HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title		Division	Chapter	Rule
3	CSR	10-	4	.115
Department	<i>Code of State Regulations</i>	Agency Division	General area regulated	Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 20—DEPARTMENT OF COMMERCE AND
INSURANCE
Division 2220—State Board of Pharmacy
Chapter 2—General Rules**

EMERGENCY AMENDMENT

20 CSR 2220-2.200 Sterile Compounding. The board is amending subsection (5)(C).

PURPOSE: This amendment removes the requirement that Risk Level 3 preparations must remain Risk Level 3 for the life of the preparation.

EMERGENCY STATEMENT: This emergency amendment is being promulgated to ensure continued availability of compounded Risk Level 3 sterile preparations for Missouri patients. Current rule 20 CSR 2220-2.200 requires sterility and endotoxin testing for all Risk Level 3 preparations. To meet the rule's Risk Level 3 testing requirements, pharmacy compounders are typically required to compound three-four (3-4) times in excess medication to ensure a sufficient sample size of medication is available to perform scientifically valid testing.

In March 2021, the board was notified by a major pharmacy supplier that they were unable to comply with Missouri's Risk Level 3 testing requirements for intrathecal medication compounded for Missouri patients using sterile stock solution. The pharmacy indicated medication ingredients for the compounds in question (morphine

and hydromorphone) are regularly in short supply and/or on the FDA shortage list, making procurement of the additional medication needed for required board testing significantly difficult, if not impossible. The pharmacy also indicated the U.S. Drug Enforcement Administration and drug manufacturers/wholesalers may not allow the pharmacy to buy additional morphine and hydromorphone supply, given these medications are Schedule II controlled substances that are highly addictive and the extra supplies are needed for testing and not patient use. The pharmacy further noted the products in question are made using Risk Level 3 sterile stock solution that has been previously tested for sterility/endotoxins, and questioned the need for additional testing of individual doses. The pharmacy communicated it would be required to immediately suspend all shipments of Risk Level 3 intrathecal medication to Missouri patients, absent an amendment of Missouri's testing requirements.

On March 25, 2021, a large Missouri hospital contacted the board to indicate a significant number of Missouri patients would be immediately and detrimentally impacted if the hospital is unable to procure the medication in question. Subsequent board research revealed a limited number of licensed pharmacies are engaged in compounding the medication in question. The board has discussed this issue with other pharmacy suppliers who also expressed compliance barriers and supported amending the rule as soon as possible to prevent interruptions in medication supplies.

The emergency amendment would remove the requirement that Risk Level 3 preparations must remain Risk Level 3 for the life of the preparation. As a result of the amendment, compounded preparations made from a properly tested Risk Level 3 stock solution would not have to undergo additional sterility/endotoxin testing for each individual patient dose. Absent the emergency amendment, Missouri hospitals/physicians may be unable to procure needed medication for the treatment of Missouri patients. Significantly, the amendment does not lower the board's standard that all non-sterile to sterile compounded preparations must be tested at some point during the compounding process.

As a result, the Missouri Board of Pharmacy finds there is an immediate danger to the public health, safety, and/or welfare and a compelling governmental interest that requires this emergency action. A proposed amendment, which covers the same material, is published in this issue of the *Missouri Register*. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. The Missouri Board of Pharmacy believe this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed April 14, 2021, becomes effective April 28, 2021, and expires February 7, 2022.

(5) Facilities and Equipment. The pharmacy shall establish and follow proper controls to ensure environmental quality, prevent environmental contamination, and maintain air quality in all ISO classified areas.

(C) Risk Level 3: In addition to Risk Level 1 and 2 requirements, Risk Level 3 preparations must be prepared in a PEC located in a buffer area or prepared in a RABS located within a controlled area. All non-sterile equipment that is to come in contact with the sterilized final preparation must be sterilized before introduction in the buffer area or into the RABS. [Once compounded, Risk Level 3 preparations shall at a minimum remain Risk Level 3 for the life of the preparation.]

