**Title 11 – DEPARTMENT OF PUBLIC SAFETY  
DIVISION 90 – Missouri 911 Service Board  
Chapter 2 – 911 Financial Assistance Program**

*PRIVATE COST: This emergency amendment will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.*

## EMERGENCY AMENDMENT

**11 CSR 90-2.010 Definitions.** The board is amending subsection (G) of section (1).

*PURPOSE: This emergency amendment changes the definition of eligible applicants to include certain regional planning commissions consistent with a change to section 650.335, RSMo that becomes effective August 28, 2023.*

*EMERGENCY AMENDMENT: This emergency amendment informs the public that due to a change in section 650.335, RSMo, that becomes effective on August 28, 2023, certain regional planning commissions will become eligible to submit applications to the board for financial assistance for all or a portion of costs incurred in implementing a 911 communications service project. This emergency amendment is necessary to make the rule consistent with section 650.335, RSMo, in time for certain regional planning commissions to submit applications for funding for 911 communications service projects during the application window of the board's financial assistance program. Absent the emergency amendment, these regional planning commissions, contrary to statute, will be unable to submit applications for funding for 911 communications service projects during the next application window of the board's financial assistance program. As a result, the board finds a compelling governmental interest, which requires this emergency action. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the **Missouri and United States Constitutions**. The board believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed July 14, 2023, becomes effective August 28, 2023, and expires February 22, 2024.*

(1) As used in this chapter, the following terms shall mean:

(G) "Eligible applicants" or "Applicants," counties, cities [and], elected emergency service boards, **and regional planning commissions as defined in section 70.515, RSMo, that provide emergency telephone services to multiple counties**, that sections 650.330 and 655.335, RSMo, authorize to submit applications to the board for grants and loans to finance all or a portion of the costs incurred by their 911 services authorities in implementing a 911 communications service project;

*AUTHORITY: sections 650.330 and 650.335, RSMo Supp. [2021] 2022. Emergency rule filed May 6, 2020, effective May 21, 2020, expired Feb. 25, 2021.
