HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3 Department	<i>Code of State Regulations</i>	10- Agency division	4 General area regulated	.115 Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

II. SUMMARY OF FISCAL IMPACT

Estimate of the number of entities by class which would likely be affected by the adoption of the rule:	Classification by types of the business entities which would likely be affected:	Estimate in the aggregate as to the cost of compliance with the rule by the affected entities:

III. WORKSHEET

Commission rule 20 CSR 4240-120.140(1) currently states that this fee is \$30, and the proposed rule will raise this fee to \$75, which is an increase of \$45. On average, manufactured home manufacturers pay 1216 inspection fees annually. $\$45 * 1216 = \$54,720$. Staff estimates that affected entities' annual cost of compliance will be \$54,720.

SUMMARY OF COMMENTS: The board received thirty-one (31) comments on this proposed amendment. Of those thirty-one (31) comments, twenty-seven (27) comments were in favor of amending the requirements to add a Library Media Specialist K-12 certificate, and four (4) comments were in opposition of amending the requirements to add a Library Media Specialist K-12 certificate.

COMMENT #1-27: Twenty-seven (27) individuals, Doug Abend, Michelle Stuerman, Kristen Shaw, Rebecca Parker, Lisa Miller, Sherry Mills, Pegi Ferrell, Stacey McMackin, Traci Mattis, Jennifer Baldwin, Lara Struttman, Amy Taylor, Kathryn Braddock, Becky Haynes, Lisa Allen, Angie Miller, Hope Hunter, Sue Robinson, Audra Pelham, Gregory Baum, Dana Kepler, Paula York, Mernie Maestas, Lisa Lewis, Chelsea Pulley, Melissa Ray, Ellen Wickham, sent in comments in favor of amending the requirements that are summarized in whole or in part below:

Studies show that certified and well-qualified, fully staffed school librarians are crucial to effective library programs and these programs have a great impact on student achievement, graduation rate, and mastery of standards. Trained librarians help prepare students to be thinkers and users of information.

To fully meet all of the demands of the role, which include cataloging, budgeting, library management, technology integration, reader rights, and intellectual property literacy, digital media, and research, school librarians must be appropriately educated and certified. Some commenters who support this amendment suggest that school librarian certifications need to be modified by allowing specified coursework in Core Content Knowledge Courses: Foundations of Librarianship, Library Media Administration, Developing and Managing Collections, and Organizing Information, and that school librarians should be paired with mentors for one (1) year. RESPONSE: These comments are in support of the proposed amendment; therefore, no changes have been made to the amendment as a result of these comments.

COMMENT #28: Cathy Boero, Sullivan Primary Librarian, commented, "I believe a teacher who passes the praxis can prove to be a great librarian. I do not believe the extra coursework is necessary. I realize that [the Missouri Association of School Librarians] (MASL) is pressing this but as a member of MASL, I disagree. MASL, itself, can fully support a teacher in this area and they often provide professional development to that end."

RESPONSE: The Missouri Advisory Council for the Certification of Educators (MACCE) voted in favor of the additional coursework, and the department agrees with its recommendation; therefore, no changes have been made to the amendment as a result of this comment.

COMMENT #29: Heather DeLaurent, Library Media Specialist, Camdenton Middle School, commented, "I am a well-qualified librarian that seeks lots of professional development to help me fine tune my craft. I am forever learning. I have my certification, but I have not enrolled in any college courses pertaining to librarianship,

and I feel that I could hang with the best of the best.”

RESPONSE: MACCE voted in favor of the additional coursework, and the department agrees with its recommendation; therefore, no changes have been made to the amendment as a result of this comment.

COMMENT #30: Mark Luetkemeyer commented, “[w]hat are the changes that are being made? What is the good and the bad in these proposals? Is more technology information needed? Does more information about the literature and popular culture for young people need to be added? There are changes being proposed about public librarianship work with young people. Does the effect anything here?”

RESPONSE: MACCE voted in favor of the additional coursework, and the department agrees with its recommendation; therefore, no changes have been made to the amendment as a result of this comment.

