HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3	<i>Code of</i>	10-	4	115
Department	<i>State</i>	Agency	General area	Specific area
	<i>Regulations</i>	division	regulated	regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the Missouri and the United States Constitutions; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the Missouri Register as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

TITLE 13 – DEPARTMENT OF SOCIAL SERVICES

Division 70 – MO HealthNet Division

Chapter 15 – Hospital Program

EMERGENCY AMENDMENT

13 CSR 70-15.110 Federal Reimbursement Allowance (FRA). The division is amending section (1).

PURPOSE: This emergency amendment provides for the trend factor to be applied to the inpatient and outpatient adjusted net revenues to determine the inpatient and outpatient net revenues subject to the FRA assessment for SFY 2027.

EMERGENCY STATEMENT: This emergency amendment informs Missouri hospitals what FRA rate they will be assessed starting on July 1, 2026. The Department of Social Services (DSS), MO HealthNet Division (MHD) finds that this emergency amendment is necessary to preserve a compelling governmental interest of collecting state revenue for the state's share of Medicaid funding which provides health care to individuals eligible for the MO HealthNet program and for the uninsured. The Missouri Partnership Plan (MPP) between the Centers for Medicare & Medicaid Services (CMS) and the DSS, establishes a process whereby CMS and DSS determine the permissibility of the funding source used by Missouri to fund its share of the MO HealthNet program, and is based on the state fiscal year. In order to determine the trends for State Fiscal Year (SFY) 2027, all relevant

information from the necessary sources must be available to MHD. The division uses the best information available when it starts calculating the assessment, and it uses the trend published in the Third Quarter Healthcare Cost Review publication, which is generally not available until November. The division must also analyze hospital revenue data, which is not complete until near the end of the SFY, in conjunction with the trend and hospital FRA funded payments to determine the appropriate level of assessment. Without this information, the trends cannot be determined. Therefore, due to timing of the receipt of this information and the necessary July 1, 2026 effective date, an emergency regulation is necessary. A proposed amendment, which covers the same material, will be published in the Missouri Register. The scope of the emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended by the Missouri and United States Constitutions. The MHD believes this emergency amendment to be fair to all interested parties under the circumstances. The emergency amendment was filed June 5, 2026, becomes effective July 1, 2026, and expires February 25, 2027.

(1) Federal Reimbursement Allowance (FRA). FRA shall be assessed as described in this section.

(A) Definitions.

1. Bad debts – Amounts considered to be uncollectible from accounts and notes receivable that were created or acquired in providing services. Allowable bad debts include the costs of caring for patients who have insurance, but their insurance does not cover the particular service procedures or treatment rendered.

2. Base year cost report – Audited Medicaid cost report from the third prior calendar year. If a hospital has more than one (1) cost report with periods ending in the third prior calendar year, the cost report covering a full twelve- (12-) month period will be used. If none of the cost reports covers a full twelve (12) months, the cost report with the latest period will be used. If a hospital's base year cost report is less than or greater than a twelve- (12-) month period, the data shall be adjusted, based on the number of days reflected in the base year cost report, to a twelve- (12-) month period. Any changes to the base year cost report after the division issues a final decision on assessment will not be included in the calculations.

3. Charity care – Those charges written off by a hospital based on the hospital's policy to provide health care services free of charge or at a reduced charge because of the indigence or medical indigence of the patient.

4. Contractual allowances – Difference between established rates for covered services and the amount paid by third-party payers under contractual agreements. The Federal Reimbursement Allowance (FRA) is a cost to the hospital, regardless of how the FRA is remitted to the MO HealthNet Division, and shall not be included in contractual allowances for determining revenues. Any redistributions of MO HealthNet payments by private entities acting at the request of participating health care providers shall not be included in contractual allowances or determining revenues or cost of patient care.

5. Department – Department of Social Services.

6. Director – Director of the Department of Social Services.

7. Division – MO HealthNet Division, Department of Social Services.

8. Engaging in the business of providing inpatient health care – Accepting payment for inpatient services rendered.

9. Federal Reimbursement Allowance (FRA) – The fee assessed to hospitals for the privilege of engaging in the business of providing inpatient health care in Missouri. The FRA is an allowable cost to the hospital.

