HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3 Department	<i>Code of State Regulations</i>	10- Agency division	4 General area regulated	.115 Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

PURPOSE: This rule provides the public with a description of the Missouri Empowerment Scholarship Accounts Program, the methods of operations, procedures, and where the public may obtain information. This rule is adopted to fulfill the statutory requirement of section 536.023(3), RSMo.

EMERGENCY STATEMENT: This emergency rule provides the public with a description of the Missouri Empowerment Scholarship Accounts Program, the methods of operations, procedures, and where the public may obtain information. The appropriations necessary to implement the program did not exist until the passage of HB 3014 (2022) by the General Assembly on February 24, 2022. As a result of the short time frame between the passage of the law to its effective date and the lack of any appropriations for the program costs until the passage of HB 3014 (2022), the state treasurer's

office finds a compelling governmental interest, which requires this emergency action. A proposed rule, which covers the same materials, was published in the March 1, 2022, issue of the *Missouri Register* and the comment period was completed on March 31, 2022. To ensure fairness to all persons and parties, the state treasurer's office waited until the conclusion of the comment period, and the emergency rule is identical to the version of the companion rule contained in the order of rulemaking that will be filed on May 12, 2022. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. If the emergency rule was not enacted, the program would become effective prior to the final order of rulemaking becoming effective. The state treasurer's office believes this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed April 11, 2022, becomes effective April 25, 2022, and expires July 30, 2022.

(1) House Bill No. 349 and Senate Bill No. 86, 1st Regular Session, 101st General Assembly (2021) (effective August 28, 2021), codified at sections 135.712 through 135.719, RSMo, and sections 166.700 through 166.720, RSMo, create the Missouri Empowerment Scholarship Accounts Program (the program), to be administered by the treasurer or, if delegated by the treasurer, by the Missouri Empowerment Scholarship Accounts Board (the board). The board consists of the treasurer (who serves as chairman), the commissioner of the state Department of Higher Education, the commissioner of the Department of Elementary and Secondary Education, the commissioner of the state Office of Administration, one (1) person appointed by the president pro tempore of the state Senate, one (1) person appointed by the speaker of the House of Representatives, and one (1) person to be appointed by the governor with the advice and consent of the Senate. The board's primary purpose is to administer the program duties the treasurer delegates to the board, and, when delegated by the treasurer, the board possesses all powers necessary to carry out and accomplish the purposes, objectives, and provisions of the statutes.

(2) The program is created to promote educational opportunities and improve the quality of educational services to ensure all children receive the high-quality education to which they are entitled.

(3) The public may obtain information or make submissions or requests to the Office of the State Treasurer, PO Box 210, Jefferson City, MO 65102, (573) 751-2411.

AUTHORITY: section 135.719, RSMo Supp. 2021, and section 536.023, RSMo 2016. Emergency rule filed April 11, 2022, effective April 25, 2022, expires July 30, 2022. A proposed rule covering this same material was published in the March 1, 2022, issue of the *Missouri Register*.

PUBLIC COST: This emergency rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the time the emergency is effective.

PRIVATE COST: This emergency rule will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.

4. Time Limits. A taxpayer has thirty (30) business days after receipt of an application confirmation to make the qualifying contribution to the designated educational assistance organization. After thirty (30) business days, the application expires.

4. Approval. The treasurer will send written correspondence explaining the approved rescinded amount or the reason the application could not be approved. The treasurer will approve the application unless the taxpayer has claimed the credit amount to be rescinded on a previously filed tax return, the credit allocation period for a particular calendar year is closed, or the contribution has already been designated by the educational assistance organization to fund a scholarship account. No requests for rescission shall be made or considered after November 1.

(5) Severability. If any provision of this rule, or the application of it to any person or circumstance, is determined to be invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions of this rule which can be given effect without the invalid provision or application, and to that end, the provisions of this rule are severable.

IV. ASSUMPTIONS

This proposed rule establishes procedures for administration of the Missouri Empowerment Scholarship Accounts Program tax credits and specifies responsibilities of the treasurer and educational assistance organizations in administering and monitoring the tax credits. The cumulative amount of tax credits that may be allocated to all taxpayers cannot exceed \$25 million in the first year of the program, and shall be adjusted annually by the State Treasurer based on the CPI for all urban consumers in the Midwest region every year thereafter. In addition, the amount that shall be deposited into the Missouri Empowerment Scholarship Accounts Fund for administrative expenses is four percent of all annual contributions, which would total \$1 million during the first year if the maximum amount of contributions are received. These procedures are estimated to create the cost of adding one full-time employee to the State Treasurer’s Office: \$76,155. The program will begin on July 1, 2022, and with the proposed rule ending on July 30, 2022, only one month of salary is necessary. To fit the timeframe of the emergency rule, one-twelfth (1/12th) of the total cost of adding one full-time employee was calculated. Similarly, the \$24,000,000 estimate for tax credits available for twelve (12) months of the program has been reduced to reflect one-twelfth (1/12th) of the cost to fit the timeframe of the emergency rule.

