HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo Supp. 2014.

EXECUTIVE ORDER 16-02

WHEREAS, I have been advised by the State Emergency Management Agency that severe storm systems have caused damages associated with heavy rains, flooding, flash flooding and high winds in communities across the State of Missouri; and

WHEREAS, there has been loss of life, interruption of public services, infrastructure damage and damage to private property, as a result of the severe weather that began on December 22, 2015; and

WHEREAS, the severe weather has created conditions of distress and hazard to the safety, welfare and property of the citizens of the State of Missouri beyond the capabilities of same local jurisdictions and other established agencies; and

WHEREAS, I issued Executive Order 15-10 declaring a State of Emergency for the protection of the safety and welfare of the citizens of the State of Missouri; and

WHEREAS, I issued Executive Order 15-11 ordering the Adjutant General of the State of Missouri to call into active service such portions of the organized militia deemed necessary to aid the executive officials of Missouri to protect life and property; and

WHEREAS, the Missouri Department of Natural Resources is charged by law with protecting and enhancing the quality of Missouri's environment and with enforcing a variety of environmental rules and regulations; and

WHEREAS, in order to respond to the emergency and expedite the cleanup and recovery process, it is necessary to waive certain environmental rules and regulations on a temporary and short-term basis.

NOW THEREFORE, I, JEREMIAH W. (JAY) NIXON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and laws of the State of Missouri, including Section 44.100 and 44.110, RSMo, order the Director of the Missouri Department of Natural Resources to use full discretionary authority to temporarily waive or suspend the operation of any statutory or administrative rule or regulation currently in place under her purview in order to best serve the interests of the public health and safety during the period of the emergency and the subsequent recovery period.

This order shall terminate on January 22, 2016, unless extended in whole or in part.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 6th day of January, 2016.

Jeremiah W. (Jay) Nixon
Governor

ATTEST:

Jason Kander
Secretary of State

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

Title 13—DEPARTMENT OF SOCIAL SERVICES Division 40—Family Support Division Chapter 2—Income Maintenance

PROPOSED RULE

13 CSR 40-2.357 Temporary Assistance Diversion Program

PURPOSE: This rule provides the eligibility requirements for the Temporary Assistance (TA) Diversion program, pursuant to Senate Bill 24 (2015).

(1) Scope. This rule describes the requirements necessary to qualify for the TA Diversion program. The program provides an alternative to Temporary Assistance (TA) benefits received on a monthly basis. The program goes into effect January 1, 2016.

(2) For purposes of this rule, the following definitions shall apply:

(A) The terms “program” and “diversion program” shall mean the TA Diversion program, unless described otherwise; and

(B) “Household” shall be defined according to the TA definition in 13 CSR 40-2.300(6).

(3) To qualify for a diversion payment, a participant must be determined eligible for TA.

(4) A participant is not eligible for this program if an adult in the participant's household has reached his or her lifetime limit of monthly Temporary Assistance for Needy Families (TANF) payments pursuant to 13 CSR 40-2.350.

(A) Effective January 1, 2016, the lifetime limit for participation in the TA program is forty-five (45) cumulative (not necessarily consecutive) months in which an adult in the household has received assistance under the TANF block grant program, pursuant to sections 601-619 of Title 42, *United States Code*.

(B) Months in which a participant receives a payment under the TA Diversion program do not count toward the TA lifetime limit.

(C) A participant can only receive a total of five (5) diversion program payments in his or her lifetime as a parent, guardian, or caretaker relative in a TA household. This limit includes payments from diversion programs in other states or U.S. jurisdictions.

(5) A participant applying for this program is not required to comply with the TA recipient work activity requirements, as described in 13 CSR 40-2.315, subject to subsection (A) of this section. A participant

applying for this program must demonstrate good cause as described in section (7) of this rule.

(A) A participant who is actively sanctioned for non-cooperation with the TA work activity requirements under 13 CSR 40-2.315, or whose TA case has been closed due to non-cooperation with the work activity requirements, shall not qualify for a diversion payment until the sanction is ended in accordance with 13 CSR 40-2.315.

(6) An eligible participant shall not receive more than one (1) diversion program payment once during a twelve- (12-) month period.

(A) The first month in determining the twelve- (12-) month period is the month in which the diversion payment was issued.

