## HOW TO CITE RULES AND RSMO

### RULES

The rules are codified in the *Code of State Regulations* in this system–

<b>Title</b>	<b>CSR</b>	<b>Division</b>	<b>Chapter</b>	<b>Rule</b>
3 Department	<i>Code of State Regulations</i>	10- Agency division	4 General area regulated	115 Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

### ***Code and Register on the Internet***

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is [sos.mo.gov/adrules/csr/csr](http://sos.mo.gov/adrules/csr/csr)

The *Register* address is [sos.mo.gov/adrules/moreg/moreg](http://sos.mo.gov/adrules/moreg/moreg)

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the Missouri and the United States Constitutions; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the Missouri Register as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

## TITLE 13 – DEPARTMENT OF SOCIAL SERVICES

### Division 35 – Children’s Division

### Chapter 60 – Licensing of Foster Family Homes

#### EMERGENCY AMENDMENT

**13 CSR 35-60.040 Physical and Environmental Standards.**  
The Department of Social Services is amending subsection (3) (I).

*PURPOSE: This emergency amendment corrects subsection (3) (I) of this rule which incorrectly described bed space and bed sharing requirements among children in foster family homes. The subsection should have required separate beds for children under two (2) years of age consistent with safe sleep practices and allowed bed sharing with sufficient bed space for children over two (2) years of age but currently states the opposite. Additionally, the requirement that the children’s abuse and neglect history be considered prior to allowing bed sharing was erroneously removed from the prior version of this rule. This emergency amendment restores this requirement.*

*EMERGENCY STATEMENT: This emergency amendment is necessary to protect the health, safety, and welfare of Missouri children placed in foster family homes from improper and potentially unsafe bed sharing arrangements resulting from the error currently in this subsection.*

*The emergency amendment is also necessary to preserve a compelling governmental interest that requires an early effective date in that the state of Missouri has a compelling interest in maintaining safe, licensed foster homes for children in state custody as well as a licensing process with clear evaluation standards. The error currently in this subsection creates confusion among licensing staff who evaluate foster homes and among foster parents as to the requirements relating to bed space and bed sharing. This confusion slows the evaluation process and delays the issuing of foster home licenses during a time when the need for additional foster homes remains high. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the **Missouri and United States Constitutions**. A proposed amendment covering this same material is published in this issue of the **Missouri Register**. The division believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed April 21, 2025, effective May 5, 2025, and expires February 11, 2026.*

(3) Sleeping Arrangements.

(I) Each foster child **[under]** over the age of two (2) shall have bed space equivalent to one-half (1/2) of a full-size bed. Each foster child **[over]** under the age of two (2) shall have a separate bed. **The abuse and neglect history of each child should be taken into consideration before allowing a child to share a bed with another child.**

*AUTHORITY: sections 207.020, 210.506, and 660.017, RSMo 2016. Original rule filed July 18, 2006, effective Jan. 30, 2007. Amended: Filed Sept. 15, 2015, effective March 30, 2016. Amended: Filed June 22, 2020, effective Jan. 30, 2021. Rescinded and readopted: Filed Feb. 2, 2024, effective Aug. 30, 2024. Emergency amendment: Filed April 21, 2025, effective May 5, 2025, and expires February 11, 2026. A proposed amendment covering this same material is published in this issue of the **Missouri Register**.*

*PUBLIC COST: This emergency amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the emergency is effective.*

*PRIVATE COST: This emergency amendment will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.*

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

**Boldface text indicates new matter.**

[Bracketed text indicates matter being deleted.]