AUTHORITY: sections [338.140,] 338.240[,] and 338.280, RSMo 2016, and sections 338.010 and 338.140, RSMo Supp. [2018] 2020. This rule originally filed as 4 CSR 220-2.200. Original rule filed May 4, 1992, effective Feb. 26, 1993. For intervening history, please consult the *Code of State Regulations*. Emergency amendment filed

*April 14, 2021, effective April 28, 2021, expires Feb. 7, 2022. A proposed amendment covering this same material is published in this issue of the **Missouri Register**.*

***PUBLIC COST:** This emergency amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the time the emergency is effective.*

***PRIVATE COST:** This emergency amendment will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.*

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

3. Members of the board shall complete a minimum of three (3) hours of training regarding child abuse and neglect annually, as approved by the division. The division shall notify the board of available training opportunities.

(D) The information presented to the board and the deliberations of the board are confidential and shall not be disclosed except as authorized by law.

(E) Members of the board shall meet regularly, and if needed, frequently, depending on the number of requests for review being filed. But a minimum of one (1) board shall meet a minimum of one (1) time per month.

(F) The division shall assign one (1) or more staff members to the board to handle administrative matters such as scheduling cases for hearing, administering correspondence for the board, and other appropriate matters. Administrative personnel, including the division's liaison to the board, shall not participate in the deliberations of the board on the merits of cases.

(5) The purpose of a board hearing is to provide an independent review of the sufficiency of the division's preliminary finding. CANRB review is limited to whether or not the information presented to the board establishes by a preponderance of evidence that the alleged perpetrator is responsible for abuse, neglect, or both, as those terms are defined in 13 CSR 35-31.010 and section 210.110, RSMo.

(6) A member of the board shall recuse themselves from any case in which the member determines the member cannot be fair or impartial.

(A) A member of the board shall recuse themselves from any case in which the member—

1. Has an interest in the case;
2. Is related to the alleged perpetrator, alleged victim, any witness, or any family member of the alleged victim or perpetrator;
3. Has been legal counsel to the alleged perpetrator, alleged victim, or any family member of the alleged victim or perpetrator;
4. Personally provided care or services to the alleged perpetrator, alleged victim, or any family member of the alleged victim or perpetrator; or

5. Has personal knowledge of the facts and circumstances of the case, beyond what may be generally available to the public.

(B) Alleged perpetrators have no right to a change of board or a particular board member.

1. Any alleged perpetrator who has good cause to believe that a member or members of the board cannot act in a fair and impartial manner shall promptly notify the board in writing and shall specify in detail the nature of the concern.

2. The board shall then rule on the concern. If a board member recuses himself or herself or if the board grants the alleged perpetrator's request to recuse, then the board may grant a continuance of the hearing if the recusal would result in the board failing to reach a quorum.

3. If the alleged perpetrator does not file an objection with the board prior to the commencement of the hearing, any objec-

tion to the impartiality of the board or members of the board shall have been waived.

(7) Reviews conducted by the board are not contested cases under Chapter 536, RSMo. The board shall adhere to the following procedures for notification, scheduling, and conducting child abuse and neglect reviews:

(A) The parties to a board hearing are the alleged perpetrator and the division;

(B) The division shall determine whether a board hearing shall be held in person or via teleconference or other electronic means;

(C) Record Requests—

1. There is no right to conduct formal discovery as set forth in the Rules of Civil Procedure for the Missouri Supreme Court and/or Chapter 536, RSMo. However, the alleged perpetrator may request that the division produce relevant investigative records;

2. Record requests shall be addressed to the division and not to the Board; and

3. If the alleged perpetrator makes a request for records, the division shall provide a copy of the child abuse and neglect investigative report completed by the division to the alleged perpetrator as allowed by law, with the exception of information which is privileged and/or confidential as otherwise provided by law, and information that could, in the sole discretion of the division, jeopardize a person's life or safety if released. The division shall redact from any information provided to the perpetrator all confidential information, including, but not limited to, any information that may identify the reporter of the incident in question;

(D) The division and the alleged perpetrator shall submit any written documents or other evidence to the board no less than twenty-one (21) days before the hearing date to provide the board with sufficient time to review the information before the hearing. Documents or evidence submitted to the board less than twenty-one (21) days before the hearing date may be considered at the sole discretion of the board;

(E) The division's liaison to the board shall notify the alleged victim or the alleged victim's parent, guardian, or legal representative that a hearing has been scheduled and of the opportunity to participate as a witness;

(F) Board hearings shall be conducted in an informal manner. The rules of evidence do not apply to board hearings including, but not limited to, the following:

1. Testimony from witnesses and parties shall not be provided under oath;
2. There is no right to cross examine witnesses;
3. Neither witnesses nor evidence are subject to subpoena;
4. Board hearings are not hearings on the record;
5. The board shall determine whether information, exhibits, or evidence are relevant; and
6. No official transcript of the hearing shall be prepared, provided, or retained;

(G) The board hearing shall be closed to all persons except the parties, their attorneys, and witnesses. At the review, the division shall have twenty (20) minutes to present evidence to the board. Upon conclusion of the division's evidence, the alleged perpetrator shall have twenty (20) minutes to present evidence to the board. The division and the alleged perpetrator may reserve three (3) of their twenty (20) minutes for rebuttal. During their respective presentations, the division and the alleged perpetrator may present witnesses to the board. An additional twenty (20) minutes, to be divided evenly among all witnesses, may be allotted for additional witnesses who wish to provide evidence on behalf of the alleged victim, but who were not called as witnesses by either the division or the alleged perpetrator. All witnesses will be heard at the board's discretion.

1. The board may, in its sole discretion, approve extra time for any presentation, but may not extend the time for decision of

the case.

2. The alleged perpetrator's attendance is not mandatory for a review to be held.

3. The division's liaison to the board shall notify the alleged perpetrator and his or her attorney of record, if applicable, whether the review shall be held in person or via teleconference or other electronic means, and the date, time, and location of the review. If the hearing is held in person, any party, attorney, representative, or witness may nonetheless participate in the hearing by conference call.

4. Alleged perpetrators may present their cases to the board *pro se* or through legal counsel.

5. Appropriate staff shall represent the division. The division may also be represented by legal counsel.

6. Nonparty witnesses, including witnesses on behalf of the alleged victim, shall only be allowed to participate in that portion of the review in which they are presenting information.

7. Either party who wishes to submit evidence in electronic format shall contact the liaison of the board at least twenty-one (21) days prior to the scheduled hearing date to ascertain whether the board has equipment to review the evidence. Neither the division nor the board shall be responsible for supplying equipment or for equipment failure. The party who wishes to present the information in electronic format shall be responsible for delivering the information to the board in a format which the board and its members can review;

(H) The board shall review and discuss all relevant materials and testimony, and all board members participating at the hearing shall have the right to vote on whether to uphold or reverse the division's finding.

1. The board shall have a quorum of not less than five (5) members to hold a hearing. If a quorum cannot be reached, the board shall reschedule the hearing. If there are vacancies on the board, the board shall continue to operate in its usual manner, so long as a quorum can be met for each hearing. To ensure a quorum, members may serve on CANRB panels outside the specific board to which the member was appointed.

2. The board's decision shall be based on a majority vote. In cases where the vote is tied, the board shall affirm the division's finding.

3. The board's decision shall be based solely on the information submitted in advance or presented to the board at the hearing.

4. The board shall make its decision on the day of the case's review;

(I) The division, on behalf of the board, shall promptly notify the alleged perpetrator of the board's decision in writing.

1. If the board upholds the division's preliminary finding, the division shall send the decision to the alleged perpetrator's Address of Record. Any properly addressed decisions under this rule that are returned as refused or unclaimed shall be deemed satisfactory notice. The division shall notify the parties and the alleged perpetrator's attorney, if applicable, by regular or electronic mail. The division shall place the alleged perpetrator's name on the central registry as allowed by law.

2. If the board reverses the division's preliminary finding, the division shall notify all parties by regular or electronic mail and the division shall not list the alleged perpetrator as a perpetrator of child abuse or neglect in the central registry;

(J) If the alleged perpetrator requires reasonable accommodations pursuant to the Americans with Disabilities Act, the alleged perpetrator shall notify the board's liaison at least ten (10) days before the hearing; and

(K) The division may grant a continuance to the alleged perpetrator for good cause, but the number of continuances shall be restricted to ensure a timely review. Pending criminal charges arising out of the facts of the investigation shall not constitute good cause if the alleged perpetrator obtained or could have obtained his or her investigative report.

(8) The board shall expunge its files after one (1) year. The board shall keep a log documenting the board's final decision. If the board upholds the division's preliminary finding, the division may, at its discretion, retain the board's voting slip, notification letter(s), and certified mailing receipt by paper or electronic means.