COMMENT #31: Amanda Pollock, Library Media Specialist, Nevada R-5, commented, “[i]n a time where we are struggling to find certified candidates for many, many positions in our state, I don’t think it is a time to make achieving certification even harder. We want a certified Librarian in every school, not for schools to give up on hiring someone because the applicants didn’t have the additional requirements for certification.”

RESPONSE: MACCE voted in favor of the additional coursework, and the department agrees with its recommendation; therefore, no changes have been made to the amendment as a result of this comment.

**Title 11—DEPARTMENT OF PUBLIC SAFETY
Division 30—Office of the Director
Chapter 18—Crime Victims’ Compensation**

ORDER OF RULEMAKING

By the authority vested in the director of the Department of Public Safety under section 595.060, RSMo 2016, the director of the Department of Public Safety adopts a rule as follows:

11 CSR 30-18.010 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on April 1, 2021 (46 MoReg 606-611). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The director received eight (8) comments on the proposed rule.

COMMENT #1: Brenda Sites, on behalf of Secretary of State Jay Ashcroft and the Safe at Home Address Confidentiality Program (ACP), requested that section (14) be changed to more accurately reflect the role of the ACP. Specifically, section 595.030, RSMo, does not identify the ACP as a “proper authority,” so section (14) will be more accurate if it is identified as an alternate source of information to support a claimant’s eligibility in the absence of, or in conjunction with, other official records.

RESPONSE AND EXPLANATION OF CHANGE: Section (14) will be changed to eliminate the reference to the ACP as a “proper authority.” This section will also be changed to state that “official records” are records of courts, law enforcement agencies, or prosecuting attorneys; or documents or information provided by the Address Confidentiality Program of the Missouri Secretary of State established pursuant to section 589.663, RSMo.

COMMENT #2: Brenda Sites, on behalf of Secretary of State Jay Ashcroft and the Safe at Home Address Confidentiality Program (ACP), requested that section (14) be changed to allow ACP records to apply to all crimes eligible for CVC. This will reflect changes in 2018 to section 589.663, RSMo. These changes expanded ACP services to include victims of other crimes who fear for their safety or the safety of individuals residing in the same household as the victim.

RESPONSE AND EXPLANATION OF CHANGE: Section (14) will be changed to allow ACP records to meet the definition of “official records” for all crimes.

COMMENT #3: Brenda Sites, on behalf of Secretary of State Jay Ashcroft and the Safe at Home Address Confidentiality Program (ACP), requested that to verify that a claimant is also an ACP applicant, the ACP be allowed to provide a verification letter to Program staff stating the name of the participant, their status as of the date of the letter, and their designated address assigned by the ACP. The letter would not specify the crime or events that precipitated an individual’s enrollment in the ACP.

RESPONSE AND EXPLANATION OF CHANGE: Section (14) will be changed to state that “official records” are records of courts, law enforcement agencies, or prosecuting attorneys; or records provided by the Address Confidentiality Program of the Missouri

Secretary of State established pursuant to section 589.663, RSMo. Staff interprets “records” to include a document like the one described in the comment.

COMMENT #4: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested that section (1) be changed to add a definition of “good cause” in order to allow the program flexibility to consider situations on a case-by-case basis that may be outside of the rules.

RESPONSE: The term “good cause” is not used elsewhere in this rule; therefore, a definition of this term is unnecessary. A blanket good cause exception would limit the ability of these rules to provide guidance to claimants and program staff members. There are several provisions in this rule and Chapter 595, RSMo, that allow for discretion in certain specified areas.

COMMENT #5: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested that subsection (4)(E), be clarified to define the term “in writing,” and expanded to allow claimants to call or electronically provide updated contact information.

RESPONSE: Staff interprets “in writing” to allow for notifications provided by electronic means, such as email or an online portal. Notification in writing is important to allow the program to properly respond to changes in a claimant’s contact information. No changes have been made to the rule as a result of this comment.

