HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

Title 15—ELECTED OFFICIALS Division 40—State Auditor Chapter 3—Rules Applying to Political Subdivisions

EMERGENCY AMENDMENT

15 CSR 40-3.170 Addendum Filed with the Auditor's Office. The State Auditor's office is amending section (1), adding new section (7), renumbering section (7) to section (8), adding subsection (8)(D), and replacing the form Office of the State Auditor Addendum.

PURPOSE: This amendment sets forth the procedure for a county, city, town, or village to provide the information required by section 479.359 of Conference Committee Substitute No. 2 for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill 572, Second Regular Session, Ninety-eighth General Assembly.

EMERGENCY STATEMENT: Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill 5, First Regular Session, Ninety-eighth General Assembly, went into effect on August 28, 2015. Section 479.359.4 in SB 5 specified, "On or before December 31, 2015, the state auditor shall set forth by rule a procedure for including the addendum information required by this section." In compliance with this section, the State Auditor's office filed a proposed rule, which became effective on March 30, 2016, and an emergency rule, which became effective December 10, 2015. This rule set forth the

procedure for a county, city, town, or village with a municipal court to provide the information required by section 479.359, RSMo, and to certify that it is in substantial compliance with the municipal court procedures specified in SB 5. On March 28, 2016, the Circuit Court of Cole County in the case of *City of Normandy v. Jeremiah Nixon*, No. 15AC-CC00531, held that certain sections of SB 5, including section 479.359.3, RSMo, violated the Missouri Constitution (special laws that violated Article III, Section 40 and unfunded mandates that violated Article I, Sections 16 and 20) and enjoined the state from enforcing these provisions. This case was appealed to the Missouri Supreme Court.

Subsequently, Conference Committee Substitute No. 2 for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill 572, Second Regular Session, Ninety-eighth General Assembly, was passed to be effective August 28, 2016. SB 572 does not require that every county, city, town, or village submit an addendum to its annual financial report containing an accounting of its total revenues from minor traffic violations as a percentage of its annual general operating revenue. SB 572 provides that "An addendum to the annual financial report submitted to the state auditor under section 105.145 by the county, city, town, or village that has chosen to have a municipal court division shall contain an accounting of . . . (2) The total revenues from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations occurring within the county, city, town, or village, including amended charges from any municipal ordinance violations and minor traffic violations; (3) The percent of annual general operating revenues from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations occurring within the county, city, town, or village, including amended charges from any charged municipal ordinance violations and minor traffic violations, charged in the municipal court of that county, city, town, or village."

On May 15, 2017, the Missouri Supreme Court in *City of Normandy v. Greitens*, SC95624, reversed the decision of the Circuit Court of Cole County and upheld the provisions of section 479.359, RSMo.

As a result of the Missouri Supreme Court's decision, the State Auditor's office determined that this emergency amendment is necessary to preserve a compelling governmental interest in ensuring every county, city, town, or village that has chosen to have a municipal court division shall have notice of the information it must file with the State Auditor's office as required by section 479.359 in SB 572. The State Auditor's office believes this emergency amendment is fair to all interested persons and parties under these circumstances. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. This emergency amendment was filed June 13, 2017, becomes effective June 26, 2017, and expires December 22, 2017.

(1) Every county, city, town, or village that has chosen to have a municipal court division shall annually file with the State Auditor's Office a completed form, which is included herein, and available on the State Auditor's website, and contains, at a minimum, the following:

(C) The total revenue from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations occurring within the county, city, town, or village based on the definitions in section 479.350, RSMo, including amended charges for any municipal ordinance violations and minor traffic violations; and

(D) The percent of annual general operating revenue from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations as defined by section 479.350, RSMo, including amended charges for any municipal ordinance violations and minor traffic violation.

(7) If a county, city, town, or village's total gross revenue from the operation of its municipal court, including all fees, fines, bond forfeitures, and court costs retained by the county, city, town, or village from any case heard in its municipal court, is less than the statutory percentage of annual general operating revenue over which the proceeds must be distributed to the schools annually as provided by section 479.359, RSMo, the county, city, town, or village may report its total gross revenue from the operation of its municipal court in lieu of reporting its total revenue from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations occurring within the county, city, town, or village.

[(7)](8) Examples.

(A) A city with a municipal court has several ordinances related to equipment failure, vehicle registration, and seatbelt use for which no points are placed on the driver's license upon conviction. The funds received from these violations should be included in "minor traffic violations" when reporting the information under section (1) of this regulation because the statutory definition of "minor traffic violation" includes municipal or county ordinance traffic violations, except those that involve authorization for the Department of Revenue to assess five (5) or more points to a person's driving record upon conviction, assuming that the specific violation does not fall within one (1) of the other statutorily enumerated exceptions in the definition of "minor traffic violation."

(B) The municipal court amends a violation that does not meet the definition of "minor traffic violation" to a violation that does meet this definition. The funds received from these violations should be included in "minor traffic violations" when reporting the information under section (1) of this regulation because the calculation includes charges for all minor traffic violations.