(9) Each board shall submit, no later than March 15 annually, a written report to the Department of Social Services containing a summary of activities of the board and recommendations to improve the child protection services system at the state and local levels.

III. WORKSHEET

The purpose of this proposed amendment is to comply with Amendment 2, the ratification of which created Section 36(c) of Article IV of the Missouri Constitution. Effective July 1, 2021, the Department of Social Services (DSS) shall extend MO HealthNet (Medicaid) coverage to persons age 19-64 with income under 133% of the federal poverty level. This proposed amendment clarifies DSS's existing regulation governing presumptive eligibility to ensure qualified hospitals are able to make presumptive eligibility determinations for the group known as the Adult Expansion Group.

The proposed regulation change will not have a fiscal impact. Overall implementation costs of Amendment 2 that modifies Section 36(c) of Article IV of the Missouri Constitution is estimated to cost \$1.85 billion total (\$282.2 million state share / \$1.57 billion federal) annually.

The incorporation by reference will have no fiscal impact since it does not substantively change anything the Department is not already doing.

[(7)](5) [Interim] Fee-for-Service (FFS) Claims Payments.

(A) [Hospital-Based RHCs. Provider-based] Effective for dates of service beginning July 1 of each year, PBRHC services that are an integral part of the hospital, unless otherwise limited by regulation, shall be reimbursed [on an interim basis] by MO HealthNet, based on the clinic's usual and customary charges multiplied by the lower of one hundred percent (100%) or one hundred percent (100%) of the [Hospital Based Rural Health Clinic's] PBRHC's cost-to-charge ratio as determined from the third prior year audited [Medicare] Medicaid cost report. [Interim] These payments shall be reduced by copayments and other third party liabilities.

[(B) Skilled Nursing Facility-Based RHCs and Home Health Agency-Based RHCs. Provider-based RHC services that are an integral part of the skilled nursing facility or home health agency, unless otherwise limited by regulation, shall be reimbursed on an interim basis by MO HealthNet, based on the clinic's usual and customary charges multiplied by the lower of the Medicare RHC rate or the rate approved by the MO HealthNet Division. Interim payments shall be reduced by copayments and other third party liabilities.

(C) A provider-based RHC in a MO HealthNet managed care region shall be eligible for supplemental reimbursement up to its interim MO HealthNet payment percentage. This reimbursement shall make up the difference between the provider-based MO HealthNet payment percentage and total managed care health plan payments to the clinic for managed care participants for covered services rendered to MO HealthNet managed care participants during the reporting period. The supplemental reimbursement shall occur pursuant to the schedule agreed to by the division and the provider-based RHC but shall occur no less frequently than every four (4) months. Supplemental reimbursement shall be requested on forms provided by the division. Supplemental reimbursement for managed care charges shall be considered interim reimbursement of the provider-based RHC's MO

HealthNet costs.]

(6) Interim Managed Care Payments.

(A) A PBRHC in a MO HealthNet managed care region may request an interim payment, on forms provided by the division, prior to the final settlement calculation. This payment is limited to the ten percent (10%) not reimbursed by the managed care health plans for covered services rendered to MO HealthNet managed care participants during the reporting period. The interim payment shall occur on a quarterly basis.

(7) Final Settlement Calculations.

(A) For cost reports with a FY ending in 2021 and forward, the final settlement is calculated as follows:

1. The audited Medicaid cost report that includes each PBRHC's fiscal year shall be used to calculate the final settlement, in order that the PBRHC's net reimbursement shall equal reasonable costs as described in this section;

2. Fee-for-Service Section.

A. The division takes the PBRHC's allowable Medicaid charges from services billed under this rule multiplied by the PBRHC's cost-to-charge ratio to determine the PBRHC's cost. From this cost, the PBRHC FFS claims payments are subtracted. The difference is either an overpayment or an underpayment;

3. Managed Care Section.

A. The division uses the PBRHC Form from the Medicaid Supplemental Packet, which is filed with the hospital cost report, and associated detail for the PBRHC facility to determine charges. These charges are multiplied by the PBRHC's cost-to-charge ratio to determine the PBRHC's cost. From this cost, the PBRHC payments associated with above charges are subtracted. If applicable then subtract any interim payments paid prior to the final settlement. The difference is either an overpayment or an underpayment; and

4. Final Settlement Amount.

A. The division adds together the overpayment or underpayment from the FFS Section and the Managed Care Section and then subtracts any advanced settlement payments, if applicable, to come up with a total overpayment or underpayment which will be the final settlement amount.