COMMENT #6: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested that subsection (6)(A), be changed so that contributory conduct more accurately reflects the complexity of cases such as homelessness, sexual assault, domestic violence, or trafficking; and suggests that this may be an appropriate place for a “good cause” exemption.

RESPONSE AND EXPLANATION OF CHANGE: Subsection (6)(A) will be changed to address these concerns. The changes detailed below will give the program sufficient discretion to address the situations described in this comment.

COMMENT #7: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested that subsection (14)(A) regarding the definition of “proper authorities” be changed as it is overly restrictive and does not accurately reflect existing statutes. This definition does not include the Address Confidentiality Program of the secretary of state (ACP), and does not include all of the options that a victim of a sexual offense has for reporting an offense. These options include filing the report of a forensic examination by the appropriate medical provider, with the prosecuting attorney in the county in which the alleged offense occurred, receiving a forensic examination, or securing an order of protection.

RESPONSE AND EXPLANATION OF CHANGE: Prosecuting attorneys are already listed as a proper authority in this definition. For the reasons specified in comment #1 above and the director’s response, the ACP is not a proper authority for reporting purposes and is being removed from this definition. Section (14) will be changed as follows: Courts and the Attorney General’s Office will be added to the definition of “proper authority” for all crimes, and appropriate medical providers will be added as a proper authority for sexual offenses. This section will further be changed to allow records of a medical provider to serve as an official record for purposes of determining protection.

COMMENT #8: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested that subsection (14)(B), regarding the definition of “official records” be expanded to include additional types of records, and include a good cause exception. This definition should include proof of a forensic examination by an appropriate medical provider, sexual assault forensic evidence kit barcode or tracking system verification, or the Safe

at Home Participant card.

RESPONSE AND EXPLANATION OF CHANGE: The definition of “official records” in section (14) will be changed as follows: For victims of sexual offenses, any record of a medical provider demonstrating that the victim received a forensic examination will meet the definition. In addition, records of the Attorney General’s Office will meet the definition. These changes will allow for the use of records that may be maintained by the sexual assault forensic examination tracking system that is scheduled to launch this year. Finally, the definition will also include any other record set forth in section 595.030, RSMo, in order to account for future statutory changes. Because Program staff is not equipped to evaluate records from informal and non-official sources, a good cause exception will not be added to this section.

11 CSR 30-18.010 Rules Governing Crime Victims’ Compensation

(6) Reduction.

(A) Contributory conduct.

1. If, through consent, provocation, incitement, or negligence, the victim contributed to the infliction of the victim’s injury or death, the claim shall be denied.

2. In order to ensure consistency in awards, no partial reduction in the amount of compensation may be made due to contributory conduct by the victim.

3. Factors to be considered when determining whether a victim contributed to the conduct include, but are not limited to:

A. Whether the victim’s actions directly and substantially caused the offender’s actions;

B. Whether the victim’s misconduct was willfully part of a continuous flow of events leading to the crime and the victim’s involvement was reasonably avoidable;

C. Whether it was reasonably foreseeable that the victim’s actions would cause the offender to inflict an injury on the victim; and

D. Whether the victim’s participation in the commission of a potential crime was the result of threat, force, coercion, or control.

4. Determinations regarding contributory conduct shall be made on basis of facts and substantial evidence.

(14) Reporting of Crimes. The following terms contained in section 595.030, RSMo, are defined as follows:

(A) “Proper authorities” for reporting purposes are the following:

1. For all offenses: Law enforcement agencies, prosecuting attorneys, the Attorney General’s Office, or courts; or

2. For sexual offenses: Appropriate medical providers, as defined in section 595.220, RSMo.

(B) “Official records” include the following:

1. For all offenses:

A. Records of courts, law enforcement agencies, prosecuting attorneys, or the Attorney General’s Office;

B. Records of the Address Confidentiality Program of the Missouri Secretary of State established pursuant to section 589.663, RSMo; or

C. Any other record set forth in section 595.030, RSMo.

2. For sexual offenses: Any record of a medical provider demonstrating that the victim received a forensic examination.

Title 11—DEPARTMENT OF PUBLIC SAFETY Division 30—Office of the Director Chapter 18—Crime Victims’ Compensation

ORDER OF RULEMAKING

By the authority vested in the director of the Department of Public Safety under section 595.060, RSMo 2016, the director of the Department of Public Safety adopts a rule as follows:

11 CSR 30-18.020 Rules Governing Crime Victims' Compensation Appeals is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on April 1, 2021 (46 MoReg 612). No changes have been made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The director received four (4) comments on the proposed rule.

