HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title		Division	Chapter	Rule
3	CSR	10-	4	.115
Department	<i>Code of State Regulations</i>	Agency Division	General area regulated	Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

EXECUTIVE ORDER 21-06

WHEREAS, businesses are vital to communities, by providing jobs, services, and a stable tax base to fund critical public functions; and

WHEREAS, recent polls and data prove that businesses have experienced significant financial losses as a result of the COVID-19 pandemic, with disproportionate impacts to small businesses and minority-owned businesses, including those owned by women; and

WHEREAS, the State of Missouri has worked diligently since the beginning of the pandemic to allow businesses to remain open to the extent possible, to waive nearly 600 statutory and regulatory requirements in order to provide more flexibility while simultaneously safeguarding Missourians, to secure over \$11 billion in Small Business Administration low-interest loans for small businesses, and to coordinate comprehensive statewide testing, vaccination efforts, and personal protective equipment delivery; and

WHEREAS, Missouri's economy continues to show strong signs of recovery, with approximately 70 percent of jobs lost to COVID-19 being recovered, putting Missouri among the top tier of states for total economic recovery; and

WHEREAS, the State of Missouri must continue to prioritize economic recovery and support for small businesses for the benefit of all Missourians, especially those businesses that were forced to close due to no fault of their own; and

WHEREAS, Missourians and Missouri businesses are strong, resilient, and ready to get back to work; and

WHEREAS, the Hispanic Business, Trade and Culture Commission was created by Executive Order 05-43 in November 2005 and has been inactive since 2008.

The Governor shall designate a chair and co-chair of the Task Force.

ATTEST:

JOHN R. ASHCROFT
SECRETARY OF STATE

**EXECUTIVE ORDER
EO 21-07**

WHEREAS, on March 13, 2020, I declared a State of Emergency in the State of Missouri and invoked the provisions in Chapter 44 through Executive Order 20-02, finding that the novel coronavirus (COVID-19) poses a serious health risk for the citizens of the State of Missouri; and

WHEREAS, I issued Executive Orders 20-09, 20-12, and 20-19, extending the State of Emergency until March 31, 2021; and

WHEREAS, I have also issued other executive orders in response to COVID-19, aimed at protecting the health and safety of Missourians, as well as providing additional resources and flexibility to help Missouri residents and businesses recover from this emergency; and

WHEREAS, on March 19, 2020, I issued Executive Order 20-04 ordering the temporary suspension of certain statutory and regulatory provisions related to telemedicine and motor carriers, and vesting state agencies and executive boards and commissions with authority to waive or suspend statutory or regulatory requirements, subject to approval from the Governor's Office, where strict compliance would hinder the State's response to COVID-19, and to ease licensing requirements to eliminate barriers to the provision of health care services and other professions; and

WHEREAS, on March 23, 2020, I issued Executive Order 20-05 ordering the temporary suspension of prohibitions on the sale of unprepared foods by restaurants; and

WHEREAS, on March 26, 2020, I issued Executive Order 20-06 ordering and directing the Adjutant General of the State of Missouri, or his designee, to forthwith call and order into active service such portions of the organized militia as he deems necessary to aid the executive officials of Missouri, to protect life and property, and further ordered and directing that the Adjutant General or his designee, and through him, the commanding officer of any unit or other organization of such organized militia so called into active service take such action and employ such equipment which may be necessary in support of civilian authorities, and provide such assistance as may be authorized and directed by the Governor; and

WHEREAS, on September 3, 2020, I issued Executive Order 20-14 ordering the temporary suspension of any physical appearance requirements as stated in Chapter 474 and authorizing the use of audio-visual technology with criteria established in the Order; and

WHEREAS, the provisions of Executive Orders 20-04, 20-06, and 20-14 were extended in whole or in part by Executive Orders 20-10, 20-12, 20-16, and 20-19 until March 31, 2021, and will expire at that time unless extended in whole or in part; and

WHEREAS, although Missourians have done much to protect themselves against the spread of COVID-19 and our State's positivity and hospitalization rates have decreased significantly, I have been advised by the Missouri Department of Health and Senior Services and the State Emergency Management Agency that COVID-19 continues to pose a serious health risk for the citizens of the State of Missouri; and

WHEREAS, an invocation of chapter 44, RSMo, is still required to ensure the protection, safety, and welfare of the citizens of Missouri, to provide the resources the State of Missouri continues to need to combat the public health threat caused by COVID-19, and to aid in Missouri's recovery to this emergency; and