(7) A participant requesting a diversion payment is eligible to receive a payment only if the participant establishes good cause for one (1) of the following reasons:

(A) An involuntary loss of employment, as demonstrated by a written notice from the TA participant's previous employer, unless the division determines that the participant—

1. Voluntarily quit a job; or
2. Was terminated for poor job performance or for failure to meet a condition of employment; or

(B) A catastrophic illness or accident that renders the participant unable to work temporarily or permanently, as demonstrated by a statement from a licensed medical professional. The participant shall produce a copy of medical records and a written report from a licensed medical professional, on letterhead, providing the medical diagnosis, along with any supporting medical tests and examinations that establish the existence of the medical condition and the probable duration of the medical condition. If the participant has been determined disabled by a state or federal disability determination process, a written notice from such agency shall be acceptable documentation; or

(C) The participant is a victim of an incident of domestic violence, as defined by section 455.010(5), RSMo, or of human trafficking, as defined by section 566.200(16), RSMo, that is documented by either a written self-attestation, police reports, ex parte order, or other orders or judgments issued by a court; or

(D) An employed participant is unable to care for the basic needs of his or her family due to an emergency or other event, including but not limited to—

1. An involuntary reduction in wages, as documented through pay stubs or an employer statement, to the extent that the participant qualifies for TA even though he or she is still employed; or

2. The participant temporarily loses access to adequate transportation to work or school beyond the control of the participant with no readily accessible alternate means of transportation. The participant shall produce documentation of the loss of transportation by documents such as police reports, insurance claims, repair estimates, documentation of bus route changes, towing bills, or other evidence supporting this claim; or

3. The participant temporarily loses access to child care as documented through a statement from the childcare provider, or other evidence supporting this claim; or

4. The participant has temporarily been deprived of shelter, electricity, water, heating and/or cooling, or food due to circumstances beyond the control of the participant caused by intentional or negligent acts or due to a man-made or natural disaster. The participant shall produce documentation of the event by police reports, insurance claims, repair estimates, or other evidence supporting this claim; or

5. A temporary financial hardship caused by natural or accidental death or the catastrophic illness of a household member, or a parent or sibling of a household member, including half or step-siblings; or

6. Any other event that the division determines warrants good cause, and that is supported by documentation establishing the occurrence of the event.

(8) The participant shall agree to use a diversion payment to address

an issue related to the purpose of the TANF program pursuant to section 601 of Title 42, *United States Code*.

(A) The division shall issue a diversion payment directly to the participant by electronic benefits transfer (EBT).

(B) The participant is not eligible for TA in the month in which the diversion payment was issued.

(C) A TA payment shall not be issued to a household for any month for which a diversion payment was also issued, regardless of whether the head of household or the person receiving the payment changes.

(D) The participant is not eligible for TA for up to two (2) months following the month for which the diversion payment was approved, to the extent that the total diversion payment exceeds or equals the amount of TA for which the participant would otherwise qualify in those months. The diversion case is considered to be active during this period.

(9) The TA Diversion program is not included within the definition of "assistance" in 13 CSR 40-2.300(3).

(10) All information provided to the division by a participant in support of a request for a diversion payment shall be true, accurate, and complete.

(11) The participant shall disclose to the division all information which may impact eligibility for the diversion payment. The participant has a continuing obligation to notify the division if any information supporting the grant of the diversion payment changes within ten (10) days of the change.

(12) A participant who is aggrieved by a decision of the division under this regulation may appeal the division's decision pursuant to section 208.080, RSMo.

**Title 5—DEPARTMENT OF ELEMENTARY AND

Chapter 4—General Administration**

ORDER OF RULEMAKING

By the authority vested in the State Board of Education under section 160.405, RSMo Supp. 2013, section 161.092, RSMo Supp. 2014,

and sections 165.121, 167.201, and 178.430, RSMo 2000, the board amends a rule as follows:

5 CSR 30-4.030 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on October 1, 2015 (40 MoReg 1277-1280). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Elementary and Secondary Education (department) received seven (7) comments on the proposed amendment.