10. Fiscal period—Twelve- (12-) month reporting period determined by each hospital.

11. Gross hospital service charges—Total charges made by the hospital for inpatient and outpatient hospital services that are covered under 13 CSR 70-15.010.

12. Hospital—A place devoted primarily to the maintenance and operation of facilities for the diagnosis, treatment, or care for not fewer than twenty-four (24) hours in any week of three (3) or more nonrelated individuals suffering from illness, disease, injury, deformity, or other abnormal physical conditions; or a place devoted primarily to provide, for not fewer than twenty-four (24) hours in any week, medical or nursing care for three (3) or more nonrelated individuals. The term hospital does not include convalescent, nursing, shelter, or boarding homes as defined in Chapter 198, RSMo.

13. Hospital revenues subject to FRA assessment effective July 1, 2008—Each hospital's inpatient adjusted net revenues and outpatient adjusted net revenues subject to the FRA assessment will be determined as follows:

A. Obtain "Gross Total Charges" from Worksheet G-2, Line 25, Column 3 from CMS 2552-96, or Worksheet G-2, Line 28, Column 3 from CMS 2552-10, of the third prior year cost report (i.e., FRA fiscal year cost report) for the hospital. Charges shall exclude revenues for physician services. Charges related to activities subject to the Missouri taxes assessed for outpatient retail pharmacies and nursing facility services shall also be excluded. "Gross Total Charges" will be reduced by the following:

(I) "Nursing Facility Charges" from Worksheet C, Part I, Line 35, Column 6 from CMS 2552-96, or Worksheet C, Part I, Line 45, Column 6 from CMS 2552-10;

(II) "Swing Bed Nursing Facility Charges" from Worksheet G-2, Line 5, Column 1 from CMS 2552-96, or Worksheet G-2, Line 6, Column 1 from CMS 2552-10;

(III) "Nursing Facility Ancillary Charges" as determined from the Department of Social Services, MO HealthNet Division, nursing home cost report. (Note: To the extent that the gross hospital charges, as specified in subparagraph (1)(A)13.A. above, include long-term care charges, the charges to be excluded through this step shall include all long-term care ancillary charges including skilled nursing facility, nursing facility, and other long-term care providers based at the hospital that are subject to the state's provider tax on nursing facility services.);

(IV) "Distinct Part Ambulatory Surgical Center Charges" from Worksheet G-2, Line 22, Column 2 from CMS 2552-96, or Worksheet G-2, Line 25, Column 2 from CMS 2552-10;

(V) "Ambulance Charges" from Worksheet C, Part I, Line 65, Column 7 from CMS 2552-96, or Worksheet C, Part I, Line 95, Column 7 from CMS 2552-10;

(VI) "Home Health Charges" from Worksheet G-2, Line 19, Column 2 from CMS 2552-96, or Worksheet G-2, Line 22, Column 2 from CMS 2552-10;

(VII) "Total Rural Health Clinic Charges" from Worksheet C, Part I, Column 7, Lines 63.50–63.59 from CMS 2552-96, or Worksheet C, Part I, Column 7, Line 88 and subsets from CMS 2552-10; and

(VIII) "Other Non-Hospital Component Charges" from Worksheet G-2, Lines 6, 8, 21, 21.02, 23, and 24 from CMS 2552-96, or Worksheet G-2, Lines 5, 7, 9, 21, 24, 26, and 27 from CMS 2552-10;

B. Obtain "Net Revenue" from Worksheet G-3, Line 3, Column 1. The state will ensure this amount is net of bad debts and other uncollectible charges by survey methodology;

C. "Adjusted Gross Total Charges" (the result of the

computations in subparagraph (1)(A)13.A.) will then be further adjusted by a hospital-specific collection-to-charge ratio determined as follows:

(I) Divide "Net Revenue" by "Gross Total Charges"; and

(II) "Adjusted Gross Total Charges" will be multiplied by the result of part (1)(A)13.C.(I) to yield "Adjusted Net Revenue";

