TITLE 22 – MISSOURI CONSOLIDATED HEALTH CARE PLAN
Division 10 – Health Care Plan
Chapter 3 – Public Entity Membership

EMERGENCY AMENDMENT

22 CSR 10-3.070 Coordination of Benefits. The Missouri Consolidated Health Care Plan is amending subsection (4)(A).

PURPOSE: This amendment revises language to include all HSA Plans offered to public entities.

*EMERGENCY STATEMENT: This emergency amendment must be in place by January 1, 2027, in accordance with the new plan year. Therefore, this emergency amendment is necessary to serve a compelling governmental interest of protecting members (public entity employee members, retirees, and their families) enrolled in the Missouri Consolidated Health Care Plan (MCHCP) from the unintended consequences of confusion regarding eligibility or availability of benefits and will allow members to take advantage of opportunities for reduced premiums for more affordable options without which they may forego coverage. Further, it clarifies member eligibility and responsibility for various types of eligible charges, beginning with the first day of coverage for the new plan year. It may also help ensure that inappropriate claims are not made against the state and help protect the MCHCP and its members from being subjected to unexpected and significant financial liability and/or litigation. It is imperative that this amendment be filed as an emergency amendment to maintain the integrity of the current health care plan. This emergency amendment fulfills the compelling governmental interest of offering access to more convenient and affordable medical services to public entity employee members, retirees, and their families as one (1) method of protecting the MCHCP trust fund from more costly expenses. This emergency amendment reflects changes made to the plan by the Missouri Consolidated Health Care Plan Board of Trustees. A proposed amendment, which covers the same material, will be published in the December 15, 2026, issue of the **Missouri Register**. This emergency amendment complies with the protections extended by the **Missouri** and **United States Constitutions** and limits its scope to the circumstances creating the emergency. The MCHCP follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances. This emergency amendment was filed November 16, 2026 becomes effective January 1, 2027 and expires June 29, 2027.*

(4) Effect on the benefits of MCHCP. This section applies when, in accordance with section (3), Order of Benefit Determination Rules, MCHCP is a secondary plan as to one (1) or more other plans.

(A) In the event that MCHCP is a secondary plan as to one (1) or more other plans, the benefits of MCHCP's PPO **and HSA** plans and *[Health Savings Account Plan (HSA Plan)]* may be reduced under this section so as not to duplicate the benefits of the other plan. The other plan's payment is subtracted from what MCHCP or its claims administrator would have paid in absence of this COB provision using the following criteria. If there is any balance, MCHCP or its claims administrator will pay the difference not to exceed what it would have paid in absence of this COB provision.

1. In the case where Medicare is primary for physician and outpatient facility claims, Medicare's allowed amount is used as MCHCP's allowed amount to determine what MCHCP would have paid in absence of this COB provision.

2. In the case where Medicare is primary for inpatient facility claims, the amount the facility billed is used as MCHCP's allowed amount to determine what MCHCP would have paid in absence of this COB provision. Medicare's actual paid amount is combined with the provider's Medicare contractual write-off to determine what MCHCP considers the Medicare paid amount. Effective April 1, 2013, Medicare's allowed amount will be used as MCHCP's allowed amount for inpatient facility claims to determine what MCHCP would have paid in absence of this COB provision and the Medicare paid amount will no longer be combined with the provider's Medicare contractual write-off.
