**20 CSR 2270-2.021 Internship or Veterinary Candidacy Program**

*PURPOSE: This rule describes the postgraduate internship program required for licensure as a veterinarian.*

(1) All applicants for licensure by examination shall complete a three hundred twenty (320) hour postgraduate internship or veterinary candidacy program under the supervision of a licensed veterinarian in good standing or demonstrate the practice of veterinary medicine without encumbrance in another state or jurisdiction at least twelve (12)

months prior to application for licensure in Missouri. To be in good standing the veterinarian's license(s) must be current and unencumbered. The postgraduate internship or veterinary candidacy program may be completed in any state, territory or district of the United States or Canada. The applicant must submit a request for approval in writing and provide the credentials of the supervising veterinarian.

(2) The supervising veterinarian shall submit an evaluation form stating that the applicant has satisfactorily completed the internship or veterinary candidacy program. The form is available upon request from the executive director, Missouri Veterinary Medical Board, PO Box 633, Jefferson City, MO 65102.

(3) The purpose of the internship or veterinary candidacy program is to provide the applicant with at least three hundred twenty (320) hours of work experience in veterinary medicine under supervision prior to licensure.

A student preceptor program located outside the United States must be pre-approved by the board. The applicant must submit a request for approval in writing and provide the credentials of the supervising veterinarian.

(6) Any school or university that wishes to submit a student preceptorship program for board approval shall send a photocopy of the description of the program from the veterinary school's curriculum to the board office.

(E) Successfully complete the State Board Examination administered by the board.

(4) Following the review process, the applicant will be informed by letter that licensure by reciprocity has been approved or denied. The denial letter will identify the reason(s) for denial and the appeal process.
