Mr.
 Kingsville May 23rd 1871

J. A. Walker Esq
 In Care

Had there been any Establishments of Productive Industry in my Subdivision, they surely would have been reported. (I have regard for an Oath) There is in fact—son Sp. Johnson County (Mrs. Two Old Saw Mills, but neither of them worth as much powder as would blow them up. One or two Blacksmith Shops at which Plow Shares are sharpened, & horse shoeing done for neighbouring farmers, and only one place called Town, containing less than 1 doz Souls, Children appears to be the products of Industry in my Subdivision, as you will see by the no. of twins reported.

Respectfully Yours
 Geo. Monroe
 # 131

N.B. Will we ever receive any more pay for our work, or is "uncle Sam" bankrupt. I have lost nearly my all in this world by fire, a few weeks since. and am very needy