COMMENT #1: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested that a definition of "good cause" be added, as this term is used in sections (1) and (3) of the proposed rule.

RESPONSE: "Good cause" is a term of common use, and there is no need for a specific definition of that term here. No changes have been made to the rule as a result of this comment.

COMMENT #2: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested clarification in section (1) to reflect what the term "in writing means," in order to allow electronic communication options.

RESPONSE: Staff interprets "in writing" to allow for notifications provided by electronic means, such as email or an online portal. No changes have been made to the rule as a result of this comment.

COMMENT #3: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, noted that the list of documents in section (3) is broader than that in proposed 11 CSR 30-18.010, and requests that the same types of documentation should be allowed to file or appeal a claim.

RESPONSE: Staff believes this comment refers to the list of official documents in proposed 11 CSR 30-18.010(14). The list of documents in that section is provided as a list of the documents that are acceptable under section 595.030, RSMo, to demonstrate that a crime has been reported to proper authorities. Claimants may submit documents for other purposes, such as demonstrating medical bills, funeral expenses, or lost wages. Proposed 11 CSR 30-18.010(4)(B) states that "Claimants are to produce any document necessary to support the claim." No changes have been made to the rule as a result of this comment.

COMMENT #4: Jennifer Carter Dochler, with the Missouri Coalition Against Domestic and Sexual Violence, requested that subsection (3)(C) be clarified to provide options to allow claimants to appear at administrative reviews by telephone, videoconference, or other technology, in order to minimize the travel burden on claimants.

RESPONSE: The program interprets "appear" to include appearances by electronic means. The director has conducted administrative reviews by telephone and videoconference in the past. No changes have been made to this rule as a result of this comment.

**Title 13—DEPARTMENT OF SOCIAL SERVICES
Division 35—Children's Division
Chapter 31—Child Abuse**

ORDER OF RULEMAKING

By the authority vested in the Department of Social Services, Children's Division, under sections 210.153 and 660.017, RSMo 2016, the division amends a rule as follows:

13 CSR 35-31.025 is amended.

Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Social Services received one (1) comment on the proposed amendment.

COMMENT #1: Sara Smith, Deputy Director, Department of Social Services' Children's Division (CD) commented that in subparagraph (3)(B)2.D., the "s" should be removed from "boards."

RESPONSE AND EXPLANATION OF CHANGE: CD has updated subparagraph (3)(B)2.D. to reflect this change.

13 CSR 35-31.025 Child Abuse and Neglect Review Process

(3) Requesting Administrative Review or Judicial Review. If the alleged perpetrator disagrees with the division's preliminary finding, the alleged perpetrator may request either direct judicial review or administrative review of the finding, but not both.

(B) Administrative Review Requests.

1. To request administrative review, the alleged perpetrator shall submit a written request for review within sixty (60) days from the receipt of the notification of the division's preliminary finding as provided in sections 210.152 and 210.153, RSMo, except as otherwise provided herein. The alleged perpetrator may include any additional relevant information that the alleged perpetrator would like the division or board to consider.

A. Upon receipt of a timely written request for administrative review, the division may review the request, the investigative report, and any other relevant materials before the board hearing. If the division concludes the preliminary finding should be reversed before the board hearing, the division shall notify the alleged perpetrator and the alleged perpetrator shall not be listed in the central registry for that finding.

B. If the division receives a request for administrative review within sixty (60) days of notification of the division's preliminary finding, the division shall not list the alleged perpetrator as a perpetrator of child abuse or neglect in the central registry for the preliminary finding unless and until the finding is sustained by the board.