COMMENT #1: Renda Armstrong, CPA, DSWA Certified Public Accountants, Teresa Lange, Bayless School District, and Kevin Supple, Francis Howell School District, indicated it would not be in the best interest of small school districts in the state of Missouri if they were required to report on the accrual basis of accounting. They expressed concern that as a result of the new Uniform Grant Guidance that went into effect on July 1, 2015, cash basis districts would lose their low risk auditee status under the provisions listed under 2 CFR 200.520, since the state law is silent as to the basis of accounting required for the school districts. They suggest a wording change that allows Missouri school districts to be allowed to report on a cash or modified cash basis of accounting.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with the comments in support of school districts maintaining their low risk status. Subsection (2)(A) will be revised to explicitly state Other Comprehensive Basis Of Accounting. The remaining sentences in subsection (2)(A) will be deleted.

COMMENT #2: Kathy Wood, CPA, Lindbergh School District, proposes that subsection (2)(A) be revised to state: "*The financial statements must be prepared in accordance with Generally Accepted Accounting Principles (GAAP); or Other Comprehensive Basis Of Accounting (OCBOA) such as cash, modified cash or modified accrual; or a basis of accounting required by state law.*"

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this proposal. Subsection (2)(A) will be revised to explicitly state Other Comprehensive Basis Of Accounting. The remaining sentences in subsection (2)(A) will be deleted.

COMMENT #3: Jeff Orr, Fort Zumwalt School District, understands this amendment is meant to prevent districts from losing their low risk auditee status based on changes by the new Uniform Grant Guidance standards. However, Missouri does not currently have a law that specifies a basis of accounting for financial statement reporting purposes. Without such a law, Mr. Orr is concerned the interpretation of the proposed changes would force districts to prepare their financial statements in accordance with Generally Accepted Accounting Principles (GAAP) (full accrual). This would be a huge burden and cost to school districts across the state. About ninety-eight percent (98%) of districts currently report on a cash basis. The majority are relatively small and do not have staff with adequate skills to prepare full accrual (GAAP) financials. In addition, GAAP financial statements require extensive disclosures that would further increase accounting fees, audit fees, and require actuarial analysis to prepare. To avoid this issue and hopefully satisfy the new guidance concerning low risk auditee status, Mr. Orr recommended the following changes to the proposed rule: (2)(A) "*The financial statements must be prepared in accordance with Generally Accepted Accounting Principles (GAAP); or Other Comprehensive Basis Of Accounting (OCBOA) such as cash, modified cash or modified accrual; or a basis of accounting required by state law.*"

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with the comments in support of school districts maintaining

their low risk status. Subsection (2)(A) will be revised to explicitly state Other Comprehensive Basis Of Accounting. The remaining sentences in subsection (2)(A) will be deleted.

COMMENT #4: Denise Pierce, Jefferson City School District, and Roger Kurtz, Missouri Association of School Administrators, are concerned the wording of subsection (2)(A) indicates that, due to the absence of a state law, all Missouri school districts must prepare their financial statements on the GAAP (accrual) basis, which would increase audit costs and personnel costs to hire additional staff, for most of the districts in the state. Ms. Pierce also pointed out that Section 222 of Statement of Federal Financial Accounting Concepts (SFFAC) 1 on page 51 of the Federal Accounting Standards Advisory Board (FASAB) handbook states: "The FASAB has no intent to recommend standards for general purpose external financial reporting by nonfederal entities. The FASAB's mission is to consider and recommend principles for the federal government."

RESPONSE AND EXPLANATION OF CHANGE: With the changes to the rule, the department is clarifying the law to explicitly state other comprehensive basis of accounting is a permissible basis of accounting to use in preparing the financial statements. Subsection (2)(A) will be revised to explicitly state Other Comprehensive Basis Of Accounting. The remaining sentences in subsection (2)(A) will be deleted, which includes the reference to the FASAB handbook.

5 CSR 30-4.030 Audit Policy and Requirements

(2) Audits of schools are primarily intended to express an auditor's opinion on the fairness of presentation of the financial statements. Audits also provide an independent review of financial operations, systems of internal control, and compliance with relevant state and federal laws and regulations.

(A) The financial statements must be prepared in accordance with Generally Accepted Accounting Principles (GAAP) (accrual basis); or Other Comprehensive Basis Of Accounting (OCBOA) such as cash, modified cash, or modified accrual; or a basis of accounting required by state law.