D. Obtain "Gross Inpatient Charges" from Worksheet G-2, Line 25, Column 1 from CMS 2552-96, or Worksheet G-2, Line 28, Column 1 from CMS 2552-10, of the most recent cost report that is available for a hospital;

E. Obtain "Gross Outpatient Charges" from Worksheet G-2, Line 25, Column 2 from CMS 2552-96, or Worksheet G-2, Line 28, Column 2 from CMS 2552-10, of the most recent cost report that is available for a hospital;

F. Total "Adjusted Net Revenue" will be allocated between "Net Inpatient Revenue" and "Net Outpatient Revenue" as follows:

(I) "Gross Inpatient Charges" will be divided by "Gross Total Charges";

(II) "Adjusted Net Revenue" will then be multiplied by the result to yield "Net Inpatient Revenue"; and

(III) The remainder will be allocated to "Net Outpatient Revenue"; and

G. The trend indices, if greater than zero percent (0%), will be determined based on the Health Care Costs index as published in Healthcare Cost Review by Institute of Health Systems (IHS), or equivalent publication, regardless of any changes in the name of the publication or publisher, for each state fiscal year (SFY). The trend indices listed below will be applied to the apportioned inpatient adjusted net revenue and outpatient adjusted net revenue in order to inflate or trend forward the adjusted net revenues from the FRA fiscal year cost report to the current state fiscal year to determine the inpatient and outpatient adjusted net revenues subject to the FRA assessment.

ATTEST:

DENNY HOSKINS
SECRETARY OF STATE

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. At least one parking lot on each area is expected to have a new regulation sign. Only one out of every four additional parking lots will have sign. $539 \text{ (number of areas affected)} + ((1956 \text{ (parking lots)} - 539 \text{ (1 guaranteed parking lot per areas)}) \times 0.25 \text{ (percentage of additional parking lots)}) = 893.23 \text{ rounded to the nearest whole number} = 893 \text{ signs needed.}$

Estimated cost for signage is \$100 (one time cost for a new silk screen template) + \$2.35/sign (\$1.35 material costs + \$1.00 labor). $\$100 \text{ (silk screen)} + (893 \text{ signs} \times \$2.35 \text{ cost per sign}) = \$2198.55 \text{ estimated cost for new regulation signs to be placed on department areas.}$

Total public cost = \$2198.55 (signage) + \$13,195.65 (software development) = \$15,394.20 rounded to the nearest whole number = \$15,394

IV. ASSUMPTIONS

The exact number of affected areas and parking lots are estimated, as the Department is still working to determine expanded locations where camping will be allowed if these regulation changes are approved.

II. SUMMARY OF FISCAL IMPACT

Estimate of the number of entities by class which would likely be affected by the adoption of the rule:	Classification by types of the business entities which would likely be affected:	Estimate in the aggregate as to the cost of compliance with the rule by the affected entities:
8,550	Nonresident deer hunters hunting on public land	\$1,410,750
42,550	Individuals who are interested in camping on department areas	\$70,916

III. WORKSHEET

8,550 (estimated number of nonresident deer hunters hunting on public land) X \$165
 (Nonresident Public Land Deer Hunting Permit) = \$1,410,750

170,200 (estimated total camping visits) / 4 (estimated people per permit) / 3 (estimated days per camping trip) x \$5 (permit price) = \$70,916

IV. ASSUMPTIONS

We estimate there were 8,550 nonresident deer hunters that hunt on public land in Missouri in 2025.

The latest economic impact study using mobile location data and department assumptions estimates 170,200 total camping visits on department areas. A camping visit is tallied daily, which means a camping trip over multiple days counts towards multiple visits. The actual number of camping trips and average party size is unknown. The department estimates an average party size of 4 individuals and a stay length of 3 days.

