PURPOSE: The department shall determine the eligibility of applicants as persons with disabilities. This rule provides the process for determining eligibility of non-staff persons applying for employment in workshops. Workshops may receive state aid only on persons with disabilities who have been approved by the department. Department approval is not required for the employment of workshop staff.

(1) A workshop provides employment for individuals with disabilities. If the workshop is certified by the United States Department of Labor, Wage and Hour Division, employees with disabilities working in the workshop may be paid subminimum wages. The evaluating agency shall advise the workshop of this certification and the workshop may submit the certification to the department. The department may approve the applicant for workshop employment.

(2) A workshop shall notify the department prior to or concurrent with the employment of any disabled person previously approved by the department.
