EMERGENCY AMENDMENT

22 CSR 10-2.140 Strive for Wellness® Health Center Provisions, Charges, and Services. The Missouri Consolidated Health Care Plan is amending subsections (4)(A), (4)(B), and (4)(C).

PURPOSE: This amendment adds the new medical plans offered in 2027 and revises the name of the HSA Plan to the HSA 1800 Plan.

*EMERGENCY STATEMENT: This emergency amendment must be in place by January 1, 2027, in accordance with the new plan year. Therefore, this emergency amendment is necessary to serve a compelling governmental interest of protecting members (employees, retirees, officers, and their families) enrolled in the Missouri Consolidated Health Care Plan (MCHCP) from the unintended consequences of confusion regarding eligibility or availability of benefits and will allow members to take advantage of opportunities for reduced premiums for more affordable options without which they may forego coverage. Further, it clarifies member eligibility and responsibility for various types of eligible charges, beginning with the first day of coverage for the new plan year. It may also help ensure that inappropriate claims are not made against the state and help protect the MCHCP and its members from being subjected to unexpected and significant financial liability and/or litigation. It is imperative that this amendment be filed as an emergency amendment to maintain the integrity of the current health care plan. This emergency amendment fulfills the compelling governmental interest of offering access to more convenient and affordable medical services to members as one (1) method of protecting the MCHCP trust fund from more costly expenses. This emergency amendment reflects changes made to the plan by the Missouri Consolidated Health Care Plan Board of Trustees. A proposed amendment, which covers the same material, will be published in the December 15, 2026, issue of the **Missouri Register**. This emergency amendment complies with the protections extended by the **Missouri** and **United States Constitutions** and limits its scope to the circumstances creating the emergency. The MCHCP follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances. This emergency amendment was filed November 16, 2026, becomes effective January 1, 2027, and expires June 29, 2027.*