Chapter title: 11—Wildlife Code: Special Regulations for Department Areas

Rule number/name:	3 CSR 10-11.150 Target Shooting and Shooting Ranges

II. SUMMARY OF FISCAL IMPACT

Estimate of the number of entities by class that would likely be affected by adoption of the rule:	Classification by type(s) of the business entities that would likely be affected by adoption of the rule:	Estimate in the aggregate as to the cost of compliance with the rule by the affected entities:
Approximately 120,380 residents and 7,378 non-residents.	Individual unstaffed firearm shooting range users who are not exempt and who do not currently purchase small game hunting permits.	\$1,620,466 annually

III. WORKSHEET

In 2015, MDC and 4-H partnered on an unstaffed shooting range research project that included face-to-face surveys of over 9,500 visitors. The data collected was extrapolated to determine reliable estimates of numbers of visitors, visits per year, residency, age, distance traveled, and other factors. The calculations below are based on data derived from that research project.

Approximately 200,000 unique individuals visit MDC's unstaffed firearm shooting ranges annually at a rate of 1.5 visits per person per year. Of those individuals, it is estimated that 95% (190,000) are residents. It is estimated that 21% of those residents (39,900) are either under the age of 16 or over the age of 65 and are exempt from this requirement. Furthermore, it is estimated that 29,720 of the residents already hold small game hunting privileges. This amounts to 120,380 residents who do not purchase small game hunting permits who will need to do so in order to use MDC's unstaffed firearm shooting ranges. The most economical option for these individuals is an annual small game hunting permit at \$11.50. The estimated fiscal impact for residents amounts to \$1,384,370 per year.

Non-residents make up 5% (10,000) of the unique unstaffed firearm shooting range users. Of those, 8% (800) are under the age of 16 and are exempt from this requirement. Of the 9,200 remaining, it is estimated that 1,822 already hold small game privileges. This amounts to 7,378 non-residents who do not purchase small game hunting permits who will need to do so in order individuals is to purchase two (2) daily small game hunting permits at \$16 each – a total of \$32. The estimated fiscal impact for non-residents amounts to \$236,096 per year.

Estimated total private fiscal impact = \$1,620,466

IV. ASSUMPTIONS

MDC has preliminary data from an upcoming report entitled, "Estimating the Economic Contributions of Missouri Conservation Areas" from DJ Case & Associations and Southwick Associates. When comparing these preliminary results with the 2015 research project data, we estimate an increase in unstaffed shooting range usage of approximately 19% since 2015.

**Division 10 – Director of Revenue
Chapter 41 – General Tax Provisions**

PROPOSED AMENDMENT

12 CSR 10-41.030 Power of Attorney. The department is amending sections (2), (4), (5), and (6), adding new sections (7) and (11), and renumbering as necessary.

PURPOSE: This amendment specifies a power of attorney form that may, but is not required, to be used to designate a duly authorized representative for purposes of receiving a taxpayer's confidential tax information, elaborates on the effect of a power of attorney designation and a notice of entry of appearance, and confirms that a marked tax return checkbox is sufficient to designate a preparer and all current and future members of the preparer's firm as authorized representatives for the relevant tax year.

(2) Except as otherwise provided by regulation, in order for a third party to qualify as a duly authorized representative, the taxpayer must execute and file with the Department of Revenue a power of attorney designating the third party as the taxpayer's duly authorized representative. **The power of attorney may be completed and filed using Form 2827, Power of Attorney, which, along with its instructions (Form 2827I), is hereby incorporated by reference as published by the Missouri Department of Revenue, March 2025, and available at www.dor.mo.gov or the Harry S Truman State Office Building, 301 W. High St., Jefferson City, MO 65101. This rule does not incorporate any subsequent amendments or additions.**

(4) The power of attorney must be executed as follows:

(G) Trustee Under Agreement or Declaration. In the case of a taxpayer who has appointed a trustee, by the trustee. If there is more than one (1) trustee appointed, all should join unless it is shown that less than all have authority to act. Department of Revenue officials may require the submission of documentary evidence of the authority of the trustee to act **on behalf of the trust and its assets**. Evidence may be either a copy of the trust instrument, properly certified, or certified copies of contracts from the trust instruments showing –

1. The date of the instrument;
2. That it is or is not of record in any court;
3. The beneficiaries;

4. The appointment of the trustee, the authority granted and other information as may be necessary to show that authority extends to Missouri tax matters; and

