The assistant desires me to say, that ~~say~~ that he understood the instructions as meaning, that if there were productions on the farm including the live stock on hand, to the amount of \$100— then they must be returned— & consequently was led into error & has enumerated 35 farms whose productions for the year did not amount to \$100— These I have deducted— & only allowed pay for the others, which come within the instructions.

Jno. W. Swickell  
 Marshal

Wm. Spitzer Ass't Marshal.

Year ending June 1, 1850.
