**5 CSR 100-200.035 Missouri Interpreters
Certification System**

PURPOSE: This rule describes the Missouri Interpreters Certification System (MICS) examinations and the certifications issued by the MICS.

(1) Any individual who practices interpreting in the state of Missouri as defined in sections 209.285 and 209.321, RSMo, must be certified by the Missouri Interpreters Certification System (MICS), except as allowed by statute.

(2) The Board for Certification of Interpreters (BCI) may purchase or develop materials to be used as the most appropriate testing materials for certifying interpreters in the state of Missouri. The BCI may contract with other certifying agencies to proctor their certification tests and evaluations and is authorized to charge a fee for its proctoring services as

established in 5 CSR 100-200.150, in addition to collecting and forwarding the fee charged by the other certifying entity.

(3) The MICS has two (2) basic components: a written test of English proficiency and a performance test. A person is required to obtain a passing score on the written test taken before being allowed to take the performance test.

(4) The performance test is the measurement tool used to analyze the performance test and determine the applicant's ability to facilitate communication between deaf or hard of hearing people and persons who are hearing. The MICS performance evaluation standards shall be based upon the testing materials used by Texas Board for Evaluation of Interpreters (BEI).

(5) The types and levels of interpreter certification granted by the MICS are Basic, Advanced, Master, Restricted Certification in Education (K-6), Restricted Certification in Education (7-12), Provisional Certificate in Education, and the Intern/Practicum Certification.

(A) The Provisional Certificate in Education is issued for a term determined by statute.

(B) The Intern/Practicum Certification is issued for a term specified pursuant to 5 CSR 100-200.085.

(C) All other certifications are permanent, subject to annual renewal.

(6) To obtain a MICS Basic Certification, an applicant must meet the eligibility and application requirements of 20 CSR 100-200.050, pass the written test of English proficiency, and pass the Basic Performance Test.

(7) To obtain a MICS Advanced Certification, an applicant must meet the eligibility and application requirements of 20 CSR 100-200.050, pass the written test of English proficiency, and pass the Advanced Performance Test.

(8) To obtain a MICS Master Certification, an applicant must meet the eligibility and application requirements of 20 CSR 100-200.050, pass the written test of English proficiency, and pass the Master Performance Test.

(9) All MICS certifications except for the Intern/Practicum Certification are subject to renewal annually pursuant to 5 CSR 100-200.125, provided that the holder commits no violation of any provision of the *Revised Statutes of Missouri* or the *Missouri Code of*

State Regulations pertaining to interpreter certification or licensure.

(10) Transitional Provisions.

(A) The following MICS certifications issued based on performance tests taken prior to the effective date of this rule will be converted to the certifications established in this rule:

- 1. Comprehensive shall convert to Master;
- 2. Advanced shall convert to Advanced;
- 3. Intermediate shall convert to Basic.

(B) The conversion of prior MICS certifications pursuant to 5 CSR 100-200.035(10)(A) to the new certification levels does not certify that the holder passed the written test of English proficiency or the corresponding level's performance test. It does not entitle the holder to reciprocity with another BEI certifying entity.

(C) All other certifications issued prior to the effective date of this rule shall remain in full force and with the same rights, restrictions, and limitations as existed previously. Any person, who takes the written test and the performance evaluation under 5 CSR 100-200.030 prior to the effective date of the rule and earns a Comprehensive, Advanced, or Intermediate certification, shall be issued a Master, Advanced, or Basic, respectively, as set forth in subsection (A) of this section.

AUTHORITY: section 209.292, RSMo Supp. 2013, and section 209.295, RSMo 2000. Original rule filed Jan. 28, 2014, effective Sept. 30, 2014.*

(B) Passing criteria;
(C) Relevant statutes, codes, and policies concerning the applicable certification; and
(D) Description of testing materials, including:

5 CSR 100-200.130 Certification Maintenance

PURPOSE: This rule provides information regarding the minimum requirements for certification maintenance in the Missouri Interpreters Certification System.

(1) Annual participation in a continuing education program is required for interpreters certified in the Missouri Interpreters Certification System (MICS). This program involves study and performance options which must have prior approval from the Board for Certification of Interpreters (BCI) and which fulfill the requirements for certification maintenance in the MICS. This program may include seminars, lectures, conferences, workshops, extension study, correspondence courses, teaching,

mentorship, self-study, and other options, all of which must be approved by the BCI and must be related to interpreting.

(A) Program options may provide for evaluation methods to assure satisfactory completion by participants.

(B) The BCI shall ensure that persons responsible for the delivery or content of program options are qualified in the subject matter by education, experience and expertise.

(C) Presentations or program options offering MICS Continuing Education Units (CEUs) may be approved through any of the following methods:

1. All presentations and workshops offered by an Interpreter Training Program (ITP) recognized by the BCI and housed in an accredited institution of higher education will automatically be approved for MICS CEUs;

2. All presentations and workshops that give attendees CEUs approved by the Registry of Interpreters for the Deaf (RID) will automatically be approved for MICS CEUs;

3. MICS CEUs will be given for undergraduate or graduate studies related to interpreting in any regionally accredited institution of higher education. Satisfactory proof of course completion, as required by the BCI, must be submitted in order for CEUs to be granted. The following hourly equivalents will be used by the BCI in issuing course-related MICS CEUs:

A. 3 college credit hour course = 45 contact hours;

B. 2 college credit hour course = 30 contact hours; and

C. 1 college credit hour course = 15 contact hours.

4. The BCI may approve continuing education presentations and program options other than those offered by an ITP or the RID if they meet the following criteria prior to the event:

A. Application should be submitted not less than thirty (30) days prior to the event. Applications received less than thirty (30) days in advance cannot be guaranteed notification of approval.