5. That the trust has not been terminated and the trustee appointed in the trust is still acting. In the event that the trustee appointed in the original trust instrument is no longer acting and has been replaced by another trustee, documentary evidence of the appointment of the new trustee should be submitted;

(L) Deceased Taxpayers. In the case of a deceased taxpayer, by the personal representative of a probate estate if one has been appointed and is acting and responsible for disposition of the matter pending with the department. If no personal representative is acting or responsible for disposition of the matter, or the estate has been distributed to the residuary legatee(s), the power of attorney should be executed by the individual appointed to handle the affairs of the deceased in a will. Department of Revenue officials may require the submission of a statement from the court certifying that no personal representative *[or trustee]* under the will is acting or responsible for disposition of the matter and copies of the will.

In the event that the decedent died intestate and the personal representative has been discharged and is not responsible for disposition of the matter, or none was ever appointed, the power of attorney must be executed by the distributees. Department of Revenue officials may require the submission of evidence of the discharge of the personal representative if one had been appointed and evidence that the personal representative is not responsible for disposition of the matter and statements made under penalties of perjury and other appropriate evidence as can be produced tending to show the relationship to the deceased of the signatories to the power of attorney and the right of each of them to the respective shares claimed under the law of the domicile of the deceased.

(5) The execution of a power of attorney by the taxpayer allows the representative to obtain copies of all confidential information in the hands of the Department of Revenue with respect to the tax matters designated by the taxpayer. In addition, the authorized representative is permitted to represent the taxpayer before the Department of Revenue with respect to the tax matters designated by the taxpayer. **In addition, unless the power of attorney is expressly limited by the taxpayer, the designation of an authorized representative permits him or her to act on behalf of the taxpayer, with respect to the Department of Revenue, to the fullest extent allowed by law (for example, by closing accounts for, and entering into agreements on behalf of, the taxpayer).**

(6) Instances a power of attorney is required include, but are not limited to:–

(7) The submission of a power of attorney form is not required for a practicing attorney at law, in good standing with The Missouri Bar, to receive the confidential tax information of that attorney's client when such information is directly involved in a pending action or proceeding, the director of revenue is a party to the proceeding, and the proceeding is pursuant to, or brought to enforce, the revenue laws of Missouri. The practicing attorney's notice of entry of appearance (or substantial equivalent) on behalf of a client in such proceeding, filed with a court and bearing the practicing attorney's physical or electronic signature, is sufficient to establish that the practicing attorney represents that client. The Department of Revenue may require additional documentation or evidence to support the disclosure of confidential tax information in this circumstance.

~~[(7)]~~(8) If an individual taxpayer has executed a durable power of attorney, it is not necessary that the taxpayer execute any other power of attorney if the durable power of attorney specifies that the power of attorney has the authority to act on tax matters and the power to receive confidential tax information. The duly authorized representative must submit a copy of the durable power of attorney to the department with the representative's request for confidential information. If the power of attorney document does not provide sufficient information for the Department of Revenue to determine the identity of the taxpayer, then the Department of Revenue may request a form prescribed by the director.

~~[(8)]~~(9) If the taxpayer executes a second power of attorney, the taxpayer shall specify whether the execution of a second power of attorney revokes the prior named representative's authority. The taxpayer may revoke a power of attorney granted

to a representative without authorizing a new representative.

[(9)](10) If the mailing address a taxpayer has furnished the Department of Revenue is the mailing address of a third party (for example, John Doe, c/o Jane Smith, C.P.A.), the Department of Revenue will treat this as a release of confidential tax information to the named third party. As a result all tax information, returns, reports, billing notices, and deficiencies will be forwarded to the taxpayer using the address as supplied by the taxpayer for that specific tax. Submission of a power of attorney form by a taxpayer will not in itself suffice as an official notification of mailing address change with the department.

(11) A taxpayer who files a physically or electronically signed tax return showing a checked or marked box indicating that the director of revenue or the director's delegate may discuss the return and attachments with the preparer or any member of the preparer's firm has thereby designated that preparer and all current and future members of the preparer's firm as authorized representatives for purposes of receiving the taxpayer's confidential tax information for the period or periods to which that tax return relates.