**Title 11—DEPARTMENT OF PUBLIC SAFETY
Division 45—Missouri Gaming Commission
Chapter 9—Internal Control System**

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission (MGC) under section 313.805, RSMo Supp. 2013, the commission adopts a rule as follows:

11 CSR 45-9.101 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 1, 2015 (40 MoReg 1283-1284). Changes have been made to the text of the proposed revision of the *Minimum Internal Control Standards* (MICS) as incorporated by reference in Chapter A, and those changes are explained below. Changes have been made to the text of the proposed

rule, so it is reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A public hearing was held on this proposed rule on November 4, 2015. No one attended the public hearing. Written comments were received from MGC staff.

COMMENT #1: A §1.02(A)—A staff member commented that §1.02(A) should be clarified to indicate that it means thirty-three percent (33%) of all of the employees in a given job position, not just thirty-three percent (33%) of the number of employees working that day.

RESPONSE AND EXPLANATION OF CHANGE: The staff revised A §1.02(A) to read—“(A) When employees in the cage, count room, slots, poker, table games, and security departments dual rate, no more than thirty-three percent (33%) of the employees in that department in any given job position shall be allowed to dual rate up to the higher position. The Class B Licensee shall maintain a current list of all employees who are allowed to dual rate by department;”

COMMENT #2: A §1.06—A staff member commented that this rule should include the *Minimum Internal Control Standards* for clarity, even though they are incorporated by reference in the *Code of State Regulations*.

RESPONSE AND EXPLANATION OF CHANGE: The staff revised A §1.06 to read—“Class B Licensees shall provide all employees with training regarding the Missouri Riverboat Gambling Act, Missouri Gaming Commission Rules and Regulations, Missouri Gaming Commission *Minimum Internal Control Standards*, the Class B Licensee’s Internal Control System and procedures in a brief outline or general description. Each employer shall ensure that employees, prior to performing the functions and duties of their jobs, are adequately trained as to the applicable statutes, regulations, and internal controls that apply to their specific job functions. The Class B Licensee shall maintain a record of all mandatory training. A current copy of the Class B Licensee’s entire Internal Control System shall be readily accessible to all employees.”

COMMENT #3: A §1.09(B)—A staff member commented that §1.09(B) of this rule does not need to restate the requirements of 11 CSR 45-5.030 and 11 CSR 45-12.090.

RESPONSE AND EXPLANATION OF CHANGE: The staff revised A §1.09(B) to remove: “,which prohibit employees from playing any gambling game or receiving any intoxicating liquor while on the premises.”

COMMENT #4: A §4.06—A staff member commented that §4.06 should clarify the event which triggers the fifteen (15) day submission deadline.

RESPONSE AND EXPLANATION OF CHANGE: The staff revised A §4.06 to state—“Changes required by the Commission shall be submitted to the Commission within fifteen (15) days of the notice. Any changes which are required to be made as a result of an MGC compliance audit or an audit recommendation by an independent certified public accounting firm or an internal audit shall be submitted at the next submission date following the issuance of the auditor’s report.”

COMMENT #5: A §4.11—A staff member commented that §4.11 requires the cover page of each chapter to list the effective dates of prior revisions for the past four (4) years, and noted this could require a great deal of work if it is applied retroactively. The staff member suggested rewording the rule to clarify that this standard should be applied forward to prevent that additional work.

RESPONSE AND EXPLANATION OF CHANGE: The staff revised A §4.11 to require only prior revisions after January 1, 2016 be listed. The staff revised A §4.11(A) to read—“(A) At a minimum, the cover page for each chapter shall include the effective date approved by the commission. The effective dates of each prior revision that occurred

Background

The individuals listed in this notice have recently filed applications requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.

**Title 20—DEPARTMENT OF INSURANCE,
FINANCIAL INSTITUTIONS AND PROFESSIONAL
REGISTRATION**

IN ADDITION

Section 538.210.8, RSMo, requires the Missouri Department of Insurance, Financial Institutions and Professional Registration to annually adjust the cap on non-economic damages in medical malpractice cases by 1.7 percent. The caps for 2016 are calculated below.

The new limit was established by the following calculation:

Cap for non-catastrophic injuries in 2015:	\$400,000
Cap for catastrophic injuries in 2015:	\$700,000

New caps:

Non-catastrophic injuries: $(\$400,000 \times .017) + \$400,000 = \$406,800$

Catastrophic injuries: $(\$700,000 \times .017) + \$700,000 = \$711,900$