(C) The municipal court amends a violation that meets the definition of "minor traffic violation" to a violation that does not meet this definition. The funds received from these violations should be included in "minor traffic violations" when reporting the information under section (1) of this regulation because the original charge is a minor traffic violation.

(D) **All ordinance violations for a city are adjudicated in a municipal court division operated by another political jurisdiction and not by that city. Because the city does not operate its own municipal court division, it does not need to file an addendum with its financial report filed under the procedures in 15 CSR 40-3.030.**

PROCLAMATION

WHEREAS, the people of Missouri deserve more quality jobs; and

WHEREAS, the State of Missouri has a skilled workforce able to manufacture materials and products sold around the world; and

WHEREAS, government should not prevent businesses from coming and growing here; and

WHEREAS, one critical measure not addressed by the 2017 legislative session would have kept Missouri in the running for a steel mill and additional manufacturing jobs; and

WHEREAS, the top priority of Missouri's elected leaders should be to fight for new jobs for Missourians;
and

WHEREAS, in order to compete for new manufacturing jobs, utilities need additional flexibility; and

WHEREAS, Article IV, Section 9 of the Missouri Constitution authorizes the Governor on extraordinary occasions to convene the General Assembly by proclamation, wherein he shall state specifically each matter on which action is deemed necessary; and

WHEREAS, the need to provide the Public Service Commission with flexibility to approve special electricity rates for steel works, aluminum smelting facilities, or other similar facilities, in order to attract new jobs to Missouri, is an extraordinary occasion envisioned by Article IV, Section 9 of the Missouri Constitution.

NOW THEREFORE, on the extraordinary occasion that exists in the State of Missouri:

I, ERIC R. GREITENS, GOVERNOR OF THE STATE OF MISSOURI, pursuant to the authority vested in me as Governor by the Constitution of the State of Missouri, do, by this Proclamation, convene the Ninety-Ninth General Assembly of the State of Missouri in the First Extra Session of the First Regular Session; and

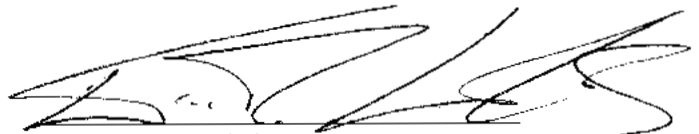

I HEREBY call upon the Senators and Representatives of said General Assembly to meet in the State Capitol in the City of Jefferson at the hour of 4 p.m., Central Daylight Time, on May 22, 2017; and

I HEREBY state that the action of said General Assembly is deemed necessary concerning each matter specifically designated and limited hereinafter as follows:

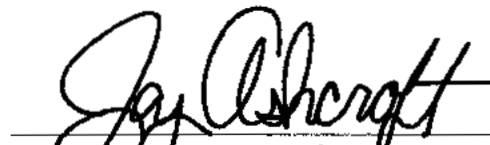

1. To enact legislation authorizing the Public Service Commission to approve a special electricity rate for an aluminum smelting facility, a steel works facility, or other similar facility that is not based on the electrical corporation's cost of service, provided that the Public Service Commission (1) determines the special electricity rate for the facility is in the interest of the State of Missouri; (2) approves a uniform percentage adjustment in each general rate proceeding; (3) approves a tracking mechanism to track changes in the net margin experienced by the electrical corporation; and (4) approves either a rate schedule reflecting the special electricity rate if the facility is located within the electrical corporation's certificated service territory or a contract reflecting the special electricity rate, but neither the rate schedule nor the contract shall allow the special electricity rate to continue beyond ten years.

2. To enact legislation authorizing the Public Service Commission to allow electrical corporations a reasonable opportunity to earn a fair return, by methods such as rate adjustment mechanisms not otherwise statutorily authorized, which the commission shall lack authority to modify or eliminate during the specified term.
3. Such additional and other matters as may be recommended by the Governor by special message to the General Assembly after it shall have been convened.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 18th day of May, 2017.

WHEREAS, the threat to pregnancy care centers and the State’s “Alternatives to Abortion” program due to St. Louis City Ordinance 70459 likewise amounts to an extraordinary occasion as envisioned by Article IV, Section 9 of the Missouri Constitution.

1. To amend section 197.200, RSMo, to define "Abortion Facility" or "Abortion Facilities;"

2. To amend section 197.200, RSMo, by deleting the portion of the definition of "ambulatory surgical center" that includes "any establishment operated for the purpose of performing or inducing any second or third-trimester abortions or five or more first-trimester abortions per month;"

3. To amend chapters 188, 191, 192, 197, and 595 so that each and every applicable section and subsection applies to "Abortion Facility" or "Abortion Facilities;"

5. To add a new subsection to § 197.225, RSMo, that authorizes the Department of Health and Senior Services to adopt rules, regulations, and standards regarding patient health and safety that apply to ambulatory surgical centers and, separately, that apply to "Abortion Facility" or "Abortion Facilities;"

6. To add a new subsection to § 197.230, RSMo, that requires the Department of Health and Senior Services to annually inspect every "Abortion Facility" for safety and compliance with state law and to establish the requirements of such inspections;

