**Title 15—ELECTED OFFICIALS
Division 30—Secretary of State
Chapter 100—Notary Commissions**

EMERGENCY RULE

15 CSR 30-100.005 Notary Complaint Process

PURPOSE: This emergency rule lays out the process for filing a complaint against a notary.

EMERGENCY STATEMENT: The secretary of state determined this emergency rule is necessary to preserve a compelling governmental interest. This emergency rule is necessary to address changes made by the legislatures, which took effect on August 28, 2020, to electronic notarization. The secretary of state needs this emergency rule since the Executive Order issued by the governor expired on August 28, 2020. The secretary of state finds there is a compelling governmental interest, which requires this emergency action since due to the pandemic of COVID-19, in person notarization is unable to be performed for wills, powers of attorney, and durable power of attorney in health care decisions. A proposed rule, which covers the same material, is published in this issue of the *Missouri Register*. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. The secretary of state believes this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed August 31, 2020, becomes effective September 15, 2020, and expires March 13, 2021.

(E) Upon receipt of the complaint the Notary Commission Unit will review the matter and determine if further action is required;

(F) If further action is required, the Notary Commission Unit will notify the notary and may request additional information from the notary;

(G) A notary has thirty (30) days from receipt of such notification from the Notary Commission Unit in which to respond. Failure to respond shall constitute grounds for suspension of the notary commission until compliance with the request is met;

(H) The Notary Commission Unit will review the response from the notary, and if necessary, make follow-up request for information;

(I) Upon completion of their review, the Notary Commission Unit will forward the matter to the Director of Business Services or their designee who will review the matter to determine appropriate action;

(J) Upon a decision by the Director of Business Services or their designee, the complainant and notary shall be notified of the decision made; and

(H) If the action taken by the Director of Business Services or their

designee is to suspend or revoke the notary's commission, the notary may appeal such decision as outlined under the rules.