(B) For cost reports with a FY ending in 2020 and prior, the final settlement is calculated as follows:

1. The audited Medicare Notice of Program Reimbursement (NPR) cost report that includes each PBRHC's fiscal year shall be used to calculate the final settlement, in order that the PBRHC's net reimbursement shall equal reasonable costs as described in this section. The provider shall provide the NPR upon request from the division;

2. Fee-for-Service Section.

A. The division takes the PBRHC's allowable Medicaid charges from services billed under this rule multiplied by the PBRHC's Medicare NPR cost-to-charge ratio to determine the PBRHC's cost. From this cost, the PBRHC FFS claims payments are subtracted. The difference is either an overpayment or an underpayment;

3. Managed Care Section.

A. The division uses the PBRHC Form from the Medicaid Supplemental Packet, which is filed with the hospital cost report, and associated detail for the PBRHC facility to determine charges. These charges are multiplied by the PBRHC's cost-to-charge ratio to determine the PBRHC's cost. From this cost, the PBRHC payments associated with above charges are subtracted. If applicable then subtract any interim payments paid prior to the final settlement. The difference is either an overpayment or an underpayment; and

4. Final Settlement Amount.

A. The division adds together the overpayment or underpayment from the FFS Section and the Managed Care Section

and then subtracts any advanced settlement payments, if applicable, to come up with a total overpayment or underpayment which will be the final settlement amount.

(8) Reconciliation.

[(A) The state agency shall perform an annual desk review of the Medicaid cost reports for each provider-based RHC's fiscal year and shall make indicated adjustments of additional payment or recoupment, in order that the provider-based RHC's net reimbursement shall equal reasonable costs as described in this section.]

[(B)](A) [Notice of Program Reimbursement.] The division shall send written notice to the [provider-based RHC] hospital, of which the PBRHC is an integral part, of the following:

1. Underpayments. If the total reimbursement due the PBRHC exceeds the interim payments made for the reporting period, the division makes a lump-sum payment to the PBRHC to bring total interim payments into agreement with total reimbursement due to the PBRHC; and/or

2. Overpayments. If the total interim payments made to [an] the PBRHC for the reporting period exceed the total reimbursement due from the PBRHC for the period, the division arranges with the PBRHC for repayment through a lump-sum refund, or if that poses a hardship for the PBRHC, through offset against subsequent interim payments or a combination of offset and refund.

[(C) The annual desk review will be subject to adjustment based on the results of a field audit that may be conducted by the division or its contracted agents.]

(11) Payment Assurance. *[(A)] The state will pay each PBRHC, which furnishes the services in accordance with the requirements of the state plan, the amount determined for services furnished by the PBRHC according to the standards and methods set forth in the regulations implementing the PBRHC Reimbursement Program.*

[(B) RHC services provided for those participants having available Medicare benefits shall be reimbursed by MO HealthNet to the extent of the coinsurance and deductible as imposed under Title XVIII.

[(C) Where third-party payment is involved, MO HealthNet will be the payer of last resort.

[(D) Regardless of changes of ownership, management, control, or leasehold interests by whatever form for any RHC previously certified for participation in the MO HealthNet program, the department will continue to make all the MO HealthNet payments directly to the entity with the RHC's current provider number and hold the entity with the current provider number responsible for all MO HealthNet liabilities.

[(12) Payment in Full. Participation in the MO HealthNet program shall be limited to providers who accept as payment in full, for covered services rendered to MO HealthNet participants, the amount paid in accordance with these regulations and applicable copayments.]

III. WORKSHEET

See Table Above

IV. ASSUMPTION

1. The above figures are based on staff estimates.
2. An average of 69 applicants are received annually. In 2020 a total of 26 applicants reapplied to take Missouri law exam a second time.

