan to the committee for approval specifying how the supervision will be successfully concluded, co-signed by the supervisor. The committee may approve the plan, request further information from either the supervisee or the supervisor, or require either the supervisee or the supervisor, or both, to appear before the committee or a subcommittee thereof.

(B) A reciprocity application fee as set forth in the rules promulgated by the committee;

(C) Verification form provided by the committee to be completed by the regulatory entity verifying that the individual holds a valid, unexpired license as a social worker in that state, territory, province, or country whose licensing or certification requirements at the time the application is submitted to the committee are substantially similar to those in Missouri and verification that the individual has engaged in the active practice of social work for at least three (3) of the past five (5) years. The applicant has the burden of providing the information necessary for determi-

(3) Each licensee shall notify the committee in writing within thirty (30) days of any change relating to rules promulgated by the committee occurring during the renewal period.

20 CSR 2263-2.090 Inactive Status

PURPOSE: This rule outlines the process of requesting inactive status to maintain a license as a licensed social worker.

(1) A licensee shall request inactive status in writing. An inactive license shall be renewed biennially. Failure to receive a renewal notice shall not relieve the licensee of the obligation to renew the inactive license and pay the required fee prior to the expiration date of the inactive license. Renewals shall be post-marked no later than the expiration date of the license to avoid the late renewal penalty fee as defined in rules promulgated by the committee.

(2) Each inactive licensee shall provide the committee, at the time of application for renewal of the inactive license, with a completed renewal form issued by the committee that shall contain updated information since the preceding application/renewal period.

(3) The licensee shall not practice social work in the state of Missouri while the license is inactive, unless otherwise allowed by law.

(4) Licensees granted an inactive license by the committee shall place the word “inactive” adjacent to their social work title on any business card, letterhead, or any other document or device, unless otherwise allowed by law.

(5) If an inactive licensee wishes to return a license to active status, the licensee shall complete a renewal form and pay the renewal fee as stated in the rules promulgated by the committee. In addition the licensee shall:

(A) Furnish evidence of completion of at least thirty (30) hours of continuing education within the prior two (2) years, or agree to complete thirty (30) hours within one (1)

calendar year from the date of reactivation; or
(B) Successfully complete the examination required for licensure.

(6) In addition to the requirements set forth in section (5) above, a licensee whose license is inactive for five (5) years or more and has not completed sixty (60) hours of continuing education within five (5) years shall be required to successfully complete the examination required for licensure as referenced in 20 CSR 2263-2.050(4)(D).

(7) The inactive license fee is established in 20 CSR 2263-1.035.