B. Application to the BCI for approval shall be made on forms developed by the BCI. The application shall require detailed information relating to administration and organization, teaching staff, education content and development, methods of delivery, length of education activities, targeted skill level of interpreters, facilities, and method of evaluation;

(D) With adequate documentation to the BCI, any interpreter whose primary responsibility is not the education of interpreters who leads, instructs or lectures to groups of interpreters or others on topics related to inter-

preting in organized continuing education or in-service programs shall be granted MICS CEUs for the time expended during actual presentation. Approval must be requested using procedures outlined in paragraph (1)(C)4 above. MICS CEUs for the same presentation in the same town will be allowed only once during a year;

(E) Any interpreter whose responsibility is the education of interpreters shall be granted MICS CEUs only for time expended in leading, instructing, or lecturing to groups of interpreters or others on topics related to interpreting in an organized continuing education or in-service program outside his/her formal responsibilities in a learning institution. Approval must be requested using procedures outlined in paragraph (1)(C)4 above. MICS CEUs for the same presentation in the same town will be allowed only once during a year.

(2) One (1) contact hour earns one-tenth (0.1) MICS CEU.

(3) An interpreter shall be required to earn two (2.0) CEUs annually for certification maintenance in the MICS. Contact hours earned in another state will be accepted by the BCI provided that the hours acquired can be documented. The twelve- (12-) month period for annually earning CEUs will end ninety (90) days prior to the licensing deadline. This section will become effective for the CEU cycle beginning November 3, 2014 and ending November 2, 2015.

(4) Providers will give evaluation forms to participants to be submitted with final reports.

(5) Proof of completion of continuing education requirements shall be provided by interpreters to the BCI by submitting annually a completed CEU form approved by the BCI, proper documentation, and the CEU processing fee, on or before sixty (60) days prior to the licensing deadline. Proper documentation shall include one (1) or more of the following:

(A) Certificate(s) of completion;

(B) Letter(s) from providers stating date of attendance and program; and

(C) Transcript(s) (if available).

(6) The BCI will review and verify all MICS CEUs claimed on the CEU forms submitted. After verification, the BCI will notify the State Committee of Interpreters of the number of CEUs interpreters have earned for the year.

(A) Failure to submit a CEU form with verifiable MICS CEUs, proper documentation,

and the CEU processing fee by the sixty (60) days CEU deadline will result in an interpreter's certification not being renewed, and the State Committee of Interpreters will be appropriately notified of the interpreter's failure to renew certification.

(B) If an interpreter's certification is not renewed because of failure to comply with certification maintenance requirements, the interpreter may apply for reinstatement by submitting a completed CEU form, proper documentation, the CEU processing fee, and the reinstatement fee.

(7) The BCI may elect to audit any interpreter to assess the authenticity and validity of contact hours submitted.

5 CSR 100-200.210 Reinstatement

PURPOSE: This rule establishes requirements for reinstatement in the Missouri Interpreters Certification System of certifications that have been suspended, revoked, or lapsed for failure to renew.

(1) The holder of a certification issued pursuant to sections 209.285 through 209.318,

RSMo, whose certification has been suspended, or which has not been renewed because of noncompliance with the certification maintenance requirements detailed in 5 CSR 100-200.130, may apply for reinstatement of his/her certification.

(2) All applicants for reinstatement must complete the necessary application form and pay the required fee(s) in order to be considered for reinstatement.

(3) Upon application, the certification of a person whose certification has been suspended shall be reinstated in full upon expiration of the suspension period, payment of the reinstatement fee, and satisfaction of all certification maintenance requirements during the period of suspension as specified in 5 CSR 100-200.130.

(4) The Board for Certification of Interpreters (BCI) will automatically reinstate the certification of any interpreter whose certification was not renewed for failure to comply with certification maintenance requirements upon evidence to the BCI of the following:

(A) Completion of two (2.0) Missouri Interpreters Certification System continuing education units for every applicable year as set forth in 5 CSR 100-200.130; and

(B) Payment of all required fees and penalties, which have not been paid previously, for any periods during which the applicant practiced interpreting while the applicant's certificate was suspended or not renewed.

(5) A person whose certification was not renewed because of failure to comply with certification maintenance requirements shall have a maximum of one (1) year from the date the renewal form was due to reinstate their certification. If such an interpreter's certification is not reinstated within one (1) year after the renewal deadline, then that interpreter must apply for their certification anew, and must follow the procedures for application (5 CSR 100-200.050), taking the written test (5 CSR 100-200.060) and taking the performance test (5 CSR 100-200.070).

(6) Any applicant for reinstatement will be notified in writing of the reinstatement decision.

PURPOSE: This rule describes how an interpreter's certification may be revoked by the Board for Certification of Interpreters, and what an interpreter must do to regain certification after revocation.