EMERGENCY RULE

15 CSR 50-5.040 Audits and Reporting Requirements

PURPOSE: This rule establishes procedures for the audit and reporting requirements of the Missouri Empowerment Scholarship Accounts Program (the program) and specifies responsibilities of the treasurer, his or her staff, educational assistance organizations, parents, beneficiaries, and any third party designated by the treasurer to carry out services under the program, and is intended to ensure the program conforms with state statutes and promulgated rules. The treasurer has authority to establish standards and reporting requirements for audits performed on certified educational assistance organizations. This rule sets forth requirements to be met directly by the certified educational assistance organizations and the standards for the auditing and financial reporting.

*EMERGENCY STATEMENT: This emergency rule establishes procedures for the audit and reporting requirements of the Missouri Empowerment Scholarship Accounts Program and specifies responsibilities of the treasurer, his or her staff, educational assistance organizations, parents, beneficiaries, and any third party designated by the treasurer to carry out services under the program, and is intended to ensure the program conforms with state statutes and promulgated rules. This rule sets forth requirements to be met directly by the certified educational assistance organizations and the standards for the auditing and financial reporting. This emergency rule is necessary to protect a compelling governmental interest in ensuring the Missouri Empowerment Scholarship Accounts program, a new program enacted by the General Assembly in 2021 and effective July 1, 2022, is regulated by published rules that give the public and all interested parties notice regarding how the program will be governed. The appropriations necessary to implement the program did not exist until the passage of HB 3014 (2022) by the General Assembly on February 24, 2022. As a result of the short time frame between the passage of the law to its effective date and the lack of any appropriations for the program costs until the passage of HB 3014 (2022), the state treasurer's office finds a compelling governmental interest, which requires this emergency action. A proposed rule, which covers the same materials, was published in the March 1, 2022, issue of the *Missouri Register* and the comment period was completed on March 31, 2022. To ensure fairness to all persons and parties, the state treasurer's office waited until the conclusion of the comment period, and the emergency rule is identical to the version of the companion rule contained in the order of rulemaking that will be filed on May 12, 2022. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri and United States Constitutions*. If the emergency rule was not enacted, the program would become effective prior to the final order of rulemaking becoming effective. The state treasurer's office believes this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed April 11, 2022, becomes effective April 25, 2022, and expires July 30, 2022.*

Title 20—DEPARTMENT OF COMMERCE AND INSURANCE
Division 2150—State Board of Registration for the Healing Arts
Chapter 7—Licensing of Physician Assistants
EMERGENCY AMENDMENT

20 CSR 2150-7.135 Physician Assistant Supervision Agreements.
The board is amending section (8).

PURPOSE: The amendment changes the mileage limitation for services provided in any Missouri correction center.

EMERGENCY STATEMENT: The Missouri State Board of Registration for the Healing Arts (board) finds that an immediate danger to the public health, safety, or welfare, particularly to the health, safety, and welfare of Missouri's incarcerated population, requires emergency action by increasing the mileage restrictions to two hundred (200) miles for service received in a Missouri correctional center. The mileage restriction directly impacts access to healthcare providers which can lead to rescheduled or missed appointments, delayed care, and missed or delayed medication use. These consequences lead to poorer management of chronic illness and thus poorer health outcomes.

Additionally, this emergency amendment is necessary to preserve a compelling governmental interest that requires an early effective date by addressing the access of Missouri's incarcerated population to healthcare to improve health outcomes, reduced health disparities, and lower healthcare expenditures. The board believes that procedures best calculated to assure fairness to all interested persons and parties in that the mileage restrictions have been discussed at the Missouri State Board of Registration for the Healing Arts board meeting on March 21, 2022 which provided adequate public notice for the proposed amendment. This emergency amendment limits its scope to the circumstances creating the emergency and complies with the protections extended by the Missouri and United States Constitutions. The board believes this emergency amendment to be fair to all interested persons and parties under the circumstances. This emergency amendment was filed April 4, 2022, becomes effective April 18, 2022, and expires June 29, 2022.

(8) The following shall apply in the use of a supervision agreement by a physician assistant who provides health care services that include the diagnosis and initiation of treatment for acutely or chronically ill or injured persons:

(D) If the physician assistant is providing services in any Missouri correctional center, as defined in section 217.010, RSMo, the collaborating physician and collaborating physician assistant shall practice within two hundred (200) miles by road of one another; and

[(D)](E) If the physician assistant is collaborating with a physician who is waiver-certified for the use of buprenorphine, pursuant to section 630.875, RSMo, the physician assistant may participate in the

“Improved Access to Treatment for Opioid Addictions Program” (IATOAP) in any area of the state and provide all services and functions of a physician assistant. A remote collaborating physician working with an on-site APRN shall be considered to be on-site for the purposes of IATOAP.

AUTHORITY: section 334.735, RSMo Supp. [2018] 2021. This rule originally filed as 4 CSR 150-7.135. Original rule filed Jan. 3, 1997, effective July 30, 1997. For intervening history, please consult the Code of State Regulations. Emergency amendment filed April 4, 2022, effective April 18, 2022, expires June 29, 2022.

PUBLIC COST: This emergency amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the time the emergency is effective.

PRIVATE COST: This emergency amendment will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.