C. If the division does not receive a request for administrative review within sixty (60) days of notification of the division's preliminary finding, the division shall list the alleged perpetrator as a perpetrator of child abuse or neglect in the central registry.

2. Pending Criminal Charges.

A. If criminal charges that arose from the investigation are pending when the alleged perpetrator receives notice of the division's preliminary finding, the alleged perpetrator may either—

(I) Request administrative review within sixty (60) days of receiving notice of the division's preliminary finding; or

(II) In the alternative, the alleged perpetrator may waive administrative review within sixty (60) days of notice and instead request administrative review within sixty (60) days of the court's final disposition or dismissal of the criminal charges, as provided for in this subsection and section 210.152.4, RSMo.

B. If the alleged perpetrator with pending criminal charges submits a request within sixty (60) days of notification of the division's preliminary finding, the division shall proceed with the administrative review and the division shall not list the alleged perpetrator in the central registry unless and until the finding is sustained by the board.

C. If the alleged perpetrator with pending criminal charges does not request review within sixty (60) days of notification of the division's preliminary finding, the division shall list the alleged perpetrator as a perpetrator of child abuse or neglect in the central registry, and the alleged perpetrator shall remain listed in the central registry unless and until the division's finding is subsequently

reversed by the division, the board, or judicial action.

D. To request administrative review within sixty (60) days of the court's final disposition or dismissal of criminal charges arising from the investigation, the alleged perpetrator shall submit a copy of the court's final disposition or dismissal of the criminal charges with the written request for administrative review. If the division receives the written request and the copy of the court's final disposition or dismissal of the criminal charges within sixty (60) days of the court's final disposition or the dismissal, the division shall schedule a board hearing. Once listed, the alleged perpetrator shall remain listed in the central registry unless and until the division's finding is subsequently reversed by the division, board, or judicial action.

3. The alleged perpetrator shall be entitled to no more than one (1) administrative review of any preliminary finding.

4. The division shall not conduct an administrative review if a finding has been substantiated through court adjudication pursuant to sections 210.153, 210.110 or 210.118, RSMo.

5. Death Pending Administrative Review. If the alleged perpetrator's representative or next of kin provides proof that the alleged perpetrator died before the alleged perpetrator's time to request review expired or before the requested board hearing occurred, the division shall retain the report and all information but shall not add the deceased alleged perpetrator to the central registry. The division shall retain and disclose information and findings in the same manner as the division retains and discloses reports involving unknown perpetrators and family assessments.

15 CSR 30-55.065 Appearance Before the Commissioner is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on June 1, 2021 (46 MoReg 948). Title 19—DEPARTMENT OF HEALTH AND SENIOR SERVICES

Division 10—Office of the Director
Chapter 4—Coordinated Health Care Services

ORDER OF RULEMAKING

By the authority vested in the Missouri Department of Health and Senior Services under section 191.411, RSMo 2016, the department amends a rule as follows:

19 CSR 10-4.020 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 15, 2021 (46 MoReg 704-706). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Health and Senior Services received one (1) letter with three (3) comments from the University of Missouri Steven Zweig, MD, MSPH; Hugh E. and Sarah D. Stephenson Dean Professor of Family and Community Medicine and four (4) staff comments.

COMMENT #1: Steve Zweig, MD, MSPH proposed that the department not utilize Health Professional Shortage Area (HPSA) scores as the focus on these scores are misplaced. Dr. Zweig believes that HPSA scores do not tell the whole story for specialists. Dr. Zweig suggested that the following are the best indicators for need for a specialist to receive a J1-Visa waiver: number of open positions; length of time and difficulty to fill open specialist positions; wait times to see new and existing patients; number of patients on Medicaid; number of uninsured patients; and number of veterans served.

RESPONSE: The department understands the desire for additional factors to be considered when evaluating applications, but does not find it necessary to add additional layers to the evaluation process at this time. No changes were made to the proposed amendment as a result of this comment.