7. To add a new section to chapter 188 that preempts a political subdivision from enacting a law or policy that adversely affects the legal rights of a person or entity due to that person or entity's view on abortion; acknowledges those legal rights; and establishes judicial mechanisms to protect those legal rights;

To add a new subsection to § 188.021, RSMo, that requires "Abortion Facilities" to submit to the Department of Health and Senior Services their plans for dealing with complications resulting from certain abortions, to obtain approval from the Department of Health and Senior Services of these complication plans; and, further, to authorize the Department of Health and Senior Services to adopt rules, regulations, and standards governing these plans;

9. To amend sections 188.027.9 and 188.039.6, RSMo, to define "qualified professional" as a physician who has referred the woman to the physician who is to perform the abortion, or to an advance practice registered nurse engaged in a collaborative practice agreement with the physician who is to perform the abortion, as provided for in section 334.104, RSMo;

10. To add a new section to chapter 574 that prohibits a person, while working in an "Abortion Facility," from knowingly ordering, requesting, or attempting to prevent medical personnel or emergency services personnel from providing care to a patient in accordance with ordinary standards of care for reasons unrelated to that patient's health or welfare;

11. To add a new subsection to § 188.075, RSMo, that allows the Attorney General of Missouri to have concurrent original jurisdiction throughout the State, along with each prosecuting attorney and circuit attorney within their respective jurisdictions, to prosecute violations of chapter 188, violations of any state law on the use of public funds for abortion, and violations of any state law that regulates an "Abortion Facility" or person performing or inducing abortion, including the offense of interference with medical assistance;

13. To add a new section to chapter 188 protecting employees who disclose violations of applicable federal or state law related to chapter 188, and, further, authorizing the Department of Health and Senior Services to adopt rules, regulations, and standards regarding the implementation of such policies;

14. To add an Emergency Clause to all legislation enacted by the Ninety-Ninth General Assembly of the State of Missouri in the Second Extra Session of the First Regular Session; and

15. Such additional and other matters as may be recommended by the Governor by special message to the General Assembly after it shall have convened.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 7th day of June, 2017.

ATTEST:

John R. Ashcroft
Secretary of State

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

**Title 15—ELECTED OFFICIALS
Division 40—State Auditor
Chapter 3—Rules Applying to Political Subdivisions**

PROPOSED AMENDMENT

15 CSR 40-3.170 Addendum Filed with the Auditor’s Office. The State Auditor’s office is amending section (1), adding new section (7), renumbering section (7) to section (8), adding subsection (8)(D), and replacing the form Office of the State Auditor Addendum.

PURPOSE: This amendment sets forth the procedure for a county, city, town, or village to provide the information required by section 479.359 of Conference Committee Substitute No. 2 for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill 572, Second Regular Session, Ninety-eighth General Assembly.

(1) Every county, city, town, or village that has chosen to have a municipal court division shall annually file with the State Auditor’s Office a completed form, which is included herein, and available on the State Auditor’s website, and contains, at a minimum, the following:

(C) The total revenue from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations occurring within the county, city, town, or village based on the definitions in section 479.350, RSMo, including amended charges for any municipal ordinance violations and minor traffic violations; and

(D) The percent of annual general operating revenue from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations as defined by section 479.350, RSMo, including amended charges for any municipal ordinance violations and minor traffic violation.

(7) If a county, city, town, or village’s total gross revenue from the operation of its municipal court, including all fees, fines, bond forfeitures, and court costs retained by the county, city, town, or village from any case heard in its municipal court, is less than the statutory percentage of annual general operating revenue over which the proceeds must be distributed to the schools annually as provided by section 479.359, RSMo, the county, city, town, or village may report its total gross revenue from the operation of its municipal court in lieu of reporting its total revenue from fines, bond forfeitures, and court costs for municipal ordinance violations and minor traffic violations occurring within the county, city, town, or village.

[(7)](8) Examples.

(A) A city with a municipal court has several ordinances related to equipment failure, vehicle registration, and seatbelt use for which no points are placed on the driver’s license upon conviction. The funds received from these violations should be included in “minor traffic violations” when reporting the information under section (1) of this regulation because the statutory definition of “minor traffic violation” includes municipal or county ordinance traffic violations, except those that involve authorization for the Department of Revenue to assess five (5) or more points to a person’s driving record upon conviction, assuming that the specific violation does not fall within one (1) of the other statutorily enumerated exceptions in the definition of “minor traffic violation.”

(B) The municipal court amends a violation that does not meet the definition of “minor traffic violation” to a violation that does meet this definition. The funds received from these violations should be included in “minor traffic violations” when reporting the information under section (1) of this regulation because the calculation includes charges for all minor traffic violations.

(C) The municipal court amends a violation that meets the definition of “minor traffic violation” to a violation that does not meet this definition. The funds received from these violations should be included in “minor traffic violations” when reporting the information under section (1) of this regulation because the original charge is a minor traffic violation.

(D) All ordinance violations for a city are adjudicated in a municipal court division operated by another political jurisdiction and not by that city. Because the city does not operate its own municipal court division, it does not need to file an addendum with its financial report filed under the procedures in 15 CSR 40-3.030.