TITLE 13 – DEPARTMENT OF SOCIAL SERVICES**Division 70 – MO HealthNet Division****Chapter 15 – Hospital Program****PROPOSED AMENDMENT**

13 CSR 70-15.110 Federal Reimbursement Allowance (FRA). The division is amending section (1).

PURPOSE: This proposed amendment provides for the trend factor to be applied to the inpatient and outpatient adjusted net revenues to determine the inpatient and outpatient net revenues subject to the FRA assessment for SFY 2027.

(1) Federal Reimbursement Allowance (FRA). FRA shall be assessed as described in this section.

(A) Definitions.

1. Bad debts – Amounts considered to be uncollectible from accounts and notes receivable that were created or acquired in providing services. Allowable bad debts include the costs of caring for patients who have insurance, but their insurance does not cover the particular service procedures or treatment rendered.

2. Base year cost report – Audited Medicaid cost report from the third prior calendar year. If a hospital has more than one (1) cost report with periods ending in the third prior calendar year, the cost report covering a full twelve- (12-) month period will be used. If none of the cost reports covers a full twelve (12) months, the cost report with the latest period will be used. If a hospital's base year cost report is less than or greater than a twelve- (12-) month period, the data shall be adjusted, based on the number of days reflected in the base year cost report, to a twelve- (12-) month period. Any changes to the base year cost report after the division issues a final decision on assessment will not be included in the calculations.

3. Charity care – Those charges written off by a hospital based on the hospital's policy to provide health care services free of charge or at a reduced charge because of the indigence or medical indigence of the patient.

4. Contractual allowances – Difference between established rates for covered services and the amount paid by third-party payers under contractual agreements. The Federal Reimbursement Allowance (FRA) is a cost to the hospital, regardless of how the FRA is remitted to the MO HealthNet Division, and shall not be included in contractual allowances for determining revenues. Any redistributions of MO HealthNet payments by private entities acting at the request of participating health care providers shall not be included in contractual allowances or determining revenues or cost of patient care.

5. Department – Department of Social Services.

6. Director – Director of the Department of Social Services.

7. Division – MO HealthNet Division, Department of Social Services.

8. Engaging in the business of providing inpatient health care – Accepting payment for inpatient services rendered.

9. Federal Reimbursement Allowance (FRA) – The fee assessed to hospitals for the privilege of engaging in the business of providing inpatient health care in Missouri. The FRA is an allowable cost to the hospital.

10. Fiscal period – Twelve- (12-) month reporting period determined by each hospital.

11. Gross hospital service charges – Total charges made by the hospital for inpatient and outpatient hospital services that are covered under 13 CSR 70-15.010.

12. Hospital – A place devoted primarily to the

maintenance and operation of facilities for the diagnosis, treatment, or care for not fewer than twenty-four (24) hours in any week of three (3) or more nonrelated individuals suffering from illness, disease, injury, deformity, or other abnormal physical conditions; or a place devoted primarily to provide, for not fewer than twenty-four (24) hours in any week, medical or nursing care for three (3) or more nonrelated individuals. The term hospital does not include convalescent, nursing, shelter, or boarding homes as defined in Chapter 198, RSMo.

13. Hospital revenues subject to FRA assessment effective July 1, 2008 – Each hospital’s inpatient adjusted net revenues and outpatient adjusted net revenues subject to the FRA assessment will be determined as follows:

A. Obtain “Gross Total Charges” from Worksheet G-2, Line 25, Column 3 from CMS 2552-96, or Worksheet G-2, Line 28, Column 3 from CMS 2552-10, of the third prior year cost report (i.e., FRA fiscal year cost report) for the hospital. Charges shall exclude revenues for physician services. Charges related to activities subject to the Missouri taxes assessed for outpatient retail pharmacies and nursing facility services shall also be excluded. “Gross Total Charges” will be reduced by the following:

(I) “Nursing Facility Charges” from Worksheet C, Part I, Line 35, Column 6 from CMS 2552-96, or Worksheet C, Part I, Line 45, Column 6 from CMS 2552-10;