COMMENT #2: Steve Zweig, MD, MSPH, Hugh E. and Sarah D. Stephenson Dean & Professor of Family and Community Medicine for the University of Missouri requested that the proposed amendment be changed to permit the department to allocate waivers for specialists and subspecialists to tier one safety net providers.

RESPONSE: The department recognizes the desire that tier one safety net status should be factored into the decision making process, but feels that such a change would be premature without assessing if the proposed regions' approach relieves distribution concerns. No changes were made to the proposed amendment as a result of this comment.

COMMENT #3: Steve Zweig, MD, MSPH, Hugh E. and Sarah D. Stephenson Dean & Professor of Family and Community Medicine for the University of Missouri, also requested that the proposed amendment be changed to require physicians who qualify for Delta Regional Authority or Health and Human Services waivers to use one (1) of the programs to maximize the usage of the thirty (30) Conrad waivers.

RESPONSE: The department appreciates the concerns that an applicant should be required to apply for other federal programs such as the Delta Regional Authority or Health and Human Services waivers, but does not think it would be fair to force applicants to pay a significant application fee to Delta Regional Authority three thousand dollars (\$3,000) when the Missouri J-1 Visa application does not have an application fee. Furthermore, Delta Regional Authority and Health and Human Services are only available to Primary Care Physicians and not specialists. The department wants to support

Primary Care doctors and currently receives a nominal amount of Primary Care applications; therefore, making these individuals ineligible will not significantly impact University of Missouri applications. No changes were made to the proposed amendment as a result of this comment.

COMMENT #4: Lori Brenneke, Deputy Division Director for the Division of Community Public Health, commented that the reference to subsections (2)(A)-(H) in section (2) should instead read (2)(A)-(M).

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this comment and will make the suggested change.

COMMENT #5: Lori Brenneke, Deputy Division Director for the Division of Community Public Health, commented that the reference in subsection (2)(K) should read 214(I).

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this comment and will make the suggested change.

COMMENT #6: Lori Brenneke, Deputy Division Director for the Division of Community Public Health, commented that IMG should be defined as “International Medical Graduates (IMG)” in subsection (2)(I).

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this comment and will make the suggested change.

COMMENT #7: Lori Brenneke, Deputy Division Director for the Division of Community Public Health, commented that “State” should be decapitalized in paragraph (5)(B)1.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this comment and will make the suggested change.

19 CSR 10-4.020 J-1 Visa Waiver Program

(2) A waiver request must come from a Missouri health care facility on behalf of a J-1 Visa physician. All of the required information and documentation, as required by the United States Department of State, J-1 Visa Waiver Program, must be submitted with the documents presented in the order as prescribed in subsections (2)(A)-(M). Waiver requests that do not comply with these requirements will not be considered. The required documents include:

(I) A statement of reason from the applicant regarding the applicant’s reason for not wishing to fulfill the two (2) year county residence to which the International Medical Graduates (IMG) agreed at the time of acceptance of exchange visitor status;

(K) A signed statement from the physician agreeing to the contractual requirements set forth in section 214(I) of the Immigration and Nationality Act;

(5) In addition to the eligible physicians set forth in section (4), waivers may be recommended for other specialties and subspecialties.

(B) The number of specialty recommendations in any given program year will be determined by the number of available recommendation slots after all application packages for primary care physicians as outlined in section (4) are reviewed. If more application packages are received for specialists than the department has recommendations available, priority will be determined as follows:

1. The department divided the state of Missouri into three (3) regions for distribution purposes under this regulation. The specialist slots will be divided evenly among the regions. Region A consists of counties of Warren, St. Charles, Franklin, Jefferson, St. Louis, and St. Louis City. Region C consists of counties of Jackson, Lafayette, Cass, Johnson, Bates, Henry, Benton, Vernon, St. Clair, Hickory, Barton, Cedar, Polk, Dallas, Laclede, Dade, Greene, Webster, Wright, Texas, Jasper, Lawrence, Newton, McDonald, Christian, Barry, Stone, Taney, Ozark, Howell, and Douglas. Region B consists of all of the remaining Missouri counties not included in region A and C;