3. Costs related to traveling to and from the testing sites will vary due to multiple testing sites and various traveling distances, therefore, they were not calculated in this fiscal note. There are 5 sites in Missouri that will provide the exam. The maximum travel time is estimated at 6 hours round trip, therefore, costs for lodging and meals are unnecessary in most cases. Finally, additional travel costs would include mileage to and from the testing site and would vary based on where the licensee lives.
3. The board estimates one applicant will have to reapply after one year for not meeting the licensure requirements.
4. Applicants may incur minimal photocopy and postage expenses to submit documents to the board. Photocopy and postage expenses are not being calculated in this fiscal note.
5. It is anticipated that the total cost will recur for the life of the rule, may vary with inflation and is expected to increase at the rate projected by the Legislative Oversight Committee.

NOTE: The costs accounted for in this fiscal note are not actually new costs, but costs that already exist. All costs associated with a rule must be re-accounted for when rescinding and readopting a rule.

INSURANCE**
Division 2220—State Board of Pharmacy
Chapter 2—General Rules

PROPOSED RULE

20 CSR 2220-2.016 Pharmacy Operations During an Emergency or Declared Disaster

PURPOSE: This rule establishes guidelines for temporary pharmacy operations during an emergency or declared disaster.

(1) Definitions.

(A) "Disaster Area"—A specified geographical area within the state that has been designated by the governor or federal authorities as an area that has been adversely affected by a natural or man-made disaster and that requires extraordinary measures to provide adequate, safe, and effective health care for the affected population.

(B) "Emergency Situation"—An emergency caused by a natural or man-made disaster that substantially prevents a Missouri licensed pharmacy from providing pharmacy services at the pharmacy's permitted location.

(C) "Home Pharmacy"—A Missouri licensed pharmacy that operates or applies for an emergency temporary pharmacy permit pursuant to this rule.

(D) "Emergency Declaration"—A state or federally declared emergency or disaster that impacts Missouri patients.

(2) Emergency Situations. A pharmacy that is substantially unable to provide pharmacy services at their permitted location due to an emergency situation may file a change of location application with the board to provide pharmacy services at a temporary site. No application fee shall apply. The location change must be approved by the board prior to changing locations and the designated location must successfully pass a board inspection.

(A) Approval of a temporary change of location under this rule will be based on the need, type, and scope of the emergency situation, as well as the ability of the pharmacy to ensure proper security and comply with state and federal drug laws.

(B) Unless otherwise approved by the board for good cause, temporary pharmacy permits shall be valid for up to six (6) months, if requested. A change of location application is required if the pharmacy will be operating at a temporary location for more than the allowed six (6) months or desires to permanently remain at the temporary site.

(C) The board may waive designated facility or pharmacy operational requirements at a temporary location to prevent the interruption of pharmacy services. Waiver requests must be submitted in writing and must demonstrate how the permit holder will maintain patient safety and ensure adequate security.

(D) A change of location application must be filed with the board when the home pharmacy is ready to return to their original permitted location. No fee will apply. The permitted location must pass a board inspection prior to resuming pharmacy services at the original location.

(E) Records must be maintained as required by Chapter 338, RSMo, and the rules of the board.

(F) Approval of a temporary location change does not interfere with any rights or privileges of a pharmacy permit holder at the original pharmacy location, or prevent a permit holder from applying for

a change of location as outlined in the board's rules.

(3) Emergency Declarations/Disaster Areas. A Missouri licensed pharmacy located in Missouri may apply for an emergency temporary pharmacy permit to provide pharmacy services to Missouri patients impacted by an emergency declaration or located in a disaster area. Applications for an emergency temporary pharmacy permit must be submitted on a form provided by the board with the applicable fee, and must demonstrate that the temporary pharmacy is needed to ensure adequate pharmacy services are reasonably available for impacted patients. The following additional requirements apply, unless otherwise approved by the board:

(A) The temporary pharmacy permit shall be considered part of the home pharmacy's permit and not a separate pharmacy permit. The home pharmacy and the temporary pharmacy must have the same pharmacist-in-charge. The home pharmacy is responsible for ensuring compliance with all applicable state and federal law at a temporary pharmacy licensed under this rule;

(B) Unless otherwise approved by the board, temporary pharmacy permits will only be approved for a designated location and for the pharmacy classifications authorized on the home pharmacy's permit prior to the declared disaster or emergency declaration;

(C) Approval of an emergency temporary pharmacy permit will be based on the need, type, and scope of emergency or disaster, as well as the pharmacy's ability to maintain proper security and comply with applicable state and federal law, including, section 338.240, RSMo;