WHEREAS, the actions taken under the aforementioned executive orders have allowed the waiver of overly burdensome statutory and regulatory requirements, which have provided critical flexibility to the state, businesses, and its citizens during these difficult times; and

WHEREAS, the prior executive orders and waivers have allowed the State of Missouri to respond to COVID-19 by mitigating health risks to citizens without the issuance of any statewide mandates and accelerating economic recovery; and

WHEREAS, extending the state of emergency will allow the state to continue those efforts and eliminate the need for any associated future statewide mandates and further accelerate economic recovery; and

WHEREAS, the state of emergency is needed to be extended through the remainder of the recovery period from COVID-19 and will aid in accelerating that recovery; and

WHEREAS, I therefore find it necessary to extend the state of emergency and extend Executive Order 20-04, in part, and Executive Orders 20-02, 20-05, 20-06, and 20-14 in whole.

NOW, THEREFORE, I, MICHAEL L. PARSON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and the laws of the State of Missouri declare that a state of emergency continues to exist in the State of Missouri and direct the Missouri State Emergency Operations Plan to continue to remain activated. I, therefore, extend until August 31, 2021, the state of emergency originally contained in Executive Order 20-02, as extended by Executive Orders 20-09, 20-12, and 20-19.

I also extend until August 31, 2021 the order suspending certain statutory and regulatory provisions related to telemedicine and motor carriers, and vesting state agencies and executive boards and commissions with authority to waive or suspend statutory or regulatory requirements, subject to my approval, where strict compliance would hinder the State's response to COVID-19, and to ease licensing requirements to eliminate barriers to the provision of health care services and other professions contained in Executive Order 20-04, as extended by Executive Orders 20-10 and 20-12. The provision in Executive Order 20-04 which suspended the provisions of subsection 3 of section 161.210, RSMo, and 5 CSR 20-400.330, 500-560, 590-610, and 640 relating to teacher certification with regard to qualifying scores on exit examinations and culminating clinical experience in terms of semester hours, weeks, and number of placements was terminated on June 11, 2020 through Executive Order 20-12 and is not revived by this Order. All other provisions in Executive Order 20-04 remain in full force and effect. All statutory and regulatory waivers currently in effect will remain in effect through the duration of the state of emergency unless rescinded by the Governor or the state agency, executive board, or commission, subject to approval of the Governor's Office.

I extend until August 31, 2021 the order allowing the temporary suspension of prohibitions on the sale of unprepared foods by restaurants contained in Executive Order 20-05, as extended by Executive Orders 20-10, 20-12, and 20-19.

I extend until August 31, 2021 the order to the Adjutant General of the State of Missouri, to forthwith call and order into active service such portions of the organized militia as he deems necessary to aid the executive officials of Missouri, to protect life and property contained in Executive Order 20-06, as extended by Executive Orders 20-10, 20-12, 20-16, and 20-19.

I extend until August 31, 2021 the order temporarily suspending any physical appearance requirements as stated in Chapter 474 and authorizing the use of audio-visual technology with criteria contained in Executive Order 20-14, as extended by Executive Order 20-19.

This order shall terminate on August 31, 2021 unless extended in whole or in part.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 26th day of March, 2021.

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

Division Title: Division of Behavioral Health
Chapter Title: Substance Use Disorder Prevention and Treatment Programs

Rule Number and Title:	9 CSR 30-3.150 Comprehensive Substance Treatment and Rehabilitation (CSTAR)
Type of Rulemaking:	Proposed Amendment

II. SUMMARY OF FISCAL IMPACT

Estimate of the number of entities by class which would likely be affected by the adoption of the rule:	Classification by types of the business entities which would likely be affected:	Estimate in the aggregate as to the cost of compliance with the rule by the affected entities:
45	Substance Use Disorder Treatment Programs	\$123,075
20 (accreditation)	Substance Use Disorder Treatment Programs	\$147,200
TOTAL EST. COST		\$270,275

III. WORKSHEET

Potential costs associated with this emergency amendment for organizations seeking CSTAR certification from the department include:

Accreditation -- \$7,360 average cost per survey x 20 estimated # of programs = **\$147,200**

ASAM Training/implementation -- \$200 per program x 45 programs = **\$9,000**

Trauma-Informed Care training/implementation -- \$950 per program x 45 programs = **\$42,750**

Assessing and Managing Suicide Risk for Substance Use Disorder Training—
\$160 per program x 45 = **\$7,200**

Tobacco Treatment Specialist training/implementation -- \$1,250 per program x 45 programs = **\$56,250**