(II) “Swing Bed Nursing Facility Charges” from Worksheet G-2, Line 5, Column 1 from CMS 2552-96, or Worksheet G-2, Line 6, Column 1 from CMS 2552-10;

(III) “Nursing Facility Ancillary Charges” as determined from the Department of Social Services, MO HealthNet Division, nursing home cost report. (Note: To the extent that the gross hospital charges, as specified in subparagraph (1)(A)13.A. above, include long-term care charges, the charges to be excluded through this step shall include all long-term care ancillary charges including skilled nursing facility, nursing facility, and other long-term care providers based at the hospital that are subject to the state’s provider tax on nursing facility services.);

(IV) “Distinct Part Ambulatory Surgical Center Charges” from Worksheet G-2, Line 22, Column 2 from CMS 2552-96, or Worksheet G-2, Line 25, Column 2 from CMS 2552-10;

(V) “Ambulance Charges” from Worksheet C, Part I, Line 65, Column 7 from CMS 2552-96, or Worksheet C, Part I, Line 95, Column 7 from CMS 2552-10;

(VI) “Home Health Charges” from Worksheet G-2, Line 19, Column 2 from CMS 2552-96, or Worksheet G-2, Line 22, Column 2 from CMS 2552-10;

(VII) “Total Rural Health Clinic Charges” from Worksheet C, Part I, Column 7, Lines 63.50–63.59 from CMS 2552-96, or Worksheet C, Part I, Column 7, Line 88 and subsets from CMS 2552-10; and

(VIII) “Other Non-Hospital Component Charges” from Worksheet G-2, Lines 6, 8, 21, 21.02, 23, and 24 from CMS 2552-96, or Worksheet G-2, Lines 5, 7, 9, 21, 24, 26, and 27 from CMS 2552-10;

B. Obtain “Net Revenue” from Worksheet G-3, Line 3, Column 1. The state will ensure this amount is net of bad debts and other uncollectible charges by survey methodology;

C. “Adjusted Gross Total Charges” (the result of the computations in subparagraph (1)(A)13.A.) will then be further adjusted by a hospital-specific collection-to-charge ratio determined as follows:

(I) Divide “Net Revenue” by “Gross Total Charges”; and

(II) “Adjusted Gross Total Charges” will be multiplied by the result of part (1)(A)13.C.(I) to yield “Adjusted Net Revenue”;

D. Obtain “Gross Inpatient Charges” from Worksheet

G-2, Line 25, Column 1 from CMS 2552-96, or Worksheet G-2, Line 28, Column 1 from CMS 2552-10, of the most recent cost report that is available for a hospital;

E. Obtain “Gross Outpatient Charges” from Worksheet G-2, Line 25, Column 2 from CMS 2552-96, or Worksheet G-2, Line 28, Column 2 from CMS 2552-10, of the most recent cost report that is available for a hospital;

F. Total “Adjusted Net Revenue” will be allocated between “Net Inpatient Revenue” and “Net Outpatient Revenue” as follows:

(I) “Gross Inpatient Charges” will be divided by “Gross Total Charges”;

(II) “Adjusted Net Revenue” will then be multiplied by the result to yield “Net Inpatient Revenue”; and

(III) The remainder will be allocated to “Net Outpatient Revenue”; and

G. The trend indices, if greater than zero percent (0%), will be determined based on the Health Care Costs index as published in *Healthcare Cost Review* by Institute of Health Systems (IHS), or equivalent publication, regardless of any changes in the name of the publication or publisher, for each state fiscal year (SFY). The trend indices listed below will be applied to the apportioned inpatient adjusted net revenue and outpatient adjusted net revenue in order to inflate or trend forward the adjusted net revenues from the FRA fiscal year cost report to the current state fiscal year to determine the inpatient and outpatient adjusted net revenues subject to the FRA assessment.

[(I)] SFY 2023 =

(a) Inpatient Adjusted Net Revenues—3.8%

(b) Outpatient Adjusted Net Revenues—0%]

[(II)](I) SFY 2024 =