(D) The temporary location must successfully pass a board inspection before a temporary pharmacy permit is issued. Additionally, temporary pharmacies must be available for inspection, as requested by the board or the board's authorized designee;

(E) The board may waive designated facility or pharmacy operational requirements to prevent the interruption of pharmacy services at an emergency temporary pharmacy. Waiver requests must be submitted in writing and must demonstrate how the permit holder will maintain patient safety and adequate pharmacy security, if approved. Controlled substances must be handled and dispensed in accordance with state and federal law;

(F) Temporary pharmacy permits issued under this section are valid for thirty (30) days but may be renewed at the discretion of the board. To renew, the home pharmacy must file a written request with the board and demonstrate that renewal of the temporary pharmacy permit is needed to protect the public health and ensure access to pharmacy services;

(G) Temporary pharmacies approved under this section must terminate services on the expiration date approved by the board or within five (5) days after the disaster area designation or emergency declaration is withdrawn or terminated, whichever is earlier; and

(H) Records must be maintained as required by Chapter 338, RSMo, and the rules of the board. Required records must be maintained at the home pharmacy after the temporary pharmacy permit closes, and must be available for inspection or copying by the board or the board's authorized designee.

AUTHORITY: sections 338.043 and 338.280, RSMo 2016, and sections 338.210, 338.220, and 338.333, RSMo Supp. 2020. This rule originally filed as 4 CSR 220-2.016. Original rule filed May 4, 1995, effective Dec. 30, 1995. Moved to 20 CSR 2220-2.016, effective Aug. 28, 2006. Amended: Filed May 13, 2019, effective Nov. 30, 2019. Rescinded and readopted: Filed April 8, 2021.

PUBLIC COST: This proposed rule will result in a decrease in revenue to the State Board of Pharmacy of two thousand six hundred fifty dollars (\$2,650) annually for the life of the rule, as reflected in the attached public fiscal note.

PRIVATE COST: This proposed rule will not cost private entities more than five hundred dollars (\$500) in the aggregate.

NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed rule with the Missouri Board of Pharmacy, PO Box 625, 3605 Missouri Boulevard, Jefferson City, MO 65102, by facsimile at (573) 526-3464, or via email at pharmacy@pr.mo.gov. - I. Department Title: Department of Commerce and Insurance
Division Title: State Board of Pharmacy
Chapter Title: General Rules**

Rule Number and Name:	20 CSR 2220-2.014 Pharmacy Operations During An Emergency or Declared Disaster
Type of Rulemaking:	Rule

II. SUMMARY OF FISCAL IMPACT

Affected Agency or Political Subdivision	Estimated Fiscal Impact
State Board of Pharmacy	-\$ 2,650 (Annual Revenue Decrease)

III. WORKSHEET

Estimated # of Applicants/Licensees	Affected Agency	Description of Costs	Calculation of Estimates	TOTAL REVENUE DECREASE
5 Pharmacies Impacted by a Disaster	Board of Pharmacy	Pharmacist Change of Location Fee	\$1,750 (anticipated annual decrease)	\$ 1,750
3 Temporary Pharmacies	Board of Pharmacy	Pharmacy Permit Fee	\$ 900 (anticipated annual decrease)	\$ 900
TOTAL ESTIMATED COSTS				-\$ 2,650 (Projected revenue decrease)

IV. ASSUMPTIONS

1. The Board is unable to estimate the number of pharmacies/temporary pharmacies that may be exempted from application fees under the proposed rule. However, based on current Board inspection information, the Board estimates approximately five (5) pharmacies will be exempt from the change of location fee due to a natural or man-made disaster. The Board further estimates approximately three (3) pharmacies will annually apply for an emergency temporary pharmacy permit to provide pharmacy services during a disaster or state/federal emergency.

2. Accordingly, the Board estimates fiscal costs of approximately \$2,650:
 - \$1,750 = (5 pharmacies X \$175 change of location application fee X 2 required change of location applications annually)** +
 - \$900 (3 temporary pharmacy permit applications annually X \$300 application fee).

*** A separate change of location application would be required when the pharmacy moves to a new location, and when the pharmacy returns to its original location.*

3. Actual revenue decreases may vary based on the type of emergency/disaster and the number of applications received.
4. The projected revenue decrease will result in a net savings to pharmacies impacted by, or providing pharmacy services during, a disaster or state/federal emergency.