Certified Peer Specialist training -- \$75 per program x 45 = **\$3,375**

Medication Awareness Recovery Specialist -- \$100 per program x 45 programs = **\$4,500**

IV. ASSUMPTIONS

The CSTAR regulations are being amended to add quality of care and accreditation requirements. Programs seeking CSTAR certification from the department may incur costs if they are not currently accredited by a national accrediting body, and/or do not employ or have a formal contract with adequately trained staff to provide the services as specified in Section (1) of the proposed amendment. The above costs are based on an estimated number of programs that may seek CSTAR certification from the department after the effective date of this amendment. Because some substance use disorder treatment programs are already accredited, the estimated number of programs that will need to obtain accreditation is lower than the estimated number of programs that will require training on evidence-based practices.

Chapter 7—Wildlife Code: Hunting: Seasons, Methods,
Limits**

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

3 CSR 10-7.410 Hunting Methods is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on January 4, 2021 (46 MoReg 11-12). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Conservation Commission received comments from seven (7) individuals and one (1) organization on the proposed amendment to add provisions and exceptions for black bear hunting and add reference to a proposed new black bear hunting rule.

COMMENT #1: The commission received comments from one (1) individual who voiced support for proposed changes to this rule.
RESPONSE: The commission thanks the individual who voiced support for the regulation changes.

COMMENT #2: The commission received comments from one (1) individual who voiced support for the proposed changes to this rule; however, specific comments pertained to the capture of peregrine falcons by permitted falconers to use as a hunting method.
RESPONSE: The commission thanks the individual who provided input.

COMMENT #3: The commission received comments from three (3) individuals who voiced opposition to this proposed amendment; however, specific comments pertained to the desire to use bait and/or dogs for bear hunting.
RESPONSE: The commission thanks those individuals who provided input on the proposed regulations. While the use of bait or dogs can increase hunter success rates, it was determined these methods were not needed at this time. In the 2019 Eastern Black Bear Workshop Jurisdictional Survey, eleven (11) out of the twenty-five (25) eastern United States and Canadian provinces that had a hunting season did not allow the use of bait and twelve (12) out of twenty-five (25) did not allow the use of dogs, and although success rates were lower, hunters were still able to harvest bears. The commission recognizes the potential lower success rates and will allocate permits accordingly to ensure adequate hunter opportunity. The use of bait and/or dogs may be reevaluated should management needs change in the future. No changes have been made to the rule as a result of these comments.

COMMENT #4: The commission received comments from one (1) individual who voiced opposition to this proposed amendment and expressed that black bears should be protected from hunting.
RESPONSE: The commission is proposing a limited and highly regulated black bear harvest that would not jeopardize the black bear population. The black bear population will continue to be monitored to ensure the sustainability of the harvest. As with other game species, changes to hunting regulations will be implemented should they be warranted to ensure the continued persistence of bears in Missouri. The commission recognizes the intrinsic values associated with black bears as with other harvested species including turkeys, deer, and elk, and the ecological roles of black bears and their importance to the biodiversity of the state. The department does not manage for individual animals, but rather for the health and sustainability of the population. As such, in line with its mission and strategic plan, the commission aims to ensure black bears remain a part of Missouri's landscape now and for future generations while providing

recreational opportunities for Missourians, which can include hunting, wildlife watching, and other forms of outdoor recreation related to black bears. No changes have been made to the amendment as a result of these comments.

COMMENT #5: The commission received comments from one (1) individual who voiced opposition to this proposed amendment and requested archery methods not be allowed for black bear hunting.

RESPONSE: The commission has established methods of take that are consistent with the methods used for other game species, such as deer, elk, and turkey, for which archery methods are allowed. The use of archery methods for black bear hunting is common across states that have black bear hunting seasons. In the 2019 Eastern Black Bear Workshop Jurisdictional Survey, all of the twenty-five (25) eastern United States and Canadian provinces that had a black bear hunting season allowed for the use of archery methods.

COMMENT #6: The commission received comments from one (1) organization which voiced opposition to the proposed changes to this rule; however, specific comments pertained to general opposition to black bear hunting for multiple reasons.

RESPONSE: The commission thanks the organization for providing input and refers to responses to comment No. 4 above, and also to the responses to comments received in the order of rulemaking for 3 CSR 10-5.900 Resident Black Bear Hunting Permit, published in the *Missouri Register* on January 15, 2021 (<https://www.sos.mo.gov/adrules/moreg/moreg>) and incorporated here by reference. No changes have been made to the amendment as a result of these comments.