2. The first four (4) remaining vacant slots for specialists will be identified as reserved slots;

3. Any remaining vacant slots after excluding the reserved slots, will be divided evenly into three (3) with each region receiving the same number of vacant slots. If the remaining vacant slots cannot be evenly divided into three (3), then the remainder slots will be identified as a reserved slot;

4. The vacant slots for each region may receive waiver recommendations from the department prioritized by highest HPSA score of the location of the health care facility employing the physician;

5. If any health care facility or institution within a specific region would receive more than fifty percent (50%) of the specialty slots assigned to that region, then the number of slots over fifty percent (50%) will be reviewed by the department director to ensure appropriate distribution of specialists based on the needs of each region. The department director shall have the authority to award one (1) or more recommendations to the next highest HPSA score of the location of the health care facility employing the physician, excluding the institution that received more than fifty percent (50%) of the slots. If such distribution shall be in the best interest of the state or region;

6. The remaining reserved slots will be distributed, irrespective of region, to the applicants with the highest remaining HPSA scores of the location of the health care facility employing the physicians; and

7. In the event that there are fewer remaining slots than qualified applicants, or a tie for the last remaining slot, and with all of those applicants having equal status in priority, the remaining slots will be recommended by lottery.

This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received five (5) comments on the proposed amendment.

COMMENT #1: Bob Cirtin, President of Robert Cirtin Investigations supports the proposed fee increase.

RESPONSE: The board appreciates the support. No changes have been made in response to this comment.

COMMENT #2: Rachelé Davis with New Hope Investigations opposes the increased renewal fee for private investigators. The Missouri fee would be more than double of bordering states. She is concerned for licensees that live close to the border that clients will take their business to licensees in bordering states.

RESPONSE: The board stated that they understood and were very sympathetic. However, the board is statutorily obligated to enforce and administer the provisions of sections 324.1100 to 324.1148, RSMo. Pursuant to section 324.1114, RSMo, the board is responsible for establishing fees by rule. The board is proposing to increase the application, reactivation, and renewal fees in order to carry out its regulatory responsibilities as there will be inadequate funds without a fee increase. No changes have been made in response to the comment.

COMMENT #3: Michael Barbieri, Ph.D. with Global Intelligence Consultants opposes the fee increase. He suggested instead of raising the fees to eliminate the requirement for licensure.

RESPONSE: The board is statutorily obligated to enforce and administer the provisions of sections 324.1100 to 324.1148, RSMo. Pursuant to section 324.1114, RSMo, the board is responsible for establishing fees by rule. The board is proposing to increase the application, reactivation, and renewal fees in order to carry out its regulatory responsibilities as there will be inadequate funds without a fee increase. No changes have been made in response to the comment.

COMMENT #4: Raymond Papish of Ray Papish Investigation opposes the fee increase. He expressed concerns that he receives no benefits as a licensee from the fees.

RESPONSE: The board is statutorily obligated to enforce and administer the provisions of sections 324.1100 to 324.1148, RSMo. Pursuant to section 324.1114, RSMo, the board is responsible for establishing fees by rule. The board is proposing to increase the application, reactivation, and renewal fees in order to carry out its regulatory responsibilities as there will be inadequate funds without a fee increase. No changes have been made in response to the comment.

COMMENT #5: David Maynard, Maynard Investigations presented his comments at the June 2, 2021 board meeting. Mr. Maynard stated that the fee increase is an issue because there isn't a lot of business available and there was almost none in 2020. He stated he is a one-(1-) man business and it might drive him out of business.

RESPONSE: The board stated that they understood and were very sympathetic. They stated that they held off the fee increase as long as possible but there is no choice but to raise it to allow the board to continue to do business. No changes have been made in response to the comment.

This section may contain notice of hearings, correction notices, public information notices, rule action notices, statements of actual costs, and other items required to be published in the *Missouri Register* by law.
