Title 22—MISSOURI CONSOLIDATED HEALTH CARE PLAN
Division 10—Health Care Plan
Chapter 3—Public Entity Membership

EMERGENCY AMENDMENT

22 CSR 10-3.055 Health Savings Account Plan Benefit Provisions and Covered Charges. The Missouri Consolidated Health Care Plan is amending section (3), adding section (10), and renumbering as necessary.

PURPOSE: This emergency amendment revises the out-of-pocket maximum for individual family members and adds one hundred percent (100%) coverage of virtual visits offered through the vendor's telehealth tool.

*EMERGENCY STATEMENT: This emergency amendment must be in place by January 1, 2021, in accordance with the new plan year. Therefore, this emergency amendment is necessary to serve a compelling governmental interest of protecting members (public entity employee members, retirees, and their families) enrolled in the Missouri Consolidated Health Care Plan (MCHCP) from the unintended consequences of confusion regarding eligibility or availability of benefits and will allow members to take advantage of opportunities for reduced premiums for more affordable options without which they may forgo coverage. Further, it clarifies member eligibility and responsibility for various types of eligible charges, beginning with the first day of coverage for the new plan year. It may also help ensure that inappropriate claims are not made against the state and help protect the MCHCP and its members from being subjected to unexpected and significant financial liability and/or litigation. It is imperative that this amendment be filed as an emergency amendment to maintain the integrity of the current health care plan. This emergency amendment fulfills the compelling governmental interest of offering access to more convenient and affordable medical services to public entity employee members, retirees, and their families as one (1) method of protecting the MCHCP trust fund from more costly expenses. This emergency amendment reflects changes made to the plan by the Missouri Consolidated Health Care Plan Board of Trustees. This emergency amendment complies with the protections extended by the **Missouri** and **United States Constitutions** and limits its scope to the circumstances creating the emergency. The MCHCP follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances. This emergency amendment was filed October 26, 2020 becomes effective January 1, 2021, and expires June 29, 2021.*
